Explanatory Statement

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. Annual Report

Shareholders will be offered the opportunity to discuss the Annual Report at the Meeting. The Company will not provide a hard copy of the Annual Report to Shareholders unless specifically requested to do so. The Annual Report is available on the Company's website at <https://yojee.com/investors/asx-announcements>.

There is no requirement for Shareholders to approve the Annual Report. However, the Chair will allow a reasonable opportunity for Shareholders to ask questions or make comments about the Annual Report and the management of the Company. Shareholders will also be given an opportunity to ask the auditor questions as permitted by the Corporations Act.

2. Resolution 1 – Adoption of Remuneration Report

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

The vote on Resolution 1 is advisory only and does not bind the Company or its Directors. However, the Board will actively consider the outcome of the vote and comments made by Shareholders on the Remuneration Report when reviewing the Company's future remuneration policies and practices.

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (Spill Resolution) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (Spill Meeting) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. Resolution 2 – Re-Election of Director – Ray Lee

3.1 General

The Constitution sets out the requirements for determining which Directors are to retire at an annual general meeting.

Ray Lee, who has served as a Director since 9 March 2017 and was last re-elected by Shareholders on 28 November 2018, will retire in accordance with the Constitution and being eligible, seeks re-election from Shareholders.

3.2 Qualifications and other material directorships

Mr Lee is a well respected port development, port management and operations executive, with over forty years international industry experience. Mr Lee's experience includes 15 years with P&O Ports in senior management roles and six years at Patricks Port Botany as General Manager. As General Manager of Stevedoring for Qube, Mr Lee was responsible for 32 bulk and general ports throughout Australia. Mr Lee's latest corporate roles have been with DP World where he was northern hemisphere Director of the Gold Programme, which involved Executive Management succession planning for 10 ports on three continents. As Australian and New Zealand/Pacific Regional Director of Operations, Mr Lee played a key role in leading DP World's Australasian port operations.

As Director of Portside Solutions, Mr Lee consults on significant projects for port companies including APM Terminals and DP World, as well as Australian Port Authorities. More recently, Portside has been engaged in examining pit to port solutions for multiple mining and bulk commodity companies throughout Africa, South America and Australia as well as General Management coverage to DP World's Australasian terminals.

Mr Lee does not currently hold any other material directorships.

3.3 Independence

The Board considers that Mr Lee is an independent director.

3.4 Board recommendation

The Board supports the election of Mr Lee and recommends that Shareholders vote in favour of Resolution 2 because the Board considers that the experience, expertise and skills of Mr Lee assist the Board in fulfilling its responsibilities.

4. Resolution 3 – Approval of 10% Issuance Capacity

4.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An "eligible entity" means an entity which is not included in the S&P/ASX300 Index and which has a market capitalisation of \$300 million or less at the date of the Meeting. The Company is an eligible entity for these purposes as at the date of this Notice (based on the closing price and quantity of its Shares on 14 October 2021, being \$0.20 multiplied by 1,127,703,890 Shares = \$225,540,778).

Resolution 3 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval (**Additional Issuance Capacity**).

If Resolution 3 is not passed, the Company will not be able to access the Additional Issuance Capacity and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

The Board considers it is in the Company's best interests to have the opportunity to take advantage of the flexibility to issue additional securities provided under ASX Listing Rule 7.1A. As at the date of this Notice, no decision has been made by the Board to undertake any issue of securities under the Additional Issuance Capacity if Shareholders approve Resolution 3. The Board unanimously recommend that Shareholders vote in favour of Resolution 3.

The information below provides more background on ASX Listing Rule 7.1A and the disclosure required by ASX Listing Rule 7.3A.

4.2 Technical information required by ASX Listing Rule 7.3A

(a) Securities that may be issued under the Additional Issuance Capacity

Under the Additional Issuance Capacity, the Company must issue Equity Securities belonging to an existing quoted class of the Company's Equity Securities. As at the date of this Notice, the Company has on issue one class of quoted Equity Securities, being fully paid ordinary shares (ASX Code: **YOJ**).

(b) Minimum issue price

Equity Securities issued under the Additional Issuance Capacity must be issued for cash consideration per security which is not less than 75% of the volume weighted average market price for the securities in that class, calculated over the 15 ASX trading days on which trades of securities in that class were recorded immediately before:

- (i) the date on which the price at which the securities are to be issued is agreed by the Company and the recipient of the securities; or
- (ii) if the securities are not issued within 10 ASX trading days of the date in paragraph (i) above, the date on which the securities are issued.

The Company will disclose this information when Equity Securities are issued under the Additional Issuance Capacity.

(c) Period for which approval will be valid

Shareholder approval of the Additional Issuance Capacity will be valid for the period commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) the date that is 12 months after the date of the Meeting; or
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) if the Company receives Shareholder approval for a proposed transaction under ASX Listing Rule 11.1.2 (significant change to the nature or scale of activities) or

ASX Listing Rule 11.2 (disposal of main undertaking), the time and date of that approval,

(Additional Issuance Period).

(d) **Dilution risks**

If Equity Securities are issued under the Additional Issuance Capacity, there is a risk of economic and voting dilution of existing Shareholders, including the following risks:

- (i) the market price for Equity Securities in the class of securities issued under the Additional Issuance Capacity may be significantly lower on the issue date than on the date of the approval under ASX Listing Rule 7.1A (that is, the date of the Meeting, if Resolution 3 is approved); and
- (ii) the Equity Securities may be issued under the Additional Issuance Capacity at a discount to the market price for those Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the potential dilution of existing Shareholders on the basis of the market price of Shares and the number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2, both as at 14 October 2021.

The table also shows:

- (iii) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue as at 14 October 2021. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlement offer or securities issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future general meeting; and
- (iv) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the market price as at 14 October 2021.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.10 50% decrease in Issue Price	\$0.20 Issue Price	\$0.30 50% increase in Issue Price
1,127,703,890 (Current Variable A)	Shares issued - 10% voting dilution	112,770,389	112,770,389	112,770,389
	Funds Raised	\$11,277,039	\$22,554,078	\$33,831,117
1,691,555,835 (50% increase in Variable A)	Shares issued - 10% voting dilution	169,155,584	169,155,584	169,155,584
	Funds Raised	\$16,915,558	\$33,831,117	\$50,746,675
2,255,407,780 (100% increase in Variable A)	Shares issued - 10% voting dilution	225,540,778	225,540,778	225,540,778
	Funds Raised	\$22,554,078	\$45,108,156	\$67,662,233

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 1,127,703,890 Shares on issue.
2. The issue price set out above is the closing price of the Shares on the ASX on 14 October 2021.
3. The Company issues the maximum possible number of Equity Securities under the Additional Issuance Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the Additional Issuance Capacity consists only of Shares and the consideration provided for those Shares is cash. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

(e) **Purpose of issues under Additional Issuance Capacity**

The Company may issue Equity Securities under the Additional Issuance Capacity to raise cash to fund the following:

- (i) general working capital expenses;
- (ii) activities associated with its current business;
- (iii) repayment of debt; or
- (iv) the acquisition of new assets and investments (including any expenses associated with such an acquisition).

The Company will comply with the disclosure requirements of ASX Listing Rule 7.1A.4 on issue of any Equity Securities pursuant to the approval sought by Resolution 3.

(f) **Allocation policy under Additional Issuance Capacity**

The Company's allocation policy and the identity of the recipients of Equity Securities issued under the Additional Issuance Capacity will be determined on a case-by-case basis at the time of issue and in the Company's discretion.

No decision has been made in relation to an issue of Equity Securities under the Additional Issuance Capacity, including whether the Company will engage with new investors or existing Shareholders, and if so the identities of any such persons.

However, when determining the allocation policy and the identity of the recipients, the Company will have regard to the following considerations:

- (i) prevailing market conditions;
- (ii) the purpose for the issue of the Equity Securities;
- (iii) the financial situation and solvency of the Company;
- (iv) impacts of the placement on control;
- (v) other methods of raising capital; and

- (vi) advice from corporate, financial and broking advisers (if applicable).

Recipients may include existing Shareholders or new investors, but not persons who are related parties or associates of related parties of the Company. If the issue is made in connection with the acquisition of assets, the recipients may be the sellers of those assets.

(g) **Previous issues under the Additional Issuance Capacity**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 27 November 2020 (**Previous Approval**).

The Company has not issued or agreed to issue any Shares pursuant to the Previous Approval in the 12 months prior to the date of the Meeting.

4.3 Voting exclusion

At the time of dispatching this Notice, the Company is not proposing to make an issue of Equity Securities under the Additional Issuance Capacity, and a voting exclusion statement is therefore not included in this Notice.

5. Resolution 4 – Enable the issue of Performance Rights under an Employee Incentive Scheme – Yojee Incentive Performance Rights Plan

5.1 General

The Company first obtained Shareholder approval to enable the issue of Performance Rights under its employee incentive scheme titled 'Yojee Incentive Performance Rights Plan' (**Plan**) on 26 April 2016 and further Shareholder approval was obtained on 28 November 2018.

The objective of the Plan is to attract, motivate and retain key employees and it is considered by the Company that the implementation of the Plan and future issues of Performance Rights under the Plan will provide selected directors, employees and consultants with the opportunity to participate in the future growth of the Company.

Resolution 4 seeks Shareholder approval for the renewal of this approval to enable the issue of Performance Rights under the Plan in reliance on ASX Listing Rule 7.2 Exception 13.

5.2 ASX Listing Rules 7.1 and 7.2 Exception 13

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period (**Placement Capacity**).

Certain issues of equity securities are exempt from the restrictions of ASX Listing Rule 7.1, and are effectively disregarded for the purposes of determining the number of equity securities that a listed company has issued within a 12 month period.

ASX Listing Rule 7.2 Exception 13 creates an exception from Listing Rule 7.1 for the issue of equity securities pursuant to an employee incentive scheme for a period of 3 years after either:

- (a) the listing of the company, provided that the terms of the employee incentive scheme and the maximum number that may be issued under the scheme were set out in the company's listing prospectus; or
- (b) shareholders have approved the issue of securities under the employee incentive scheme being an exception from ASX Listing Rule 7.1, provided that the notice of meeting included a summary of the terms of the employee incentive scheme and certain required disclosures

about the number of securities previously issued under the scheme and the maximum number that may be issued under the scheme.

The exemption is only available for the issue of equity securities under the employee incentive scheme up to the maximum number stated in the prospectus or notice of meeting, as applicable. The exemption also ceases to be available if there is a material change to the terms of the employee incentive scheme after shareholder approval has been obtained.

5.3

Effect of the Resolution

Resolution 4 seeks Shareholder approval for the issue of Performance Rights under the Plan to be an exception from Listing Rule 7.1 for a period of 3 years.

If Shareholders approve this Resolution, any issue of Performance Rights under the Plan over the 3 years after the date of the Meeting (up to the maximum number calculated as set out in Section 5.5(c)) will not use up a portion of the Company's Placement Capacity when that issue is made. This means that the Company will preserve its flexibility to issue equity securities without seeking Shareholder approval if and when it grants Performance Rights under the Plan.

It should be noted that if the Resolution is passed, the Company will only be able issue equity securities under the Plan to eligible participants who are unrelated parties without seeking prior Shareholder approval. Any proposed issue of Performance Rights to a Director or other related party, or any of their associates, under the Plan will require prior Shareholder approval under ASX Listing Rule 10.14. Resolution 5 seeks such approval in respect of the proposed grant of Performance Rights to Ed Clarke, Managing Director.

If Shareholders do not approve this Resolution, the Company may still decide in future to grant Performance Rights to eligible employees and consultants who are unrelated parties under the Plan, but each such issue will not be exempt from Listing Rule 7.1 and will use up a portion of the Company's Placement Capacity at the relevant time made (unless another exemption from Listing Rule 7.1 is applicable). The issue of Performance Rights under the Plan in those circumstances would therefore reduce the Company's ability to issue equity securities without seeking Shareholder approval.

5.4

Directors' recommendation

Approval of this Resolution will enable the Company to preserve its flexibility under its Placement Capacity when it issues Performance Rights under the Plan for the period of 3 years after the Meeting. Directors are eligible to be offered Performance Rights under the Plan, however, any proposed grant of Performance Rights to a Director or their associates requires prior Shareholder approval under Listing Rule 10.14 before it can be made, and the passing of this Resolution will not enable the Company to issue any equity securities to a Director or their associates. The Directors recommend that Shareholders vote in favour of this Resolution.

5.5

Technical information required by Listing Rule 7.2 Exception 13

Pursuant to and in accordance with ASX Listing Rule 7.2 Exception 13, the following information is provided in relation to this Resolution:

- (a) a summary of the Plan is set out at Schedule 1;
- (b) the total number of Performance Rights granted under the Plan since it was last approved by Shareholders on 28 November 2018 is as follows:

6. Resolution 5 – Approval of issue of Performance Rights to Director (Ed Clarke)

6.1 General

The Company has agreed, subject to Shareholder approval, to issue Performance Rights to Ed Clarke (or his nominee) pursuant to the Plan. The Board is committed to incentivising and retaining Key Management Personnel in a manner which promotes alignment of their interests with the interests of the Company and its shareholders. As a result, the Board wishes to issue 16,000,000 Performance Rights to Managing Director, Mr Edward Clarke under the Plan, which is intended to reward Mr Clarke for his past performance and incentivise him in his ongoing role as Managing Director of the Company.

Resolution 5 seeks Shareholder approval for the issue of all of these Performance Rights.

6.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Performance Rights constitutes giving a financial benefit. Mr Clarke is a related party of the Company by reason of being a Director.

Section 211 of the Corporations Act provides that shareholder approval under section 208 is not required if the financial benefit to be provided to the related party is remuneration as an officer or employee of the company and to give remuneration would be reasonable given the circumstances of the company giving the remuneration and the related party's circumstances (including responsibilities involved in the office or employment).

In the circumstances, the Directors (other than Ed Clarke, who did not participate in the decision due to their respective material personal interest in Resolution 5) have determined that the exception in section 211 of the Corporations Act applies in relation to the proposed issue of Performance Rights under Resolution 5.

6.3 ASX Listing Rule 10.14

ASX Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, an entity must not issue, or agree to issue, equity securities to:

- (a) a related party;

- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the entity;
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holding in the entity and who has nominated a director to the board pursuant to a relevant agreement which gives them the right or expectation to do so;
- (d) an associate of a person referred to in paragraphs (a), (b), or (c) above; or
- (e) a person whose relationship with the entity or a person referred to in any of paragraphs (a) to (d) above is such that, in ASX's opinion the issue or agreement should be approved by securityholders,

unless it obtains the approval of its ordinary security holders.

ASX Listing Rule 10.12 Exception 8 makes an exception from ASX Listing Rule 10.11 for issues of equity securities to related parties who participate in the issue of securities under an employee incentive scheme with shareholder approval.

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- (a) a director;
- (b) an associate of a director; or
- (c) a person whose relationship with the company, or with a director or associate of a director, is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

As the issue of the Performance Rights constitutes the issue of equity securities to directors of the Company under the Plan, Shareholder approval pursuant to ASX Listing Rule 10.14 is required unless an exception applies. It is the view of the Directors that the exceptions set out in ASX Listing Rule 10.16 do not apply in the current circumstances.

The Company therefore seeks the required Shareholder approval for the issue of the Performance Rights, under and for the purposes of Listing Rule 10.14.

6.4

ASX Listing Rule 7.1

Approval pursuant to ASX Listing Rule 7.1 is not required for the issue of the Performance Rights if approval is obtained under ASX Listing Rule 10.14. Accordingly, the issue of Performance Rights to Mr Clarke (or his nominee/s), if approved, will not be included in the use of the Company's 15% annual placement capacity pursuant to ASX Listing Rule 7.1.

6.5

Effect of the Resolution

If Resolution 5 is passed, then the Company will be able to proceed with the issue of those Performance Rights to Mr Clarke (or his nominee/s).

If Resolution 5 is not passed, then the Company will not be able to proceed with the issue of Performance Rights to Mr Clarke (or his nominee/s). The Company may have to consider alternative methods of providing incentivisation or remuneration to Mr Clarke, which may take the form of cash-based payments, which would potentially reduce the Company's cash reserves.

Resolution 5 is an ordinary resolution and is not conditional on the passing of Resolution 1.

6.6 Board Recommendation

The Board (other than Ed Clarke who declines to give a recommendation given his material personal interest in the outcome of the Resolution) recommend that Shareholders vote in favour of Resolution 5.

6.7 Technical information required by ASX Listing Rule 10.15

Pursuant to and in accordance with ASX Listing Rule 10.15, the following information is provided in relation to the issue of the Performance Rights the subject of Resolution 5:

C	5,000,000

- (d) the current total remuneration package of Mr Clarke (before the issue of the Performance Rights the subject of Resolution 5) is as follows:

B	The 15- trading day volume weighted average price of Shares is not less than \$0.30

C	The 15-trading day volume weighted average price of Shares is not less than \$0.50
---	--

- (g) the Performance Rights are being offered as an incentive-based component of Mr Clarke's remuneration package which is considered a cost-effective remuneration practice and will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given. In addition, it is considered that the grant of the Performance Rights will align the interests of Mr Clarke with those of Shareholders;
- (h) the value of the Performance Rights is set out in the table below. The valuation has been completed by the Company at fair value in accordance with Monte Carlo and Black Scholes method and based on the assumptions set out below:

Value (\$) (Sub-totals)	\$432,600	\$351,500	\$374,000
Value (\$) (Total)	\$1,158,100		

- (i) the Performance Rights will be issued no later than 3 years after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules), and it is intended that the Performance Rights will all be granted on the same date;
- (j) the Performance Rights will be issued for nil cash consideration. Accordingly, no funds will be raised from the issue of the Performance Rights as the purpose of the issue is to provide an equity incentive as part of the remuneration package for Mr Clarke;
- (k) a summary of the material terms of the Plan is set out in Schedule 1;
- (l) no loan will be made in relation to the issue of the Performance Rights;
- (m) details of any securities issued under the Plan will be published in the annual report of the entity relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14; and
- (n) any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after Resolution 5 is approved and who are not named in the Notice will not participate until approval is obtained under that Rule.
