(2) All holders of ordinary shares in the Company as at the Effective Time are entitled to attend and vote at this meeting and may appoint an individual or a body corporate as proxy to attend at this meeting and vote on behalf of the shareholder (provided a valid proxy form is received by the Company by the time specified in paragraph (11) below). Share transfers registered after the Effective Time will be disregarded in determining entitlements to attend and vote online at the meeting. Shareholders who are unable to attend the meeting are encouraged to appoint a proxy to attend and vote on their behalf.

(3) A proxy need not be a shareholder of the Company.

(4) The proxy form personalised and sent to you in connection with this Notice should be used for this meeting.

(5) Each shareholder who is entitled to cast 2 or more votes at this meeting may appoint 2 proxies and may specify the proportion or number of votes that each proxy is entitled to exercise. If a shareholder does not specify the proportion or number of that shareholder's votes each proxy may exercise, each proxy will be entitled to exercise half the votes. An additional proxy form will be supplied by the Company's share registry on request. As all voting will be on a poll, if you appoint 2 proxies and both proxies attend the meeting, each proxy will be entitled to exercise half the votes when voting on a poll. If you appoint a single proxy that proxy will be entitled to exercise all the votes.

(6) If your proxy chooses to vote, he/she must vote in accordance with your directions. If you do not mark a box, your proxy may vote as they choose on that item (subject to any voting restrictions that apply to your proxy). However, members of the KMP (except for the person chairing the meeting) and their closely related parties are not permitted to vote your proxy on Items 3 and 4 unless you have directed them how to vote. Similarly, any director or associate of a director eligible to participate in the Senetas Employee Share Option Plan will not be able to vote your proxy in favour of Item 3 unless you direct them how to vote. If you intend to appoint such a person as your proxy, please ensure you direct them how to vote on Items 3 and 4.

(7) You may appoint the Chairman of the Meeting as your proxy. In addition, the Chairman of the Meeting is deemed to be appointed as your proxy where a signed proxy form is returned which does not contain the name of the proxy or where your proxy does not attend the meeting, or where the person appointed on the form has been directed to vote but either does not attend the meeting or does not vote on a poll on the resolution. If the Chairman of the Meeting is your proxy (or becomes your proxy by default), by completing and returning the proxy form you will be taken to have expressly authorised him to exercise your proxy in relation to Items 3 and 4 even though the resolutions are connected directly or indirectly with the remuneration of a member of KMP. The Chairman of the Meeting intends to vote all available proxies in favour of each item of business.

(8) In the case of an individual shareholder, a proxy must be signed by the individual or his or her attorney duly authorised in writing. In the case of a body corporate which is a shareholder, a proxy must be executed by the body corporate in accordance with the Corporations Act and the body corporate's constitution, or signed by a duly authorised officer/s, agent/s or attorney.

(9) If a shareholder is a body corporate or appoints a body corporate as a proxy, that body corporate will need to ensure that it:

a. appoints an individual as its corporate representative to exercise its powers at the meeting, in accordance with section 250D of the Corporations Act; and

b. provides satisfactory evidence of the appointment of its corporate representative prior to the start of the meeting (or adjourned or postponed meeting) in the manner specified in paragraph (11). If such evidence is not received, then the body corporate (through its representative) will not be permitted to act.

(10) If a shareholder appoints an attorney to act on his or her behalf, the instrument appointing the attorney and the authority under which the instrument is signed or a certified copy of it must be received by the Company as specified in paragraph (11).

(11) To be effective, proxies and powers of attorneys granted by shareholders must be received by the Company by 10:30am (Melbourne time) on Wednesday, 17 November 2021 at the Company's share registry – Computershare Investor Services Pty Limited, in one of the following ways;

Mr Given is not considered to be an independent director as he is a consultant to Madison Park, a substantial shareholder of the Company. Mr Given does not have equity in Madison Park and does not have power to exercise, or control the exercise of voting rights of shares held in the Company by Madison Park, nor does Mr Given have the power to dispose of, or control the exercise of a power to dispose of shares held in the Company by Madison Park.

The Board (with Mr Given abstaining) unanimously recommends that shareholders vote in favour of this item of business.

The Chairman intends to vote all available proxies **in favour** of this item of business.

(b) Re-election of Mr Lawrence David Hansen to the Board

Mr Lawrence David (Dave) Hansen was appointed as an independent non-executive director of Senetas on 28 August 2015. In accordance with Rule 35(c) of the Company's Constitution, Mr Hansen retires at this meeting and offers himself for re-election.

Board recommendation and Chairman's voting intention for Item 2(b)
The Board (with Mr Hansen abstaining) unanimously recommends that shareholders vote in favour of this item of business.

The Chairman intends to vote all available proxies **in favour** of this item of business.

ITEM 3 – GRANT OF OPTIONS TO THE MANAGING DIRECTOR AND CHIEF EXECUTIVE OFFICER

The Board (excluding Mr Andrew Wilson) has considered the overall remuneration of the Company's Managing Director and CEO, Mr Andrew Wilson, including short and long-term incentives, and accordingly seeks shareholder approval for the grant of 4,000,000 options (**Options**) to Mr Wilson pursuant to the Senetas Employee Share Option Plan (each of which will allow Mr Wilson to acquire one fully paid ordinary share in the Company) on the terms and conditions set out below.

The Options will be subject to a service condition and will only provide value to Mr Wilson if the Company's share price exceeds the exercise price at the end of the performance period. Therefore, the grant of Options supports the achievement of the Company's business strategy by linking Mr Wilson's rewards to improvements in the financial performance of the Company and aligning his interests with shareholders. The grant of Options is also a reward for Mr Wilson's performance over the recent financial year.

Subject to shareholder approval, the Options will be granted to Mr Wilson within 12 months of the approval by shareholders. All other directors, being Mr Francis Galbally, Mr Kenneth Gillespie, Mr Lachie Given, Mr Dave Hansen and Mr Philip Schofield are eligible to participate in the Senetas Employee Share Option Plan but will not be eligible to participate in the Options to be granted to Mr Wilson or in their exercise.

Prior to vesting and exercise of the Options, Mr Wilson will not be entitled to dividends or any voting or other entitlements in relation to unexercised Options.

Why is shareholder approval being sought?

ASX Listing Rule 10.14 provides that securities may not be issued to a director of a Company under an employee incentive scheme without shareholder approval. Accordingly, since Mr Wilson is a director, shareholder approval is required to issue the Options to Mr Wilson under the Senetas Employee Share Option Plan.

Senetas is required by ASX Listing Rule 10.15 to provide shareholders with the information below:

No securities have been granted to any other director of the Company or any associate of a director under the Senetas Employee Share Option Plan since last shareholder approval relating to ASX Listing Rule 10.14 was received at the 2020 AGM.

Material terms of the Options

Each Option granted entitles Mr Wilson to one fully paid ordinary share in the Company, subject to vesting (on the satisfaction of the Performance Condition described below) and payment of the exercise price.

As the Options form part of Mr Wilson's remuneration, the Options will be granted at no cost to him.

Term	Detail
Vesting and performance conditions	The performance period will run for three years from 30 November 2021 to 29 November 2024 (**Performance Period**). 100% of the Options will be eligible for vesting upon 36 months of continued service by Mr Wilson commencing on 30 November 2021 (**Performance Condition**). Except in certain circumstances as set out below, the Options will only vest if the Performance Condition has been satisfied. The Options have exercise and vesting terms established by the Nomination and Remuneration Committee and the Board. Subject to the terms of grant and the circumstances as set out below, all unvested Options will lapse if the Performance Condition is not satisfied.
Expiry	Any unvested or unexercised Options will expire on the tenth anniversary of the date of issue.

Exercise Price	The exercise price of the Options upon vesting is $0.057. This represents a premium of approximately 20% to the 5 day VWAP of the Company's shares trading on ASX measured at the close of trading on Wednesday 30 September 2021.
Cessation of employment	All unvested Options will lapse on cessation of employment where Mr Wilson is dismissed without notice, terminated for cause or if Mr Wilson resigns from the Company during the Performance Period, unless the Board determines otherwise. However, if Mr Wilson ceases to be employed in any other circumstance, including due to retirement, redundancy, death or total and permanent disablement, a pro-rata number of the unvested Options will not lapse but be treated as remaining on foot, based on the proportion of the relevant Performance Period that has elapsed, and remain subject to their original terms, as if Mr Wilson had not ceased employment. The remaining unvested Options will lapse. The Board retains discretion to vest or lapse some or all Options in all circumstances.
Change of control	At the discretion of the Board and subject to such terms and conditions as the Board may determine, all of the Options may vest in the event of a "change of control" of the Company, or an announcement thereof, prior to the end of the Performance Period. For these purposes "change of control" means where the Board determines that a third party is, or stands to become, entitled to not less than 50% of the Company, including by way of a takeover or placement, and also includes a scheme of arrangement.
Clawback	All Options will lapse, any shares allocated on vesting and exercise will be forfeited, or cash amounts will be required to be repaid in certain circumstances if the Board determines that Mr Wilson has acted fraudulently or dishonestly or is in serious breach of his duty to the Company or in the Board's reasonable opinion has brought the Company into disrepute.
Restrictions on dealing	The Options to be granted to Mr Wilson are conditional and non-transferable; they cannot be hedged, sold, transferred, mortgaged, charged or otherwise disposed of or dealt with prior to exercise. Mr Wilson will be free to deal with the shares allocated on exercise of the Options, subject to the requirements of the Company's Policy for Dealing in Securities.
Source of shares	The Company intends to issue new shares for allocation to Mr Wilson upon exercise of his Options.
Adjustment for bonus issues or rights issues	In the event of a bonus issue of securities to members of the Company, no adjustment will be made to the applicable Options nor to the number of shares underlying each Option. In the event of a rights issue of securities to members of the Company, there will be no adjustment to the number of shares underlying each Option.
Ability to participate in new issues	Prior to exercise of the Options, Mr Wilson will otherwise not be permitted to participate in new issues of securities in relation to those unexercised Options.
Reorganisation of capital	In the event of a reorganisation of capital, the Options will be treated in the manner required by the applicable ASX Listing Rules, as in force at the date of the reorganisation and as appropriate to the type of reorganisation being undertaken.

Why the options were chosen as the type of security to issue to Mr Wilson

In the view of the Board, the grant of Options to Mr Wilson, especially where the exercise price of the Options is 'out of the money', by substantially exceeding the current share price, appropriately links Mr Wilson's rewards to improvements in the financial performance of the Company and aligns his interests with the interests of shareholders.

Further, in order to obtain the rewards associated with arising share price, the exercise of Options further assists the company by contributing to its additional working capital as options are exercised and new shares subscribed.

The value Senetas ascribes to the Options

The Options will not be quoted on ASX, and will not be tradeable, and as such have no readily ascertainable market value. Further, due to the exercise price of the Options exceeding the market price of shares in the Company, currently the Options have no market value.

For personal use only

That being said, using a Black Scholes option pricing model, management have estimated the value of the options granted to be $62,388 which has been calculated based on the closing share price and risk free rate on 30 September 2021, historical volatility rate of 35% and the exercise price of $0.057. This valuation will be updated to reflect the inputs at the grant date of 19 November 2021 if approved by the shareholders.

Price at which the Options will be issued

The Options will be issued to Mr Wilson at no cost as part of his long term incentive.

ITEM 5 - APPROVAL OF 10% PLACEMENT FACILITY

Background

ASX Listing Rule 7.1A enables eligible entities to issue equity securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting at which such a placement facility is approved by a special resolution of shareholders (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1.

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of $300 million or less. The Company is currently such an eligible entity (and is expected to remain so by the time of the 2021 annual general meeting).

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue "equity securities" under the 10% Placement Facility. "Equity securities" include a share, a unit, a right to a share or unit or option, an option over an issued or unissued security, and a convertible security (each an **Equity Security**).

The exact number of Equity Securities which the Company will have the capacity to issue under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (described below).

The Company may use the funds raised from the issue of Equity Securities under the 10% Placement Facility for working capital requirements and ongoing business development activities and/or for acquisitions of new assets or investments (including expenses associated with such acquisitions or investments).

Item 5 is a special resolution. Therefore, to be passed it requires at least 75% of the votes cast by shareholders entitled to vote to be in favour of the resolution.

Description of Listing Rule ASX 7.1A

(a) **Shareholder approval**

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) **Equity Securities**

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. Currently, the Company's only existing quoted class of Equity Securities is ordinary shares.

(c) **Formula for calculating 10% Placement Facility**

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the period of up to 12 months (see '10% Placement Period' below) after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D) – **E**

where:

A is the number of fully paid ordinary shares on issue in the Company 12 months before the date of issue or agreement to issue (**Relevant Period**):

(A) plus the number of fully paid ordinary securities issued in the Relevant Period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;

(B) plus the number of fully paid ordinary securities issued in the Relevant Period on the conversion of convertible securities within rule 7.2 exception 9 where:

a. the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or

b. the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to be approved, under Rule 7.1 or 7.4;

(C) plus the number of fully paid ordinary securities issued in the Relevant Period under an agreement to

issue securities within rule 7.2 exception 16 where:

a. the agreement was entered into before the commencement of the Relevant Period; or

b. the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Rule 7.1 or 7.4;

(D) plus the number of any other fully paid ordinary securities issued in the Relevant Period with approval under Rule 7.1 or 7.4;

(E) plus the number of partly paid ordinary securities that became fully paid in the 12 months;

(F) less the number of fully paid ordinary securities cancelled in the 12 months.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rules 7.1 or 7.4.

(d) **ASX Listing Rules 7.1 and 7.1A**

If passed, the resolution in item 7 will allow the board of directors to issue up to an additional 10% of the Company's issued capital during period of up to 12 months (see '10% Placement Period' below) following the date of the Company's 2021 annual general meeting without requiring further shareholder approval. This is in addition to the Company's 15% annual placement capacity provided for in ASX Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to 'Formula for calculating 10% Placement Facility' above).

Other specific information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the following additional information is provided in relation to the approval of the 10% Placement Facility:

10% Placement Period

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid for the period (**10% Placement Period**) from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

(i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;

(ii) the time and date of the next annual general meeting of the Company; or

(iii) the date of the approval by shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

If the resolution in item 5 is passed and shareholder approval is not sought for a transaction under ASX Listing Rules 11.1.2 or 11.2, the 10% Placement Period will end at the latest on 19 November 2022.

Minimum issue price

The issue price of any Equity Securities issued under ASX Listing Rule 7.1A must be no less than 75% of the volume weighted average price (**VWAP**) of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

(i) the date on which the price at which the Equity Securities are to be issued is agreed; or

(ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

Purposes for which funds may be used

The Company may seek to issue Equity Securities under the 10% Placement Facility for cash consideration only. The Company intends to use any funds so raised towards working capital requirements and ongoing business development

For personal use only

activities.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.3 upon the issue of any Equity Securities.

Risk of economic and voting dilution

If the resolution in item 5 is approved by shareholders and the Company issues Equity Securities under the 10% Placement Facility, there is a risk of economic and voting dilution to the existing ordinary security holders of the Company. This includes the risk that:

(i) the market price for the Company's Equity Securities (e.g. ordinary shares) may be significantly lower on the date of the issue of the Equity Securities than on the date of the 2021 annual general meeting; and

(ii) the Equity Securities may be issued for cash-consideration at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing shareholders on the basis of the current market price of ordinary shares in the Company and the current number of ordinary shares for variable 'A' calculated in accordance with the formula in ASX Listing Rule 7.1A.2 as at the date of this notice of meeting.

The table also shows:

(i) two examples where variable 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of ordinary shares the Company has on issue. The number of ordinary shares on issue may increase as a result of issues of ordinary shares that do not require shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future general meeting; and

(ii) two examples of where the issue price of ordinary shares changed, either by decreasing by 50% or by increasing by 100% as against a recent market price (being the closing price on 29 September 2021).

Variable 'A' in Listing Rule 7.1A.2		**Dilution**		
		\$0.0245 **50% decrease in Issue Price**	\$0.0490 **Issue Price**	\$0.0980 **100% increase in Issue Price**
Current Variable A 1,082,149,179	**10% Voting dilution**	108,214,918	108,214,918	108,214,918
	Funds Raised	\$2,651,265.49	\$5,302,530.98	\$10,605,061.96
50% increase in current Variable A 1,623,223,769	**10% Voting dilution**	162,322,377	162,322,377	162,322,377
	Funds Raised	\$3,976,898.24	\$7,953,796.47	\$15,907,592.95
100% increase in current Variable A 2,164,298,358	**10% Voting dilution**	216,429,836	216,429,836	216,429,836
	Funds Raised	\$5,302,530.98	\$10,605,061.96	\$21,210,123.93

The table has been prepared on the following assumptions:

(i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.

For personal use only

(ii) No options on issue are exercised into shares before the date of the issue of the Equity Securities.

(iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

(iv) The table does not show an example of dilution that may be caused to a particular shareholder by reason of placements under the 10% Placement Facility, based on that shareholder's holding at the date of the 2021 annual general meeting.

(v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1 (i.e. it assumes the Company does not issue any Equity Securities under the 15% placement capacity).

(vi) The Equity Securities issued under the 10% Placement Facility consist only of ordinary shares, and not any other Equity Securities such as options.

(vii) The issue price is $0.049 per share, being the closing price of the Company's shares on ASX on 29 September 2021.

Allocation policy for issues under Listing Rule 7.1A capacity

The Company's allocation policy for identifying to whom any Equity Securities will be issued under the 10% Placement Facility will be dependent on the prevailing market conditions at the time of any such proposed issue. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to various factors, including but not limited to the following:

(i) the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing security holders can participate;

(ii) the effect of the issue of the Equity Securities on the control of the Company;

(iii) the financial situation and solvency of the Company; and

(iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this notice of meeting but may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company. The Company would only issue Equity Securities to directors or other related parties of the Company under the 10% Placement Facility if shareholder approval is obtained (or an exception under ASX Listing Rule 10.12 applies).

Prior issues of securities in the last 12 months under Listing Rule 7.1A

The Company has not issued any securities in the past 12 months under Listing Rule 7.1A.

Board recommendation and chairman's voting intention for item 5

The board unanimously recommends that shareholders vote **in favour** of the resolution in this item 5.

The chairman of the meeting intends to vote all undirected proxies **in favour** of the resolution in this item 5.

Voting exclusion for item 5

A voting exclusion applies to this item 5 as set out in the notice of meeting.

At the date of this notice of meeting, the Company has not identified or approached any particular persons (including any existing security holder or an identifiable class of existing security holders) to participate in an issue of Equity Securities under the 10% Placement Facility for which approval is sought. No security holder's votes will therefore be excluded under the voting exclusion for this item 5. Shareholders should consider this resolution on the basis that they may or may not get a benefit from the 10% Placement Facility and that it is possible that their shareholding in the Company will be diluted.
