Management Comment

Karl Simich, Sandfire's Managing Director and CEO, said:

"This has been an excellent investment for Sandfire. However, given that our focus is firmly now on the MATSA operation in Spain, which we see as the backbone of our company moving forward, together with our exciting development and growth assets in the Kalahari Copper Belt, our holding in Adriatic is no longer a strategic asset for the Company."

"Thanks to the excellent work of the Adriatic team over the past few years, led by Paul Cronin, the Company has drilled out a substantial Resource at the Vares Silver Project in Bosnia & Herzegovina and delivered a high-quality Definitive Feasibility Study."

"As a result, Adriatic is now firmly on track to become the first publicly-listed mining company in Bosnia & Herzegovina with permitting, off-take and project financing all well advanced. We would like to take this opportunity to wish Paul and the Adriatic team all the best for the future."
