EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2021 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://k2fly.com/investors/asx-updates/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – NEIL CANBY

3.1 General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Neil Canby, who has served as a Director since 14 February 2017 and was last re-elected on 28 November 2018, retires by rotation and seeks re-election.

3.2 Qualifications and other material directorships

3.3 Independence

Neil Canby has no interests, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his/her capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole rather than in the interests of an individual security holder or other party.

If re-elected the Board considers Neil Canby will be an independent Director.

3.4 Other material information

Neil Canby has an extensive history of senior roles across a variety of industries including energy and utilities with responsibilities ranging from business development, project and operational delivery and commercial and financial management.

In the 3 years immediately before the end of the last financial year, Mr Canby did not serve as a director of any other ASX listed company.

Neil Canby has confirmed that he considers he will have sufficient time to fulfil his responsibilities as a Non-Executive Director of the Company and does not consider that any other commitment will interfere with his availability to perform his duties as a Non-Executive Director of the Company.

3.5 Board recommendation

The Board has reviewed Neil Canby's performance since his last re-election to the Board and considers that his skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the election of Neil Canby and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – ADOPTION OF INCENTIVE OPTION PLAN

4.1 General

Resolution 3 seeks Shareholder approval for the adoption of the employee incentive scheme titled "Incentive Option Plan" (**Option Plan**) and for the issue of Options under the Option Plan in accordance with Listing Rule 7.2 (Exception 13(b)).

The objective of the Option Plan is to attract, motivate and retain key employees and the Company considers that the adoption of the Option Plan and the future issue of Options under the Option Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

If Resolution 3 is passed, the Company will be able to issue Options under the Option Plan to eligible participants over a period of 3 years. The issue of any Options to eligible participants under the Option Plan (up to the maximum number of Options stated in Section 4.2 below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Options under the Option Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 3 is not passed, the Company will be able to proceed with the issue of Options under the Option Plan to eligible participants, but any issues of Options will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Options.

4.2 Technical information required by Listing Rule 7.2 (Exception 13)

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13), the following information is provided in relation to Resolution 3:

- (a) a summary of the key terms and conditions of the Option Plan is set out in Schedule 1;

- (b) the Company has not issued any Options under the Option Plan as this is the first time that Shareholder approval is being sought for the adoption of the Option Plan; and
- (c) the maximum number of Securities proposed to be issued under the Option Plan, following Shareholder approval, is the lower of:
- (i) the number of Options equal to 5% of the total Shares on issue as at the date an offer is made under the Option Plan; or
 - (ii) 20,000,000 Securities.

It is not envisaged that the maximum number of Securities for which approval is sought will be issued immediately.

5. RESOLUTIONS 4 TO 7 – ISSUE OF OPTIONS TO DIRECTORS

5.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue:

- (a) 335,000 zero exercise price options with specific performance milestones to Brian Miller (**Executive ZEP Options**) the subject of Resolution 4; and
- (b) 150,000 zero exercise price options (**NED ZEP Options**) to each of Eugenia Cutri, Neil Canby and James Deacon,

(together the **Related Parties**) on the terms and conditions set out below.

Resolutions 4 to 7 seek Shareholder approval for the issue of the Executive ZEP Options and NED ZEP Options to the Related Parties. Together the Executive ZEP Options and the NED ZEP Options are referred to below as the **ZEP Options**.

5.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of ZEP Options to the Related Parties constitutes giving a financial benefit and each of the Related Parties is a related party of the Company by virtue of being a Director.

As the ZEP Options are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue of the ZEP Options. Accordingly, Shareholder approval for the issue of ZEP Options to the Related Parties is sought in accordance with Chapter 2E of the Corporations Act.

5.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of ZEP Options falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolutions 4 seeks the required Shareholder approval for the issue of the Executive ZEP Options to Brian Miller.

Resolutions 5 to 7 seek the required Shareholder approval for the issue of the NED ZEP Options to Eugenia Cutri, Neil Canby and James Deacon.

5.4 Technical information required by Listing Rule 14.1A

If Resolutions 4 to 7 are passed, the Company will be able to proceed with the issue of the Executive ZEP Options to Brian Miller and the NED ZEP Options to the other Related Parties within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Executive ZEP Options or the NED ZEP Options (because approval is being obtained under Listing Rule 10.11), the issue of the Options will not use up any of the Company's 15% annual placement capacity.

If Resolutions 4 to 7 are not passed, the Company will not be able to proceed with the issue of the ZEP Options and may need to negotiate other incentive arrangements with its directors.

5.5 Technical Information required by Listing Rule 10.13 and section 219 of the Corporations Act

Pursuant to and in accordance with Listing Rule 10.13 and section 219 of the Corporations Act, the following information is provided in relation to Resolutions 4 to 7:

- (a) the Executive ZEP Options will be issued to Brian Miller (or his nominee) pursuant to Resolution 4;

- (b) the NED ZEP Options will be issued to:
- (i) Eugenia Cutri (or their nominee) pursuant to Resolution 5;
 - (ii) Neil Canby (or their nominee) pursuant to Resolution 6; and
 - (iii) James Deacon (or their nominee) pursuant to Resolution 7,
- each of whom falls within the category set out in Listing Rule 10.11.1 by virtue of being a Director;
- (c) the maximum number of securities to be issued to the Related Parties (being the nature of the financial benefit proposed to be given) is 785,000 comprising:
- (i) 335,000 Executive ZEP Options to Brian Miller (or his nominee) pursuant to Resolution 4 as follows:
 - (ii) 150,000 NED ZEP Options to Eugenia Cutri (or her nominee) pursuant to Resolution 5;
 - (iii) 150,000 NED ZEP Options to Neil Canby (or his nominee) pursuant to Resolution 6; and
 - (iv) 150,000 NED ZEP Options to James Deacon (or his nominee) pursuant to Resolution 7,
- (d) the Executive ZEP Options issuable to Brian Miller under Resolution 4 will have the following vesting conditions:

No. of Options vesting	Vesting Date
67,000	30 June 2022
67,000	30 June 2023
201,000	30 June 2024

and otherwise be issuable on the terms set out in Schedule 2;

- (e) the NED ZEP Options are to be issued on the terms and conditions of the ZEP Options are set out in Schedule 3;
- (f) the ZEP Options will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the ZEP Options will occur on the same date;
- (g) the issue price of the ZEP Options will be nil. The Company will not receive any other consideration in respect of the issue of the ZEP Options;
- (h) the purpose of the issue of the ZEP Options is to provide a performance linked incentive component in the remuneration package for the Related Parties to align the interests of the Related Parties with those of Shareholders, to motivate and reward the performance of the Related Parties in their roles as Directors and to provide a cost effective way from the Company to remunerate the Related Parties, which will allow the

Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties;

- (i) the ZEP Options are unquoted Options. The Company has agreed to issue the ZEP Options to the Related Parties subject to Shareholder approval for the following reasons:

- (i) the ZEP Options are unquoted; therefore, the issue of the ZEP Options has no immediate dilutionary impact on Shareholders;
- (ii) the deferred taxation benefit which is available to the Related Parties in respect of an issue of ZEP Options is also beneficial to the Company as it means the Related Parties are not required to immediately sell the ZEP Options to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold an interest in the Company; and
- (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the ZEP Options on the terms proposed.

- (j) the number of ZEP Options to be issued to each of the Related Parties has been determined based upon a consideration of:

- (i) current market standards and/or practices of other ASX listed companies of a similar size and stage of development to the Company;
- (ii) the remuneration of the Related Parties; and
- (iii) incentives to attract and ensure continuity of service and retain the services of the Related Parties who have appropriate knowledge and expertise, while maintaining the Company's cash reserves.

The Company does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the ZEP Options upon the terms proposed;

- (k) the total remuneration package for each of the Related Parties for the previous financial year and the proposed total remuneration package for the current financial year are set out below:

The market price for Shares during the term of the Options would normally determine whether the Options are exercised. - (s) the Board is not aware of any other information that is reasonably required by Shareholders to allow them to decide whether it is in the best interests of the Company to pass Resolutions 4 to 7.

6. RESOLUTION 8 TO 10 – RATIFICATION OF PREVIOUS ISSUES

6.1 General

Resolutions 8 to 10 relate to the ratification of previous issues of securities by the Company.

The issues were undertaken pursuant to the Company's capacity under Listing Rules 7.1 and 7.1A.

6.2 Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A however, an eligible entity can also seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 27 November 2020. The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 11 being passed by the requisite majority at this Meeting.

The issues the subject of Resolutions 8 to 10 do not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, and effectively use up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of those issues.

6.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the equity securities the subject of Resolutions 8 to 10.

Resolutions 8 to 10 each seek Shareholder ratification pursuant to Listing Rule 7.4.

6.4 Technical information required by Listing Rule 14.1A

If each of Resolutions 8 to 10 are passed, the issues of Shares and Options under those Resolutions will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval.

If Resolutions 8 to 10 are not passed, the previous issues of Shares and Options the subject of those Resolutions will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 11 being passed at this Meeting.

6.5 Technical information required for Resolutions 8 and 9

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolutions 8 and 9:

- (a) the Shares were issued to professional and sophisticated investors who are clients of Argonaut. The recipients were identified through a bookbuild process, which involved Argonaut seeking expressions of interest to participate in the capital raising from non-related parties of the Company;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;

with the exception of the following parties that were issued more than 1% of the issued capital of the Company:

 - (iv) Tribeca Investment Partners Pty Ltd, being an entity that acquired 6,800,000 Shares (representing an interest of 4.96% in the issued capital of the Company following the capital raising);
 - (v) Regal Funds Management Pty Limited, being an entity that acquired 6,800,000 Shares (representing an interest of 4.96% in the issued capital of the Company following the capital raising); and
 - (vi) First Sentier Investors (Australia) IM Limited, being an entity that acquired 6,800,000 Shares (representing an interest of 4.96% in the issued capital of the Company following the capital raising).
- (c) 13,785,000 Shares were issued under Resolution 8 and 11,215,000 Shares were issued under Resolution 9 and the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares were issued on 27 April 2021;
- (e) the issue price was \$0.29 per Share. The Company has not and will not receive any other consideration for the issue of the Shares;
- (f) the purpose of the issue of the Shares was to raise \$7,250,000, which will be applied towards potential acquisitions, sales and marketing, product development and general working capital; and
- (g) the Shares were not issued under an agreement.

6.6 Technical information required for Resolution 10

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 10:

- (a) the Options were issued to Argonaut and nominees of Argonaut as consideration for assisting in the placement of Shares the subject of Resolutions 8 and 9;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) 2,265,625 Options were issued under Resolution 10 and the Options issued were issued on the terms and conditions set out in Schedule 6;
- (d) the Options were issued on 27 April 2021;

- For personal use only
- (e) a nominal amount of \$22 was payable for the issue of the Options. However, the Company will receive \$0.435 for each Share issued on exercise of the Options. If all of the Options are exercised in accordance with their terms, the Company will receive \$985,546;
 - (f) the purpose of the issue of the Options was as part consideration for the services provided by Argonaut in the placement of Shares the subject of Resolutions 8 and 9; and
 - (g) the Options were issued under an agreement pursuant to which Argonaut agreed to assist the Company with a placement of Shares in consideration for a fee of 5.5% of the funds raised under the placement and the issue of the Options at an issue price of \$0.00001 per Option.

7. RESOLUTION 11 – APPROVAL OF 7.1A MANDATE

7.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$48.3m (based on the number of Shares on issue and the closing price of Shares on the ASX on 19 October 2021).

Resolution 11 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 11 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 11 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

7.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 11:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) **Minimum price**

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 7.2(b)(i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to use any funds raised from issues of Equity Securities under the 7.1A Mandate for acquiring new technologies and/or businesses (including expenses associated with such an acquisition), sales and marketing, promotional expenses, enhancement of its own software products or any new products which may be acquired or developed, research and development, and for general working capital.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 11 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 19 October 2021.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

		Dilution			
Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Issue Price		
			\$0.175	\$0.350	\$0.525
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	138,033,208 Shares	13,803,321 Shares	\$2,415,581	\$4,831,162	\$7,246,743
50% increase	207,049,812 Shares	20,704,981 Shares	\$3,623,372	\$7,246,743	\$10,870,115
100% increase	276,066,416 Shares	27,606,642 Shares	\$4,831,162	\$9,662,325	\$14,493,487

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 138,033,208 Shares on issue at 19 October 2021.
2. The issue price set out above is the closing market price of the Shares on the ASX on 19 October 2021 being \$0.35.
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 27 November 2020 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 29 November 2020, the Company issued 11,215,000 Shares pursuant to the Previous Approval (**Previous Issue**), which represent approximately 11.12% of the total diluted number of Equity Securities on issue in the Company on 29 November 2020, which was 100,787,377 Shares.
