Perenti is a diversified global mining services group with businesses in surface mining, underground mining and mining support services. The Group was founded in Kalgoorlie in 1987 and is today one of the world's largest companies providing surface and underground mining at scale. Headquartered in Australia, Perenti has operations and offices in 13 countries across four continents, employs around 8,000 mining professionals and is creating enduring value and certainty for clients on some of the world's largest mining projects.
