

4 November 2021

Major listed customers now live

- **Major listed customers are now live with PayGroup's core payroll software and services**
- **Usage by a number of listed companies demonstrates PayGroup's trusted position to provide fully compliant payroll in different geographies**

Melbourne, 4 November 2021: PayGroup Limited ("**PayGroup**" or the "**Company**"), a leading provider of enterprise payroll solutions is pleased to announce a number of major listed customers have gone live in the last 3 months with PayGroup's core payroll software and services.

A growing number of leading domestic and global companies are choosing PayGroup, demonstrating the Company's trusted position to deliver mission-critical payroll solutions. A key component of the Company's ability to convert leading enterprise customers is PayGroup's rapid onboarding and seamless integration of its solutions.

There are now over 2,500 enterprise customers managed by PayGroup, further increasing the Company's international profile as a leading payroll technology and services provider in APAC. The major listed customers that have gone live in the last 3 months include:

- **Hudson RPO:** a leading global talent solutions provider owned by Hudson Global (HSON.NASDAQ) – now live in Singapore, with 2 additional countries going live in the near term
- **Weatherford International (WFRD.NASDAQ):** one of the largest oil services companies globally and operates in more than 75 countries – now live in Singapore, Thailand and Brunei, with Australia, New Zealand, Malaysia and 3 additional countries going live over the next 3 months, as further upsells.
- **Dexus (DXS.ASX):** one of Australia's leading fully integrated real estate groups, managing a high-quality Australian property portfolio – now live in Australia
- **Proptech Group (PTG.ASX):** a rapidly growing property technology company providing software to real estate agents – now live in Australia and New Zealand

Mark Samlal, Founder and Managing Director of PayGroup, said:

"We are delighted to report a number of major listed companies are now live with PayGroup's industry agnostic mission-critical payroll software and services. The quality of these listed companies further highlights PayGroup's ability to attract and be trusted by leading global companies across diverse sectors. Notably, our customers continue to tell us our ability to rapidly integrate our payroll solutions in months, rather than years, is a key factor in their decision to choose PayGroup."
