Localised 3P fulfilment network enables effective scaling, whilst providing agility and resilience

Prior year investments into the network enabled the business to respond to COVID in an agile way:

- Dynamic order routing across the network
- Largely automated new fulfiller location onboarding
- Strong relationships facilitating new product launches
- Continued localisation

Record volumes serviced through the network in FY21:

- 11.6 million packages shipped (up 47%)
- 87% on time delivery (up 8%)
- NPS¹ of 50

2. Medium term aspiration

Tiger Sky

up \$41m

Closing cash balance
(A\$m, FY17 - FY21)

\$99m cash at bank with nil debt provides ample flexibility to:

- Accelerate mid-term growth through investments across four key strategic themes
- Fund M&A opportunities
- Consider options for capital management

Business model also benefits from a favourable working capital cycle

Outlook

Reiterating the outlook statements provided in August, Redbubble expects FY22 Marketplace Revenue to be slightly above FY21 underlying Marketplace Revenue¹

The Group had also shared that Marketplace Revenue growth in 1H will likely be negative YoY with a steady return to YoY growth rates consistent with meeting its medium term aspirations from 2H

Targeted investments will continue to be made and will affect Gross Margin, Marketing and OPEX lines

EBITDA margin as a percent of Marketplace Revenue is expected to be in the mid single digit range for FY22, with EBITDA margin expected to expand over the medium-term with top-line growth

The business remains confident and excited about the medium to longer-term opportunity to grow strongly and extend Redbubble's global market leadership as the largest marketplace for independent artists

Marketplace Revenue

(A\$m, FY19 - FY22)

1. Mask sales contributed \$57 million to FY21 Marketplace Revenue, resulting in FY21 underlying Marketplace Revenue of \$497 million.
