¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

Director's Information

In considering any selection, appointment or re-appointment to the Board, the Board considers the necessary and desirable competencies of any Directors or proposed Directors.

The Board ensures that the Group undertakes appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a Director. The Board will ensure that the Group provides security holders all material information in its possession relevant to a decision on whether or not to elect or re-elect a Director.

Each Director enters into an agreement with the Company setting out the Terms and Conditions of their appointment including their roles and responsibilities.

Each of the Key Management Personnel enters into a Service Agreement which sets out their position description, duties and responsibilities, reporting lines, remuneration entitlements, ongoing confidentiality, obligation to comply with all corporate policies, the circumstances in which their service may be terminated (with or without notice) and any entitlements on termination.

Key Management Personnel Performance Evaluation

The Group's goals are used as the basis for evaluating performance of Key Management Personnel. Performance evaluations are undertaken annually by the Chief Executive Officer. The Chief Executive Officer's performance evaluation is also undertaken annually, by the Board.

Remuneration and Nomination Committee

The Directors have established a Remuneration and Nomination Committee. A copy of the Remuneration and Nomination Committee Charter is available at www.elanorinvestors.com.

The Remuneration and Nomination Committee has three members. All three members are independent non-executive directors.

The Remuneration and Nomination Committee is chaired by an independent director. The Board, having regard to the Group's stage of development as a listed entity and the collective experience and expertise of the members of the Remuneration and Nomination Committee, considers the current composition of the Remuneration and Nomination Committee is appropriate.

The following Directors are members of the Committee.

Tony Fehon	Chair	Non-executive Independent Director
Paul Bedbrook	Member	Non-executive Independent Director
Nigel Ampherlaw	Member	Non-executive Independent Director

Tony Fehon was appointed Chairman of the Committee on 19 February 2021 following the resignation of Paul Bedbrook (Board Chair) from that role.

During the financial year to 30 June 2021 the Remuneration and Nomination Committee met six (6) times with all members attending.

The Remuneration and Nomination Committee is responsible for:

- Supporting and advising the Board in fulfilling its responsibilities to security holders and employees of the Group, by endeavouring to ensure that the directors and senior executives of the Group are remunerated fairly and appropriately.

matrix of skills of the Directors standing on the Board at least annually to identify gaps in their skills that may be addressed through professional development or by the appointment of additional directors.

The Board comprises a diverse range of skills and understanding gained by Directors from their decades of experience in the financial services, asset management, investment banking and property sectors. This expertise is supported by appropriate accounting, banking & finance and risk management skills.

Director Independence

The Board recognises that independent directors are important in assuring investors that the Board is properly fulfilling its role and is diligent in holding management accountable for its performance.

As at 30 June 2021, the Board comprises four directors, three of whom are independent. For the period up to 25 January 2021, the Board comprised five directors (three of whom were independent). Mr Kin Song Lim resigned as a non-executive director with effect 25 January 2021. The Chair of the Board is an independent director and does not occupy a joint position as Chief Executive Officer. The Independent Directors are:

Paul Bedbrook	Independent Chair
Tony Fehon	Independent Director
Nigel Ampherlaw	Independent Director

As at 30 June 2021, Glenn Willis was the sole executive director on the Board having been formally appointed as Managing Director and Chief Executive Officer in June 2014.

Induction and Training

The Group has induction procedures in place to allow new Directors to gain an understanding of the Group (including its culture and values) and their rights, duties and responsibilities, the roles and responsibilities of senior executives, the role of Board Committees, and meeting arrangements and Director interaction.

Directors are required to keep themselves adequately informed in respect of relevant industry and regulatory issues and changes.

The Group will provide appropriate professional development opportunities for Directors to develop and maintain the skills and knowledge needed to perform their role as a Director effectively.

As outlined above (Board Skills and Competencies) the matrix of skills of the Directors is reviewed at least annually as a means of identifying and reviewing whether there is a need for existing Directors to undertake further professional development.

External Auditors

The external auditor is requested by the Board to attend each AGM to answer questions about the conduct of the audit and the preparation and contents of the Auditors Report.

Principle 5 – Make timely and balanced disclosure

Continuous Disclosure Policy

In order to regulate the continuous disclosure regime across the Group in relation to any securities issued by the Group the Board has adopted a Continuous Disclosure Policy. A copy of the Continuous Disclosure Policy is available at www.elanorinvestors.com.

The Continuous Disclosure Policy aims to ensure that the Group complies with the continuous disclosure requirements contained in the Australian Securities Exchange (ASX) Listing Rules (the Rules). The successful operation of the Group's continuous disclosure regime promotes investor confidence by providing full, timely, accurate and relevant information to the market about the activities of the Group and serves to educate all relevant Group personnel on what continuous disclosure is, and how they can ensure they meet their individual responsibilities.

Subject to the exceptions contained in the Listing Rules, the Group will immediately notify the market of any information or matter related to the businesses or financial condition of the Group which a reasonable person would expect to have a material effect on the price or value of those securities. Such notifications will be made by way of an announcement to the ASX.

Corporate Governance Statement

The Group ensures that the Board receives copies of all material market announcements promptly after they have been made.

Investor presentation materials are released on the ASX Market Announcements Platform ahead of presentations to investors.

Reporting of Disclosable Information

The Company Secretary plays an important role in the Group's Continuous Disclosure Policy. The Company Secretary is the person principally responsible for operating, overseeing and maintaining this Policy. The Company Secretary is the liaison between the Group's employees and officers, its Board of Directors, Responsible Managers and the ASX. The Company Secretary is also responsible for co-ordinating education within the Group about its disclosure obligations.

The Company Secretary will work with the Chief Executive Officer, and the members from time to time of any Continuous Disclosure Committee, to determine whether any reported information needs to be disclosed in accordance with the Continuous Disclosure Policy.

Principle 6 – Respect the rights of security holders

Corporate Governance

The Group's website at www.elanorinvestors.com has a corporate governance section from where all relevant corporate governance information can be accessed, including Board and Committee Charters and various corporate governance policies.

Details on the Board of Directors, management team and the Group's operating divisions can be found in the "About" section of the Group's website.

The website also contains a feed from the ASX for the Group's security price information and a link to ASX announcements released by the Group.

Investors Reports

The Group prepares annual reports for investors for each financial year ending 30 June and a half year report for the period ending 31 December. These reports are posted on the website. Investors may elect to receive a hard-copy of the annual report or an email notification once they become available.

General Meetings

The Group holds an annual general meeting (AGM) in October or November each year. The date, time and venue of the AGM are notified to the ASX when the annual report is lodged with the ASX, generally in September each year. The Board of Directors aim to choose a date, venue and time considered convenient to the greatest number of our investors.

Corporate Governance Statement

All notices of meetings will be accompanied by clear explanatory notes on the items of business. A copy of any such Notice of Meeting will be placed on the Group's website. Should an investor not be able to attend a general meeting they are able to vote on the resolutions by appointing a proxy. The proxy form included with the notice of meeting will clearly explain how the proxy form is to be completed and submitted. The Group ensures that all substantive resolutions at a meeting of security holders are decided by a poll rather than by a show of hands.

As previously stated, the external auditor attends each AGM to answer questions about the conduct of the audit and the preparation and contents of the Auditor's Report.

Investor Communication

In addition to conducting an AGM, the group maintains an investor relations and communications approach that facilitates effective two-way communication with investors.

The Group has prepared a Risk Management Framework which has been reviewed by management and the Board.

In the context of the Group's strategy and activities, the Risk Management Framework identifies and assesses the key categories of risk for the Group and summarises and evaluates the effectiveness of the risk control environment for each category of risk identified for the Group. In reviewing the Group's risk profile, the Group has not identified any material exposure to environmental or social sustainability risks.

A review of the Risk Management Framework has been undertaken in accordance with the process outlined above in respect of the financial year to 30 June 2021.

Internal Audit

The Board has determined, having regard to the Group's current stage of development not to establish a separate internal audit function. Where the Group believes internal audit type reviews are required of certain activities or functions, the review is outsourced to a service provider the Group believes is suitably qualified, and the results of the reviews reported to the Audit and Risk Committee.

As set out above, the Committee has specific responsibilities in relation to risk management and internal control.

Safety and Sustainability

The Board has established a workplace health and safety management team for the Group as a whole. This team monitors the effectiveness of workplace health and safety management systems and monitors the extent to which a safety culture exists within the Group. The workplace health and safety management team formally reports to the Board.
