The Company has been closely monitoring the impact of the COVID-19 pandemic. Having regard to the social distancing requirements in New South Wales and in the interests of the health and safety of our shareholders and staff, the Board has decided that our 2021 AGM will be held as a virtual meeting. Shareholders will not be able to attend the 2021 AGM physically but will instead be able to view and participate in the virtual meeting online. This approach is in line with temporary modifications to the law and current regulatory guidance, however we acknowledge the disappointment it might cause for some shareholders. You will be able to watch and participate in the meeting in real-time on your computer or mobile device through an online platform that allows you to submit questions and vote. Further information on how you can participate in the AGM (including how to register, vote and ask questions) is set out on the following pages.

This Notice of Meeting should be read in its entirety. If in doubt as to how you should vote, you should seek advice from their professional advisers prior to voting.

Should you wish to discuss the matters in this Notice of Meeting please do not hesitate to contact the Company Secretary on +61 2 9334 2300.

DATED: 20 SEPTEMBER 2021
BY ORDER OF THE BOARD

EMMANUEL CORREIA
COMPANY SECRETARY

EXPLANATORY MEMORANDUM

This Explanatory Statement forms part of the Notice of Meeting convening the Annual General Meeting of Shareholders of BluGlass Limited to be held on Monday 22 November 2021 at 11.00am (Sydney Time).

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

Accounts and Report

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2021 together with the declaration of the directors, the Directors' Report, the Remuneration Report and the Auditor's report.

Shareholders may view the Company's Annual Financial Report on its website at www.bluglass.com.au. The Company will provide a hard copy of the Company's Annual Financial Report to Shareholders on request.

1. Resolution 1 – Adoption of Remuneration Report

1.1 General

The Corporations Act requires that, at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to Shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2021.

A reasonable opportunity will be provided for discussion of and questions regarding the Remuneration Report at the Annual General Meeting.

1.2 Voting Consequences

If at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of Directors of the Company (**Spill Resolution**) at the second annual general meeting.

At the annual general meeting for the year ended 30 June 2020, 10,514,189 votes were cast against adoption of the remuneration report, which was less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

1.3 Proxy Restrictions

Pursuant to the Corporations Act, if you elect a member of Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report or any Closely Related Party of that member (other than the Chair) as your proxy to vote on this Resolution, *you must direct the proxy how they are to vote on this Resolution*. Where you do not direct the member of Key Management Personnel whose remuneration details are included in the Remuneration Report or Closely Related Party of that member on how to vote on this Resolution, the proxy (unless they are the Chair) is prevented by the Corporations Act from exercising your vote and your vote will not be counted in relation to this Resolution and will not be counted in calculating the required majority if a poll is called on this Resolution.

If you appoint the Chair as your proxy, you do not need to direct your proxy how to vote on this Resolution as the Chair is, unless a Voting Exclusion provides otherwise, able to vote at discretion of the Chair provided the proxy form expressly authorises the Chair to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. It is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

If you appoint any person not a member of the Key Management Personnel or a Closely Related Party of such a member as your proxy, you do not need to direct your proxy how to vote on this Resolution.

2. Resolution 2 - Re-Election of Mr Stephe Wilks

ASX Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third AGM following the director's appointment or 3 years, whichever is the longer.

Clause 13.2 of the Constitution requires that if the Company has three or more Directors, one third (or the number nearest one-third, rounding up if in doubt) of those Directors must retire at each annual general meeting, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

A Director who retires by rotation under clause 13.2 of the Constitution is eligible for re-election.

The Company currently has 4 Directors, three of which are taken into account in determining the number of Directors to retire, so at least one Director must retire by rotation.

Mr Stephe Wilks, who was last re-elected at the 2019 AGM, retires by rotation and seeks re-election.

Mr Stephe Wilks has served as a director of the Company for approximately 3 years. The Board considers Mr Wilks to be an Independent Director of the Company.

The Directors (other than Mr Wilks) recommend that Shareholders vote in favour of the re-election of Mr Wilks as a Director.

3. Resolution 3 – Re-election of a Director Mr Jean-Michel Pelaprat

As announced to ASX on 3 May 2021, the Company accepted the nomination of Mr Jean-Michel Pelaprat as a director and Jean-Michel Pelaprat was appointed as a director of the Company on 3 May 2021.

Clause 13.4 of the Constitution allows the Directors to appoint at any time a person to be a Director as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Any Director so appointed holds office only until the next following general meeting and is then eligible for re-election.

Mr Pelaprat brings deep photonics industry expertise, with over 30 years' experience establishing, commercialising and scaling laser and semiconductor businesses. As co-founder and Director of Nuburu - a US-based company recognised as a pioneer in blue GaN lasers for industrial, medical, display and 3D applications, Mr Pelaprat helped steer the business from start-up to a recognised industry leader.

Before founding Nuburu, Mr Pelaprat held numerous leadership positions in high-growth photonics businesses, including President and CEO of Vytran, a fiber optics capital equipment company supplying optical communications, fiber lasers, medical devices, sensing and aerospace applications. He led the business to growth and profitability during the 2009- 2010 recession and served on the Board of Vytran's parent company, NKT Photonics. Other senior roles include Chair and CEO of Novalux, Inc. a start-up developing red-green-blue (RGB) semiconductor laser sources for the projection display industry, and Director of Nuvonyx, a pioneer in infrared high-powered semiconductor lasers.

The Directors consider Mr Jean-Michel Pelaprat to be an independent director.

The Directors (other than Mr Jean-Michel Pelaprat) recommend that Shareholders vote in favour of the re-election of Mr Jean-Michel Pelaprat as a Director.

4. Resolution 4 – Issue of Director Performance Rights

4.1 General Comments

Under the Company's Incentive Option and Performance Rights Plan, the Company may issue Incentive Options or Performance Rights.

It is proposed that, subject to Shareholder approval, a total of 900,000 Performance Rights (**Performance Rights**) will be issued to Jean-Michel Pelaprat a Director of the Company (**Related Party**).

These Performance Rights, and any Shares issued as a result of the conversion of the Performance Rights, will only vest to the specified Director on the attainment of predefined performance criteria.

Resolution 4 seeks Shareholder approval for the grant of the Performance Rights to the Related Party.

4.2 Related Party Transaction

Under the Corporations Act, for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in Sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act.

The grant of the Performance Rights to the Related Party, under the Plan, requires the Company to obtain Shareholder approval because this constitutes giving a financial benefit and, as the Related Party is a Director, he is a related party of the Company.

It is the view of Directors that the exceptions set out in sections 210 to 216 of the Corporations Act do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the grant of the Performance Rights to the Related Party in accordance with section 208 of the Corporations Act.

4.3 ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a company must not permit any of the following persons to acquire securities under an employee incentive scheme without the approval of holders of ordinary securities of the acquisition:

- (a) a director of the company;
- (b) an associate of a director; or
- (c) a person whose relationship with the company or a person referred to in (a) or (b) above is, in ASX's opinion, such that approval should be obtained.

If Resolution 4 is passed, Performance Rights will be issued to the Related Party (or his nominee) who falls within Listing Rule 10.14.1 (if a director) or Listing Rule 10.14.2 (if a nominee of a director). Therefore, the Company requires Shareholder approval in accordance with ASX Listing Rule 10.14 to issue the Performance Rights to the Related Party (or his nominee). If Resolution 4 is not passed, the Company will not be able to grant the Performance Rights the subject of that Resolution and will need to assess whether alternative incentives are to be offered to the Related Party.

4.4 Shareholder Approval (Chapter 2E of the Corporations Act and Listing Rule 10.14)

Pursuant to and in accordance with the requirements of Section 219 of the Corporations Act and ASX Listing Rule 10.15, the following information is provided in relation to the proposed grant of Performance Rights:

- (a) Mr Jean-Michel Pelaprat is a Related Party by virtue of being a Director of the Company and so falls under Listing Rule 10.14.1. If the Performance Rights are granted to a nominee of Mr Jean-Michel Pelaprat, the nominee will be an Associate of the Director and fall under Listing Rule 10.14.2;
- (b) the number of Performance Rights (being the nature of the financial benefit being provided) to be granted to the Related Party (or his nominee) is:

Related Party	Number Performance Rights
Jean-Michel Pelaprat	900,000
Total	900,000

- (c) the current total remuneration package of the Related Party (inclusive of superannuation and equity-based remuneration) for the current financial year, and for the previous two financial years, is as follows. This is in addition to the Performance Rights proposed to be granted under Resolution 4;

Related Party	Current financial year to 30 June 2022 (estimate)	Financial year Ended 30 June 2021	Financial year Ended 30 June 2020
Jean-Michel Pelaprat	\$60,000	\$10,000	N/A

- (d) the Related Party (and his associates) has not previously been issued any Awards under the Plan;
- (e) the following are the key terms of the Performance Rights to be granted to the Related Party:
 - (i) subject to any adjustment permitted under the Plan, one Performance Right will convert into one Share of the Company (which will be issued on the same terms and conditions as the Company's existing Shares) upon the vesting conditions being achieved;
 - (ii) the time frame to achieve the vesting conditions is up to 31 December 2023;
 - (iii) the Performance Rights will expire on 31 December 2024;

- (iv) if the vesting conditions are not achieved within by 31 December 2023, the Performance Rights will lapse for \$nil consideration, unless the Board resolves otherwise;
- (v) the 900,000 Performance Rights to be issued to the Related Party will vest on the following basis:
- (A) 140,000 Performance Rights to be issued will vest on the attainment of \$1 million of laser diode product revenue over a calendar 12-month period by 31 December 2023;
 - (B) 560,000 Performance Rights to be issued will vest on the attainment of \$5 million of laser diode product revenue over a calendar 12-month period by 31 December 2023; and
 - (C) 200,000 Performance Rights to be issued will vest at a rate of 100,000 Performance Rights for each year of service by the Related Party over the first two years of the Performance Rights.
- (f) a summary of the Incentive Option and Performance Rights Plan, which applies to the Performance Rights, is set out in **Schedule A**;
- (g) the Company wishes to grant Performance Rights as they are a cost effective mechanism to incentivise the Related Party, they minimize dilution to Shareholders compared with the grant of Options and are simpler to administer than the grant of Shares that would need to be cancelled if the vesting conditions are not satisfied or waived;
- (h) the value of the Performance Rights proposed to be issued to the Related Party and the pricing methodology is set out in **Schedule B**;
- (i) the Performance Rights will be granted to the Related Party (or his nominees) no later than 12 months after the date of the Annual General Meeting and in any event no later than 3 years after the date of the Annual General Meeting as permitted by the ASX Listing Rules. It is anticipated the Performance Rights will be issued on one date;
- (j) the Performance Rights will be granted for nil cash consideration, accordingly no funds will be raised;
- (k) no loan has or will be provided to the Related Party in relation to the issue or subsequent exercise of the Performance Rights;
- (l) details of any securities issued under the Plan will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14;
- (m) any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after Resolution 4 is approved and who were not named in this Notice of Meeting will not participate until approval is obtained under that rule;
- (n) as at the date of this Notice of Meeting, the Related Party has the following relevant interest in the following Company securities:

Related Party	Shares	Performance Rights	Incentive Options
Jean-Michel Pelaprat	Nil	Nil	Nil

- (o) if all of the Performance Rights are granted under Resolution 4 to the Related Party and are exercised, a total of 900,000 Shares would be allotted and issued. This will increase the number of Shares on issue from 1,003,244,593 to 1,004,144,593 (assuming that no other

Options are exercised and no other Shares issued) with the effect that the shareholding of existing Shareholders would be diluted by 0.09%;

- (p) the trading history of the Shares on ASX in the 12 months before the date of this Notice of Annual General Meeting is set out below:

	Price	Date
Highest	\$0.1282	25 November 2020
Lowest	\$0.028	29 & 30 July 2021
Last	\$0.033	8 October 2021

- (q) the Board acknowledges the issue of Performance Rights to the Related Party who is a non-executive Director is contrary to the guidelines to Recommendation 8.2 of The Corporate Governance Principles and Recommendations (4th Edition) as published by The ASX Corporate Governance Council. However, the Board considers the issue of Performance Rights to non-executive Director Mr Jean-Michel Pelaprat reasonable in the circumstances having regard to the size and level of operations of the Company, its cash reserves and importance to the Company of attracting and retaining non-executive Directors in a manner which does not unduly impact on the Company's cash resources;
- (r) the primary purpose of the grant of Performance Rights to the Related Party is to provide a performance linked incentive component in the overall remuneration package for the Related Party to motivate and reward the performance of the Related Party in his role as a Director and to assist the Company in retaining his services and expertise in a manner which does not unduly impact on the cash reserves of the Company; and
- (s) the Board does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights upon the terms proposed. The vesting performance criteria attached to the Performance Rights aims to ensure that significant value is created prior to the Performance Rights vesting to the Related Party.

4.5 Directors' recommendations

The Directors other than Jean-Michel Pelaprat recommend that Shareholders vote in favour of Resolution 4 for the following reasons:

- (a) the issue of Performance Rights is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Party; and
- (b) that there are no significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights upon the terms proposed.

In forming their recommendations, each Director considered the qualifications and experience of the Related Party, the current market price of Shares, the current market practices when determining the number of Performance Rights to be issued as well as the expiry date, vesting conditions and other material terms of the Performance Rights.

Except as specified above, no other Director has a personal interest or other interest in the outcome of Resolution 4.

The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 4.

Approval pursuant to ASX Listing Rule 7.1 is not required to issue the Performance Rights to the Related Party or his nominee as approval is being obtained under ASX Listing Rule 10.14.

Accordingly, the issue of Performance Rights to the Related Party or his nominee will not be included in the 15% calculation of the Company's twelve month capacity to issue Shares or other securities without shareholder approval pursuant to ASX Listing Rule 7.1.

4.6 Voting Prohibition – Section 224 of the Corporations Act

Sections 224(1) and (2) of the Corporations Act provide that a vote may not be cast (in any capacity) by or on behalf of the related party to whom the resolution would permit a financial benefit to be given (or an associate of that person) other than a vote cast a proxy by a person in writing that specifies how the proxy is to vote on the proposed resolution and which is not cast on behalf of the relevant related party (or an associate of that person).

5. Resolutions 5 – 8 - Issue of Shares in Lieu of Directors Fees

5.1 General Comments

As announced to the ASX on 7 June 2021, it is proposed that, subject to Shareholder approval, a total of 1,690,532 Shares will be issued to the Directors of the Company, being Messrs, James Walker, Stephe Wilks, Vivek Rao and Jean-Michel Pelaprat (or their respective nominees) (each a **"Related Party"** and together the **"Related Parties"**) in satisfaction of a total of \$50,716 in Directors fees accrued and unpaid between 1 July 2021 – 30 September 2021.

Resolutions 5 to 8 seek Shareholder approval for the issue of the Shares to the Related Parties.

5.2 Related Party Transaction

Under the Corporations Act, for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in Sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act.

The issue of the Shares to the Related Parties requires the Company to obtain Shareholder approval because this constitutes giving a financial benefit and, as the Related Parties are Directors, they are each a related party of the Company.

It is the view of Directors that the exceptions set out in sections 210 to 216 of the Corporations Act do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the issue of the Shares to the Related Parties in accordance with section 208 of the Corporations Act.

5.3 ASX Listing Rule 10.11

Listing Rule 10.11 provides that, unless one of the exceptions in Listing Rule 10.12 applies, shareholder approval to be obtained where an entity issues, or agrees to issue, equity securities to any of the following:

- 10.11.1 A related party.
- 10.11.2 A person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the Company.
- 10.11.3 A person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company and who has nominated a director to sit on the board of the Company) pursuant to a relevant agreement which gives them a right or expectation to do so.

10.11.4 An associate of any of the above.

10.11.5 A person whose relationship with the Company or a person referred to above is such that, in ASX's opinion, the issue or agreement should be approved by Shareholders.

The Related Parties meet the category under ASX Listing Rule 10.11.1 because they are Directors. Any nominee who is issued the Shares will be an associate of the applicable Related Party and will fall under ASX Listing Rule 10.11.4. Therefore, the Company requires Shareholder approval in accordance with ASX Listing Rule 10.11 to grant the Shares to the Related Parties (or their respective nominees).

If Resolutions 5-8 are passed, the Shares will be issued to Related Parties (or their respective nominees).

If a Resolution is not passed, the Company will not be able to issue the Shares the subject of that Resolution and will need to assess whether to pay cash instead for the amount of accrued Director fees that were to be satisfied through the issue of the Shares.

5.4 Shareholder Approval (Chapter 2E of the Corporations Act and Listing Rule 10.13)

Pursuant to and in accordance with the requirements of Section 219 of the Corporations Act and ASX Listing Rule 10.13, the following information is provided in relation to the proposed issue of Shares:

- (a) the Shares (being the nature of the financial benefit being provided) are to be issued to the Related Parties (or their nominees) as follows, in satisfaction of accrued and unpaid Director fees owed as at 30 June 2021:

Related Party	Number Shares	Director Fee (\$)
James Walker	856,166	\$25,685
Vivek Rao	297,900	\$8,937
Stephe Wilks	286,466	\$8,594
Jean-Michel Pelaprat	250,000	\$7,500
Total	1,690,532	\$50,716

- (b) James Walker, Vivek Rao, Stephe Wilks and Jean-Michel Pelaprat are Related Parties by virtue of being Directors of the Company and so fall under Listing Rule 10.11.1. If the Shares are issued to a nominee of Messrs James Walker, Vivek Rao, Stephe Wilks and Jean-Michel Pelaprat, the nominee will be an Associate of the Director and fall under Listing Rule 10.11.4;
- (c) the Shares will be issued to the Related Parties (or their nominees) no later than 1 month after the date of the Annual General Meeting and it is anticipated the Shares will be issued on one date;
- (d) the Shares will be issued for the cash consideration outlined in table (a) above, being for the payment of unpaid and accrued director fees;
- (e) the Shares are to be issued in satisfaction of accrued but unpaid Director fees owed to 30 September 2021 as detailed in (a) above;
- (f) the current total remuneration package of the Related Parties (inclusive of superannuation and equity-based remuneration) for the current financial year, and for the previous two financial years, is as follows. This is in addition to the Shares proposed to be granted under Resolutions 5-8;

Related Party	Current financial year to 30 June 2022 (estimate)	Financial year Ended 30 June 2021	Financial year Ended 30 June 2020
James Walker	\$102,500	\$118,530	\$91,601
Vivek Rao	\$65,000	\$72,637	\$71,175
Stephe Wilks	\$62,500	\$69,629	\$70,491
Jean-Michel Pelaprat	\$60,000	\$10,000	N/A

Notes:

1. Mr James Walker's nominee was granted 1,000,000 Performance Rights on 9 December 2020 (nil acquisition price, expiring 31 December 2024).
2. Mr Vivek Rao was granted 1,000,000 Performance Rights on 9 December 2020 (nil acquisition price, expiring 31 December 2024).
3. Mr Stephe Wilks nominee was granted 1,000,000 Performance Rights on 9 December 2020 (nil acquisition price), expiring 31 December 2024.
4. Subject to Shareholder approval of Resolution 4, Mr Jean-Michel Pelaprat (or his nominee) is to be granted 900,000 Performance Rights (nil acquisition price, expiring 31 December 2024).

- (g) as at the date of this Notice of Meeting, the Related Parties have the following relevant interest in the following Company securities:

Related Party	Shares	Performance Rights	Incentive Options
James Walker	995,425	1,300,000	-
Stephe Wilks	534,688	1,300,000	-
Vivek Rao	564,850	1,300,000	-
Jean-Michel Pelaprat	-	-	-

- (h) if all of the Shares are issued under Resolutions 5 - 8 to the Related Parties, a total of 1,690,532 would be allotted and issued. This will increase the number of Shares on issue from 1,003,244,593 to 1,004,935,125 (assuming that no other Options are exercised and no other Shares issued) with the effect that the shareholding of existing Shareholders would be diluted by 0.17%;
- (i) the trading history of the Shares on ASX in the 12 months before the date of this Notice of Annual General Meeting is set out below:

	Price	Date
Highest	\$0.1282	25 November 2020
Lowest	\$0.028	29 & 30 July 2021
Last	\$0.033	8 October 2021

5.5 Directors' recommendations

Each of Messrs James Walker, Stephe Wilks, Vivek Rao and Jean-Michel Pelaprat declines to make a recommendation to Shareholders in relation to the Resolution relating to the issue of Shares to himself (or his nominee) due to his material personal interest in the outcome of the Resolution on the basis that he is to be issued the Shares in the Company should the Resolution be passed. However, in respect of the Resolutions dealing with the issue of the Shares to each of

the other Directors, each of Messrs James Walker, Stephe Wilks , Vivek Rao and Jean-Michel Pelaprat recommends that Shareholders vote in favour of Resolutions 5 – 8 for the following reasons:

- (a) the issue of Shares is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend the funds it would otherwise be required to pay in Director fees on its operations than it would if the Director fees were to be paid in cash;
- (b) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Shares upon the terms proposed.

In forming their various recommendations, each Director considered the Company's announcement on 7 June 2021 in relation to the issue of the Shares, with the deemed issue price being the same as that used to issue Shares to unrelated employees in satisfaction of accrued remuneration, and the same as the issue price of Shares under the rights issue completed at that time.

Except as specified above, no other Director has a personal interest or other interest in the outcome of Resolutions 5-8.

The Board is not aware of any information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 5-8.

Approval pursuant to ASX Listing Rule 7.1 is not required to issue the Performance Rights to the Related Parties or their nominees as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the issue of Shares to the Related Parties or their nominees will not be included in the 15% calculation of the Company's twelve month capacity to issue Shares or other securities without shareholder approval pursuant to ASX Listing Rule 7.1.

5.6 Voting Prohibition – Section 224 of the Corporations Act

Sections 224(1) and (2) of the Corporations Act provide that a vote may not be cast (in any capacity) by or on behalf of the related party to whom the resolution would permit a financial benefit to be given (or an associate of that person) other than a vote cast a proxy by a person in writing that specifies how the proxy is to vote on the proposed resolution and which is not cast on behalf of the relevant related party (or an associate of that person).

6. Resolution 9 – Ratification of Placement

6.1 General

On 16 July 2021, the Company issued 16,666,667 Shares at an issue price of \$0.03 per Share to raise \$500,000.

Resolution 9 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of those Shares.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

The issue of the 16,666,667 Shares does not fit within any of the exceptions to ASX Listing Rule 7.1 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue date of those Shares (being 16 July 2021).

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1 and cease to reduce the Company's 15% placement capacity under that rule.

To this end, Resolution 9 seeks Shareholder approval under ASX Listing Rule 7.4 for the 16,666,667 Shares issued.

If Resolution 9 is passed, the 16,666,667 Shares will no longer reduce the Company's 15% placement capacity under ASX Listing Rule 7.1. In addition, the 16,666,667 Shares will be counted in Variable A under ASX Listing Rule 7.1, which is the base number of Shares on which the 15% and 10% placement capacities under ASX Listing Rules 7.1 and 7.1A, are based. This will effectively increase the number of Equity Securities that can be issued without Shareholder approval under the 15% and 10% placement capacities under those rules.

If Resolution 9 is not passed, the 16,666,667 Shares will continue to reduce the Company's 15% limit in ASX Listing Rule 7.1 until 12 months after the issue date of those Shares (being 16 July 2021) unless subsequently approved by Shareholders before that date. In addition, the 16,666,667 Shares will not be counted in Variable A until 12 months after their issue date unless subsequently approved by Shareholders before that date.

6.2 Technical information required by ASX Listing Rule 7.4

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the proposed ratification of Shares:

- (a) the Shares were issued to sophisticated investors who are clients of Shaw and Partners. None of these subscribers are related parties of the Company;
- (b) 16,666,667 Shares were issued on 16 July 2021;
- (c) the issue price was \$0.03 per Share; and
- (d) the purpose of the issue was to raise additional funds for the Company, with the funds raised used to further progress the development and commercialisation of the Company's laser diode business and for working capital.

7. Resolution 10 – Ratification of Placement

7.1 General

On 15 June 2021, the Company issued 66,666,667 Shares at an issue price of \$0.03 per Share to raise \$2,000,000.

Resolution 10 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of those Shares.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

The issue of the 66,666,667 Shares does not fit within any of the exceptions to ASX Listing Rule 7.1 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue date of those Shares (being 15 June 2021).

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1 and cease to reduce the Company's 15% placement capacity under that rule.

To this end, Resolution 10 seeks Shareholder approval under ASX Listing Rule 7.4 for the 66,666,667 Shares issued.

If Resolution 10 is passed, the 66,666,667 Shares will no longer reduce the Company's 15% placement capacity under ASX Listing Rule 7.1. In addition, the 66,666,667 Shares will be counted in Variable A under ASX Listing Rule 7.1, which is the base number of Shares on which the 15% and 10% placement capacities under ASX Listing Rules 7.1 and 7.1A, are based. This will effectively increase the number of Equity Securities that can be issued without Shareholder approval under the 15% and 10% placement capacities under those rules.

If Resolution 10 is not passed, the 66,666,667 Shares will continue to reduce the Company's 15% limit in ASX Listing Rule 7.1 until 12 months after the issue date of those Shares (being 15 June 2021) unless subsequently approved by Shareholders before that date. In addition, the 66,666,667 Shares will not be counted in Variable A until 12 months after their issue date unless subsequently approved by Shareholders before that date.

.

7.2 Technical information required by ASX Listing Rule 7.4

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the proposed ratification of Shares:

- (a) the Shares were issued to Regal Funds Management. The subscriber is not a related party of the Company;
- (b) 66,666,667 Shares were issued on 15 June 2021;
- (c) the issue price was \$0.03 per Share; and
- (d) the purpose of the issue was to raise additional funds for the Company, and the funds raised were used to further progress the development and commercialisation of the Company's laser diode business and for working capital.

A participant in the Plan will be entitled to exercise their Awards in respect of which the vesting conditions have been met provided the Awards have not lapsed and the exercise of the Awards will not result in the Company contravening ASIC Class Order 14/1000. A holder may exercise Awards by delivering an exercise notice to the Company secretary along with the Awards certificate, and paying the applicable exercise price of the Awards (if any) multiplied by the number of Awards proposed to be exercised.

Within ten Business Days of receipt of the required items, the Company will, subject to the ASX Listing Rules and the Plan, issue to the participant the relevant number of Shares.

(j) Lapse of Awards

Awards held by a participant in the Plan will lapse if:

- (i) the vesting conditions attaching to the Performance Rights are not satisfied or become incapable of satisfaction (and are not waived by the Board);
- (ii) in respect of an unvested Award, the holder ceases to be an Eligible Participant and the Board does not exercise its discretion to vest the Award or allow it to remain unvested;
- (iii) in respect of a vested Award, a holder ceases to be an Eligible Participant and the Board, in its discretion, resolves that the Award must be exercised within one (1) month (or such later date as the Board determines), and the Award is not exercised within that period and the Board resolves, at its discretion, that the Award lapses as a result;
- (iv) the Board deems that an Award lapses due to fraud, dishonesty or other improper behaviour of the holder/Eligible Participant under the rules of the Plan;
- (v) the Board, in its discretion, resolving an Award lapses as a result of an unauthorised disposal of, or hedging of, the Award;
- (vi) in respect of an unvested Award, a winding up resolution or order is made, and the Award does not vest in accordance with rules of the Plan; and
- (vii) the Expiry Date of the Award.

(k) Restrictions on Shares

The Board may, in its discretion, determine at any time up until exercise of an Award, that a restriction period will apply to some or all of the Shares issued or transferred to a Participant on exercise of the Award, up to a maximum of fifteen (15) years from the Acquisition Date of the Award.

Shares are deemed to be subject to a Restriction Period to the extent necessary to comply with any escrow restrictions imposed by the ASX Listing Rules.

(l) Limitation on offers

Where the Company needs to rely on ASIC Class Order 14/1000 (**Class Order**) in respect of an offer, the Company must have reasonable grounds to believe, when making an offer, that the number of Shares to be received on exercise of Awards offered under an offer, when aggregated with the number of Shares issued or that may be issued as a result of offers made in reliance on the Class Order at any time during the previous 3 year period under an employee incentive scheme covered by the Class Order or under an ASIC exempt arrangement of a similar kind to an employee incentive scheme, will not exceed 5% of the total number of Shares on issue at the date of the offer. If the Company makes an offer under the Plan where:

- (i) the total number of Shares to be received on exercise of Awards the subject of that offer exceeds the limit set out in the Class Order; or
- (ii) the Offer is required to, but does not, comply with the terms and conditions set out in the Class Order,

the Company must comply with Chapter 6D of the Corporations Act at the time of that offer.

(m) **Additional Terms and Conditions**

- (i) Subdivision 83A-C of Chapter 2 of the *Income Tax Assessment Act 1997* (Cth) applies to the Awards except to the extent an Offer provides otherwise.
- (ii) A participant is not entitled to participate in or receive any dividend or other Shareholder benefits until its Awards have vested and been exercised and Shares have been allocated to the participant as a result of the exercise of those Awards.
- (iii) There are no participating rights or entitlements inherent in the Awards and participants will not be entitled to participate in new issues of securities offered to Shareholders of the Company during the currency of Awards without exercising the Options or Performance Rights, except to the extent an Offer otherwise provides where permitted by the ASX Listing Rules.
- (iv) There is no right to a change in the exercise price or in number of underlying Shares over which an Award can be exercised, except to the extent an Offer otherwise provides where permitted by the ASX Listing Rules.
- (v) In the event of a reorganisation of the capital of the Company, the Company may alter the rights of the holder of an Award to the extent necessary to comply with the ASX Listing Rules applying to reorganisations at the time of the reorganisation.
- (vi) No issue or allocation of Awards and/or Shares will be made to the extent that it would contravene the Constitution, Listing Rules, the Corporations Act or any other applicable law.
