In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy;
- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the Shareholder appoints 2 proxies and the appointment does not specify the proportion or number of the Shareholders' votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Proxy vote if appointment specifies way to vote

Section 250B8(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular Resolution and if it does:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the Resolution, the proxy must not vote on a show of hands; and
- if the proxy is the Chair, the proxy must vote on a poll, and must vote that way (ie. as directed); and
- if the proxy is not the Chair, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (ie. as directed).

Transfer of non-chair proxy to Chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular Resolution at the Meeting; and
- the appointed proxy is not the Chair; and
- at the Meeting, a poll is duly demanded on the Resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the Meeting; or
 - the proxy does not vote on the Resolution,

the Chair is taken, before voting on the Resolution closes, to have been appointed as the proxy for the purposes of voting on the Resolution at the Meeting.

Voting prior to the Meeting

A Shareholder may vote by indicating on the Voting Form that they are casting their vote directly and then placing a mark in one of the boxes opposite each item of business on the Voting Form. All of the Shareholder's shares will be voted in accordance with such direction, unless the Shareholder indicates that their direction is:

- to vote only a portion of their votes on any item; or
- to cast their votes in different ways on any item, by inserting the number of shares in the appropriate box or boxes.

If a Shareholder indicates that they are lodging their votes directly and then does not mark any of the boxes on a given item, no direct vote will be recorded on that item. If a Shareholder indicates that they are delivering their votes directly and then marks more than one box on an item, their vote on that item will be invalid. If a Shareholder inserts a number of shares in boxes on any item that in total exceeds the number of shares that the Shareholder holds as at the voting entitlement time, the Shareholder's vote on that item will be invalid, unless the Shareholder inserted the number of shares in one box only, in which case it will be taken to be valid for the total number of shares held at that time.

Your proxy voting instruction must be received by **11.00am (AEDT) on Wednesday, 24 November 2021**, being not later than 48 hours prior to the commencement of the Meeting. Any Proxy Voting instructions received after that time will not be valid for the scheduled Meeting.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolution.

RESOLUTION 1 - ADOPTION OF REMUNERATION REPORT

General

The Corporations Act requires that, at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and other Key Management Personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the Annual Report. The Chair must allow a reasonable opportunity for its Shareholders to ask questions about or make comments on the Remuneration Report at the Annual General Meeting.

Voting consequences

Under the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at two consecutive annual general meetings, at least 25% of the votes cast on a resolution in respect of a remuneration report vote against the adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to a vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting. If a Spill Resolution is put to shareholders, all of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting, each person whose election or re-election as a director of the company was approved will continue as a director of the company.

Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

³ Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

⁴ The Voting Form notes it is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

RESOLUTION 2 - RE-ELECTION OF DIRECTOR - MR DAVID HANNA**General**

Article 10.2(a) of the Constitution requires that a Director (except the Managing Director) must retire from office no later than the longer of the third annual general meeting of the Company or 3 years, following that Director's last election or appointment. Article 10.2(b) of the Constitution further prescribes that, if no Director would otherwise be required to retire pursuant to Article 10.2(a), unless a Director wishes to retire and offer themselves for re-election, the Director who has held their office as Director for the longest period of time is to retire and stand for re-election at the Meeting and, in the event that multiple persons became Directors on the same day, the Director to retire shall be determined by lot (unless otherwise agreed between themselves). Article 10.2(c) of the Constitution allows a Director who retires under Article 10.2(a) or 10.2(b) to be eligible for re-election at that meeting.

Mr David Hanna who was appointed on 13 June 2019 will retire as a Director at the Meeting, and, being eligible, will stand for re-election. Personal particulars for Mr Hanna are set out below.

He is a Graduate of the Australian Institute of Company Directors and holds a number of other Board positions.

On 7 December 2020, the Company announced the Placement under which Shares (Placement Shares) were issued at a price of \$0.55 per Share raising \$9.0 million before costs. The Placement Shares were issued to certain domestic and international institutional and sophisticated investors on 10 December 2020. The issues of the shares described below did not breach any Listing Rules and Shareholder ratification to those issues is now sought.

In order to restore the Company's capacity to issue shares, it is proposed that the Shareholders ratify the issue of ordinary shares as detailed below. Ratification provides the Company with flexibility in capital management and allows the Company to make further issues for working capital or other purposes as required.

As advised in the Company's ASX announcement on 7 December 2020, the proceeds raised will be used to fund equipment purchases, capital expenses including installation and fit-out, research & development and working capital as well as being utilized to progress clients from R&D activities through to manufacturing opportunities.

- (c) 120,515 Director Shares to Stuart Director, an Executive Director of the Company, in lieu of part cash remuneration (being the subject of Resolution 6).

Summary of ASX Listing Rule 10.11

ASX Listing Rule 10.11 requires Shareholder approval to be obtained in respect of an issue of equity securities (which includes Shares) to a Director of the Company. If approval is given under ASX Listing Rule 10.11, approval is not required under ASX Listing Rule 7.1 or 10.14.

Summary of Chapter 2E of the Corporations Act

Under section 208 of the Corporations Act, for a public company to give a financial benefit to a related party (such as a director of the Company), the public company or entity must obtain the approval of the company's members unless the giving of the financial benefit falls within an exception set out in sections 210 and 216 of the Corporations Act.

Section 229 of the Corporations Act includes, as an example of a "financial benefit", the issuing of securities or the granting of an option to a related party. Accordingly, the proposed issue of Director Shares to each of David Hanna, Kathryn Presser and Stuart Douglas under Resolution 4, Resolution 5 and Resolution 6, respectively, constitutes the provision of a financial benefit to a related party.

The Director Salary Sacrifice Agreements were entered into as part of the cash preservation measures (**Salary Sacrifice Measures**). The issues of securities pursuant to the Director Salary Sacrifice Agreements are subject to shareholder approval. Accordingly, the Board consider that the terms of the Director Salary Sacrifice Agreements would fall within the exception set out in section 210 of the Corporations Act as the terms were less favourable to the Directors than those offered to unrelated parties.

In respect of each Resolution, the disinterested Directors consider that the proposed issue of the Director Shares under the respective Resolution constitutes reasonable remuneration to the respective Director and, as such, falls within the exception set out in section 211 of the Corporations Act. In reaching this view, the disinterested Directors considered:

- (a) the share price agreed to apply to all arrangements (including the Director Salary Sacrifice Agreements) entered into under the Salary Sacrifice Measures was determined to be the 5-day VWAP of Amaero shares from 25 August 2021 to 31 August 2021 (inclusive). Accordingly, at the time of entering into the Director Salary Sacrifice Agreements, there was no discount to the Director Share price, or increase in the value of the consideration to be paid to the Directors in lieu of their cash fees, as a result of the Director Salary Sacrifice Agreements;
- (b) the position and responsibilities of each of Mr Hanna, Ms Presser and Mr Douglas;
- (c) the Company's reliance on a limited number of executives and Board personnel;
- (d) the increasing time commitment and workload required of each of Mr Hanna, Ms Presser and Mr Douglas to drive and monitor, and to support management in executing on, the Company's strategies and objectives;
- (e) the considerable contribution that each of Mr Hanna, Ms Presser and Mr Douglas, respectively, have made and continue to make to the growth of the Company;
- (f) that each Director has agreed to reduce their respective cash remuneration in lieu of being issued the Director Shares to support and contribute to the Company's cash preservation measures;
- (g) the desirability of preserving cash resources within the Company;
- (h) the composition and value of the remuneration packages of non-executive and executive directors of other ASX listed companies of similar size and circumstances to that of the Company; and
- (i) the terms of the Director Shares in light of the Company's business objectives and the current Share price.

The Board believes that the Director Shares are an effective remuneration tool which preserves the cash reserves of the Company whilst providing agreed remuneration to Mr Hanna, Ms Presser and Mr Douglas.

Accordingly, Shareholders are being asked to approve the issue of the Director Shares in accordance with ASX Listing Rule 10.14 only.

RESOLUTION 7 – APPROVAL OF 10% PLACEMENT CAPACITY

General

ASX Listing Rule 7.1A provides that an eligible entity may seek shareholder approval at its annual general meeting to allow it to issue equity securities (which term has the meaning given to it in the ASX Listing Rules) to up to 10% of its issued capital over a period up to 12 months after its annual general meeting (10% Placement Capacity). The 10% Placement Capacity is in addition to the capacity to issue securities under ASX Listing Rule 7.1 without shareholder approval.

Amaero International Limited (ABN: 82 633 541 634)

13 Normanby Road, Notting Hill, Victoria, Australia 3168

T: +61 3 9905 9847 info@amaero.com.au www.amaero.com.au

If Shareholders approve this Resolution, the number of equity securities the Company may issue under its 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1 A.2. This Resolution is a Special Resolution.

ASX Listing Rule 7.1A

The ASX Listing Rules provide that an entity that satisfies both of the following tests may seek shareholder approval under ASX Listing Rule 7.1 A:

- (a) the entity is not included in the S&P/ASX 300 Index; and
- (b) the entity's market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) is not greater than \$300,000,000.

The Company is not included in the S&P/ASX 300 Index and has a market capitalisation, as at 12 October 2021, of approximately \$80 million.

Any equity securities issued in reliance of ASX Listing Rule 7.1 A must be in the same class as an existing class of quoted equity securities. The Company currently has one class of equity securities on issue which are quoted, being Shares.

ASX Listing Rule 7.1A.2 provides that an eligible entity which has obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12-month period after the date of the annual general meeting, a number of equity securities calculated in accordance with the following formula:

(A x D)- E

Where:

A is the number of shares on issue at the commencement of the relevant period:

(1) plus the number of shares issued in the relevant period under an exception in ASX Listing Rule 7.2 other than exception 9, 16 or 17;

(2) plus the number of shares issued in the relevant period on the conversion of convertible securities within ASX Listing Rule 7.2 exception 9 where:

(a) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or

(b) the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under ASX Listing Rule 7.1 or 7.4;

(3) plus the number of shares issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2 exception 16 where:

(a) the agreement was entered into before the commencement of the relevant period; or

(b) the agreement or issue was approved, or taken under these rules to have been approved, under ASX Listing Rule 7.1 or rule 7.4,

(4) plus the number of any other shares issued in the relevant period with approval under ASX Listing Rule 7.1 or 7.4;

(5) plus the number of partly paid shares that became fully paid in the relevant period; and

(6) less the number of shares cancelled in the relevant period.

D is 10%.

E is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of shares under ASX Listing Rule 7.4.

Information required by ASX Listing Rule 7.1A

ASX Listing Rule 7.3A requires the following information to be provided in relation to this Resolution:

10% Placement Capacity period

The equity securities may be issued under the 10% Placement Capacity commencing on the date of the Annual General Meeting and ceasing to be valid on the first to occur of:

- (a) 12 months after the date of the Annual General Meeting;
- (b) the time and date of the Company's next annual general meeting; or
- (c) the time and date of approval by Shareholders of any transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of the Company's activities) or ASX Listing Rule 11.2 (disposal of the Company's main undertaking).

Minimum Price

The minimum price at which the equity securities may be issued under the 10% Placement Capacity is 75% of the VWAP of equity securities in that class, calculated over the 15 trading days on which trades in that class were recorded on the ASX immediately before:

- (a) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient of the securities; or
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the equity securities are issued.

Purpose of an issue under 10% Placement Capacity

Equity securities issued under the 10% Placement Capacity can only be made for cash consideration. The purpose of any issue would be set out for Shareholders at the time of such an issue. In general terms, the Company can issue equity securities under the 10% Placement Capacity as cash consideration in which case the Company intends to use funds raised for, either or both of, working capital purposes or to fund growth opportunities.

Risk of voting dilution

Any issue of equity securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive their pro rata interest in the Shares allotted under the issue.

If this Resolution is approved by Shareholders and the Company issues the maximum number of equity securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below, in the circumstances set out in the table below.

The table below shows the dilution of existing shareholders on the basis of the closing price of the Shares on the ASX on 12 October 2021 (Closing Price) and the number of Shares for variable A, calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2, on the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) has increased by 50% and by 100% and the economic dilution where the issue price of Shares issued under the 10% Placement Capacity is 50% less than the Closing Price and 100% greater than the Closing Price.

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$ 0.198 50% decrease in Issue Price	\$ 0.395 Issue Price	\$ 0.790 100% increase in Issue Price
Current Variable A 202,788,243	10% Voting dilution	20,278,824	20,278,824	20,278,824
	Funds raised	\$ 4,005,068	\$ 8,010,136	\$ 16,020,271
50% increase in current Variable A 304,182,365	10% Voting dilution	30,418,236	30,418,236	30,418,236
	Funds raised	\$ 6,007,602	\$ 12,015,203	\$ 24,030,407
100% increase in current Variable A 405,576,486	10% Voting dilution	40,557,649	40,557,649	40,557,649
	Funds raised	\$ 8,010,136	\$ 16,020,271	\$ 32,040,542

The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with shareholder approval under ASX Listing Rule 7.1.

The table above has been prepared on the basis of the following assumptions:

- the Issue Price set out in the table is the closing price of the Shares on the ASX on 12 October 2021;
- the Company issues the maximum possible number of equity securities under the 10% Placement Capacity;
- no options or rights convertible into Shares are exercised;
- the Company has not issued any equity securities in the 12 months prior to the date of the Annual General Meeting that were not issued under an exception in ASX Listing Rule 7.2 or which were not approved under ASX Listing Rule 7.1 or 7.4;
- this table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 or ASX Listing Rule 10.11 obtained at the Meeting; and
- the issue of equity securities under the 10% Placement Capacity consists only of Shares.

Shareholders should note that there is a risk that:

- the market price for the Shares may be significantly lower on the issue date than on the date of the Annual General Meeting; and
- the equity securities under the 10% Placement Capacity may be issued at a price that is at a discount to the market share price for the shares on the date of issue or the equity securities may be issued as part of the consideration for the acquisition of an asset, both of which may affect the amount of funds raised by the issue.

Shareholders should also note that the calculations in the table do not show the dilution that any one particular shareholder will be subject to. All shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

Allocation under the 10% Placement Capacity

The allottees of the equity securities to be issued under the 10% Placement Capacity will depend on prevailing market conditions and will be determined on a case by case basis. However, the allottees of the equity securities could consist of the current Shareholders, new investors or both, provided that such allottee is not a related party of the company. Allottees may also include vendors of assets into the company.

The company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (a) the purpose of the issue;
- (b) Alternative methods for raising funds available to the company at that time, including, but not limited to, an entitlement of issue or other offer where existing shareholders may participate;
- (c) the effect of the issue of the equity securities on the control of the Company;
- (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the company;
- (e) prevailing market conditions; and
- (f) advice from corporate, financial and broking advisers (if applicable).

Previous approval under ASX Listing Rule 7.1A
