Westoz Investment Company Limited (ASX Code: WIC) was established in May 2005 with the aim of providing investors with an exposure to a portfolio of assets that are intended to show consistent positive returns.

The portfolio of assets is managed by Westoz Funds Management Pty Ltd, a 100% owned subsidiary of Euroz Limited (ASX Code: EZL).

The investment mandate is to identify undervalued companies listed on the Australian Securities Exchange and to invest to produce a positive return. Because of the geographic location of the manager, it is anticipated that the majority of situations identified will have a connection to Western Australia and will have a market capitalisation of less than $1 billion
