## AusNet enters into Scheme Implementation Deed with Brookfield

### Highlights

- AusNet has agreed the terms of a binding proposal and has entered into a Scheme Implementation Deed (**SID**), under which Brookfield is to acquire all the shares in AusNet for cash consideration by means of a scheme of arrangement (the **Scheme**). Brookfield is leading a consortium which includes co-investors Sunsuper Superannuation Fund, an Australian multi-industry superannuation fund (**Sunsuper**), Alberta Investment Management Corporation, an institutional investment manager for pension, endowment and government funds in the Province of Alberta Canada (**AIMCo**), the Investment Management Corporation of Ontario, an investment manager overseeing assets on behalf of public sector institutions in Ontario (**IMCO**) and Healthcare of Ontario Pension Plan, a defined benefit pension plan for Ontario healthcare workers (**HOOPP**).
- The Scheme values AusNet at an equity value of \$10.2 billion and an enterprise value of \$17.8 billion.
- If the Scheme is implemented, AusNet shareholders<sup>1</sup> will receive total value of \$2.65 cash per share<sup>2</sup>, plus additional consideration if the Scheme has not been implemented before 31 March 2022.
- \$2.65 cash per AusNet share represents a 34% premium to the undisturbed AusNet share price of \$1.98 as at 17 September 2021.
- The AusNet Board of directors unanimously recommends that shareholders vote in favour of the Scheme, in the absence of a superior proposal and subject to an independent expert concluding in its report (and continuing to conclude) that the Scheme is in the best interests of AusNet shareholders.
- The Scheme is subject to various conditions including approval by AusNet shareholders at a scheme meeting which is proposed to be held before the end of March 2022.
- If the Scheme is implemented after 31 March 2022, AusNet shareholders will be entitled to additional consideration from Brookfield of \$0.000260274 per share for each day after 31 March 2022 that has elapsed by the date of implementation.
- Singapore Power (which currently owns 32.74% of the AusNet shares) has informed AusNet that it supports the Scheme and intends to vote in favour of it, subject to: the SID not being terminated, there not being a superior proposal, an independent expert concluding that the Scheme is in the best interests of AusNet shareholders (and not changing that conclusion)

<sup>1</sup> Subject to being on the AusNet register on the relevant record date.

<sup>2</sup> The Scheme consideration is \$2.65 per share, which will be reduced by the amount of any interim and final dividends for FY22.

and the Scheme being implemented by 30 June 2022. All else being equal, Singapore Power has expressed a preference for all cash consideration.

- The SID contains a customary term that AusNet is required to cease discussions with other parties. AusNet has therefore terminated APA's due diligence access. The Scheme consideration of \$2.65 cash per AusNet share is clearly superior to the current notional value of APA's cash and scrip proposal of \$2.54 (based on APA's closing price on 29 October 2021). However, APA is free to make a superior proposal and the SID has a customary fiduciary out which allows the AusNet Board to consider that further proposal.

## Background

On 20 September 2021, AusNet announced that it had received an unsolicited, indicative, non-binding and conditional proposal from Brookfield to acquire, by way of scheme of arrangement, all of the issued shares in AusNet at an indicative price of \$2.50 cash per share (the **Brookfield Indicative Proposal**).

The Brookfield Indicative Proposal followed the receipt of an unsolicited, indicative, non-binding and conditional proposal from Brookfield on 30 August 2021 at an indicative price of \$2.35 cash per share (the **Brookfield Initial Proposal**) and a subsequent revised proposal at an indicative price of \$2.45 cash per share.

At that time, the AusNet Board considered that it was in the best interests of AusNet to engage further with Brookfield to seek to convert the Brookfield Indicative Proposal of \$2.50 cash per share into a binding proposal, and agreed to provide Brookfield with the opportunity to conduct due diligence on an exclusive basis on 20 September 2021, as it was a key condition of its willingness to proceed.

On 21 September 2021, AusNet received an unsolicited, indicative, non-binding and conditional proposal from APA to acquire all of the issued shares of AusNet (the **APA Indicative Proposal**) at an indicative price with a notional value of \$2.60 per share (at the time the proposal was made) by way of scheme of arrangement, with consideration in the form of cash and APA securities. The APA Indicative Proposal followed the receipt of a more complex unsolicited, indicative, non-binding and conditional proposal from APA on 1 September 2021 at an indicative price with a notional value of \$2.32 per share (at the time the proposal was made) by way of scheme of arrangement, with consideration in the form of cash and APA securities (the **APA Initial Proposal**).

Following the decision and final orders made by the Takeovers Panel (the **Panel**), AusNet granted APA due diligence on 23 October 2021 after entry into a Confidentiality Deed.

## Rationale for the AusNet Board's decision to enter into a SID with Brookfield

The AusNet Board was not considering a sale of the company prior to receipt of the unsolicited, indicative, non-binding and conditional proposals from Brookfield and APA. It has sought to maximise the value created for shareholders at all times in responding to the unsolicited proposals that it has received.

Prior to the announcement of the Brookfield Indicative Proposal on 20 September 2021, the AusNet Board, taking advantage of the interest of two competing parties, received four indicative proposals (three from Brookfield and one from APA) ranging from a notional value of \$2.32 per AusNet share (from APA) to an indicative price of \$2.50 cash per share (from Brookfield). At that cash price per share, the AusNet Board was prepared to indicate its support and facilitate due diligence to Brookfield with a period of exclusivity, as it was a key condition of Brookfield's willingness to proceed. By indicating its willingness to support the Brookfield Indicative Proposal, the AusNet Board was signalling that the price was one capable of being recommended to shareholders (**Indicative Reserve**

**Price).** On 21 September 2021, the AusNet Board received a further indicative cash and scrip proposal from APA, notionally valued at \$2.60 per share (at the time the proposal was made).

These progressively increasing indicative proposals from Brookfield and APA are a clear indication that the AusNet Board has facilitated – and continues to facilitate -- a competitive process. Given that \$2.65 significantly exceeds the Indicative Reserve Price, the Board believes it has a responsibility to convert it into a binding offer while retaining the ability to consider superior proposals.

On 31 October 2021, AusNet received a binding offer from Brookfield (**Brookfield Binding Offer**) at \$2.65 per share which was subject to a condition that a SID be signed by 10pm the same day or the binding offer would expire. If the AusNet Board were to delay accepting the Brookfield Binding Offer, it would be subject to the very real risk that the Brookfield Binding Offer would expire and accordingly the APA Indicative Proposal would have been the sole proposal. The AusNet Board was also made aware that its major shareholder, Singapore Power, had a preference for cash consideration and was willing to support the Brookfield Binding Offer at the price and terms offered.

Based on AusNet's recent interactions with APA, APA had indicated that it was examining whether it could improve its indicative proposal as to value and the amount of cash offered. APA did not indicate that it would be able to offer a full cash alternative or the value level at which any improvement to its indicative proposal could be made. APA had been made aware that Brookfield might seek to make a revised proposal and were encouraged to have their best proposal in front of the AusNet Board at all times.

If APA wishes to make a further proposal, they are free to do so, as is any other party. The SID has a fiduciary out which allows the AusNet Board to consider that proposal and, if such proposal is or could reasonably be expected to become a superior proposal, the AusNet Board can engage with the party making the proposal.

However, in assessing whether a further cash and scrip proposal from APA is superior to the Scheme the AusNet Board will be required to take into account the potential volatility in the APA security price following any required equity fundraising or any large-scale sale of securities by shareholders such as Singapore Power who have a preference for cash consideration. These potential negative impacts may not be large but they are uncertain and would remain so until completion of a transaction.

AusNet will be required to pay Brookfield a break fee of \$101,674,267 (being 1% of the equity value of AusNet as implied by the Brookfield Binding Offer) if the AusNet Board ultimately recommends a competing, superior proposal. The AusNet Board has concluded agreeing to this break fee was appropriate to lock in a binding cash proposal from Brookfield at a price that the Board has concluded is significantly superior to APA's Indicative Proposal and represents value for AusNet shareholders.

Taking all these factors into account, the AusNet Board has concluded that it is appropriate to enter into a SID with Brookfield at \$2.65 cash per share while retaining the ability to respond to a superior proposal. Had the Board allowed the Brookfield Binding Offer at \$2.65 cash to lapse, it does not believe it would have been acting in the best interests of shareholders. Singapore Power's endorsement of the Scheme confirms that they support this decision.

### **Overview of the Scheme**

Under the SID, it is proposed that Brookfield will acquire all of the shares in AusNet by way of the Scheme.

If the Scheme is implemented, Brookfield will pay each person who is recorded as an AusNet shareholder on the Scheme record date a cash amount of \$2.65 per share, less the total cash amounts of any dividend in respect of the half-year ending 30 September 2021 (up to a maximum of

\$0.0475 per share) and in respect of the full year ending 31 March 2022 (up to a maximum of \$0.0475 per share).

The total value to be paid to AusNet shareholders under the Scheme will be \$2.65 cash per share which represents:

- a \$0.30 per share increase to the \$2.35 indicative price offered under the Brookfield Initial Proposal (representing a 13% increase);
- a 34% premium to the undisturbed AusNet share price of \$1.98 as at 17 September 2021;
- a 36% premium to the 30 day volume weighted average price of AusNet shares prior to 17 September 2021 of \$1.95; and
- a 43% premium to the 90 day volume weighted average price of AusNet shares prior to 17 September 2021 of \$1.85.

#### **Additional consideration in the event of delays**

If the Scheme is implemented after 31 March 2022, AusNet shareholders will be entitled to additional cash consideration from Brookfield of \$0.000260274 for each day after 31 March 2022 that has elapsed by the date of implementation.

#### **AusNet Board unanimously recommends the Scheme**

The Board of Directors of AusNet unanimously recommends that shareholders vote in favour of the Scheme at the scheme meeting, in the absence of a superior proposal and subject to an independent expert concluding in its independent expert's report (and continuing to conclude) that the Scheme is in the best interests of AusNet shareholders. Subject to the same qualifications, each AusNet Board member intends to vote, or procure the voting of, the shares held or controlled by them in their personal capacity in favour of the Scheme.

AusNet is in the process of appointing an independent expert for the Scheme.

AusNet Chairman, Mr Peter Mason, said: "For the last several weeks the Board has been extremely focused on ensuring a competitive process. This has resulted in a binding proposal from Brookfield at a price that provides full value to all AusNet shareholders. The binding proposal, secured at a significant premium to where the share price was trading prior to the first of the six proposals being received, deserves to be put before our shareholders for their consideration.

The Board believes that the agreed Scheme value appropriately reflects AusNet's stable, growing and diversified portfolio of high quality regulated and contracted assets as well as the strong growth prospects that it is well positioned to pursue."

#### **Major shareholder support**

Singapore Power International Pte Ltd and SP eResources Pte Ltd (collectively, **SP Group**) (which currently owns 32.74% of the AusNet shares) has confirmed that it supports the Scheme and intends to vote in favour of the Scheme the AusNet shares that the SP Group holds or controls on the date to determine voting entitlements for the Scheme meeting, subject to:

- the SID not being terminated;
- there not being on or before the Scheme meeting date, any proposal in relation to AusNet or its assets which SP Group considers in its sole and absolute discretion to be a superior proposal to the Scheme;

- AusNet engaging an independent expert to prepare a report for inclusion in the explanatory materials for the Scheme to be sent to AusNet shareholders and that expert concluding to the effect that the Scheme is in the best interests of AusNet shareholders, and the independent expert not changing that conclusion at any time until and including the date of the Scheme meeting of AusNet shareholders; and
- the Scheme being implemented on or before 30 June 2022 or such later date as SP Group specifies from time to time.

All other things being equal, SP Group have confirmed their preference for all cash consideration for the AusNet shares held or controlled by SP Group.

### 3.7 Failure of Conditions Precedent

- (a) If:
  - (i) there is an event or occurrence that would, or does, prevent any of the Conditions Precedent being satisfied (which is not waived in accordance with this deed by the time or date specified in this deed for the satisfaction of the relevant Condition Precedent); or
  - (ii) there is an event or occurrence that would, or does, prevent any of the Conditions Precedent being satisfied by the time and date specified in this deed for the

satisfaction of that Condition Precedent or such Condition Precedent is otherwise not satisfied by that time and date (and the breach or non-satisfaction which would otherwise occur has not already been waived in accordance with this deed),

then either party may serve a written notice on the other party, and the parties must promptly consult in good faith with a view to determining whether:

- (iii) the Scheme or the Transaction may proceed by way of alternative means or methods;
  - (iv) to extend the relevant time or date for satisfaction of the Condition Precedent;
  - (v) to change the First Court Date or to adjourn the application for orders pursuant to section 411(1) of the Corporations Act convening the Scheme Meeting to another date agreed by the parties;
  - (vi) to change the Second Court Date or to adjourn the application for orders pursuant to section 411(4)(b) of the Corporations Act approving the Scheme to another date agreed by the parties; or
  - (vii) to extend the End Date.
- (b) If AusNet and Bidder are unable to reach agreement under clauses 3.7(a)(iii), 3.7(a)(iv), 3.7(a)(v), 3.7(a)(vi) or 3.7(a)(vii) within five Business Days after the delivery of the notice under that clause or any shorter period ending at 5:00pm on the day before the Second Court Date, either party may terminate this deed by notice in writing to the other party, provided that:
- (i) the Condition Precedent to which the notice relates is for the benefit of that party (whether or not the Condition Precedent is also for the benefit of the other party); and
  - (ii) there has been no failure by that party to comply with its obligations under this deed, where that failure directly and materially contributed to the Condition Precedent to which the notice relates becoming incapable of satisfaction, or being breached or not fulfilled before the End Date,

in which case clause 14.2 will have effect.

### **3.8 Certificates in relation to Conditions Precedent**

- (a) On the Second Court Date each party must provide to the Court a certificate (or such other evidence as the Court may request) confirming (in respect of matters within its knowledge) whether or not as at 8:00am on the Second Court Date the Conditions Precedent have been satisfied or waived in accordance with this deed.
- (b) Each party must provide to the other party a draft of the certificate to be provided by it pursuant to clause 3.8(a) by 5:00pm on the day that is two Business Days prior to the Second Court Date, and must provide to the other party on the Second Court Date a copy of the final certificate or other evidence provided to the Court.

## **4 Transaction steps**

### **4.1 Scheme**

AusNet must propose a scheme of arrangement under which:

- (a) all of the Scheme Shares will be transferred to Bidder; and
- (b) the Scheme Shareholders will be entitled to receive the Scheme Consideration.

## 4.2 Scheme Consideration

The **Scheme Consideration** means, in respect of each Scheme Share:

- (a) a cash amount of \$2.65; less
- (b) the cash amount of any Permitted Dividend to which Scheme Shareholders become entitled on or before the Implementation Date; plus
- (c) the amount of any Additional Consideration.

## 4.3 Provision of Scheme Consideration

Bidder undertakes to AusNet (in its own right and as trustee on behalf of the Scheme Shareholders) that, in consideration of the transfer to Bidder of the Scheme Shares under the terms of the Scheme, on the Implementation Date it will:

- (a) accept that transfer; and
- (b) pay or procure payment of the Scheme Consideration for each Scheme Share in accordance with the Scheme and the Deed Poll.

## 4.4 Performance Rights and Deferred Rights

- (a) AusNet must ensure that no Performance Rights or Deferred Rights (or any other AusNet Securities or Rights other than AusNet Shares) are in existence on the Scheme Record Date.
- (b) Bidder acknowledges that:
  - (i) the AusNet Board may, in order to satisfy the obligation in clause 4.4(a), exercise its discretions under relevant employee equity incentive plans to accelerate the vesting of all outstanding Performance Rights and Deferred Rights and/or to make cash equivalent or substitute payments (and Bidder acknowledges that any cash payments are not subject to the operation of clause 6); and
  - (ii) AusNet may make a 'Dividend Equivalent Payment' in respect of each Deferred Right that vests in accordance with the rules of the AusNet Deferred Short Term Incentive Plan.
- (c) AusNet must ensure that actions taken under clause 4.4(b)(i) involve a total outlay of no more than \$25,000,000, whether in cash or via the issuance of AusNet Shares (treating each Share issued as an outlay of \$2.65) or a combination, it being acknowledged and agreed by the parties that this amount does not take into account any tax costs.
- (d) AusNet must ensure that all 'Dividend Equivalent Payments' under clause 4.4(b)(ii) do not exceed \$175,000 in aggregate, it being acknowledged and agreed by the parties that this amount includes the maximum amount of Permitted Dividends, , and that if vesting occurs after the record date for the last Permitted Dividend in time the amount might increase depending on whether any additional AusNet dividends are paid.
- (e) AusNet agrees that:
  - (i) as soon as reasonably practicable after the date of this deed, AusNet must use its reasonable endeavours to procure that ASX either:
    - (A) confirms that rule 6.23 of the Listing Rules does not apply; or
    - (B) grants a waiver from rule 6.23 of the Listing Rules (to the extent required),

in connection with any actions to be undertaken by AusNet under this clause 4.4; and

- (ii) If the confirmation or waiver referred to in clause 4.4(e)(i) is not obtained before the First Court Date, AusNet agrees to seek any approvals that are required from the AusNet Shareholders under rule 6.23 of the Listing Rules in connection with any actions to be undertaken by AusNet under this clause 4.4.

#### 4.5 No amendment to Scheme without consent

AusNet must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without the prior written consent of Bidder.

### 5 Implementation

#### 5.1 AusNet's obligations

AusNet must take all steps necessary to propose and implement the Scheme as soon as is reasonably practicable after the date of this deed and must use best endeavours to ensure that each step in the Timetable is met by the date set out beside that step, including by doing any acts it is authorised and able to do on behalf of AusNet Shareholders and each of the following.

- (a) **(Preparation of Scheme Booklet)** Prepare the Scheme Booklet so that it complies with all applicable laws, including the Corporations Act, ASIC Regulatory Guide 60 and the ASX Listing Rules. The Scheme Booklet must include a statement to the effect that:
  - (i) other than the Bidder Information and the Independent Expert's Report, the Scheme Booklet has been prepared by AusNet and is the responsibility of AusNet, and that no Bidder Party assumes any responsibility for the accuracy or completeness of the Scheme Booklet (other than the Bidder Information); and
  - (ii) the Bidder Information has been provided by Bidder and is the responsibility of Bidder, and that no AusNet Party assumes any responsibility for the accuracy or completeness of the Bidder Information.

The Scheme Booklet and all public announcements by AusNet in relation to the Scheme (other than announcements as to purely administrative matters) must also include the recommendation and statement required under clause 7.
- (b) **(Independent Expert)** Promptly appoint the Independent Expert (if the Independent Expert has not been appointed prior to the date of this deed), and provide all assistance and information reasonably requested by the Independent Expert in connection with the preparation of the Independent Expert's Report.
- (c) **(Consultation with Bidder)** Consult with Bidder as to the content and presentation of the Scheme Booklet, such consultation to include allowing Bidder a reasonable opportunity to review and make comments on successive drafts of the Scheme Booklet a reasonable time before its lodgement with ASIC and obtain Bidder's written consent to the inclusion of the Bidder Information (including in respect of the form and context in which the Bidder Information appears in the Scheme Booklet) prior to lodgement of the Scheme Booklet with ASIC. AusNet must consider in good faith any comments on drafts of the Scheme Booklet provided by or on behalf of Bidder.
- (d) **(Liaison with ASIC)** As soon as reasonably practicable after the date of this deed but no later than 14 days before the First Court Date, and following Bidder giving confirmation or providing changes as contemplated by clause 5.3(d), provide an advanced draft of the Scheme Booklet to ASIC for its review and approval for the purposes of section 411(2) of the Corporations Act, and to Bidder, and keep Bidder reasonably informed of any matters raised by ASIC in relation to the Scheme Booklet (and of any resolution of those matters), and use reasonable endeavours, in consultation with Bidder, to resolve any such matters

(provided that AusNet may not resolve any such matters without the prior written consent of Bidder to the extent that such matters relate to the Bidder Information), and provide Bidder with copies of any material correspondence with ASIC in relation to the Scheme Booklet or the Transaction, and otherwise keep Bidder informed of any matters raised by ASIC to AusNet in relation to the Scheme or the Transaction (except if a matter relates to a Competing Proposal).

- (e) **(Indication of intent)** Apply to ASIC no later than 14 days before the First Court Date for a letter indicating whether ASIC proposes to make submissions to the Court, or intervene to oppose the Scheme, on the First Court Date.
- (f) **(Approval of Scheme Booklet)** As soon as practicable after ASIC has provided its indication of intent in accordance with clause 5.1(e), procure that a meeting of the AusNet Board is convened for the purpose of approving the Scheme Booklet for despatch to AusNet Shareholders.
- (g) **(Verification)** Undertake appropriate verification processes in relation to the AusNet Information.
- (h) **(Court direction)** Apply to the Court for orders directing AusNet to convene the Scheme Meeting, and consult with Bidder as to the content of all relevant originating process, affidavits, submissions and draft minutes of Court orders. Such consultation must include providing Bidder with a reasonable opportunity to review and comment on the relevant Court documents before they are lodged, and AusNet must consider in good faith any comments provided by or on behalf of Bidder.
- (i) **(ASIC registration)** Request ASIC to register the Scheme Booklet in the form approved by the Court.
- (j) **(Despatch)** Send the Scheme Booklet to AusNet Shareholders following receipt of Bidder's written consent to the inclusion of the Bidder Information in the form and context in which the Bidder Information appears in such version of the Scheme Booklet.
- (k) **(Update Scheme Booklet)** If, after the Scheme Booklet has been sent to AusNet Shareholders, it becomes aware of information that is:
  - (i) not included in the Scheme Booklet and that is:
    - (A) material for disclosure to AusNet Shareholders in deciding whether to approve the Scheme; or
    - (B) required to be disclosed to AusNet Shareholders under any applicable law; or
  - (ii) included in the Scheme Booklet and is misleading or deceptive in a material respect in the form and context in which it appears in the Scheme Booklet,

inform AusNet Shareholders of the information in an appropriate and timely manner, in accordance with applicable law. AusNet must consult with Bidder as to the form and content of any supplementary disclosure before it is made to AusNet Shareholders, and, to the extent reasonably practicable, must provide Bidder with a reasonable opportunity to review and comment on such disclosure before it is made and must consider in good faith any comments provided by or on behalf of Bidder. To the extent that any supplementary disclosure relates to (or constitutes) Bidder Information, it may only be made with Bidder's prior written consent (not to be unreasonably withheld or delayed).
- (l) **(Promote Transaction)** Participate in efforts reasonably requested by Bidder to promote the merits of the Transaction and the Scheme Consideration, including, where requested by Bidder, meeting with key AusNet Shareholders and, in consultation with Bidder,

- (m) **(Scheme Meeting)** Convene the Scheme Meeting to approve the Scheme (in accordance with any orders made by the Court).
- (n) **(No objection statement)** Apply to ASIC for the production of a statement in writing pursuant to section 411(17)(b) of the Corporations Act stating that ASIC has no objection to the Scheme.
- (o) **(Court approval)** Subject to all Conditions Precedent in clause 3.1 (other than that in clause 3.1(d)) being (or being reasonably expected to be) satisfied or waived in accordance with this deed, apply to the Court for orders approving the Scheme, and consult with Bidder as to the content of all relevant affidavits, submissions and draft minutes of Court orders. Such consultation must include providing Bidder with a reasonable opportunity to review and comment on the relevant Court documents before they are lodged, and AusNet must consider in good faith any comments provided by or on behalf of Bidder.
- (p) **(Court order)** Lodge with ASIC an office copy of any Court order approving the Scheme by not later than the first Business Day after the day such office copy is received (or such later date as Bidder may agree in writing).
- (q) **(Representation)** Allow, and not oppose, any application by Bidder for leave of the Court to be represented by counsel at the Court hearings in relation to the Scheme.
- (r) **(Information)** Provide all necessary information, and procure that the AusNet Registry provides all necessary information, in each case in a form reasonably requested by Bidder, for the purpose of understanding legal ownership of AusNet Shares and proxy appointments and directions received by AusNet prior to the Scheme Meeting.
- (s) **(Implementation)** If the Scheme becomes Effective:
  - (i) procure ASX to suspend trading in AusNet Shares from the close of trading on the Effective Date;
  - (ii) close the AusNet Share Register at the Scheme Record Date to determine the identity of Scheme Shareholders and their entitlements to the Scheme Consideration; and
  - (iii) subject to Bidder satisfying its obligations under clause 4.3, execute proper instruments of transfer of the Scheme Shares on behalf of the Scheme Shareholders in favour of Bidder and procure the registration in the AusNet Share Register of all transfers of Scheme Shares to Bidder under those instruments on the Implementation Date.
- (t) **(ASX listing)** Maintain AusNet's admission to the official list of ASX and the quotation of AusNet Shares on ASX up to and including the Implementation Date.

## 5.2 Appeal process

If the Court refuses to make any orders convening the Scheme Meeting or approving the Scheme:

- (a) AusNet and Bidder must consult with each other in good faith as to whether to appeal the Court's decision; and

- (b) AusNet must appeal the Court's decision (unless the parties agree otherwise, or an independent senior counsel of the New South Wales bar advises that, in their view, an appeal would have no reasonable prospect of success before the End Date).

### 5.3 Bidder's obligations

Bidder must take all steps necessary to assist AusNet to propose and implement the Scheme as soon as is reasonably practicable and, without limiting the foregoing, must use best endeavours to ensure that each step in the Timetable is met by the date set out beside that step, including by doing each of the following.

- (a) **(Bidder Information)** Prepare and provide to AusNet the Bidder Information for inclusion in the Scheme Booklet to comply with all applicable laws, including the Corporations Act, ASIC Regulatory Guide 60 and the ASX Listing Rules relevant to the Bidder Information and consult with AusNet as to the content and presentation of the Bidder Information in the Scheme Booklet, such consultation to include allowing AusNet a reasonable opportunity to review and make comments on successive drafts of the Bidder Information before lodgement of the Scheme Booklet with ASIC. Bidder must consider in good faith any comments on drafts of the Bidder Information provided by or on behalf of AusNet.

- (d) **(Confirmation of Bidder Information)** Before the Scheme Booklet is provided to ASIC pursuant to section 411(2) of the Corporations Act, procure that a meeting of the board of directors of Bidder is held to consider the Bidder Information included in the Scheme Booklet as being in a form appropriate for provision to ASIC for review, and either:
  - (i) confirm in writing to AusNet that the Bidder Information in the form and context in which it appears in the Scheme Booklet is not misleading or deceptive in any material respect and does not contain any material omission; or

- (e) **(Approval and consent to inclusion of Bidder Information)** As soon as reasonably practicable after the conclusion of the review by ASIC of the Scheme Booklet:
  - (i) procure that a meeting of the board of directors of Bidder is held to consider the Bidder Information included in the Scheme Booklet as being in a form appropriate for despatch to AusNet Shareholders, subject to approval of the Court; and
  - (ii) confirm in writing to AusNet that Bidder consents to the inclusion of the Bidder Information in the Scheme Booklet, in the form and context in which the Bidder Information appears.
- (f) **(Verification)** Undertake appropriate verification processes in relation to the Bidder Information.
- (g) **(Update Bidder Information)** If at any time after the despatch of the Scheme Booklet, Bidder becomes aware:

- (ii) that any part of the Bidder Information included in that version of the Scheme Booklet is misleading or deceptive in any material respect (whether by omission or otherwise),

it must advise AusNet so that AusNet can determine whether supplementary disclosure to AusNet Shareholders is required in accordance with (and subject to the terms of) clause 5.1(k).

- (h) **(Deed Poll)** Before the first Court hearing on the First Court Date, enter into the Deed Poll and deliver it to AusNet.
- (i) **(Court representation)** Procure that it is represented by counsel at the Court hearings convened in relation to the Scheme, at which, through its counsel or solicitors, Bidder will undertake (if requested by the Court) to do all such things and take all such steps within its power as may be reasonably necessary in order to ensure the fulfilment of its obligations under this deed and the Scheme.
- (j) **(Scheme Consideration)** If the Scheme becomes Effective, provide the Scheme Consideration in the manner and amount contemplated by clause 4.3 and the terms of the Scheme.
- (k) **(Promote Transaction)** Participate in efforts reasonably requested by AusNet to promote the merits of the Transaction and the Scheme Consideration, including, where requested by AusNet, meeting with key AusNet Shareholders.

## 5.4 Appointment of directors

On and from the Implementation Date, but subject to the Scheme Consideration having been paid by Bidder in accordance with the Scheme and receipt by AusNet of signed consents to act, AusNet must:

- (a) cause the appointment of the persons nominated by Bidder as new directors of AusNet and other members of the AusNet Group; and
- (b) procure that all directors on the AusNet Board or the board of another member of the AusNet Group (other than any directors nominated by Bidder or the new directors of AusNet appointed pursuant to clause 5.4(a)) resign from the AusNet Board or such other board (as applicable).

  - (ii) matters related to integration and transition planning, stakeholder engagement and communications, business operations and functions or processes; and
  - (iii) the process referred to in clause 6.4.
- (c) Each party must ensure that its representatives on the Integration Committee act in good faith in their capacity as members of the Integration Committee with a view to fulfilling the role and objectives of such committee (to the extent within their power).
- (d) The Integration Committee will meet at such times and places as agreed between the members of the Integration Committee from time to time, taking into account the existing roles and duties of AusNet's representatives on the Integration Committee. Meetings may be held via telephone or other forms of technology that provide representatives with an opportunity to participate.
- (e) The members of the Integration Committee may agree to invite other persons to attend meetings of the Integration Committee from time to time.
- (f) From time to time, certain members of the Integration Committee or other representatives of the parties (as agreed between the parties) will meet separately to meetings of the Integration Committee to discuss and progress matters considered or plans developed by the Integration Committee.
- (g) The parties acknowledge and agree that:
  - (i) the Integration Committee is a discussion and planning forum only, and the members of the Integration Committee do not have power to bind any party or to give any consent, approval or waiver on behalf of any party;

- (ii) nothing in this clause 6.3 or elsewhere in this deed requires a party to act at the direction of the other party or is intended to create a relationship of partnership, joint venture or similar between the parties;
- (iii) nothing in this clause 6.3 or elsewhere in this deed requires a party to take any action that would reasonably be expected to result in an AusNet Group member breaching any applicable law or the entity's constituent documents;
- (iv) the respective businesses of the Bidder Group and the AusNet Group are to continue to operate independently until (and subject to) implementation of the Scheme; and
- (v) nothing in this clause 6.3 requires any of AusNet's representatives on the Integration Committee to do anything which would unduly interfere with their responsibilities to AusNet and the ongoing conduct of AusNet's business.

#### 6.4 Change of control consents

As soon as practicable after the date of this deed, AusNet and Bidder must seek to identify any change of control or unilateral termination rights (or similar provisions) in material contracts to which AusNet or another member of the AusNet Group is party which may be triggered by or exercised in response to the implementation of the Transaction (or matters consequential on the implementation of the Transaction including the subsequent delisting of AusNet from the ASX). In respect of those contracts:

- (a) AusNet and Bidder will agree a proposed course of action (which, among other things, will have due regard to applicable legal restrictions) and then AusNet will initiate contact, including joint discussions if required, with the relevant counterparties and request that they provide any consents or confirmations required or appropriate. Bidder must not contact any counterparties for this purpose without AusNet present or without AusNet's prior written consent (which is not to be unreasonably withheld, conditioned or delayed).
- (b) AusNet must cooperate with, and provide reasonable assistance to, Bidder to obtain such consents or confirmations as expeditiously as possible, including by promptly providing any information reasonably required by counterparties (but nothing in this clause requires AusNet or Bidder to incur material expense).
- (c) Bidder must take all action necessary to comply with any requirements of the counterparties that are reasonably necessary to obtain the relevant consent or confirmation, in accordance with the proposed course of action agreed under paragraph (a) above, including providing any information required and entering into parent guarantees or such other forms of guarantee or security as counter-parties may reasonably require and make officers and employees available, where necessary to meet with counter-parties to deal with any issues arising in relation to the matter.
- (d) Provided that AusNet has complied with this clause 6.4 and the relevant contract has been Fairly Disclosed in the Due Diligence Material or the Disclosure Letter (**Relevant Contract**), a failure by a member of the AusNet Group to obtain any third party consent or confirmation, or the exercise of a termination right under a Relevant Contract, will not of itself constitute a breach of this deed by AusNet and, together with any consequences that arise, will be disregarded when assessing the operation of any other provision of this deed.

## 6.5 Directors' and officers' insurance and indemnities

- (a) Subject to the Scheme becoming Effective and the Transaction completing, Bidder undertakes in favour of AusNet and each person who is a director or officer of a member of the AusNet Group that it will:
  - (i) for a period of seven years from the Implementation Date or until a company ceases to be part of the AusNet Group (whichever is earlier), ensure that the constitutions of AusNet and each other member of the AusNet Group continues to contain such rules as are contained in those constitutions at the date of this deed that provide for each company to indemnify each of its current and previous directors and officers against any liability incurred by that person in his or her capacity as a director or officer of the company to any person other than a member of the AusNet Group; and
  - (ii) procure that each member of the AusNet Group complies with any deeds of indemnity, access and insurance made by them prior to the date of this deed (and the general terms of which have been Fairly Disclosed in the Due Diligence Material or the Disclosure Letter) in favour of their respective current and previous directors and officers from time to time and, without limiting the foregoing, ensure that directors' and officers' run-off insurance cover for such directors and officers is maintained, for a period of seven years from the retirement date of each director and officer (and AusNet may, at its election, put in place such run-off insurance and pay any amounts necessary to ensure such maintenance upfront prior to the implementation of the Scheme, provided that it consults with Bidder and uses reasonable endeavours to obtain the most attractive premiums and to obtain primary cover from the same insurers as currently provide the cover (including, in the case, of Side C cover, the captive insurer), and it is acknowledged that the scope of the cover is not to be increased from what currently applies).
- (b) Bidder acknowledges that, notwithstanding any other provision of this deed, AusNet may, prior to the Implementation Date, enter into arrangements to secure directors' and officers' run-off insurance for up to such seven year period, provided that it acts reasonably and in consultation with Bidder.
- (c) The undertakings contained in clause 6.5(a) are subject to any Corporations Act restriction and will be read down accordingly.
- (d) AusNet receives and holds the benefit of clause 6.5(a), to the extent it relates to the other AusNet Parties, as trustee for them.
- (e) The undertakings contained in clause 6.5(a) are given until the earlier of the end of the relevant period specified in clause 6.5(a) or the relevant member of the AusNet Group ceasing to be part of the AusNet Group.]

## 6.6 AusNet Financing

- (a) Between the date of this deed and the Implementation Date, AusNet must, and must do all things reasonably within its power to procure that each member of the AusNet Group does, promptly notify the Bidder if:
  - (i) it requests or grants a waiver or consent in respect of a material provision of an AusNet Financing, with reasonable detail of the reason for the request;
  - (ii) it becomes aware of a breach of an AusNet Financing or the occurrence of an AusNet Financing Default, together with reasonable information in relation to the

matter, event or circumstance giving rise to the breach or AusNet Financing Default;

- (iii) it becomes aware of any proposal by a rating agency to downgrade a rating of AusNet or any Subsidiary of AusNet or any notes, bonds or similar instruments issued by AusNet or any Subsidiary of AusNet;
  - (iv) AusNet or any Subsidiary of AusNet incurs or commits to incur any financial indebtedness or issues any indebtedness or debt securities;
  - (v) AusNet or any Subsidiary of AusNet enters into, unwinds or closes out any financial indebtedness in connection with derivative or similar transactions to manage exposure to the fluctuation in the rate or price of currency, interest rates or gas or electricity; or
  - (vi) AusNet or any Subsidiary of AusNet enters into any guarantee or indemnity on behalf of any person or provides security for the obligations of any person, except for another member of the AusNet Group or in the ordinary course of business and consistent with past practice.
- (b) AusNet must consult in good faith with the Bidder after the date on which a notice is given under clause 6.6(a)(ii) to consider and determine the steps that can be taken to avoid, remedy or cure (as the case may be) the relevant AusNet Financing Default, and use its best endeavours to avoid the occurrence of, or remedy or cure, any AusNet Financing Default.
- (c) Subject to the Scheme becoming Effective and if requested with reasonable notice by the Bidder in writing and provided that the Bidder has demonstrated to AusNet the availability of funding that will be provided by the Bidder to AusNet in order for AusNet to make any prepayment or break fee that AusNet Finco must pay to the providers of the relevant AusNet Bank Debt Facilities in connection with the prepayment (including if any prepayment or break fee is payable prior to the Implementation Date), AusNet will take such action between the Effective Date and the Implementation Date as is necessary to ensure that:
- (i) the AusNet Bank Debt Facilities specified in the notice will be cancelled; and
  - (ii) if any amounts have been utilised or drawn under the relevant AusNet Bank Debt Facility prior to the Implementation Date, prepayment notices are given which are effective for a prepayment,
- on or after the Implementation Date (on the date specified by the Bidder).

## 6.7 Clear exit payment

The parties shall use reasonable endeavours to determine clear exit payments (if any) required. .

## 7 AusNet Board recommendation

- (a) AusNet represents and warrants to Bidder that, as at the date of this deed, each AusNet Director has confirmed by unanimous resolution of the AusNet Board that he or she will act in accordance with clause 7(b).
- (b) Subject to clauses 7(c) and 7(d), AusNet must use its best endeavours to ensure that:
  - (i) unless otherwise agreed in writing by the parties, the AusNet Board unanimously recommends that, in the absence of a Superior Proposal and subject to the Independent Expert opining at all times prior to the Second Court Date that the

Scheme is in the best interests of AusNet Shareholders, AusNet Shareholders vote in favour of the Scheme at the Scheme Meeting;

- (ii) the Scheme Booklet and all public announcements by AusNet in relation to the Scheme (other than announcements as to purely administrative matters) will include a statement by the AusNet Board to that effect, and to the effect that each director of AusNet will, in the absence of a Superior Proposal, vote (or procure the voting of) all AusNet Shares held or controlled by him or her in favour of the Scheme at the Scheme Meeting; and
  - (iii) unless otherwise agreed in writing by the parties, a director of AusNet does not change, withdraw, modify or qualify his or her recommendation under clause 7(b)(i) or a statement under clause 7(b)(ii) or make a recommendation or statement that is inconsistent with such recommendation or statement (including by making any public statement supporting, endorsing or recommending a Competing Proposal and/or to the effect that he or she no longer supports the Scheme).
- (c) Clause 7(a) will cease to apply in either of the following circumstances:
- (i) the Independent Expert opines either prior to the despatch of the Scheme Booklet or prior to the Scheme Meeting to the effect that the Scheme is not in the best interests of AusNet Shareholders; or
  - (ii) AusNet receives a Competing Proposal and a majority of the AusNet Board determines, after all of Bidder's rights under clause 11.5 have been exhausted, that the Competing Proposal constitutes a Superior Proposal.
- (d) Bidder acknowledges and agrees that, notwithstanding any other term of this deed, one or more executive directors of AusNet may not make a recommendation under clause 7(b)(i) or may change, withdraw or modify his or her recommendation (but not so as to recommend voting against the Scheme at the Scheme Meeting) without being in breach of clause 7(b)(iii), in response to a requirement or request of the Court or a Government Agency that the relevant AusNet executive director abstain or withdraw from making a recommendation that AusNet Shareholders vote in favour of the Scheme at the Scheme Meeting.

## **8 Representations and warranties**

- (a) Bidder represents and warrants to AusNet (in its own right and separately as trustee or nominee for each of the other AusNet Parties) that each Bidder Representation and Warranty is true and correct.
- (b) Bidder must not take or omit to take any action, or allow any action to be taken or omit to be taken, which would cause any Bidder Representation and Warranty not to be true and correct.
- (c) Bidder indemnifies AusNet (in its own right and separately as trustee or nominee for each member of the AusNet Group) against, and must pay AusNet on demand the amount of, any losses, liabilities, damages, costs, charges or expenses suffered or incurred by any member of the AusNet Group as a result of, or in connection with, a breach of a Bidder Representation and Warranty.

- (b) AusNet must not take or omit to take any action, or allow any action to be taken or omit to be taken, which would cause any AusNet Representation and Warranty not to be true and correct.
- (c) Bidder acknowledges and agrees that the AusNet Representations and Warranties and the AusNet indemnity under clause 8.2(d) are given subject to those matters which:
  - (i) are expressly provided for in this deed;
  - (ii) are Fairly Disclosed in the Due Diligence Material or the Disclosure Letter;
  - (iii) have been Fairly Disclosed to ASX within three years prior to the date of this deed;
  - (iv) would have been Fairly Disclosed to Bidder had Bidder conducted searches of public records maintained by:
    - (A) the register established under the *Personal Property Securities Act 2009* (Cth) on 29 September 2021; and
    - (B) the High Court of Australia, Federal Court of Australia and the Supreme Courts of each state and territory in Australia (other than Western Australia and the Northern Territory) on 24 September 2021; or

## 8.3 Timing of representations and warranties

Unless expressed to be given at a particular time or during a particular period (in which case it is given at that time or during that period), each Bidder Representation and Warranty and each AusNet Representation and Warranty is given:

- (a) at the date of this deed;

## 9 Releases

### 9.1 AusNet Parties

- (a) Without limiting Bidder's rights under clause 12, Bidder releases its rights against, and agrees with AusNet that it will not make a Claim against, any AusNet Party (other than AusNet) in connection with:
  - (i) any breach of any representation, covenant and warranty of AusNet in this deed; or
  - (ii) any disclosure made (at any time) by any AusNet Party that contains any statement which is false or misleading whether in content or by omission,
 except to the extent the relevant AusNet Party has not acted in good faith or has acted fraudulently or has engaged in wilful misconduct.
- (b) This clause 9.1 is subject to any Corporations Act restriction and will (if and to the extent required) be read down accordingly. AusNet receives and holds the benefit of this clause as trustee for each other AusNet Party.

### 9.2 Bidder Parties

- (a) Without limiting its rights under clause 12, AusNet releases its rights against, and agrees with Bidder that it will not make a Claim against, any Bidder Party (other than Bidder) in connection with:
  - (i) any breach of any representation, covenant and warranty of Bidder in this deed; or
  - (ii) any disclosure made (at any time) by any Bidder Party that contains any statement which is false or misleading whether in content or by omission,
 except to the extent that the relevant Bidder Party has not acted in good faith or has acted fraudulently or has engaged in wilful misconduct.
- (b) This clause 9.2 is subject to any Corporations Act restriction and will (if and to the extent required) be read down accordingly. Bidder receives and holds the benefit of this clause as trustee for each other Bidder Party.
- (c) For the avoidance of doubt, nothing in clause 9.2(a) limits the terms of any Equity Commitment Letter or AusNet's right to claim under any Equity Commitment Letter.

## 10 Public announcements

### 10.1 Announcement of the Transaction

Immediately after the execution of this deed, AusNet must issue a public announcement in a form previously agreed to in writing between the parties. The AusNet announcement must include:

- (a) a unanimous recommendation by the directors of AusNet to AusNet Shareholders consistent with that set out in clause 7(b)(i) (unless otherwise agreed by the parties in writing); and
- (b) a statement consistent with that set out in clause 7(b)(ii), although such statement will also be subject to the Independent Expert opining that the Scheme is in the best interests of AusNet Shareholders.

## 10.2 Other public announcements

Each party must:

- (a) prior to making any public announcement or disclosure of or in relation to the Transaction, to the extent reasonably practicable and lawful, consult with the other party as to the timing, form and content of that announcement or disclosure, including by giving the other party a reasonable opportunity to review the draft and taking into account all reasonable comments from them on the draft; and
- (b) not make any such public announcement or disclosure prior to such consultation, except as may be required by applicable law or the ASX Listing Rules.

## 11 Exclusivity

### 11.1 No current discussions regarding a Competing Proposal

AusNet represents and warrants that, as at the time of public release of the AusNet announcement described in clause 10.1, neither it nor any of its Representatives are in any negotiations or discussions, in respect of any Competing Proposal.

### 11.2 No-shop and no talk

During the Exclusivity Period, AusNet must not, and must ensure that each of its Representatives, does not, directly or indirectly:

- (a) **(no shop)** solicit, invite, encourage or initiate (including by the provision of non-public information to any Third Party) any Competing Proposal, or any enquiries, proposal, negotiations or discussions with any Third Party in relation to, or that may reasonably be expected to encourage or lead to, any Competing Proposal, or communicate any intention to do any of those things; and
- (b) **(no talk or due diligence access)** subject to clause 11.3:
  - (i) enter into, continue or participate in negotiations or discussions with, or negotiate or enter into any agreement, arrangement or understanding with, any Third Party in relation to, or that may reasonably be expected to encourage or lead to, any Competing Proposal; or
  - (ii) disclose or otherwise make available to any Third Party, or permit any Third Party to receive, any non-public information relating to AusNet or any of its Related Bodies Corporate in connection with, or which may reasonably be expected to encourage or lead to, such Third Party formulating, developing or finalising, or assisting in the formulation, development or finalisation of, any Competing Proposal; or
  - (iii) communicate any intention to do any of those things.

### 11.3 Limitation to no-talk and no-due diligence

Clause 11.2(b) does not prevent AusNet from taking or omitting to take any action in relation to a Competing Proposal (which was not solicited, invited, encouraged or initiated in breach of clause 11.2(a)), provided that the AusNet Board has first determined, in good faith, and in what the AusNet Board considers to be in the interests of AusNet and its shareholders, and after receiving advice from its external financial and external legal Advisers, that:

- (a) such Competing Proposal is, or could reasonably be expected to become, a Superior Proposal; and

- (b) compliance with clause 11.2(b) would, or would be reasonably likely to, constitute a breach of any of the fiduciary or statutory duties of the directors of AusNet.

#### 11.4 Notification by AusNet

During the Exclusivity Period, AusNet must as soon as possible (and in any event within 24 hours) give Bidder notice in writing if it, or any of its Representatives receives a Competing Proposal (or any approach, inquiry or proposal made by any person to initiate any discussions or negotiations that concern, or that could reasonably be expected to lead to, a Competing Proposal, or receives any request from a Third Party for any non-public information relating to the AusNet Group or any of its businesses or operations in connection with or to assist in the development of a Competing Proposal). Such notice must include the identity of the relevant person making, proposing or otherwise involved in the relevant Competing Proposal, together with all material terms and conditions of the relevant Competing Proposal (including price and form of consideration, value of any non-cash component of the consideration, proposed deal protection provisions, any break or reimbursement fee, proposed timing and conditions precedent), in each case only to the extent known to AusNet.

#### 11.5 Bidder matching right

- (a) Without limiting clause 11.2, during the Exclusivity Period, AusNet must not, and must procure that each of its Subsidiaries do not, enter into any legally binding agreement, arrangement or understanding pursuant to which AusNet or any Subsidiary of AusNet agrees to undertake or give effect to a Competing Proposal, unless:
- (i) the Competing Proposal is in a form which is able to be accepted by AusNet so as to give rise to a legally binding agreement, and the AusNet Board determines that the Competing Proposal is, or would be or would be reasonably likely to be, a Superior Proposal;
  - (ii) AusNet has provided Bidder with a notice stating that it is given for the purposes of this clause 11.5 and setting out:
    - (A) all the material terms and conditions of the Competing Proposal (including, but not limited to, price, form of consideration, value of any non-cash component of the consideration, proposed deal protection provisions, any break or reimbursement fee, proposed timing and any conditions precedent);
    - (B) if the form of consideration being proposed under the Competing Proposal is not cash, or the consideration includes a component that is not cash (which may, for example, be in the form of shares in the competing bidder), or the Competing Proposal includes other features which affect its value, the cash equivalent value per AusNet Share that the AusNet Board considers the Competing Proposal to be worth, and guidance as to any other terms and conditions that Bidder would need to propose to AusNet in order to provide a matching outcome for AusNet Shareholders as a whole as compared with the Competing Proposal; and
    - (C) the identity of the Third Party making the Competing Proposal;
  - (iii) AusNet has given Bidder five Business Days after the date of the provision of the notice referred to in clause 11.5(a)(ii) to announce or provide to AusNet a counter proposal to the Competing Proposal (**Bidder Counterproposal**); and

- (iv) either:
- (A) Bidder has not announced or provided to AusNet a Bidder Counterproposal by the expiry of the five Business Day period in clause 11.5(a)(iii); or
  - (B) Bidder has announced or provided to AusNet a Bidder Counterproposal by the expiry of the five Business Day period in clause 11.5(a)(iii) that the AusNet Board, acting reasonably and in good faith, determines would not provide a matching or superior outcome for AusNet Shareholders as a whole compared with the Competing Proposal, taking into account all of the terms and conditions of the Bidder Counterproposal.
- (b) If Bidder announces or provides to AusNet a Bidder Counterproposal by the expiry of the five Business Day period in clause 11.5(a)(ii), AusNet must procure that the AusNet Board considers the Bidder Counterproposal and if the AusNet Board, acting reasonably and in good faith, determines that the Bidder Counterproposal would provide a matching or superior outcome for AusNet Shareholders as a whole compared with the Competing Proposal, taking into account all of the terms and conditions of the Bidder Counterproposal, then AusNet and Bidder must use their best endeavours to agree the amendments to this deed, the Scheme and the Deed Poll (as applicable) that are reasonably necessary to reflect the Bidder Counterproposal and to implement the Bidder Counterproposal, in each case as soon as reasonably practicable, and AusNet must use its best endeavours to procure that each AusNet director continues to recommend the Transaction (as modified by the Bidder Counterproposal) to AusNet Shareholders in accordance with clause 7.
- (c) For the purposes of this clause 11.5:
- (i) each successive material variation or amendment to a Competing Proposal will constitute a new Competing Proposal; and
  - (ii) for the avoidance of doubt, the process set out in this clause 11.5 must again be followed in respect of any such new Competing Proposal.

## 11.6 Compliance with law

- (a) This clause 11 imposes obligations on AusNet only to the extent that the performance of all or part of those obligations:
- (i) does not constitute unacceptable circumstances as declared by the Australian Takeovers Panel; and
  - (ii) is not determined to be unlawful by a court (including by virtue of it being a breach of the AusNet Board's fiduciary or statutory duties),
- subject to all proper avenues of appeal and review, judicial and otherwise, having been exhausted.
- (b) The parties must not make, or cause or permit to be made, any application to the Australian Takeovers Panel or a court for or in relation to a declaration or determination of a kind referred to in clause 11.6(a) and, in the event that any such application is made by a Third Party, must take all reasonable steps (including by making submissions against the declaration or determination) to ensure that any such determination is not made or applies to the minimum extent possible.

## 11.7 Normal provision of information

Nothing in this clause 11 prevents a party from:

- (a) providing information to its Representatives for the purpose of implementing the Transaction;
- (b) providing information to any Government Agency for the purpose of implementing the Transaction;
- (c) providing information to its auditors, customers, financiers, joint venturers and suppliers acting in that capacity in the ordinary course of business;
- (d) providing information required to be provided by law, including to satisfy its obligations of disclosure under the ASX Listing Rules or to any Government Agency;
- (e) making presentations to, and responding to enquiries from, brokers, portfolio investors, analysts, institutional investors and institutional lenders in the ordinary course in relation to its business generally; or
- (f) engaging with its shareholders (in their capacity as a shareholder) in the ordinary course and consistent with past practice, in relation to AusNet Group, provided such engagement does not relate to AusNet soliciting, inviting, encouraging or initiating an actual or proposed or potential Competing Proposal.

## 12 Break fees

### 12.1 Background

This clause 12 has been agreed to in circumstances where:

- (a) AusNet and Bidder believe the implementation of the Scheme will provide significant benefits to AusNet, Bidder and their respective shareholders, and acknowledge that, if they enter into this deed and the Scheme is subsequently not implemented, each will have incurred significant costs, including significant opportunity costs;
- (b) both parties have requested provision be made for the relevant payments outlined in this clause 12, without which neither party would have entered into this deed;
- (c) the board of directors of each party believes that it is appropriate to agree to the payments referred to in this clause 12 to secure the relevant party's entry into this deed; and
- (d) each party has received separate legal advice in relation to this deed and the operation of this clause 12.

The parties acknowledge and agree that the costs actually incurred by Bidder and AusNet as referred to in this clause 12 will be of such nature that they cannot be accurately ascertained, but that the AusNet Break Fee and the Bidder Break Fee are each a genuine and reasonable pre-estimate of the minimum cost and loss that would actually be suffered by Bidder and AusNet respectively.

### 12.2 Payment of AusNet Break Fee

Subject to clause 12.4 and 12.7, AusNet must pay Bidder (or another entity as nominated by the Bidder) the AusNet Break Fee if:

- (a) during the Exclusivity Period, any director of AusNet:
  - (i) fails to make the recommendation under clause 7(b)(i) (unless otherwise agreed by the parties in writing) or statement under clause 7(b)(ii);

- (ii) withdraws or adversely changes, modifies or qualifies their recommendation that AusNet Shareholders vote in favour of the Scheme at the Scheme Meeting (unless the withdrawal, change, modification or qualification was otherwise agreed by the parties in writing); or
- (iii) recommends, supports or endorses a Competing Proposal, including by making a public statement recommending that AusNet Shareholders accept or vote in favour of a Competing Proposal of any kind that is announced (whether or not such proposal is stated to be subject to any pre-conditions) during the Exclusivity Period,

other than in circumstances where the Independent Expert concludes that the Scheme is not in the best interests of AusNet Shareholders (except in circumstances where the Independent Expert reaches that conclusion as a result of a Competing Proposal);

- (b) during the Exclusivity Period a Competing Proposal is announced by a Third Party or notified to AusNet (whether or not such proposal is stated to be subject to any pre-conditions) and, within nine (9) months after that occurring or after AusNet has given Bidder the last of all notices under clause 11.5(a)(ii) in relation to that Competing Proposal (whichever is later), the Third Party or any one or more Associate(s) of the Third Party:
  - (i) completes a transaction of the kind referred to in paragraph (b), (c) or (d) of the definition of Competing Proposal; or
  - (ii) has a relevant interest in at least 50% of AusNet Shares under a transaction that is or has become wholly unconditional; or
- (c) Bidder terminates this deed under:
  - (i) clause 14.1(a)(i); or
  - (ii) clause 14.1(b), other than in circumstances where the Independent Expert concludes that the Scheme is not in the best interests of AusNet Shareholders (except in circumstances where the Independent Expert reaches that conclusion as a result of a Competing Proposal).

### 12.3 Payment of Bidder Break Fee

Subject to clause 12.4 and 12.7, Bidder must pay AusNet the Bidder Break Fee if AusNet terminates this deed under clause 14.1(a)(i).

### 12.4 Payment conditions

- (a) Notwithstanding the occurrence of an event referred to in clause 12.2, no amount is payable under clause 12.2(a) or 12.2(c) if, prior to the event occurring:
  - (i) AusNet was entitled to terminate this deed under clause 14.1(a)(i); or
  - (ii) either party terminates this deed under clause 3.7 due to failure of a Condition Precedent in clause 3.1(a).
- (b) Without limiting clause 12.4(a), if an event referred to in clause 12.2(a) occurs no amount is payable under clause 12.2 unless Bidder has terminated this deed under clause 14.1(b) or the Scheme has failed to become Effective by the End Date.
- (c) Notwithstanding the occurrence of an event referred to in clause 12.3, no amount is payable under clause 12.3 if, prior to the event occurring:
  - (i) Bidder was entitled to terminate this deed under clause 14.1(a)(i) or clause 14.1(b); or

- (ii) either party terminates this deed under clause 3.7 due to failure of a Condition Precedent in clause 3.1(a).
- (d) Despite anything to the contrary in this deed, the AusNet Break Fee will not be payable to Bidder if the Scheme becomes Effective, notwithstanding the occurrence of an event referred to in clause 12.2 and, if the AusNet Break Fee has already been paid it must be refunded by Bidder within five Business Days after the Scheme becomes Effective.
- (e) Despite anything to the contrary in this deed, the Bidder Break Fee will not be payable to AusNet if the Scheme becomes Effective, notwithstanding the occurrence of an event referred to in clause 12.3 and, if the Bidder Break Fee has already been paid it must be refunded by AusNet within five Business Days after the Scheme becomes Effective.
- (f) AusNet can only ever be liable to pay the AusNet Break Fee once.
- (g) Bidder can only ever be liable to pay the Bidder Break Fee once.

## 12.5 Timing of payment

- (a) AusNet must pay Bidder the AusNet Break Fee, if it is payable pursuant to this clause 12, within five Business Days after receiving a written notice from Bidder setting out the relevant circumstances and requiring payment of the AusNet Break Fee.
- (b) Bidder must pay AusNet the Bidder Break Fee, if it is payable pursuant to this clause 12, within five Business Days after receiving a written notice from AusNet setting out the relevant circumstances and requiring payment of the Bidder Break Fee.
- (c) A written notice requiring payment of the AusNet Break Fee or the Bidder Break Fee, as applicable, may only be made after the Scheme fails to become Effective by the End Date or this Agreement is terminated in accordance with its terms.

## 12.6 Nature of payment

In the event that any application of the type described in this clause 12.7(b) is made by a Third Party, AusNet must make submissions, and where relevant, apply for review of or appeal from any declaration or determination, and for interim orders with the objective that any such declaration or determination is not made or applies to the minimum extent possible, in consultation with Bidder, provided that AusNet is not required to apply for any judicial review or appeal of any matter to a court where an independent senior counsel of the bar in the relevant State or Territory in Australia advises that, in their view, a judicial review application or appeal would have no reasonable prospect of success.

## 12.8 Limitation of liability

  - (iii) the amount of the AusNet Break Fee payable to Bidder under this clause 12 shall be reduced by the amount of any loss or damage recovered by Bidder in relation to a breach of any other clause of this deed.
- (b) Clause 12.8(a) does not limit the liability of AusNet under or in connection with this deed in respect of any fraud or wilful material breach of this deed by AusNet.

  - (iii) the amount of the Bidder Break Fee payable to AusNet under this clause 12 shall be reduced by the amount of any loss or damage recovered by AusNet in relation to a breach of any other clause of this deed.

#### 18.4 Withholding tax

The aggregate sum payable to AusNet Shareholders shall not be increased to reflect the deduction and the net aggregate sum payable to those AusNet Shareholders shall be taken to be in full and final satisfaction of the amounts owing to those AusNet Shareholders.
- (b) The Bidder acknowledges and agrees that it shall not pay any amounts to the Commissioner of Taxation under clause 18.4(a) with respect to an AusNet Shareholder where it receives an entity declaration from the AusNet Shareholder prior to the Implementation Date, where:
  - (i) the entity declaration is made in accordance with the requirements in section 14-225 of Subdivision 14-D and covers the Implementation Date (**Entity Declaration**); and
  - (ii) the Bidder does not know that the Entity Declaration is false.
- (c) If the Bidder forms the view that it has knowledge that an Entity Declaration it has received is false, and the Bidder received the Entity Declaration more than 30 days before the Implementation Date, the Bidder agrees that it shall not pay any amounts to the Commissioner of Taxation in respect of that AusNet Shareholder until it has:
  - (i) provided information upon which it relied to form that view to the AusNet Shareholder who has provided that Entity Declaration no less than 20 days before the Implementation Date;
  - (ii) provided the AusNet Shareholder by notice in writing the opportunity to review the information provided to it and respond with their views no less than 10 days before the Implementation Date; and

- (d) AusNet agrees that Bidder may approach the Australian Taxation Office to obtain clarification as to the application of Subdivision 14-D to the Transaction and will provide all information and assistance that Bidder reasonably requires in making any such approach. Bidder agrees:
  - (i) to provide AusNet a reasonable opportunity to review the form and content of all materials to be provided to the Australian Taxation Office, and must incorporate AusNet's reasonable comments on those materials, and more generally to take into account AusNet's comments in relation to Bidder's engagement with the Australian Taxation Office, and provide AusNet a reasonable opportunity to participate in any discussions and correspondence between Bidder and the Australian Taxation Office in connection with the application of Subdivision 14-D to the Transaction; and

- (ii) not to contact any AusNet Shareholders in connection with the application of Subdivision 14-D to the Transaction without AusNet's prior written consent.

### **18.10 No waiver**

A failure to exercise or a delay in exercising any right, power or remedy under this deed does not operate as a waiver. A single or partial exercise or waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. - (b) The obligations of AusNet under clause 5.3(a) will be satisfied by AusNet (in its absolute discretion):

- (i) where a Scheme Shareholder has, before the Scheme Record Date, made a valid election in accordance with the requirements of the AusNet Share Registry to receive dividend payments from AusNet by electronic funds transfer to a bank account nominated by the Scheme Shareholder, paying, or procuring the payment of, the relevant amount in Australian currency by electronic means in accordance with that election; or

#### 5.6 Unclaimed monies

- (a) The *Unclaimed Money Act 2008* (VIC) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 3 of the *Unclaimed Money Act 2008* (VIC)).

  - (ii) prevents AusNet from providing consideration to any particular Scheme Shareholder in accordance with this clause 5, or the payment or issuance of such consideration is otherwise prohibited by applicable law, AusNet shall be entitled to (as applicable) retain an amount equal to the number of Scheme Shares held by that Scheme Shareholder multiplied by the Scheme Consideration, until such time as payment in accordance with this clause 5 is permitted by that (or another) court or direction or otherwise by law.
- (b) To the extent that amounts are so deducted or withheld in accordance with clause 5.8(a), such deducted or withheld amounts will be treated for all purposes under this Scheme as having been paid to the person in respect of which such deduction and withholding was made, provided that such deducted or withheld amounts are actually remitted as required.

### 6.2 Register

- (a) AusNet will, until the Scheme Consideration has been provided and the name and address of Bidder has been entered in the AusNet Share Register as the holder of all of the Scheme Shares, maintain, or procure the maintenance of, the AusNet Share Register

in accordance with this clause 6, and the AusNet Share Register in this form and the terms of this Scheme will solely determine entitlements to the Scheme Consideration.

- (b) As from the Scheme Record Date (and other than for Bidder following the Implementation Date), each entry in the AusNet Share Register as at the Scheme Record Date relating to Scheme Shares will cease to have any effect other than as evidence of the entitlements of Scheme Shareholders to the Scheme Consideration in respect of those Scheme Shares.
