Summary and highlights

- Sydney Airport¹ announces that it has entered into a Scheme Implementation Deed ("**SID**") with Sydney Aviation Alliance Pty Limited (ACN 651 567 841) ("**SAA**") under which SAA has agreed to acquire 100% of the shares in SAL by way of scheme of arrangement and 100% of the units in SAT1 by way of trust scheme (the "**Schemes**").
- SAA is an entity controlled by the Sydney Aviation Alliance, which comprises various investment and infrastructure funds affiliated with, or managed and/ or advised by, IFM Australian Infrastructure Fund, IFM Global Infrastructure Fund, AustralianSuper, QSuper and Global Infrastructure Partners (the "**Consortium**").
- Under the Schemes, Sydney Airport Securityholders will receive the following consideration (the "**Scheme Consideration**"):
 - Sydney Airport Securityholders² (other than UniSuper) will receive \$8.75 cash per stapled security³
 - UniSuper Limited ("**UniSuper**") will transfer its existing interest of 15.01% in Sydney Airport for an equivalent interest in the holding structure of the Consortium (acquiring an interest in Sydney Aviation Alliance Holdings Pty Ltd ("**SAA Holdings**"), an upstream holding entity of SAA).
- The Scheme Consideration values Sydney Airport's equity at approximately \$23.6 billion and represents an uplift in equity value of approximately \$1.3 billion to the price of \$8.25 initially offered by the Consortium in July 2021, and a \$7.9 billion uplift to the closing price on the business day prior to Sydney Airport's announcement of the receipt of the Indicative Proposal (defined below).
- The Sydney Airport Boards unanimously recommend that Sydney Airport Securityholders vote in favour of the Schemes at the Scheme meetings, in the absence of a superior proposal and subject to an independent expert concluding in the independent expert's report (and continuing to conclude) that the Schemes are in the best interests of Sydney Airport Securityholders (other than UniSuper).
- The Scheme meetings are expected to be held in the first quarter of 2022.⁴

¹ "**Sydney Airport**" means Sydney Airport Limited (ACN 165 056 360) ("**SAL**") and The Trust Company (Sydney Airport) Limited (ACN 115 967 087) ("**TTCSAL**") as responsible entity for Sydney Airport Trust 1 (ARSN 099 567 921) ("**SAT1**").

⁴ An indicative timetable is attached to the SID as Attachment 1.

Sydney Airport

Background and overview of the Schemes

On 5 July 2021, Sydney Airport announced that it had received an unsolicited, indicative, conditional and non-binding proposal from SAA to acquire, by way of scheme of arrangement and trust scheme, 100% of the stapled securities in Sydney Airport at an indicative price of \$8.25 per stapled security⁵ (the "**Indicative Proposal**"), which was rejected. On 16 August 2021, Sydney Airport announced it had received a revised proposal from the Consortium at an indicative price of \$8.45 per stapled security on terms and conditions otherwise consistent with the Indicative Proposal (the "**Revised Indicative Proposal**"), which was also rejected.

On 13 September 2021, Sydney Airport announced that it had received a further revised proposal from the Consortium for \$8.75 per stapled security on terms and conditions consistent with the Indicative Proposal and Revised Indicative Proposal (the "**Further Revised Proposal**"). Following completion of a four-week non-exclusive due diligence period, and negotiations in relation to binding documentation, Sydney Airport has now entered into the SID with SAA.

Sydney Airport Boards unanimously recommend the Schemes

The Sydney Airport Boards unanimously recommend that Sydney Airport Securityholders vote in favour of the Schemes at the Scheme meetings, in the absence of a Superior Proposal and subject to an independent expert concluding in the independent expert's report (and continuing to conclude) that the Schemes are in the best interests of Sydney Airport Securityholders (other than UniSuper). Subject to those same qualifications, each member of the Sydney Airport Boards intends to vote, or cause to be voted, any stapled securities held or controlled by them in favour of the Schemes.

Sydney Airport Chairman David Gonski AC said: "Today's announcement is the culmination of months of engagement between all parties. The Sydney Airport Boards believe the outcome reflects appropriate long-term value for the airport, and unanimously recommend the proposal to securityholders, subject to customary conditions such as independent expert approval and no superior proposal."

Details of the SID

The Schemes are subject to various conditions. A copy of the SID, which sets out the terms and conditions of the Schemes and associated matters, is attached to this announcement. Capitalised terms used in this section below have the meaning given to those terms in the SID.

In summary, conditions for implementation of the Schemes include:

- the Independent Expert issues an Independent Expert's Report which concludes that the Schemes are in the best interests of the Sydney Airport Securityholders (other than UniSuper);
- approval of the Australian Competition and Consumer Commission ("**ACCC**");
- approval of Australia's Foreign Investment Review Board ("**FIRB**");

⁵ With UniSuper to receive an equivalent equity interest in the Consortium's holding vehicle rather than cash consideration.

- the Consortium obtaining European Union merger clearance;
- approval of Sydney Airport Securityholders and the Supreme Court of New South Wales;
- no Sydney Airport Prescribed Occurrence, Sydney Airport Material Adverse Change or Sydney Airport Regulated Event occurring;⁶ and
- other customary conditions.

The Schemes are also conditional on UniSuper continuing to hold an interest of 15.01% in Sydney Airport's stapled securities and voting, as a separate class of member, in favour of the Schemes. UniSuper has confirmed that, and has entered into an agreement with SAL (the "**Voting Deed**")⁷ to the effect that, UniSuper will not dispose of such 15.01% interest and will vote such securities in favour of the Schemes, subject to the Sydney Airport Boards continuing to recommend the Schemes, no superior proposal arising and the independent expert concluding and continuing to conclude that the Schemes are in the best interests of Sydney Airport Securityholders. The confirmation and Voting Deed are also subject to limited termination rights (as set out in the Voting Deed). If the Schemes are approved, UniSuper will transfer its 15.01% interest for an equivalent interest in SAA Holdings.

The Scheme is not subject to any financing condition and SAA has already lodged applications with FIRB and the ACCC in respect of the regulatory approvals described above.

Under the SID, Sydney Airport is subject to customary exclusivity obligations, including "no shop", "no talk" and notification obligations. The SID also contains a matching right regime in respect of any Superior Proposal received by Sydney Airport. The SID also sets out circumstances under which a reimbursement fee of \$150 million may be payable by Sydney Airport to SAA, and a reverse reimbursement fee of \$150 million may be payable by SAA to Sydney Airport.

Indicative timetable and next steps

A Scheme Booklet containing further important information and disclosures relating to the Schemes and the Scheme meetings, reasons for the Sydney Airport Boards' unanimous recommendation, and the independent expert's report will be issued to Sydney Airport Securityholders in due course.

The Directors have appointed Kroll Australia Pty Limited as the Independent Expert to opine on whether the Schemes are in the best interests of Sydney Airport Securityholders.

The Schemes are subject to approval by Sydney Airport Securityholders at the Scheme meetings which are currently expected to be held in the first quarter of 2022. For the Schemes to proceed, the resolutions at the Scheme meetings must be approved by at least 75% of all votes cast by Sydney Airport Securityholders and a majority by number of all Sydney Airport Securityholders present and voting (in person or by proxy) in each class at the Scheme meetings.

Barrenjoey Capital Partners and UBS are acting as joint financial advisers, and Allens is acting as legal adviser, to Sydney Airport.

⁶ Each of these terms is defined in the SID.

⁷ A copy of the Voting Deed will be annexed to a substantial holder notice filed on ASX on the date of this announcement.

Sydney Airport Securityholders do not need to take any action at the present time.

- (c) each party must, to the extent it is within its power to do so, use its best endeavours to satisfy, or procure the satisfaction of, the Conditions Precedent in clauses 3.1(d), 3.1(f), 3.1(g) and 3.1(h);
- (d) each party must use reasonable endeavours to satisfy, or procure the satisfaction of, the Condition Precedent in clause 3.1(i). For the purposes of this deed, any valid termination of the Voting Deed under clause 6(b)(ii) or (iii) of the Voting Deed will be regarded as a material breach by the Bidder of its obligations under this clause 3.2(d);
- (e) Sydney Airport will not be in breach of its obligations under clause 3.2(b), clause 3.2(c) or clause 3.2(d) to the extent that it takes an action or omits to take an action:

- (a) Without limiting the generality of clause 3.2 and subject to clause 3.3(c):

- (i) the Bidder must, to the extent it has not already done so prior to the date of this deed, apply for all Regulatory Approvals as soon as practicable (and in any event within 10 Business Days after the date of this deed) and Sydney Airport must provide such assistance in respect of any such application as the Bidder may reasonably request, and each party must take all reasonable steps required as part of the approval process in respect of any such application, including responding to reasonable requests for information at the earliest practicable time;
- (ii) in respect of a Regulatory Approval, the Bidder must respond promptly after any conditions or undertakings are requested or proposed;
- (iii) the Bidder must keep Sydney Airport fully informed of progress in relation to the obtaining of the Regulatory Approvals, including:
- (A) by promptly providing Sydney Airport with reasonable details of all material dealings with Government Agencies in relation to the applications for Regulatory Approvals (including any requests for information by such Government Agencies, and any conditions or other arrangements proposed by any Government Agency in respect of such Regulatory Approvals);
 - (B) by promptly providing Sydney Airport with any material information or matter which is likely to result in a delay in receipt of a Regulatory Approval that would mean the Timetable is unlikely to be achieved, or indicate that a Regulatory Approval is unlikely to be given;
 - (C) by consulting with Sydney Airport in advance, to the extent practicable, in relation to:
 - (1) all proposed material communications and the proposed content of those communications (whether written or oral and whether direct or through an Adviser) with any Government Agency relating to any Regulatory Approval (**Communications**); and
 - (2) each proposed material step in the process of obtaining each Regulatory Approval; and
 - (D) by considering in good faith any request by Sydney Airport to be present or represented at any proposed meeting with any Government Agency relating to any Australian Regulatory Approval (other than to the extent any confidential or commercially sensitive information of a party that is not Sydney Airport is to be discussed).
- (b) Without limiting clause 3.3(a)(iii), the Bidder must:
- (i) provide Sydney Airport with drafts of any material written Communications to be sent to a Government Agency, and allow Sydney Airport a reasonable opportunity to make comments on them prior to them being sent; and

- (c) Before providing any document or other information to Sydney Airport pursuant to this clause 3.3, the Bidder may redact any part of that document, or not disclose any part of that information, which contains or constitutes confidential, competitively sensitive or privileged information relating to the existing business or affairs of the Bidder or a Consortium Group Member, to the extent that the Bidder reasonably considers that the disclosure of such information to Sydney Airport would be unlawful or damaging to the

- commercial or legal interests of the Bidder or any other Consortium Group Member, or would be reasonably likely to jeopardise any attorney-client, work product or other legal privilege.
- (d) Without limiting the generality of clause 3.2 and subject to clause 3.3(f), Sydney Airport must keep the Bidder fully informed of any material dealings with Government Agencies in relation to the Regulatory Approvals, including:
- (i) by promptly providing the Bidder with reasonable details of such dealings (including any requests for information by such Government Agencies, and any conditions or other arrangements proposed by any Government Agency in respect of such Regulatory Approvals);
 - (ii) by consulting with the Bidder in advance, to the extent practicable, in relation to all proposed material communications and the proposed content of those communications (whether written or oral and whether direct or through an Adviser) with any Government Agency relating to any Regulatory Approval (**Communications**); and
 - (iii) by considering in good faith any request by the Bidder to be present or represented at any proposed meeting with any Government Agency relating to any Regulatory Approval (other than to the extent any confidential or commercially sensitive information of Sydney Airport is to be discussed).
- (e) Without limiting clause 3.3(d), Sydney Airport must:
- (i) provide the Bidder with drafts of any material written Communications to be sent to a Government Agency, and allow the Bidder a reasonable opportunity to make comments on them prior to them being sent; and
 - (ii) promptly provide copies of any material written Communications received from or provided to a Government Agency in respect of a Regulatory Approval.
- (f) Before providing any document or other information to the Bidder pursuant to this clause 3.2(f), Sydney Airport may redact any part of that document, or not disclose any part of that information, which contains or constitutes confidential, competitively sensitive or privileged information relating to the existing business or affairs of Sydney Airport, to the extent that Sydney Airport reasonably considers that the disclosure of such information to the Bidder or a Consortium Group Member would be unlawful or damaging to the commercial or legal interests of Sydney Airport, or would be reasonably likely to jeopardise any attorney-client, work product or other legal privilege.

3.4 Sydney Airport Regulated Events

In respect of the Condition Precedent in clause 3.1(l), if a Sydney Airport Regulated Event occurs between (and including) the date of this deed and 8:00am on the Second Court Date, then the Condition Precedent in clause 3.1(l) will not be taken to be breached, not fulfilled or not satisfied as a result of the occurrence of the relevant Sydney Airport Regulated Event, unless:

- (a) either party has given, or should have given in accordance with clause 3.6(c), written notice of that Sydney Airport Regulated Event setting out the relevant circumstances giving rise to the Sydney Airport Regulated Event; and
- (b) the relevant Sydney Airport Regulated Event continues to exist five Business Days (or any shorter period ending at 8:00am on the Second Court Date) after the date on which notice is given or should have been given in accordance with clause 3.6(c).

3.5 Waiver of Conditions Precedent

- (a) The Conditions Precedent in clauses 3.1(a) to 3.1(i) (other than clause 3.1(f)) are for the benefit of Sydney Airport and the Bidder. Any breach or non-satisfaction of any of the Conditions Precedent in clauses 3.1(a) to 3.1(g) (other than clause 3.1(f)) cannot be waived. Any breach or non-satisfaction of the Conditions Precedent in clauses 3.1(h) and 3.1(i) may only be waived by the Bidder and Sydney Airport giving their written consent.
- (b) The Conditions Precedent in clauses 3.1(j), 3.1(k) and 3.1(l) are for the sole benefit of the Bidder, and any breach or non-satisfaction of those Conditions Precedent may only be waived by the Bidder giving its written consent.
- (c) The Condition Precedent in clause 3.1(f) is for the sole benefit of Sydney Airport, and any breach or non-satisfaction of that Condition Precedent may only be waived by Sydney Airport giving its written consent.
- (d) A party entitled to waive the breach or non-satisfaction of a Condition Precedent pursuant to this clause 3.4 may do so in its absolute discretion.
- (e) If a waiver by a party of a Condition Precedent is itself expressed to be conditional and the other party accepts the conditions, then the terms of the conditions apply accordingly. If the other party does not accept the conditions, then the relevant Condition Precedent has not been waived.
- (f) If a party waives the breach or non-satisfaction of a Condition Precedent, that waiver will not preclude it from suing the other party for any breach of this deed constituted by the same event that gave rise to the breach or non-satisfaction of the Condition Precedent.
- (g) Waiver of a breach or non-satisfaction in respect of one Condition Precedent does not constitute:
 - (i) a waiver of breach or non-satisfaction of any other Condition Precedent resulting from the same event; or
 - (ii) a waiver of breach or non-satisfaction of that Condition Precedent resulting from any other event.

3.6 Notifications

Each party must:

- (a) keep the other party promptly and reasonably informed of the steps it has taken and of its progress towards satisfaction of the Conditions Precedent;
- (b) promptly notify the other party in writing if it becomes aware that any Condition Precedent has been satisfied, in which case the notifying party must also provide reasonable evidence that the Condition Precedent has been satisfied;
- (c) promptly (and in any case within 2 Business Days) notify the other party in writing of a failure to satisfy a Condition Precedent or of any fact or circumstance that results in that Condition Precedent becoming incapable of being satisfied or that may result in that Condition Precedent not being satisfied in accordance with its terms; and
- (d) promptly advise each other orally and in writing of any change, circumstance, fact, matter or event causing, which has caused, or which, so far as can reasonably be foreseen, would or would be reasonably likely to cause:
 - (i) a representation or warranty provided in this deed by the relevant party to be inaccurate; or
 - (ii) a material breach of this deed by the relevant party.

3.7 Termination on failure of Condition Precedent

- (a) If there is an event or occurrence that would or does prevent any of the Conditions Precedent being satisfied (including, for the avoidance of doubt, if Sydney Airport Securityholders do not agree to the Trust Scheme Resolutions at the Trust Scheme Meeting or to approve the Company Scheme at the Company Scheme Meeting by the requisite majorities), or if any of the Conditions Precedent will not otherwise be satisfied, by the earlier of:
- (i) the time and date specified in this deed for the satisfaction of that Condition Precedent; and
 - (ii) the End Date,
- or such Condition Precedent is otherwise not satisfied by that specified time and date or by the End Date (as applicable), then either party may give the other party written notice (**Consultation Notice**) within 5 Business Days after a relevant notice being given under clause 3.6(c) and the parties then must consult in good faith to:
- (iii) consider and, if agreed, determine whether the Transaction may proceed by way of alternative means or methods or whether, in the case of a breach of a Condition Precedent in clause 3.1(j), clause 3.1(k) or clause 3.1(l), the breach or the effects of the breach is or are able to be remedied; or
 - (iv) consider changing and, if agreed, change, the date of the application made to the Court for an order under paragraph 411(4)(b) of the Corporations Act approving the Company Scheme or to seek the Second Judicial Advice (or both) or adjourning either or both applications (as applicable) to another date agreed to in writing by the Bidder and Sydney Airport (being a date no later than 5 Business Days before the End Date), unless there is no reasonable prospect that the Condition Precedent will be satisfied before the End Date; or
 - (v) consider extending and, if agreed, extend, the relevant date or End Date, respectively.
- (b) Subject to clause 3.7(c), if the parties are unable to reach agreement under clause 3.7(a) within 5 Business Days after the date on which the Consultation Notice is given, then, unless:
- (i) the relevant Condition Precedent has been waived in accordance with clause 3.5; or
 - (ii) each party or parties (as applicable) entitled to waive the relevant Condition Precedent in accordance with clause 3.5 confirms in writing to the other party that it will not rely on the event or occurrence that would or does prevent the relevant Condition Precedent from being satisfied, or would mean the relevant Condition Precedent would or will not otherwise be satisfied,
- either party may terminate this deed without any liability to the other party because of that termination (except as provided under clause 14.4). For the avoidance of doubt, nothing in this clause 3.7(b) affects the obligation of Sydney Airport to pay the Reimbursement Fee if it is required to do so under clause 12, or the obligation of the Bidder to pay the Reverse Reimbursement Fee if it is required to do so under clause 13.
- (c) A party may not terminate this deed pursuant to clause 3.7(b) if:
- (i) the relevant occurrence or event, the failure of the Condition Precedent to be satisfied, or the failure of the Schemes to become Effective, arises out of a

- breach of clause 3.2 or clause 3.6 by that party, although in such circumstances the other party may still terminate this deed; or
- (ii) the relevant Condition Precedent is stated in clause 3.5 to be for the sole benefit of the other party.

4 Transaction Steps

4.1 Schemes

Sydney Airport must, subject to the terms and conditions of this deed, propose the Schemes to Sydney Airport Securityholders.

- (c) The Scheme Consideration payable to each Scheme Securityholder will be allocated between each SAL Share and each SAT1 Unit on the basis of the net asset value attributable to each SAL Share and each SAT1 Unit, or as otherwise agreed in writing between Sydney Airport and the Bidder.

4.4 HoldCo securities

The Bidder covenants in favour of Sydney Airport that:

- (a) each HoldCo Share issued as a component of the Scheme Consideration which is a Class A share in HoldCo will rank equally in all respects with each issued Class A share in HoldCo and any Class A shares which have been agreed to be issued (and no amount will be payable on the Class A shares);
- (b) each HoldCo Share issued as a component of the Scheme Consideration which is a Class B share in HoldCo will rank equally in all respects with each issued Class B share in HoldCo and any Class B shares which have been agreed to be issued (and no amount will be payable on the Class B shares);
- (c) the HoldCo A1 Loan Note issued as a component of the Scheme Consideration will rank equally in all respects with each issued HoldCo A1 Loan Note and any HoldCo A1 Loan Notes which have been agreed to be issued;

- (f) the constitution and other governance documents for the Bidder, HoldCo and the Sydney Aviation Alliance Australian Investment Trust shall be executed or adopted by the relevant parties by no later than 5pm on the Business Day before the Scheme Record Date in substantially the form provided to Sydney Airport on or before the date of this deed and shall not be materially amended prior to the Implementation Date without the prior consent of UniSuper and Sydney Airport (and in the case of Sydney Airport, such consent not to be unreasonably withheld).

4.5 Sydney Airport Performance Rights

- (a) Sydney Airport confirms and the Bidder acknowledges that, subject to the Schemes becoming Effective, Sydney Airport will take the following actions as is necessary to ensure that, before the Scheme Record Date, all Sydney Airport Performance Rights will vest in accordance with their terms:
 - (i) the Sydney Airport Board accelerating the vesting of, or waiving any vesting conditions or vesting periods applying to, any or all Sydney Airport Performance Rights (subject to the proper exercise of the Sydney Airport Board's discretion); and
 - (ii) Sydney Airport making cash payments for an amount equal to the Scheme Consideration (subject to any adjustment under any applicable Law) to holders of Sydney Airport Performance Rights in lieu of the issue or transfer of Sydney Airport Securities, pursuant to the terms of the Sydney Airport Performance Rights.
- (b) As soon as reasonably practicable after the date of this deed, Sydney Airport must use its reasonable endeavours to procure that the ASX grants a waiver from rule 6.23 of the Listing Rules (to the extent required) in connection with any actions to be taken by Sydney Airport under this clause 4.5. If the waiver is not obtained before the First Court Date, then Sydney Airport agrees to seek any approvals that are required from Sydney Airport Securityholders under rule 6.23 of the Listing Rules in connection with any actions to be taken by Sydney Airport under this clause 4.5.

4.6 SAL Facility Cancellation

Subject to the Schemes becoming Effective and if requested with reasonable notice by the Bidder in writing, Sydney Airport will take such action as is necessary to ensure that the SAL Facility Cancellation is effective on or immediately prior to the Implementation Date.

4.7 Distributions and dividends

- (a) In the event that any dividend or distribution is declared and paid in relation to each Sydney Airport Security on or before the Implementation Date, the Scheme Consideration will be reduced by the cash amount of the relevant dividend or distribution.
- (b) For the avoidance of doubt nothing in this clause 4.7 limits or otherwise affects Sydney Airport's obligations under clause 3.2(c) or the definition of Sydney Airport Prescribed Occurrence.

4.8 The Consortium and Affiliate Funds

- (a) A new Consortium Member (**New Consortium Member**) may be added to the Consortium Members as at the date of this deed:
 - (i) if all of the Consent Conditions are satisfied in respect of the New Consortium Member; and
 - (ii) with the prior written consent of Sydney Airport, such consent not to be unreasonably withheld during the Consent Period. Without limiting the circumstances where it will be reasonable to withhold such consent, Sydney Airport may withhold its consent where, in good faith and after consulting with its legal advisers, it considers that the New Consortium Member would be likely to result in FIRB approval not being obtained, being obtained on conditions likely to be unacceptable to the Bidder or materially delayed.
- (b) For the purposes of this clause 4.8:
 - (i) **Consent Conditions** means all of the following conditions:
 - (A) the New Consortium Member is an Affiliate Fund of a Consortium Member, or an entity wholly owned by that Affiliate Fund;
 - (B) a Consortium Member would not be prevented from dealing with the New Consortium Member as contemplated under clause 12(c)(i) of the Confidentiality Deed; and
 - (C) the New Consortium Member enters into a binding equity commitment letter addressed to the Bidder and Sydney Airport in substantially the same form as other Equity Commitment Letters (in which case the total amounts committed under the Equity Commitment Letters and the new equity commitment letter must remain the same as the total amounts committed under the Equity Commitment Letters as at the date of this deed and the Equity Commitment Letters may be so amended); and
 - (ii) **Consent Period** means the period on and from the date of this deed to the date that is 20 Business Days after the date of this deed.
- (c) The parties acknowledge that Affiliate Funds will indirectly participate in the Transaction.
- (d) The parties acknowledge that any change to the trustee of QSuper contemplated by clause 19.6(b) is permitted to occur without the consent of the parties to this deed, and the successor trustee will be deemed to have replaced QSuper Board (ABN 32 125 059 006) as a Consortium Member (and not as a New Consortium Member for the purposes of this clause 4.8).

5 Implementation

5.1 Timetable

- (a) Subject to clause 5.1(b), the parties must each use all reasonable endeavours to:
 - (i) comply with their respective obligations under this clause 5; and
 - (ii) take all necessary steps and exercise all rights necessary to implement the Transaction,in accordance with the Timetable.
- (b) Each party must keep the other informed about their progress against the Timetable and notify each other if it believes that any of the dates in the Timetable are not achievable.
- (c) To the extent that any of the dates or timeframes set out in the Timetable become not achievable due to matters outside of a party's control, the parties will consult in good faith to agree to any necessary extension to ensure such matters are completed within the shortest possible timeframe.

5.2 Sydney Airport's obligations

Sydney Airport must take all steps necessary to propose and implement the Schemes as soon as is reasonably practicable after the date of this deed, including each of the following.

- (j) **(Update Bidder Information)** Until the date of the Scheme Meetings, promptly provide to Sydney Airport any information that arises after the Scheme Booklet has been despatched that is necessary to ensure that the Bidder Information contained in the Scheme Booklet does not contain any material statement that is false or misleading in a material respect including because of any material omission from that statement.
- (k) **(Notification of Sydney Airport Securityholdings)** If any Consortium Group Member (other than the trustee of the Sydney Aviation Alliance Australian Investment Trust or its respective custodian) acquires any Sydney Airport Securities after the date of this deed, notify Sydney Airport in writing (upon request) of such acquisition and the relevant Consortium Group Member.

5.4 Appointment and resignation of directors

On the Implementation Date, but subject to the Scheme Consideration having been paid by the Bidder in accordance with the Schemes and receipt by Sydney Airport of signed consents to act, Sydney Airport must:

- (a) take all actions necessary to appoint the persons nominated by the Bidder as new directors of Sydney Airport and other members of the Sydney Airport Group; and
- (b) procure that all directors on the Sydney Airport Board or the board of another member of the Sydney Airport Group (other than the new directors of Sydney Airport appointed pursuant to clause 5.4(a)) resign from the Sydney Airport Board or such other board (as applicable) and in each case unconditionally and irrevocably release Sydney Airport and any other Sydney Airport Group Member from any claims they may have against Sydney Airport and any other Sydney Airport Group Member (but without limiting any right of indemnity or under any insurance policy),

provided that Sydney Airport is not required to take any action under this clause 5.4 which would cause any Sydney Airport Group Member to be in breach of any applicable law or regulation.

5.5 Sydney Airport Board recommendation

- (a) Sydney Airport represents and warrants to the Bidder that, as at the date this deed, each Sydney Airport Board Member has confirmed that:
- (i) their recommendation in respect of the Schemes is that Sydney Airport Securityholders vote in favour of the Schemes; and
- (ii) they intend to vote, or cause to be voted, all Sydney Airport Securities that they hold or control in favour of the Schemes,
- in each case subject to:
- (iii) no Superior Proposal emerging; and
- (iv) the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Schemes are in the best interests of Sydney Airport Securityholders (other than UniSuper).
- (b) Sydney Airport must use all reasonable endeavours to procure that, subject to clause 5.5(c), the Sydney Airport Board Members unanimously recommend that Sydney Airport Securityholders (other than UniSuper) vote in favour of the Schemes at the Scheme Meetings in the absence of a Superior Proposal and subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Schemes are in the best interests of Sydney Airport Securityholders (other than UniSuper), and that the Scheme Booklet include a statement by the Sydney Airport Board to that effect.

- (c) Sydney Airport must use all reasonable endeavours to procure that the Sydney Airport Board collectively, and the Sydney Airport Board Members individually, do not adversely change, withdraw, adversely modify or adversely qualify its or their recommendation to vote in favour of the Schemes unless:
- (i) the Independent Expert provides a report to Sydney Airport (including either the Independent Expert's Report or any update of, or any revision, amendment or supplement to, that report) that concludes that the Schemes are not in the best interests of Sydney Airport Securityholders (other than UniSuper);
 - (ii) Sydney Airport has received a Superior Proposal; or
 - (iii) the change, withdrawal, modification or qualification occurs because of a requirement by a court or Government Agency of competent jurisdiction that one or more Sydney Airport Board Members abstain or withdraw from making a recommendation that Sydney Airport Securityholders vote in favour of the Schemes after the date of this deed or as otherwise contemplated in the Disclosure Letter.
- (d) For the purposes of clause 5.5(c), customary qualifications and explanations contained in the Scheme Booklet and any public announcements in relation to a recommendation to vote in favour of the Schemes to the effect that the recommendation is made:
- (i) in the absence of a Superior Proposal;
 - (ii) in respect of any public announcement issued before the issue of the Scheme Booklet, 'subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Schemes are in the best interests of Sydney Airport Securityholders (other than UniSuper)'; and
 - (iii) in respect of the Scheme Booklet and any public announcements issued at the time of or after the issue of the Scheme Booklet, 'subject to the Independent Expert continuing to conclude that the Schemes are in the best interests of Sydney Airport Securityholders (other than UniSuper)',
- will not be regarded as a failure to make, or a change, withdrawal, modification or qualification of, a recommendation in favour of the Schemes.
- (e) Notwithstanding anything else in this clause 5.5 or elsewhere in this deed, the parties acknowledge and agree that:
- (i) the Sydney Airport Board Members may, in their sole and absolute discretion, make no recommendation at all in relation to whether UniSuper should vote in favour of the Schemes; and
 - (ii) the Sydney Airport Board Members will not have failed to comply with this clause 5.5 (or any other provision of this deed) where they do not make a recommendation as contemplated under clause 5.5(e)(i) above.

5.6 Independent Expert's conclusion

Without limiting the operation of clause 11 or the preceding provisions of this clause 5, if Sydney Airport receives or expects to receive an unfavourable report from the Independent Expert (including either the Independent Expert's Report or any update of, or any revision, amendment or supplement to, that report) which may lead to any one or more members of the Sydney Airport Board adversely changing, withdrawing, adversely modifying or adversely qualifying their recommendation to vote in favour of the Schemes, then:

- (a) Sydney Airport must promptly notify the Bidder of this fact (and in any event no later than the Business Day after becoming aware of this fact); and
- (b) Sydney Airport and the Bidder must consult in good faith for two Business Days after the date on which notice under clause 5.6(a) is given to consider and determine whether there are any steps that can be taken to avoid such a change, withdrawal, modification or qualification (as applicable).

5.7 Conduct of Court proceedings

- (a) Sydney Airport and the Bidder are entitled to separate representation at all Court proceedings affecting the Transaction.
- (b) This deed does not give Sydney Airport or the Bidder any right or power to give undertakings to the Court for or on behalf of the other party without that party's written consent.
- (c) Sydney Airport and the Bidder must give all undertakings to the Court in all Court proceedings which are reasonably required to obtain Court approval and confirmation of the Transaction as contemplated by this deed.
- (d) Each party must vigorously defend, or cause to be vigorously defended, any lawsuits or other legal proceeding brought against it or any of its Controlled Entities challenging the Transaction. Neither party will settle or compromise (or permit any of its Controlled Entities to do so) any claim which would have the effect of amending the terms of the Schemes or limiting a party's obligations in respect of the Schemes.

5.8 Scheme Booklet content and responsibility statements

- (a) The Scheme Booklet will contain a responsibility statement to the effect that:
 - (i) the Bidder is responsible for the Bidder Information contained in the Scheme Booklet; and
 - (ii) Sydney Airport is responsible for the Sydney Airport Information contained in the Scheme Booklet.
- (b) If after a reasonable period of consultation, Sydney Airport and the Bidder are unable to agree on the form or content of the Scheme Booklet:
 - (i) where the determination relates to Bidder Information, the Bidder will make the final determination as to the form and content of the Bidder Information; and
 - (ii) in any other case, Sydney Airport will make the final determination as to the form and content of the Scheme Booklet, acting reasonably, provided that, if the Bidder disagrees with such final form and content, Sydney Airport must include a statement to that effect in the Scheme Booklet.

5.9 Third party consents

As soon as practicable after the date of this deed, Sydney Airport and the Bidder must seek to identify any change of control provisions, termination rights or similar clauses in any material contract, agreement, arrangement or commitment to which any one or more Sydney Airport Group Member is a party that may be triggered or exercised by the Schemes or implementation of the Transaction. In respect of those contracts:

- (a) Sydney Airport and the Bidder must, each acting reasonably, agree a proposed course of action and then Sydney Airport must initiate contact with the relevant counterparties to request that they provide any consents or confirmations required or appropriate. No Consortium Group Member or any Related Person of any Consortium Group Member

may contact any counterparties without Sydney Airport or without Sydney Airport's prior written consent (which is not to be unreasonably withheld, conditioned or delayed);

- (b) Sydney Airport must cooperate with, and provide all reasonable assistance to, the Bidder to obtain such consents or confirmations as expeditiously as possible, including by promptly providing any information reasonably required by counterparties (but nothing in this clause 5.9 requires Sydney Airport or the Bidder to incur material expense). A failure by a Sydney Airport Group Member to obtain any required consents or confirmations, or the exercise of a termination right by the relevant counterparty, will not in and of itself constitute a breach of this deed by Sydney Airport and, together with any consequences that arise, will be disregarded when assessing the operation of any other provision of this deed; and
- (c) the Bidder must use all reasonable endeavours to comply with any requirements of the counterparties that are required under the relevant agreements to be complied with by an assignee, transferee or new controller of Sydney Airport or the other relevant Sydney Airport Group Member.

For the avoidance of doubt, nothing in this clause 6.1(c) restricts Sydney Airport from approving, implementing or amending the SYD 2022 Budget; and
- (d) use all reasonable endeavours, and do all things within its power to procure that each other Sydney Airport Group Member uses all reasonable endeavours, to:

- (f) to reasonably and prudently respond to an emergency or disaster (including a situation giving rise to a risk of personal injury or damage to property, or a disease epidemic or pandemic, including the outbreak, escalation or any impact of, or recovery from, the Coronavirus), provided that, to the extent reasonably practicable having regard to the nature of the relevant emergency or disaster, Sydney Airport has consulted with the Bidder in good faith in respect of the proposal to take such action or not take such action (as applicable) and considers any reasonable comments or requests of the Bidder in relation to such proposal in good faith;
- (g) in the case of clause 6.1(a), to reasonably and prudently respond to changes in regulatory or legislative changes, provided to the extent practicable Sydney Airport has consulted with the Bidder before undertaking such actions; or

6.3 Access to people and information

Subject to clause 6.4, between the date of this deed and the Implementation Date, Sydney Airport must, and must do all things in its power to procure that each of the Sydney Airport Group Members respond to reasonable requests from the Bidder and its representatives for information concerning the Sydney Airport Group (as soon as reasonably practicable after such requests are made) and afford to the Bidder reasonable access to information (subject to any existing confidentiality obligations owed to third parties or any other applicable legal or contractual requirement), its premises, directors and officers of the Sydney Airport Group Members and such senior executives of Sydney Airport as reasonably requested by the Bidder at mutually convenient times for the sole purposes of:

- (a) the Bidder developing plans for Sydney Airport's operations following implementation of the Schemes, including the replacement of directors and officers of the Sydney Airport Group Members;
- (b) subject to the limitations in clause 6.5(a), the Bidder developing a financing and hedging strategy for the financing of Sydney Airport's business and operations following implementation of the Schemes;

- (d) any other purpose agreed between the parties.

6.4 Exceptions and qualifications

- (a) Nothing in clause 6.1 or clause 6.3 will require Sydney Airport to provide, or procure the provision of, information:
 - (i) concerning Sydney Airport's directors' and management's consideration of the Schemes;
 - (ii) concerning any actual, proposed or potential Competing Proposal (including directors' and management's consideration of any actual, proposed or potential Competing Proposal) provided that nothing in this clause 6.4 limits the obligations of Sydney Airport in clause 11; or
 - (iii) which may, in the opinion of Sydney Airport acting reasonably, cause any Sydney Airport Group Member to be in breach of any applicable Law or the terms of the Competition Protocol (as that term is defined in the Confidentiality Deed).

- (e) Sydney Airport may provide to the Bidder its records at a place other than Sydney Airport's business premises including via the Sydney Airport Data Room.
- (f) The Bidder acknowledges that Sydney Airport may withhold or redact information or documents from the Bidder if and to the extent that disclosure of such information or documents breaches an obligation of confidence owed by a Sydney Airport Group Member to a Third Party as at the date of this deed, or will result in the loss of legal professional privilege in favour of Sydney Airport or any other Sydney Airport Group Member.

6.5 Financing

- (a) Between the date of this deed and the Implementation Date, Sydney Airport must, and must do all things reasonably within its power to cause each other Sydney Airport Group Member and the respective directors, officers, managers, employees, agents and representatives of each Sydney Airport Group Member to, provide reasonable assistance

and cooperation to the Bidder in connection with the Debt Facilities as may be requested with reasonable notice by the Bidder in writing from time to time, provided that such action does not:

- (i) unreasonably interfere with the ongoing business or operations of the Sydney Airport Group;
 - (ii) require any person to provide any information in breach of an obligation of confidentiality to any person (where that person has used reasonable endeavours, having regard to the nature of the information, to obtain any necessary consents to disclose that information), breach any law or otherwise breach any fiduciary or statutory duties, waive legal professional privilege or disclose commercially sensitive information;
 - (iii) require any director of any Sydney Airport Group Member to approve (or be requested to approve) the Debt Facilities; or
 - (iv) require any Sydney Airport Group Member to sign any Debt Facilities documentation or otherwise to incur any liability before the Implementation Date.

 - (iii) ensure that each Tranche (as defined in the Existing Subscription Agreement) (**ESA Tranche**) which corresponds with a Bilateral Facility or Tranche (as defined in the Senior Subscription Agreement) will be cancelled and, if any amounts have been utilised or drawn under an ESA Tranche prior to the Implementation Date, prepayment notices have been given which are effective for a prepayment, on the date on which the Debt Facilities become effective.
- For the purposes of this clause 6.5(b), the Bidder must provide Sydney Airport with at least 3 Business Days' prior written notice of the date that the Debt Facilities are to become effective, it being acknowledged that such date shall not occur prior to the Implementation Date.
- (c) Between the date of this deed and the Implementation Date, Sydney Airport must, and must do all things reasonably within its power to procure that each of the Sydney Airport Group Members does, promptly notify the Bidder for information purposes only:

- (d) Sydney Airport must consult in good faith with the Bidder:
- (i) after the date on which a notice is given under clause 6.5(c)(iv) to consider and determine the steps that can be taken to avoid, remedy or cure (as the case may be) the relevant Existing Debt Financing Default, and use its best endeavours to avoid the occurrence of, or remedy or cure any Existing Debt Financing Default; and
 - (ii) in respect of any Swap Replacement proposed to be entered into by a Sydney Airport Group Member, and effect the Swap Replacement taking into account the views expressed by the Bidder.

9.2 Public announcements

Subject to clause 9.3, no public announcement or public disclosure of the Transaction or any other transaction the subject of this deed or the Schemes may be made other than in a form approved by each party in writing (acting reasonably), but each party must use all reasonable endeavours to provide such approval as soon as practicable. For the avoidance of doubt, this clause 9.2 does not apply to any announcement or disclosure relating to a Competing Proposal.

9.3 Required disclosure

Where a party is required by applicable law or the Listing Rules to make any announcement or to make any disclosure in connection with the Transaction or any other transaction the subject of this deed or the Schemes, it may do so despite clause 9.2 but must use all reasonable endeavours, to the extent practicable and lawful, to consult with the other party before making the relevant disclosure.

10 Confidentiality

Sydney Airport and the Bidder acknowledge and agree that Sydney Airport and the Consortium Members continue to be bound by the Confidentiality Deed after the date of this deed. The rights and obligations of the parties under the Confidentiality Deed survive termination of this deed.

11 Exclusivity

11.1 No current discussions regarding a Competing Proposal

Sydney Airport represents and warrants that, as at the time of execution of this deed, it is not in any negotiations or discussions, and has ceased any negotiations or discussions, in respect of any Competing Proposal with any person.

11.2 No shop and no talk

During the Exclusivity Period, Sydney Airport must not, and must ensure that each of its Representatives does not, directly or indirectly:

- (a) **(no shop)**
 - (i) solicit, invite, encourage or initiate (including by the provision of non-public information to any Third Party) any actual, proposed or potential Competing Proposal (or any approach, discussion or inquiry which could reasonably be expected to lead to the same); or
 - (ii) communicate to any person an intention to do anything referred to in clause 11.2(a)(i);
- (b) **(no talk)** subject to clause 11.3:
 - (i) facilitate, participate in or continue any negotiations or discussions with any person with respect to any actual, proposed or potential Competing Proposal;
 - (ii) negotiate, accept or enter into, or offer or agree to negotiate, accept or enter into, any agreement, arrangement or understanding regarding any actual, proposed or potential Competing Proposal; or
 - (iii) communicate to any person an intention to do anything referred to in clauses 11.2(b)(i) and 11.2(b)(ii); or
- (c) **(no due diligence)** subject to clause 11.3:
 - (i) disclose or otherwise provide or make available any non-public information about the business or affairs of Sydney Airport or any Sydney Airport Group Member (**Non-public Information**) to a Third Party in connection with, with a view to obtaining, or which would reasonably be expected to encourage or lead to the formulation, development, finalisation, receipt or announcement of any actual, proposed or potential Competing Proposal (including, without limitation, providing such information for the purposes of the conduct of due diligence investigations in respect of Sydney Airport or any Sydney Airport Group Member) whether by that Third Party or another person; or

- (ii) communicate to any person an intention to do anything referred to in clause 11.2(c)(i).

11.3 Limitation to no talk and no due diligence access

Clauses 11.2(b) and 11.2(c) do not prohibit or restrict any action or inaction by Sydney Airport or any of its Representatives in relation to a bona fide actual, proposed or potential Competing Proposal if either Sydney Airport Board acting in good faith, has determined:

- (a) after consultation with its Financial Advisers and external legal advisers, that such Competing Proposal is, or may reasonably be expected to lead to a Superior Proposal; and
- (b) after receiving written legal advice from its external legal advisers, that compliance with those clauses would, or would be reasonably likely to, constitute a breach of any of the fiduciary or statutory duties of the relevant directors of Sydney Airport,

provided that the actual, proposed or potential Competing Proposal was not brought about by a breach of clause 11.2 or clause 11.4.

11.4 Notification by Sydney Airport

During the Exclusivity Period, Sydney Airport must as soon as reasonably practicable (and in any event within 24 hours) notify the Bidder in writing if it, or any of its Representatives:

- (a) has received (whether written or otherwise or whether formal or informal) any actual, proposed or potential Competing Proposal, or any approach or inquiry which could reasonably be expected to lead to any actual, proposed or potential Competing Proposal; or
- (b) any request made by a Third Party for, or provision to a Third Party of, any Non-public Information (where such request is, to the knowledge of the Sydney Airport Board, in connection with such Third Party formulating, developing or finalising, or assisting in the formation, development or finalisation of, any actual, proposed or potential Competing Proposal),

whether direct or indirect, solicited or unsolicited, and in writing or otherwise (each, a **Notifiable Proposal**).

Such notice must include all material terms and conditions of the Notifiable Proposal (including, price, form of consideration, proposed deal protection provisions, any break or reimbursement fee, proposed timing, conditions precedent and the identity of the Third Party that made, together with any Third Party stated to be involved in, the Notifiable Proposal) to the extent known by Sydney Airport and its Representatives.

11.5 Bidder matching right

- (a) During the Exclusivity Period, Sydney Airport must not, and must procure that each Sydney Airport Group Member does not, enter into any definitive agreement pursuant to which Sydney Airport or another Sydney Airport Group Member agrees to undertake or implement or otherwise give effect to an actual, proposed or potential Competing Proposal (and, for the avoidance of doubt, this does not include Sydney Airport entering into a confidentiality agreement or like agreement in relation to an actual, proposed or potential Competing Proposal that only provides for the provision of information, conduct of due diligence and other matters commonly found in a confidentiality agreement), and must procure that none of its directors: (1) withdraws or adversely changes, modifies or qualifies their support of the Schemes or their recommendation that Sydney Airport Securityholders (other than UniSuper) vote in favour of the Schemes; or (2) supports or

endorses a Competing Proposal or recommends that Sydney Airport Securityholders accept or vote in favour of a Competing Proposal, unless:

- (i) either Sydney Airport Board acting in good faith and in order to satisfy what the Sydney Airport Board consider to be its statutory or fiduciary duties (having received written legal advice from its external legal advisers) determines that the actual, proposed or potential Competing Proposal is, would be or would be reasonably likely to be, a Superior Proposal;
 - (ii) Sydney Airport has provided the Bidder with the material details of the actual, proposed or potential Competing Proposal, which will include the information referred to in clause 11.4;
 - (iii) Sydney Airport has given the Bidder at least five Business Days after the date of the provision of the information referred to in clause 11.5(a)(ii) to provide a matching or superior proposal (which may include amendments to the terms of the Schemes) to the terms of the actual, proposed or potential Competing Proposal (**Counterproposal**); and
 - (iv) the Bidder has not provided to Sydney Airport a Counterproposal by the expiry of the 5 Business Day period in clause 11.5(a)(iii).
- (b) If the Bidder provides a Counterproposal to Sydney Airport by the expiry of the 5 Business Day period in clause 11.5(a)(iii), then Sydney Airport must use reasonable endeavours to procure that the Sydney Airport Board considers the Counterproposal and if the Sydney Airport Board determines that the Counterproposal would provide an equivalent or superior outcome for Sydney Airport Securityholders as a whole compared with the Competing Proposal, taking into account all of the terms and conditions of the Counterproposal, then:
- (i) Sydney Airport and the Bidder must use their best endeavours to agree the amendments to this deed, the Schemes and the Deed Poll (as applicable) that are reasonably necessary to give effect to and implement the Counterproposal, in each case as soon as reasonably practicable; and
 - (ii) Sydney Airport must procure that each Sydney Airport Board Member continues to recommend the Transaction (as modified by the Counterproposal) to Sydney Airport Securityholders (other than UniSuper) (other than as expressly permitted by this deed).
- (c) For the purposes of this clause 11.5, each successive material modification of any actual, proposed or potential Competing Proposal will constitute a new actual, proposed or potential Competing Proposal, and the procedures set out in this clause 11.5 must again be followed prior to any Sydney Airport Group Member entering into any definitive agreement of the type referred to in the first paragraph of clause 11.5(a) in respect of such actual, proposed or potential Competing Proposal.
- (d) Despite any other provision in this deed, any public announcement or other statement by Sydney Airport, either Sydney Airport Board or any Sydney Airport Board Member to the effect that:
- (i) the Sydney Airport Board has determined that a Competing Proposal is a Superior Proposal and has commenced the matching right process set out in this clause 11.5; or
 - (ii) Sydney Airport Securityholders should take no action pending the completion of the matching right process set out in this clause 11.5,

does not of itself:

- (iii) constitute a failure to make, or an adverse change, withdrawal, adverse modification or adverse qualification of, a recommendation that Sydney Airport Securityholders (other than UniSuper) vote in favour of the Schemes or an endorsement of a Competing Proposal;
- (iv) contravene clause 5.5 or any other provision of this deed;
- (v) give rise to an obligation to pay the Reimbursement Fee under clause 12; or
- (vi) give rise to a termination right under clause 14 or any other provision of this deed.

11.6 Compliance with law

- (a) If it is finally determined by a court, or the Australian Takeovers Panel (to the extent applicable), that the agreement by the parties under this clause 11 or any part of it:
 - (i) constituted, or constitutes, or would constitute a breach of the fiduciary or statutory duties of either Sydney Airport Board;
 - (ii) constitutes 'unacceptable circumstances'; or
 - (iii) is unlawful,then, to that extent (and only to that extent) Sydney Airport will not be obliged to comply with that provision of this clause 11.
- (b) The parties must not make, or cause or permit to be made, any application to a court or the Australian Takeovers Panel (to the extent applicable) for or in relation to a declaration or determination of a kind referred to in clause 11.6(a).
- (c) This clause 11 does not apply to the extent agreed by the parties in writing in the Disclosure Letter.

11.7 Normal provision of information

Subject to the other provisions of this deed and the Confidentiality Deed, nothing in this clause 11 prevents a party from:

- (a) providing information to its Representatives;
- (b) providing information to any Government Agency;
- (c) providing information to its auditors, customers, financiers, joint venturers and suppliers acting in that capacity in the ordinary course of business;
- (d) providing information required to be provided by law, including to satisfy its obligations of disclosure under the Listing Rules or to any Government Agency;
- (e) making presentations to, and responding to enquiries from, brokers, portfolio investors, analysts, institutional investors and institutional lenders in the ordinary course in relation to its business generally; or
- (f) engaging with Sydney Airport Securityholders (in their capacity as Sydney Airport Securityholders) in the ordinary course and consistent with past practice, in relation to the Sydney Airport Group.

12 Reimbursement Fee

12.1 Background to Reimbursement Fee

- (a) The Bidder and Sydney Airport acknowledge that, if they enter into this deed and the Schemes are subsequently not implemented, the Bidder will incur significant costs, including those set out in clause 12.5.
- (b) In these circumstances, the Bidder has requested that provision be made for the payments outlined in clause 12.2, without which the Bidder would not have entered into this deed or otherwise agreed to implement the Schemes.
- (c) The Sydney Airport Board believes, having taken advice from its external legal advisers and Financial Adviser, that the implementation of the Schemes will provide benefits to Sydney Airport and the Sydney Airport Securityholders (other than UniSuper) and that it is appropriate for Sydney Airport to agree to the payments referred to in clause 12.2 in order to secure the Bidder's participation in the Transaction.

12.2 Reimbursement Fee triggers

Subject to this clause 12, Sydney Airport must pay the Reimbursement Fee to the Bidder if:

- (a) during the Exclusivity Period, any Sydney Airport Board Member fails to recommend the Schemes or makes a public statement:
 - (i) withdrawing, adversely changing, adversely modifying or adversely qualifying their support for the Schemes or their recommendation that Sydney Airport Securityholders vote in favour of the Schemes at the Scheme Meetings;
 - (ii) that they will or may not vote (or procure the voting of) all Sydney Airport Securities held or controlled by them in favour of the Schemes at the Scheme Meetings; or
 - (iii) indicating that they no longer recommend the Transaction or they recommend, support or endorse a Competing Proposal, but excluding a statement that no action should be taken by Sydney Airport Securityholders pending assessment of a Competing Proposal by either Sydney Airport Board or the completion of the matching right process set out in clause 11.5,

in each case provided that the Bidder has terminated this deed in accordance with clause 14, other than in circumstances where:

- (iv) the Independent Expert concludes in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, that report) that the Schemes are not in the best interests of Sydney Airport Securityholders (other than UniSuper) (except in circumstances where the Independent Expert reaches that conclusion as a result of a Competing Proposal);
- (v) the failure to recommend, or the change to or withdrawal of a recommendation to vote in favour of the Schemes occurs either as contemplated in the Disclosure Letter or because of a requirement by a court or Government Agency of competent jurisdiction that one or more Sydney Airport Board Members abstain or withdraw from making a recommendation that Sydney Airport Securityholders vote in favour of the Schemes after the date of this deed; or
- (vi) Sydney Airport is entitled to terminate this deed pursuant to clause 14.1(a) or 14.2(b), and has given the appropriate termination notice to the Bidder,

provided that, for the avoidance of doubt, a statement made by Sydney Airport, either Sydney Airport Board or any Sydney Airport Board Member to the effect that no action should be taken by Sydney Airport Securityholders pending the assessment of a Competing Proposal by either Sydney Airport Board or the completion of the matching right process set out in clause 11.5 will not of itself require Sydney Airport to pay the Reimbursement Fee to the Bidder;

- (b) at any time before the End Date or, if earlier, the date the deed is terminated under clause 14, a Competing Proposal is announced by a Third Party and, within 12 months after that occurring, the Third Party or an Associate of the Third Party has a relevant interest in at least 50% of Sydney Airport Securities under a transaction that is or has become wholly unconditional or otherwise comes to control (within the meaning of section 50AA of the Corporations Act) Sydney Airport or acquires substantially all of the assets of Sydney Airport; or
- (c) the Bidder has terminated this deed pursuant to:
 - (i) clause 14.1(a)(i); or
 - (ii) clause 14.2(a),
 and the Transaction does not complete.

12.3 Payment conditions

- (c) Sydney Airport can only ever be liable to pay the Reimbursement Fee once.

12.4 Payment of Reimbursement Fee

- (a) A demand by the Bidder for payment of the Reimbursement Fee under clause 12.2 must:

 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;

 - (iv) nominate an account in the name of the Bidder into which Sydney Airport is to pay the Reimbursement Fee.
- (b) Sydney Airport must pay the Reimbursement Fee into the account(s) nominated by the Bidder, without set-off or withholding, within 10 Business Days after receiving a demand for payment where the Bidder is entitled under clause 12.2 to the Reimbursement Fee.

12.5 Basis of Reimbursement Fee

The Reimbursement Fee has been calculated to reimburse the Bidder for costs including the following:

- (a) fees for legal, financial and other professional advice in planning and implementing the Transaction (excluding success fees);
- (b) reasonable opportunity costs incurred in engaging in the Transaction or in not engaging in other alternative acquisitions or strategic initiatives;

- (c) costs of management and directors' time in planning and implementing the Transaction; and
- (d) out of pocket expenses incurred by the Bidder and the Bidder's employees, Advisers and agents in planning and implementing the Transaction,

- and Sydney Airport represents and warrants that it has received written legal advice from its legal advisers in relation to the operation of this clause 12.

12.6 Compliance with law

- (a) This clause 12 does not impose an obligation on Sydney Airport to pay the Reimbursement Fee to the extent (and only to the extent) that the obligation to pay the Reimbursement Fee:
 - (i) is declared by the Takeovers Panel to constitute 'unacceptable circumstances'; or
 - (ii) is determined to be unenforceable or unlawful (including by virtue of it being a breach of the fiduciary or statutory duties of the Sydney Airport Board Members) by a court,

and the Bidder will refund to Sydney Airport within 10 Business Days any amount in excess of its obligation under this clause 12.6 that Sydney Airport has already paid to the Bidder when that declaration or determination is made (unless otherwise required by the Takeovers Panel or a court). For the avoidance of doubt, any part of the Reimbursement Fee that would not constitute unacceptable circumstances or that is not unenforceable or unlawful (as applicable) must be paid by Sydney Airport.

- (b) The parties must not make or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 12.6(a).

12.7 Limitation of liability

Notwithstanding any other provision of this deed:

- (a) the maximum aggregate liability of Sydney Airport to the Bidder under or in connection with this deed, including in respect of any breach of this deed, will be the amount of the Reimbursement Fee;
- (b) a payment by Sydney Airport of the Reimbursement Fee in accordance with this clause 12 represents the sole and absolute liability of Sydney Airport to the Bidder under or in connection with this deed and no further damages, fees, expenses or reimbursements of any kind will be payable by Sydney Airport to the Bidder in connection with this deed; and
- (c) the amount of the Reimbursement Fee payable to the Bidder under this clause 12 shall be reduced by the amount of any loss or damage recovered by the Bidder in relation to a breach of any other clause of this deed.

13 Reverse Reimbursement Fee

13.1 Background to Reverse Reimbursement Fee

- (a) The Bidder and Sydney Airport acknowledge that, if they enter into this deed and the Schemes are subsequently not implemented, then Sydney Airport will incur significant costs, including those set out in clause 13.5.
- (b) In these circumstances, Sydney Airport has requested that provision be made for the payments outlined in clause 13.2, without which Sydney Airport would not have entered into this deed or otherwise agreed to implement the Schemes.

13.2 Reverse Reimbursement Fee triggers

Subject to this clause 13, the Bidder must pay the Reverse Reimbursement Fee to Sydney Airport if Sydney Airport has terminated this deed pursuant to:

- (a) clause 14.1(a)(i); or
 - (b) clause 14.2(b),
- and the Transaction does not complete.

13.3 Payment conditions

- (a) Notwithstanding the occurrence of any event under clause 13.2, no amount is payable under that clause if the Transaction completes.
- (b) Notwithstanding the occurrence of an event referred to in clause 13.2, no amount is payable under that clause if, prior to the event occurring the Bidder terminates this deed pursuant to clause 14.1 or clause 14.2.
- (c) The Bidder can only ever be liable to pay the Reverse Reimbursement Fee once.

13.4 Payment of Reverse Reimbursement Fee

 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account in the name of Sydney Airport into which the Bidder is to pay the Reverse Reimbursement Fee.

13.5 Basis of Reverse Reimbursement Fee

The Reverse Reimbursement Fee has been calculated to reimburse Sydney Airport for costs including the following:

- (a) fees for legal, financial and other professional advice in planning and implementing the Transaction (excluding success fees);
- (b) reasonable opportunity or deferral costs incurred in engaging in the Transaction in priority to other strategic alternatives;

- (c) costs of management and directors' time in planning and implementing the Transaction; and

and the Bidder represents and warrants that it has received written legal advice from its legal advisers in relation to the operation of this clause 13.

13.6 Compliance with law

- (a) This clause 13 does not impose an obligation on the Bidder to pay the Reverse Reimbursement Fee to the extent (and only to the extent) that the obligation to pay the Reverse Reimbursement Fee:
 - (i) is declared by the Takeovers Panel to constitute 'unacceptable circumstances'; or
 - (ii) is determined to be unenforceable or unlawful (including by virtue of it being a breach of the fiduciary or statutory duties of any directors of the Bidder) by a court,

and Sydney Airport will refund to the Bidder within 10 Business Days any amount in excess of its obligation under this clause 13.6 that the Bidder has already paid to Sydney Airport when that declaration or determination is made (unless otherwise required by the Takeovers Panel or a court). For the avoidance of doubt, any part of the Reverse Reimbursement Fee that would not constitute unacceptable circumstances or that is not unenforceable or unlawful (as applicable) must be paid by the Bidder.

- (b) The parties must not make or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 13.6(a).

13.7 Limitation of liability

14 Termination

14.1 Termination

- (a) Either party may terminate this deed by written notice to the other party:
 - (i) other than in respect of a breach of either a Bidder Representation and Warranty or a Sydney Airport Representation and Warranty (which are dealt with in clause 14.2), at any time before 8.00am on the Second Court Date, if the other party has breached this deed and such breach is material in the context of the Transaction as a whole, the party entitled to terminate has given written notice to the party in breach of this deed setting out the relevant circumstances and stating an intention to terminate this deed, and the other party has failed to remedy the breach within 5 Business Days (or any shorter period ending immediately before 8.00am on the Second Court Date) after the date on which the notice is given;

Competing Proposal by either Sydney Airport Board or the completion of the matching right process set out in clause 11.5).

- (c) Sydney Airport may terminate this deed by written notice to the Bidder at any time before 8.00am on the Second Court Date if a majority of either of the Sydney Airport Boards has changed, withdrawn, modified or qualified its recommendation as permitted under clause 5.5 and, if required to do so under clause 12, Sydney Airport has paid the Reimbursement Fee to the Bidder in accordance with clause 12.

14.2 Termination for breach of representations and warranties

- (a) The Bidder may, at any time before 8.00am on the Second Court Date, terminate this deed for material breach of a Sydney Airport Representation and Warranty only if:
 - (i) the Bidder has given written notice to Sydney Airport setting out the relevant circumstances and stating an intention to terminate or to allow the Schemes to lapse;
 - (ii) the relevant breach continues to exist 5 Business Days (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) after the date on which the notice is given under clause 14.2(a)(i); and

14.3 Termination by written agreement

The parties may terminate this deed by another written agreement between them.

14.4 Effect of termination

If this deed is terminated by either party under clauses 14.1 or 14.2:

- (a) each party will be released from its obligations under this deed, except that this clause 14.4, and clauses 1, 7.6 to 7.10, 8.1, 8.2, 10, 12, 13, 15, 16, 17, 18 and 19 (except clause 19.9), will survive termination and remain in force;
- (b) each party will retain the rights it has or may have against the other party in respect of any past breach of this deed; and
- (c) in all other respects, all future obligations of the parties under this deed will immediately terminate and be of no further force and effect, including any further obligations in respect of the Schemes.

14.5 Notice of termination

Where a party has a right to terminate this deed, that right for all purposes will be validly exercised if the party delivers a notice in writing to the other party stating that it terminates this deed and the provision under which it is terminating this deed.

14.6 No other termination

Neither party may terminate or rescind this deed except as permitted under clauses 3.7, 14.1, 14.2 or 14.3.

15 TTCSAL Limitation of Liability

- (a) TTCSAL enters into this deed only in its capacity as responsible entity of SAT1 and in no other capacity. A liability arising under or in connection with this deed is limited to and can be enforced against TTCSAL only to the extent to which it can be satisfied out of property of SAT1 out of which TTCSAL is actually indemnified for the liability. This limitation of TTCSAL's liability applies despite any other provision of this deed and extends to all liabilities and obligations of TTCSAL in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this deed.
- (b) The parties other than TTCSAL may not sue TTCSAL in any capacity other than as responsible entity of SAT1, including seeking the appointment of a receiver (except in relation to property of SAT1), a liquidator, an administrator or any similar person to the responsible entity or prove in any liquidation, administration or arrangement of or affecting TTCSAL (except in relation to property of SAT1).
- (c) The provisions of this clause 15 shall, subject to clause 15(d), not apply to any obligation or liability of TTCSAL to the extent that it is not satisfied because under the SAT1 Trust Constitution or by operation of law there is a reduction in the extent of TTCSAL's indemnification out of the assets of SAT1, as a result of TTCSAL's failure to properly perform its duties as responsible entity. For these purposes, it is agreed that TTCSAL cannot be regarded as having failed to properly perform its duties as responsible entity to the extent to which any failure by TTCSAL to satisfy its obligations or breach of representation or warranty under this deed has been caused by a failure by any other party to fulfil its obligations under this deed.
- (d) Nothing in clause 15(c) shall make TTCSAL liable to any claim for an amount greater than the amount which the other parties would have been able to claim and recover from the assets of SAT1 in relation to the relevant liability if TTCSAL's right of indemnification out of the assets of SAT1 has not been prejudiced by TTCSAL's failure to properly perform its duties.
- (e) TTCSAL is not obliged to do or refrain from doing anything under this deed (including incurring any liability) unless TTCSAL's liability is limited in the same manner as set out in clauses 15(a) to 15(d) above.

16 Duty, Costs and Expenses**16.1 Stamp duty**

The Bidder:

- (a) must pay all stamp duties and any fines and penalties with respect to stamp duty in respect of this deed or the Schemes or the steps to be taken under this deed or the Schemes; and
- (b) indemnifies Sydney Airport against any liability arising from its failure to comply with clause 16.1(a).

16.2 Costs and expenses

Except as otherwise provided in this deed, each party must pay its own costs and expenses in connection with the negotiation, preparation, execution, delivery and performance of this deed and the proposed, attempted or actual implementation of this deed and the Transaction.

17 GST

17.1 Recovery of GST

If GST is or becomes payable, or notionally payable, on a supply made under or in connection with this deed, the party providing the consideration for that supply must pay as additional consideration an amount equal to the amount of GST payable, or notionally payable, on that supply (the **GST Amount**) as calculated by the party making the supply (the **Supplier**) in accordance with the GST Law. Subject to the prior receipt of a tax invoice, the GST Amount is payable at the same time and in the same manner that the other consideration for the supply is provided. This clause 17 does not apply to the extent that the consideration for the supply is expressly stated to be GST inclusive or the supply is subject to reverse charge.

17.2 Liability net of GST

Notwithstanding any other provision in this deed, where any indemnity, reimbursement or similar payment under this deed is based on any cost, expense or other liability incurred by a party, it may be reduced by any input tax credit entitlement, or notional input tax credit entitlement, of that party (or its representative member) in relation to the relevant cost, expense or other liability.

17.3 Adjustment events

If an adjustment event occurs in relation to a supply under or in connection with this deed, the GST Amount will be recalculated in accordance with the GST law to reflect that adjustment and an appropriate payment will be made between the parties and the Supplier shall issue an adjustment note to the recipient within 10 Business Days after becoming aware of the occurrence of the adjustment event.

17.4 Survival

This clause 17 will continue to apply after expiration or termination of this deed.

17.5 Definitions

Unless the context requires otherwise, words used in this clause 17 that have a specific meaning in the GST law (as defined in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth)) have the same meaning in this clause 17.

19.2 Governing law and jurisdiction

This deed is governed by the laws of New South Wales. In relation to it and related non-contractual matters each party irrevocably submits to the non-exclusive jurisdiction of courts with jurisdiction there, and waives any right to object to the venue on any ground.

19.3 No merger

The rights and obligations of the parties will not merge on the completion of any transaction contemplated by this deed. They will survive the execution and delivery of any assignment or other document entered into for the purpose of implementing a transaction.

19.4 Severability of provisions

Any provision of this deed that is prohibited or unenforceable in any jurisdiction is ineffective as to that jurisdiction to the extent of the prohibition or unenforceability. That does not invalidate the remaining provisions of this deed nor affect the validity or enforceability of that provision in any other jurisdiction.

19.5 No waiver

A failure to exercise or a delay in exercising any right, power or remedy under this deed does not operate as a waiver. A single or partial exercise or waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the party granting that waiver unless made in writing.

19.6 Assignment

- (a) Subject to clause 19.6(b), a party cannot assign, charge, encumber or otherwise deal with at law or in equity any of its rights or obligations under this deed, or attempt or purport to do so, without the prior consent of the other party.
- (b) Nothing in this deed prevents or prohibits QSuper Board (ABN 32 125 059 006) from retiring as trustee of QSuper and Sunsuper Pty Ltd (ABN 88 503 137 921) (**SPL**) from being appointed as trustee of QSuper (or of a merged fund resulting from a successor fund transfer of Sunsuper Superannuation Fund (**SSF**) in accordance with the *Superannuation Industry (Supervision Act) 1993* (Cth) whereby the members and assets of SSF are transferred to QSuper (**Merged Fund**)) in its place. It will not be a breach of this deed for such retirement and appointment to occur nor for any assets held by a custodian of SSF's assets to hold those assets for SPL as trustee of the Merged Fund (all steps in this clause 19.6(b) collectively known as the **Fund Merger**). Furthermore, the parties acknowledge QSuper Board and SPL are entitled to effect the Fund Merger without the consent of any party to this deed and to the extent any such consent is necessary or desirable for the purposes of effecting the Fund Merger, it is deemed to have been given.

19.7 Acknowledgement

Each party acknowledges that the remedy of damages may be inadequate to protect the interests of the parties for a breach of this deed and that either party is entitled to seek and obtain, without limitation, injunctive relief or specific performance if either party breaches, or threatens to breach this deed.

This deed shall be binding on and inure solely to the benefit of each party to it and each of their respective permitted successors and assigns, and nothing in this deed is intended to or shall confer on any other person, other than the Consortium Indemnified Parties and the Sydney Airport Indemnified Parties, in each case to the extent set forth in clause 7 and clause 8, any third party beneficiary rights.

19.10 Entire agreement

This deed (including the documents in the Attachments to it), the Confidentiality Deed, the Disclosure Letter, the Bidder Disclosure Letter and any other document specified by the parties for the purposes of this clause 19.10 contain the entire agreement between the parties with respect to their subject matter. This deed (including the documents in the Attachments to it), the Confidentiality Deed and any other documents specified by the parties for the purposes of this clause 19.10 set out the only conduct relied on by the parties and supersede all earlier conduct and prior agreements and understandings between the parties in connection with their subject matter.

19.14 Withholding

- (a) If the Bidder is required by Subdivision 14-D of Schedule 1 of the *Taxation Administration Act 1953* (Cth) (**Subdivision 14-D**) to pay amounts to the Commissioner of Taxation in respect of the acquisition of Sydney Airport Securities from certain Scheme Securityholders, the Bidder is permitted to deduct the relevant amounts from the payment of the Scheme Consideration to those Scheme Securityholders, and remit such amounts to the Commissioner of Taxation. The aggregate sum payable to Scheme Securityholders shall not be increased to reflect the deduction and the net aggregate sum payable to those Scheme Securityholders shall be taken to be in full and final satisfaction of the amounts owing to those Scheme Securityholders.
- (b) Sydney Airport agrees that the Bidder may approach the ATO to obtain clarification as to the application of Subdivision 14-D to the Transaction and will provide all information and assistance that the Bidder reasonably requires in making that approach. The Bidder agrees:

- (c) The Trust Scheme is intended to, in a manner consistent with the Company Scheme, result in the transfer of the Scheme Securities to Bidder in return for the Scheme Consideration being received by the Scheme Securityholders. If there is any inconsistency between the Trust Scheme and the Company Scheme, the RE is authorised to take, and must take any steps required to implement the Schemes in a manner which is consistent with the Company Scheme.

- (b) If the Trust Scheme becomes Effective, a holder of Scheme Securities (and any person claiming through that holder) must not dispose of, or purport or agree to dispose of, any Scheme Securities or any interest in them after the Scheme Record Date (except a transfer to the Bidder pursuant to the Schemes or any subsequent transfer by the Bidder or its successors in title) and any attempt to do so will have no effect and the RE shall be entitled to disregard any such disposal.
- (c) The RE will, until the Scheme Consideration has been provided and the name and address of the Bidder has been entered into the Sydney Airport Security Register as the holder of all Scheme Securities, maintain, or procure the maintenance of, the Sydney Airport Security Register in accordance with the provisions of this clause 3.2 of this Schedule 1, and the Sydney Airport Security Register in this form and the terms of the Trust Scheme will solely determine entitlements to the Scheme Consideration.
- (d) All statements of holding for Sydney Airport Securities will cease to have effect after the Scheme Record Date as documents of title in respect of those Sydney Airport Securities and, as from that date and time, each entry current at that date on the Sydney Airport Security Register (other than any entries on the Sydney Airport Security Register in respect of the Bidder) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Sydney Airport Securities relating to that entry.
- (e) As soon as possible on or after the Scheme Record Date, and in any event by 5.00pm on the first Business Day after the Scheme Record Date, the RE will ensure that details of the names, Registered Addresses and holdings of Sydney Airport Securities for each Scheme Securityholder as shown in the Sydney Airport Security Register are available to the Bidder in the form the Bidder reasonably requires.

- (b) The obligations of the RE under clause 4.3(a) of this Schedule 1 will be satisfied by the RE (in its absolute discretion and despite any election referred to in clause 4.3(b)(i) below or authority referred to in clause 4.3(b)(ii) below made or given by the Scheme Securityholder):
- (i) where a Scheme Securityholder has, before the Scheme Record Date, made a valid election in accordance with the requirements of the Sydney Airport Registry to receive distribution payments from the RE by electronic funds transfer to a bank account nominated by the Scheme Securityholder, paying, or procuring the payment of, the relevant amount in Australian currency by electronic means in accordance with that election;

 - (iii) dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian currency to the Scheme Securityholder by prepaid post to their Registered Address (as at the Scheme Record Date), such cheque being drawn in the name of the Scheme Securityholder (or in the case of joint holders, in accordance with the procedures set out in clause 4.7 of this Schedule 1).
- (c) If the Bidder is required by Subdivision 14-D of Schedule 1 of the *Taxation Administration Act 1953* (Cth) to pay amounts to the Commissioner of Taxation in respect of the acquisition of Scheme Securities from certain Scheme Securityholders, then the Bidder is permitted to deduct the relevant amounts from the payment of the Scheme Consideration to those Scheme Securityholders and remit such amounts to the Commissioner of Taxation. The aggregate sum payable to Scheme Securityholders shall not be increased to reflect the deduction and the net aggregate sum payable to those Scheme Securityholders shall be taken to be in full and final satisfaction of the amounts owing to those Scheme Securityholders. The Bidder must pay any amount so withheld to the Commissioner of Taxation within the time permitted by law, and, if requested in writing by the relevant Scheme Securityholder, provide a receipt or other appropriate evidence of

such payment (or procure the provision of such receipt or other evidence) to the relevant Scheme Securityholder.

- (d) If, following satisfaction of the Bidder's obligations under clause 4.2 of this Schedule 1 but prior to the occurrence of all of the events described in clause 5, the Trust Scheme lapses under clause 7.8 of this Schedule 1:
- (i) the RE must immediately repay (or cause to be repaid) to or at the direction of the Bidder the funds that were deposited in the Trust Account plus any interest on the amounts deposited (less bank fees and other charges);
 - (ii) the obligation to transfer Scheme Units, together with all rights and entitlements attaching to the Scheme Units as at the Implementation Date, to the Bidder under clause 5 of this Schedule 1 will immediately cease;
 - (iii) the Bidder must return the Scheme Transfers, if provided pursuant to clause 5 of this Schedule 1; and
 - (iv) the RE is no longer obliged to enter, or procure the entry of, the name of the Bidder in the Sydney Airport Security Register in accordance with clause 5 of this Schedule 1.

 (the **UniSuper Nominee HoldCo Shareholder**); provided that the UniSuper Nominee HoldCo Shareholder only holds the Scheme Consideration as legal and beneficial owner or as trustee for the UniSuper Fund, a UniSuper subsidiary or a subsidiary fund and for no one else.
- (b) In order to be valid, a notice delivered to the Bidder, HoldCo, SAL and the RE under clause 4.5(a) of this Schedule 1 must be in the form of a deed poll duly executed by

UniSuper Security Holder in favour of Bidder, HoldCo, SAL and the RE and must include or be accompanied by:

Subject to the Schemes becoming Effective, HoldCo must, on the Implementation Date, issue the Scheme Consideration in relation to the UniSuper Specified Securities to UniSuper (or the UniSuper Nominee HoldCo Shareholder, if applicable under clause 4.5 of this Schedule 1) under the Schemes on terms such that:

4.9 Fractional entitlements

Where the calculation of the aggregate Scheme Consideration to be provided to a particular Scheme Securityholder would result in the Scheme Securityholder becoming entitled to a fraction of a cent, the fractional entitlement will be rounded down to the nearest whole cent.

4.10 Remaining monies in Trust Account

To the extent that, following satisfaction of the RE's obligations under clause 4.3(a) of this Schedule 1 and provided the Bidder has by that time acquired the Scheme Units in accordance with the Trust Scheme, there is a surplus in the amount held by the RE as trustee for the Scheme Securityholders in the Trust Account, then subject to compliance with applicable laws, the other terms of the Trust Scheme, the Deed Poll and the Scheme Implementation Deed, that surplus (less any bank fees and related charges) shall be paid by the RE (or the Sydney Airport Registry on the RE's behalf) to the Bidder.

- (a) If written notice is given to the RE, the Sydney Airport Registry or the Bidder of an order or direction made by a court of competent jurisdiction or by another Government Agency that:
 - (i) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Securities held by a particular Scheme Securityholder, which would otherwise be payable or required to be issued to that Scheme Securityholder by the RE in accordance with this clause 4 of this Schedule 1, then the RE shall be entitled to procure that provision of that consideration is made in accordance with that order or direction; or
 - (ii) prevents the RE from providing consideration to any particular Scheme Securityholder or third party in accordance with this clause 4 of this Schedule 1,

or the payment or issuance of such consideration is otherwise prohibited by applicable law, the RE shall be entitled to (as applicable):

- (A) retain an amount, in Australian dollars, equal to the number of Scheme Securities held by that Scheme Securityholder multiplied by the Scheme Consideration; or
- (B) direct HoldCo not to issue, or to issue to a trustee or nominee, such Scheme Consideration as that Scheme Securityholder or third party would otherwise be entitled to under clause 4.4 of this Schedule 1,

until such time as the provision of Scheme Consideration in accordance with this clause 4 of this Schedule 1 is permitted by that (or another) court or direction or otherwise by law.

- (b) To the extent that amounts are so deducted or withheld in accordance with clause 4.12(a) of this Schedule 1, such deducted or withheld amounts will be treated for all purposes under the Trust Scheme as having been paid to the person in respect of which such deduction and withholding was made, provided that such deducted or withheld amounts are actually remitted as required.

 - (i) the RE delivering to the Bidder for execution a duly completed Scheme Transfer, executed on behalf of the Scheme Securityholders by the RE (or any of its directors and officers) for registration;
 - (ii) the Bidder duly executing the Scheme Transfer as transferee, attending to the stamping of the Scheme Transfer (if required) and delivering it to the RE for registration; and
 - (iii) the RE, immediately after receipt of the Scheme Transfer in accordance with clause 5(a)(ii) of this Schedule 1, but subject to the stamping of the Scheme Transfers (if required), or the transfer being effected under section 1074D of the Corporations Act (as the case may be), entering, or procuring the entry of, the name and address of the Bidder in the Sydney Airport Security Register as the holder of all of the Scheme Units transferred to the Bidder in accordance with the Trust Scheme.
- (b) The transfer of all of the Scheme Units to the Bidder in accordance with clause 5(a) of this Schedule 1 must occur simultaneously with the transfer to the Bidder of all of the other Scheme Securities under the Company Scheme.

 - (ii) take any action that would cause UniSuper to cease to be the beneficial owner of any of the UniSuper Specified Securities,

(except a transfer to the Bidder pursuant to the Schemes or any subsequent transfer by the Bidder or its successors in title) and any attempt to do so will have no effect and the RE must disregard any such disposal;

- (c) SAL will, until the Scheme Consideration has been provided and the name and address of the Bidder has been entered into the Sydney Airport Security Register as the holder of all Scheme Securities, maintain, or procure the maintenance of, the Sydney Airport Security Register in accordance with the provisions of this clause 5.2, and the Sydney Airport Security Register in this form and the terms of this Company Scheme will solely determine entitlements to the Scheme Consideration.
- (d) All statements of holding for Sydney Airport Securities will cease to have effect after the Scheme Record Date as documents of title in respect of those Sydney Airport Securities and, as from that date and time, each entry current at that date on the Sydney Airport Security Register (other than any entries on the Sydney Airport Security Register in respect of the Bidder) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Sydney Airport Securities relating to that entry.
- (e) As soon as possible on or after the Scheme Record Date, and in any event by 5.00pm on the first Business Day after the Scheme Record Date, SAL will ensure that details of the names, Registered Addresses and holdings of Sydney Airport Securities for each Scheme Securityholder as shown in the Sydney Airport Security Register are available to the Bidder in the form the Bidder reasonably requires.

Scheme Consideration payable to all Scheme Securityholders (other than the UniSuper Security Holder in relation to the UniSuper Specified Securities) into the Trust Account (provided that any interest on the amounts deposited (less bank fees and other charges) will be to the Bidder's account).

6.3 Provision of Scheme Consideration

- (a) On the Implementation Date, subject to funds having been deposited in accordance with clause 6.2, SAL must pay or procure the payment of that Scheme Consideration from the Trust Account, to each Scheme Securityholder (other than the UniSuper Security Holder in relation to the UniSuper Specified Securities) as that Scheme Securityholder is entitled under clause 6.1.
- (b) The obligations of SAL under clause 6.3(a) will be satisfied by SAL (in its absolute discretion and despite any election referred to in clause 6.3(b)(i) below or authority referred to in clause 6.3(b)(ii) below made or given by the Scheme Securityholder):
 - (i) where a Scheme Securityholder has, before the Scheme Record Date, made a valid election in accordance with the requirements of the Sydney Airport Registry to receive distribution payments from SAL by electronic funds transfer to a bank account nominated by the Scheme Securityholder, paying, or procuring the payment of, the relevant amount in Australian currency by electronic means in accordance with that election;
 - (ii) paying, or procuring the payment of, the relevant amount in Australian currency by electronic means to a bank account nominated by the Scheme Securityholder by an appropriate authority from the Scheme Securityholder to SAL; or
 - (iii) dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian currency to the Scheme Securityholder by prepaid post to their Registered Address (as at the Scheme Record Date), such cheque being drawn in the name of the Scheme Securityholder (or in the case of joint holders, in accordance with the procedures set out in clause 6.7).
- (c) If the Bidder is required by Subdivision 14-D of Schedule 1 of the *Taxation Administration Act 1953* (Cth) to pay amounts to the Commissioner of Taxation in respect of the acquisition of Scheme Securities from certain Scheme Securityholders, then the Bidder is permitted to deduct the relevant amounts from the payment of the Scheme Consideration to those Scheme Securityholders and remit such amounts to the Commissioner of Taxation. The aggregate sum payable to Scheme Securityholders shall not be increased to reflect the deduction and the net aggregate sum payable to those Scheme Securityholders shall be taken to be in full and final satisfaction of the amounts owing to those Scheme Securityholders. The Bidder must pay any amount so withheld to the Commissioner of Taxation within the time permitted by law, and, if requested in writing by the relevant Scheme Securityholder, provide a receipt or other appropriate evidence of such payment (or procure the provision of such receipt or other evidence) to the relevant Scheme Securityholder.
- (d) If, following satisfaction of the Bidder's obligations under clause 6.2 but prior to the occurrence of all of the events described in clause 7 this Company Scheme lapses under clause 3.3 or clause 3.4:
 - (i) SAL must immediately repay (or cause to be repaid) to or at the direction of the Bidder the funds that were deposited in the Trust Account plus any interest on the amounts deposited (less bank fees and other charges);

- (ii) the obligation to transfer Scheme Shares, together with all rights and entitlements attaching to the Scheme Shares as at the Implementation Date, to the Bidder under clause 7 will immediately cease;

- (a) If written notice is given to SAL, the Sydney Airport Registry or the Bidder of an order or direction made by a court of competent jurisdiction or by another Government Agency that:
 - (i) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Securities held by a particular Scheme Securityholder, which would otherwise be payable or required to be issued to that Scheme Securityholder by SAL in accordance with this clause 6, then SAL shall be entitled to procure that provision of that consideration is made in accordance with that order or direction; or
 - (ii) prevents SAL from providing consideration to any particular Scheme Securityholder or third party in accordance with this clause 6, or the payment or issuance of such consideration is otherwise prohibited by applicable law, SAL shall be entitled to (as applicable):

Recitals

- A Sydney Airport and the Bidder have entered into a Scheme Implementation Deed dated [] November 2021 (the **Scheme Implementation Deed**).
- B In the Scheme Implementation Deed, Bidder agreed to make this Deed Poll
- C Each of Bidder and HoldCo are entering into this Deed Poll for the purpose of covenanting in favour of the Scheme Securityholders that they will perform the obligations contemplated of them under the Scheme Implementation Deed and the Schemes.

It is agreed as follows.

1 Definitions and interpretation

1.1 Definitions

The following definitions apply unless the context requires otherwise:

- (a) **First Court Date** means the first day on which an application made to the Court for an order under subsection 411(1) of the Corporations Act convening the Company Scheme Meeting and to seek the First Judicial Advice is heard or, if the application is adjourned or subject to appeal for any reason, the day on which the adjourned application is heard.
- (b) **Scheme Implementation Deed** has the meaning given in Recital A.
- (c) **Schemes** means:
 - (i) the Trust Scheme; and
 - (ii) the Company Scheme.
- (d) Terms defined in the Schemes have the same meaning when used in this Deed Poll.

1.2 Interpretation

The provisions of clauses 1.2, 1.3 and 1.4 of the Company Scheme form part of this Deed Poll as if set out in full in this Deed Poll, and on the basis that references to 'this Company Scheme' in those clauses are references to 'this Deed Poll'.

1.3 Nature of Deed Poll

Each of Bidder and HoldCo acknowledge that:

- (a) this Deed Poll may be relied on and enforced by any Scheme Securityholder in accordance with its terms, even though the Scheme Securityholders are not party to it; and
- (b) under the Schemes, each Scheme Securityholder irrevocably appoints SAL and each of its directors, officers and secretaries (jointly and each of them severally) as its agent and attorney to enforce this Deed Poll against Bidder and HoldCo.

For the avoidance of doubt, notwithstanding the appointment of SAL and each of its directors, officers and secretaries (jointly and each of them severally) as UniSuper's agent and attorney as referred to in clause 1.3(b), UniSuper may itself enforce its rights under this Deed Poll directly against each of the Bidder and HoldCo.

2 Conditions Precedent and Termination

2.1 Conditions precedent

The obligations of each of Bidder and HoldCo under this Deed Poll are subject to the Schemes becoming Effective.

2.2 Termination

The obligations of Bidder and HoldCo under this Deed Poll to the Scheme Securityholders will automatically terminate and the terms of this Deed Poll will be of no force or effect if:

- (a) the Scheme Implementation Deed is terminated in accordance with its terms;
 - (b) the Schemes are not Effective on or before the End Date; or
 - (c) the Company Scheme or the Trust Scheme terminates,
- unless SAL and Bidder otherwise agree in writing.

2.3 Consequences of termination

If this Deed Poll is terminated under clause 2.2, then, in addition and without prejudice to any other rights, powers or remedies available to it:

- (a) each of Bidder and HoldCo is released from its obligations under this Deed Poll; and
- (b) each Scheme Securityholder retains any rights, powers or remedies that the Scheme Securityholder has against Bidder and HoldCo in respect of any breach of its obligations under this Deed Poll which occurred before it was terminated.

3 Obligations of Bidder and HoldCo

Subject to clause 2, each of Bidder and HoldCo undertakes in favour of each Scheme Securityholder to:

- (a) provide or procure the provision of the Scheme Consideration to each Scheme Securityholder in accordance with the terms of the Schemes; and
- (b) undertake all other actions, and give each acknowledgement, representation and warranty (if any) attributed to it under the Schemes,

in each case subject to and in accordance with the terms of the Schemes.

 - (iii) it has taken all necessary corporate action to authorise the entry into this Deed Poll and has taken or will take all necessary corporate action to authorise the performance of this Deed Poll and to carry out the transactions contemplated by this Deed Poll;
 - (iv) this Deed Poll is its valid and binding obligation enforceable against it in accordance with its terms; and
 - (v) neither this Deed Poll nor the carrying out by it of the transactions contemplated by the Deed Poll conflicts or will conflict or results in the breach of or a default under any provision of its constituent documents and it is not otherwise bound by any agreement that would prevent or restrict it from entering into or performing this deed.
- (b) Each of Bidder and HoldCo covenants, represents and warrants in favour of UniSuper that upon implementation of the Schemes, and subject to UniSuper (or, if applicable, the UniSuper Nominee HoldCo Shareholder notified in accordance with clause 6.5 of the Company Scheme and clause 4.5 of Schedule 1 of the SAT1 Trust Constitution) having delivered to HoldCo duly executed copies of the Transaction Documents (as defined in the Company Scheme), in exchange for the transfer to Bidder of the UniSuper Specified Securities, UniSuper (or, if applicable, the UniSuper HoldCo Shareholder notified in accordance with clause 6.5 of the Company Scheme and clause 4.5 of Schedule 1 of the SAT1 Trust Constitution) shall be issued:
- (i) 3,002 HoldCo Shares, comprising:
 - (A) 1,501 A Class shares (which shall represent 15.01% of the total number of A Class shares on issue immediately after implementation of the Schemes); and

 - (iii) **waiver** includes an election between rights and remedies, and conduct which might otherwise give rise to an estoppel.

6.4 Variation

A provision of this Deed Poll may not be varied unless:

- (a) if before the First Court Date, the variation is agreed to by SAL; or
- (b) if on or after the First Court Date, the variation is agreed to by SAL and the Court indicates that the variation would not of itself preclude approval of the Schemes,

in which event Bidder and HoldCo will enter into a further deed poll in favour of the Scheme Securityholders giving effect to the variation.
