Case Study: Customer Win

Dahlsens Building Centres | Australia

Dahlsens SINCE 1877
For the Builder.

DRIVERS OF SYSTEM CHANGE

- Ran independently on a myriad of **unintegrated software** solutions for their **Payroll, Rostering, HR and Time & Attendance**.
- Reliant on **manual processes** with no ability for Head Office to report consistently, let alone **forecast future demand**.
- **Growth** of the business to over 1,100 staff

WHY WE WON

- ReadyTech was selected as met needs for **administrative efficiency** and **automation in rostering, payroll processing** and HCM.
- **Sole source-of-truth** also provides all business reporting requirements.
- An **all-in-one solution** to eliminate **time wasted** on manual double handling of data from disparate systems.

BENEFITS REALISED

- Visibility and **assurance of compliant** work rule interpretation.
- **Improved employee engagement** via employee self-service mobile app (Android/ iPhone).
- A **Single-Source-of-Truth** across all their reporting requirements.
- Gained **administrative efficiencies** through **automations** in rostering and payroll processing.

Agility in Action – responsive to changing needs

Ready Workforce is highly adaptable and built for today's workforce environment

Reducing Risk

- **Capturing key info** (immunisation status, test results)
- **Assign requirements** to create roster (vaccine/immunity status, first-aid)
- **Contactless clocking** (facial/temp)

Automations

- **Right people in the right job**
 - ✓ Skills Based Rostering (dated)
 - ✓ Bulk updating staff details & creating forms
- **Paid Right**
 - ✓ Higher duties payments

Employee Protection

- **Record and manage** vaccine and testing results
- **Contact tracing**
- **Forms** – self isolation
- Bulk **employee communications** via SMS/Email
