Transactions registered after that time will be disregarded in determining the Shareholders entitled to attend and vote at the Meeting.

Proxies

- A Shareholder entitled to attend and vote at this Meeting is entitled to appoint a proxy (who need not be a Shareholder) to attend and vote in the Shareholder's place. A proxy form accompanies this Notice of Meeting for this purpose.
- A proxy form must be signed by a Shareholder or his or her attorney and, in the case of a joint holding, by each of the joint holders.
- Shareholders who are entitled to cast two or more votes may appoint not more than two proxies to attend and vote at this Meeting. Shareholders wishing to appoint a second proxy should request an additional proxy form from the Company's share registry – Boardroom Pty Limited. Where two proxies are appointed, both forms should be completed with the nominated proportion or number of votes each proxy may exercise. If no such proportion or number is specified, each proxy may exercise half of the votes. Fractions of votes are to be disregarded.
- Where a Shareholder appoints 2 proxies, on a show of hands neither proxy may vote if more than one proxy attends and on a poll each proxy may only exercise votes in respect of those shares or voting rights the proxy represents.
- The appointment of one or more duly appointed proxies will not preclude a Shareholder from attending this Meeting and voting personally. If the Shareholder votes on a resolution, the proxy must not vote as the Shareholder's proxy on that resolution.
- Any instrument appointing a proxy in which the name of the appointee is not completed is regarded as given in favour of the chair of the Meeting.

BUSINESS OF THE MEETING

Resolution 1: Non-binding resolution to adopt 2021 Remuneration Report

Background

Pursuant to the *Corporations Act*, at the annual general meeting of a listed company, the Company must propose a resolution that the remuneration report be adopted.

The purpose of Resolution 1 is to lay before the Shareholders, the Company's Remuneration Report for the year ended 30 June 2021 (**Remuneration Report**) so that Shareholders may ask questions about or make comments on the management of the Company in accordance with the requirements of the *Corporations Act 2001* and vote on an advisory and non-binding resolution to adopt the Remuneration Report.

The Board will consider the outcome of the vote made by shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

The Remuneration Report is contained within the 2021 Annual Report. You may view the Annual Report by visiting the Company's website www.antisense.com.au, or you may order a hard copy of the Annual Report by phoning +61 (0)3 9827 8999.

The vote on the resolution for adoption of the Remuneration Report is advisory only and does not bind the Directors or the Company. However, under the *Corporations Act*, if at least 25% of the votes cast on the resolution at the 2021 Annual General Meeting are against adoption of the Remuneration Report, then:

- if comments are made on the Remuneration Report at the Annual General Meeting, the Company's remuneration report for the financial year ending 30 June 2021 will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's reasons for this; and

Resolution 4: Ratification of Prior Issue of Shares

1. Background

On 1 November 2021 the Company announced the completion of a share placement of 83,333,332 new ordinary fully paid shares at an issue price per share of \$0.24 raising AUD\$20 million (before costs), to participating institutional and sophisticated investors via Joint Lead Managers, Wilsons Corporate Finance Limited (ABN 65 057 547 323) ("Wilsons") and Morgans Corporate Limited ("Morgans") (ABN 32 010 539 607). XEC Partners Pty Ltd ("XEC") acted as Corporate Adviser to the Company for the transaction.

Participating subscribers to the Placement were also eligible to receive up to 41,666,666 free-attaching unlisted options with an exercise price of \$0.48 per option on a basis of one new option for every two new shares received under the Placement, subject to shareholder approval (see Resolution 9). These options will expire based on the earlier of:

- 20 December 2024; or
- 20 business days after the date on which the ATL1102 Phase IIb in DMD futility analysis results are announced to the ASX.

As previously announced to the ASX on 1 November 2021, the funds raised from this Placement are to be applied towards funding the Company's Phase IIb/III European Clinical Study for ATL1102 for DMD as detailed in the Company's Prospectus dated 5 November 2021.

2. ASX Listing Rules

ASX Listing Rule 7.1 allows the Company to issue new securities up to 15% of the existing capital of the Company in any 12-month period without the prior approval of shareholders, unless one of the exceptions in ASX Listing Rule 7.2 applies. The Shares issued pursuant to this resolution was within this limitation.

Under ASX Listing Rule 7.4 an issue of equity securities will be treated as having been made with approval of shareholders for the purposes of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 at the time and shareholders subsequently approve it. As the issue of Shares, pursuant to this resolution, was within the ASX Listing Rule 7.1 capacity and was not previously approved by shareholders, the Company now seeks shareholder ratification of the issues for the purposes of ASX Listing Rule 7.4.2.

If Resolution 4 is approved, the prior issue of 83,333,332 Shares to participating institutional and sophisticated placement investors will be treated by the Company as having been made with approval under ASX Listing Rule 7.4. The Company will therefore be able to issue additional equity securities without the Shares the subject of Resolution 4 counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1.

If Resolution 4 is not approved, the number of Shares the subject of this resolution will not be treated by the Company as having been made with approval under ASX Listing Rule 7.4. The Company will therefore not be able to issue additional equity securities without the Shares the subject of Resolution 4 counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1.

The following information is provided in compliance with ASX Listing Rule 7.5:

- (a) The number and class of the securities issued was 83,333,332 fully paid ordinary shares.
- (b) The Shares were issued at an issue price of \$0.24 per Share on 5 November 2021.
- (c) The Shares rank equally in all respects with the Company's existing Shares on issue.

Resolution 8: Approval of Increase to Non-Executive Director Fee Pool

1. Background

The Company's Constitution provides that each Director is entitled to such remuneration from the Company to serve as a Director of the Company as the Directors decide but the total amount provided to all Directors for their services as Directors must not exceed in aggregate in any financial year the amount approved by the Shareholders.

ASX Listing Rule 10.17 provides that an entity must not increase the total aggregate amount of Director fees payable to Non-Executive Directors without shareholder approval. The aggregate amount approved by Shareholders excludes remuneration paid to Executive Directors.

The present maximum aggregate of fees (total fee pool) that may be collectively paid to the Non-Executive Directors of the Company per annum has remained at \$300,000 since 2001.

Resolution 8 seeks Shareholder approval to increase this amount by \$200,000 per annum to \$500,000 per annum for the following reasons:

- The Board wishes to provide additional capacity and flexibility to allow for temporary fluctuations in the size of the Board, if and when appropriate, and to manage Committee appointments, as part of its management of Board succession planning; and
- The Board, not that it currently perceives this occurring, wishes to allow for future increases in the level of Director fees paid to ensure the Company is competitive in the market.

The Company has considered market data, and an increase in the remuneration pool reflects both the increasing number of Non-Executive Directors which the Company has, as well as the increased demands of the Non-

Executive Directors, whilst also allowing the Company to attract retain a high quality of Non-Executive Directors with an appropriate range of skills, expertise and diversity.

The proposed increased Non-Executive Director remuneration pool to \$500,000 per annum reflects a maximum limit. The Board does not currently intend to increase existing Director fees to that limit.

For the purposes of ASX Listing Rule 10.17, the Company notes that the following securities were issued to Non-Executive Directors under ASX Listing Rule 10.11 or 10.14 with the approval of the Company's shareholders in the preceding 3 years:

- an issue of [31,000,000] new options on 22 December 2019 with an expiry date of 22 December 2023; and
- an issue of [1,000,000] new options on 18 March 2021 with an expiry date of 18 March 2025.

Non-Executive Director	Option Quantity	Exercise Price	Expiry Date
Robert Moses	2,000,000	\$0.080	22 Dec 2023

Gil Price	200,000	\$0.185	18 Mar 2025
Gil Price	800,000	\$0.270	18 Mar 2025

Given their interest in the outcome of this resolution, the Board does not make a recommendation to shareholders with respect to this resolution.

Resolution 9: Approval of Issue of Placement Options

1. Background

On 1 November 2021 the Company announced the completion of a Placement to participating institutional and sophisticated investors via Joint Lead Managers, Wilsons Corporate Finance Limited (ABN 65 057 547 323) ("Wilsons") and Morgans Corporate Limited ("Morgans") (ABN 32 010 539 607).

Participating subscribers to the Placement were also eligible to receive up to 41,666,666 free-attaching unlisted options with an exercise price of \$0.48 per option on a basis of one new option for every two new shares received under the Placement, subject to shareholder approval.

These options will expire based on the earlier of:

- 20 December 2024; or
- 20 business days after the date on which the ATL1102 Phase IIb in DMD futility analysis results are announced to the ASX.

As previously announced to the ASX on 1 November 2021, the funds raised from this Placement are to be applied towards funding the Company's Phase IIb/III European Clinical Study for ATL1102 for DMD as detailed in the Company's Prospectus dated: 5 November 2021.

2. ASX Listing Rules

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions under ASX Listing Rule 7.2, issue or agree to issue Shares during any 12-month period in excess of 15% of the number of shares on issue at the commencement of that 12-month period without shareholder approval.

As the issue of Options, pursuant to this resolution, was not within the ASX Listing Rule 7.1 capacity and was not previously approved by shareholders, the Company now seeks shareholder ratification of the issues pursuant to ASX Listing Rule 7.1.

The Company proposes to issue up to 41,666,666 unlisted Options to the Placement participants to whom Shares were issued. Approving this issue under ASX Listing Rule 7.1 will enable the Company to be able to issue further equity securities without the Shares the subject of Resolution 9 counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1.

The effect of Resolution 9, should it be approved, will allow the Company to issue the Options pursuant to this Resolution within 3 months of the date of this Annual General Meeting without using the Company's 15% annual placement capacity granted under ASX Listing rule 7.1. Currently, the expected date of issue of the Options is 16 December 2021.

If Resolution 9 is not approved, the number of Options pursuant to this Resolution will not be treated by the Company as having been made with approval under ASX Listing Rule 7.1 and the Company will therefore not be able to issue further equity securities without the Options pursuant to this Resolution 9 counting towards and thereby reducing the available 15% threshold for the purposes of ASX Listing Rule 7.1.

The following information is provided in compliance with ASX Listing Rule 7.3:

- (a) The number of securities to be issued is up to 41,666,666 Options.
 - (b) The Options will be issued for nil-consideration as free-attaching options to the participants of the Placement and Entitlement Offer on the basis of one new option for every two shares received.
 - (c) The Options are exercisable at \$0.48 per option on or before the earlier of:
 - i) 20 December 2024; or
 - ii) 20 business days after the date on which the ATL1102 Phase IIb/III in DMD futility analysis results are announced to the ASX.
- The terms of the Options are set out in Schedule 1 to this Notice of Meeting.
- (d) If exercised, the underlying shares pursuant to these options, will rank equally in all respects with the Company's existing Shares on issue.
 - (e) The Options will be issued to participants of the Placement on 16 December 2021.
 - (f) The up to funds raised from the exercise of the Options will be used towards funding:
 - the Company's pivotal European Phase IIb/III clinical study of ATL1102 in DMD;
 - manufacturing drug compound and clinical supplies for the Phase IIb/III European clinical study;
 - progression of R&D programs including advancing new indication initiatives for ATL1102; and
 - General working capital; and
 - Applicable capital raising costs associated with the Placement.
 - (g) A voting exclusion statement is included in the Notice of Meeting.

The Directors recommend that you vote in favour of the Resolution 9.

SPECIAL BUSINESS OF THE MEETING

Resolution 10: Approval of 10% Placement Facility

1. Background

ASX Listing Rule 7.1A enables eligible entities to issue Equity Securities (as that term is defined in the ASX Listing Rules) up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement

capacity under ASX Listing Rule 7.1. An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities (if any) to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to Section 2(c) below). The Company may use funds raised from any 10% Placement Facility for funding of specific projects and/or general working capital.

The Directors of the Company believe that Resolution 10 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

2. ASX Listing Rules

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue three classes of Equity Securities; Shares, listed and unlisted options.

(c) Formula for calculating 10% Placement Facility

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12-month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D) – E

A is the number of shares on issue 12 months before the date of the issue or agreement:

- (A) plus, the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
- (B) plus, the number of fully paid ordinary shares issued in the 12 month period on the conversion of convertible securities in certain circumstances;
- (C) plus, the number of fully paid ordinary shares issued in the 12 month period under an agreement to issue securities within exception 16 of ASX Listing Rule 7.2;
- (D) plus, the number of partly paid shares that became fully paid in the 12 months;
- (E) plus, the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rules 7.1 and 7.4;
- (F) less the number of fully paid shares cancelled in the 12 months.

Note: that **A** has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rules 7.1 or 7.4.

(d) ASX Listing Rule 7.1 and ASX Listing Rule 7.1A

The ability of an entity to issue Equity Securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to Section 2(c) above).

(e) Minimum Issue Price

The issue price of Equity Securities issued under ASX Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) the time and date of the approval by shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

3. ASX Listing Rule 7.1A

The effect of Resolution 3 will be to allow the Directors to issue the Equity Securities under ASX Listing Rule 7.1A during the 10% Placement Period separate to the Company's 15% placement capacity under ASX Listing Rule 7.1.

If Resolution 10 is not approved, the Directors will not be empowered to utilize the 10% Placement Facility and the Company will be confined to issuing Equity Securities under its 15% placement capacity under ASX Listing Rule 7.1.

Resolution 10 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

4. Specific Information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:
 - (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
 - (ii) the time and date of the Company's next annual general meeting; or
 - (iii) the time and date of the approval by shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),
- (b) Any Equity Securities issued will be issued at a minimum issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) The Company may use funds raised from any 10% Placement Facility for funding of specific projects and/or general working capital. Equity Securities can only be issued under Listing Rule 7.1A for a cash consideration.

- (d) If Resolution 10 is approved by the Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company would be diluted as shown in the below table (in the case of unlisted options, only if the unlisted options are exercised). There is a risk that:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may influence the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at the date of this Notice of Meeting.

The table also shows:

- (i) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary shares the Company has on issue. The number of ordinary securities on issue may increase because of issues of ordinary securities that do not require Shareholder approval (for example, a pro-rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

The table above has been prepared based on the following assumptions:

- (i) The Company issues the maximum securities available under the ASX Listing Rule 7.1A being 10% of the Company's shares on issue at the date of the Meeting;
- (ii) No unlisted options are exercised into fully paid ordinary securities before the date of the issue of securities under ASX Listing Rule 7.1A;
- (iii) The table does not demonstrate an example of dilution that may be caused to a particular shareholder by reason of placements under ASX Listing Rule 7.1A, based on that shareholder's holding at the date of the Meeting;
- (iv) The table only demonstrates the effect of issues of securities under ASX Listing Rule 7.1A. It does not consider placements made under ASX Listing Rule 7.1, the "15% rule";

- (v) The price of ordinary securities is deemed for the purposes of the table above to be \$0.295 cents, being the closing price of the Company's listed securities on ASX on Wednesday 27 October 2021, rounded up to two decimal places (**Deemed Price**). The Deemed Price is indicative only and does not consider the 25% discount to market that the securities may be placed at;
- (vi) The table does not demonstrate the effect of listed or unlisted options being issued under ASX Listing Rule 7.1A, it only considers the issue of the fully paid ordinary securities.
- (e) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 10 for the issue of the Equity Securities will cease to be valid if Shareholders approve a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities or ASX Listing Rule 11.2 (disposal of main undertaking)).

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice of Meeting but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company were to pursue an acquisition and were it to be successful in acquiring new assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new assets or investments.

- (f) The Company previously obtained Shareholder approval under ASX Listing Rule 7.1A at its 2014, 2015, 2016, 2017, 2018, 2019 and 2020 AGMs.

A voting exclusion statement is included in the Notice of Meeting to which this Explanatory Memorandum relates. At the date of that Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

- (g) No Equity Securities were issued under the Placement Facility under Listing Rule 7.1A.2 in the 12 months preceding the date of the Meeting.

The Directors recommend that you vote in favour of this Special Resolution.

(c) **Expiry Date**

Each Option will expire at 5.00pm (Melbourne time) on the earlier of:

- 20 December 2024; and
- 20 business days after the date on which the ATL1102 Phase IIb in DMD futility analysis results are announced by the Company on the ASX (**Acceleration Trigger Date**),

(**Expiry Date**).

An Option not exercised before 5.00pm (Melbourne time) on the Expiry Date will automatically lapse at that time.

(d) **Exercise Period**

The Options are exercisable at any time on or prior to their relevant Expiry Date (**Exercise Period**).

(e) **Notice of Exercise**

The Options may be exercised in whole or in part (subject to the minimum amount noted below) during the relevant Exercise Periods by notice in writing to the Company in the manner specified on the Option certificate or holding statement (**Notice of Exercise**) and payment of the relevant Exercise Price for each Option being exercised in Australian currency by electronic funds transfer or other means of payment acceptable to the Company.

A minimum of 5,000 Options may be exercised under each Notice of Exercise.

(f) **Exercise Date**

A Notice of Exercise is only effective on and from the later of the date of receipt of the Notice of Exercise and the date of receipt of the payment of the applicable Exercise Price for each Option being exercised in cleared funds (**Exercise Date**).

(g) **Timing of issue of Shares on exercise**

As soon as practicable after the relevant Exercise Date, the Company will:

- (i) issue the number of Shares required under these terms and conditions in respect of the number of Options specified in the Notice of Exercise and for which cleared funds have been received by the Company; and
- (ii) if admitted to the Official List at the time, apply for official quotation on ASX of Shares issued on the exercise of the Options.

(h) **Shares issued on exercise**

Shares issued on exercise of the Options will rank equally in all respects with the then issued Shares.

(i) **Reconstruction of capital**

If at any time the issued capital of the Company is reconstructed, all rights of a holder of Options are to be changed in a manner consistent with the Corporations Act and the ASX Listing Rules at the time of the reconstruction.

(j) **Participation in new issues**

There are no participation rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options without exercising the Options and unless Shares have been allotted in respect of the Options before the record date for determining entitlements to the issue. The Company will ensure that for the purposes of determining entitlements to any such issue, the record date will be at least 3 business days after the issue is announced. This will give the Option holder the opportunity to exercise their Options prior to the date for determining entitlements to participate in any such issue.

(k) **Change in Exercise Price**

There will be no change to the applicable Exercise Price of an Option or the number of Shares over which an Option is exercisable in the event of the Company making a pro rata issue of Shares or other securities to the holders of Shares (other than for a Bonus Issue).

(l) **Bonus issue**

If before the expiry of any Options, the Company makes a pro rata issue of Shares to Shareholders for no consideration (**Bonus Issue**), the number of Shares over which an Option is exercisable will be increased by the number of Shares which the holder would have received if the Option had been exercised before the record date for the Bonus Issue.

(m) **Voting**

Holders of Options have no voting rights until the Options are exercised and Shares issued on exercise of those Options in accordance with the ASX Listing Rules.

(n) **Transferability**

The Options are not transferable and will not be quoted on the ASX.
