## About K2fly

**K2fly Limited (ASX: K2F)** is an ASX listed technology provider of enterprise-level '**net positive impact**' solutions in Environmental, Social and Governance (ESG) compliance, disclosure and technical assurance, to operations of mining and asset intensive industries through its platform-based SaaS cloud solutions.

Our solutions address many industry challenges and help manage risk around clients' social license to operate concerning reporting & governance, reputation and disclosure demands.

**Product & service offering:** We deliver a suite of solutions across three key areas on a single platform:

- Natural Resource Governance
- Mineral Resource Governance
- Technical Assurance

**Customers:** Spanning all continents, our customer base includes Australian and overseas tier-1 clients operating in 54 countries.

**Strategy:** Through acquisition, development, and partnerships, K2fly have assembled a unique platform that generates high margin SaaS recurring revenues, being rolled out globally. Our strategy is to 'land and expand' our offering with clients over time whereby additional solutions are rolled out to support central operational management and efficiency gains.

K2fly works closely with peak industry bodies, regulators, and our own industry advisory groups on ESG topics that are driven by rapidly changing regulations, community and investor expectations to build fit for purpose industry solutions that adhere to recognised codes and standards.

**Strategic alliances:** K2fly has strategic alliances with global technology companies such as Esri (USA), SAP (Germany), Hitachi-ABB (Japan), Descartes Labs (USA) and Cyient (UK).
