The Meeting Materials contain information about the Proposal, the Meeting and how to vote on the Merger Resolutions.

The AOF RE Board unanimously recommends AOF unitholders vote in favour of the Merger Resolutions. In addition, the independent expert, KPMG Corporate Finance, has concluded that the Proposal is in the best interests of the AOF unitholders, in the absence of a superior proposal.

In accordance with the Treasury Laws Amendment (2021 Measures No. 1) Act 2021, AUIREL will not be dispatching physical copies of the Meeting Materials unless an AOF unitholder has made a valid election to receive documents in hard copy. Instead, the Meeting Materials are available to unitholders electronically.

   The Meeting will be held as a **virtual meeting** on 10 December 2021 commencing at 1.00pm (AEDT) using an online platform which allows unitholders to vote, ask questions and participate electronically in real-time, rather than attending the meeting at a physical venue.

Chairman's letter

Dear AOF Unitholder

On behalf of the board of directors of AOF RE (**AOF RE Board**) in its capacity as the responsible entity of AOF, I am pleased to provide you with this Explanatory Memorandum in relation to the proposal to merge AOF with DPF to create the Australian Unity Property Fund (**AUPF**) (together, the **Proposal**).

The Proposal is the culmination of a comprehensive strategic assessment that the AOF RE Board together with AOF management and Highbury Partnership (as financial adviser to AOF RE) has undertaken, as follows:

- on 23 February 2021 the AOF RE Board announced it had initiated a strategic assessment to examine options to maximise returns and value for unitholders;
- on 7 July 2021 the AOF RE Board announced the conclusion of the strategic assessment and the intention to investigate the merger of AOF and DPF as a key initiative to deliver on the refined strategy;
- on 20 September 2021 the AOF RE Board announced it had reached in principle agreement with Australian Unity Property Limited (DPF RE) as responsible entity for DPF on the merger ratio; and
- on 4 October 2021 the AOF RE Board announced it had entered into a Merger Implementation Deed with DPF RE in relation to the Proposal.

This Explanatory Memorandum contains details about the Proposal and the resolutions required to be passed by AOF Unitholders to implement the Proposal (**Merger Resolutions**).

The AOF RE Board strongly encourages you to read this Explanatory Memorandum in its entirety as it contains important information that will need to be considered before you vote on the Merger Resolutions.

Overview of the Proposal

The Proposal is to be implemented by way of a trust scheme and is subject to the passing of the Merger Resolutions and satisfaction (or waiver) of other Conditions Precedent, including the passing of the DPF Unitholder Resolution by DPF Unitholders.

Under the Proposal, AOF will acquire all the units in DPF in consideration for the issue of AUPF Units (being units in the renamed AOF) to DPF Unitholders at an agreed merger ratio of 0.4550 AUPF Units for every 1 DPF Unit (**Merger Ratio**).

Subject to the Conditions Precedent being satisfied (or waived), the Proposal will be implemented and AOF will be renamed AUPF, with implementation of the Proposal resulting in existing AOF Unitholders owning approximately 54% and DPF Unitholders owning approximately 46% of AUPF.[1]

Potential benefits of the Proposal

Implementation of the Proposal is consistent with AOF's strategy to invest in Australian office properties in metropolitan and CBD markets, complemented by a targeted and diversified portfolio of Australian real estate assets focused on the key attributes of affordability, accessibility and amenity. If implemented, the Proposal will combine two highly complementary property portfolios to provide AOF Unitholders with an enhanced investment proposition and sustainability of income returns, relative to AOF on a standalone basis.

1. The 54% represents an approximation of the pro forma AOF Unitholder ownership of AUPF at Implementation, excluding the Cross Holding and assumes full take up of the Capped Withdrawal Facility.

The AOF RE Board considers that the Proposal will provide a number of benefits to AOF Unitholders, including:

- increased sustainability of income and enhanced medium term income prospects;
- enhanced ability to execute value-add opportunities;
- exposure to a larger and more diversified portfolio;
- expected increase in, and sustainability of, distributions;
- increased relevance and liquidity with potential inclusion in additional ASX and global indices;
- a new debt facility and improved access to capital; and
- experienced management team guided by a majority independent board.

AOF Unitholders should consider both the potential benefits and disadvantages of the Proposal before deciding whether or not to vote in favour of the Merger Resolutions. Sections 4 and 5 of this Explanatory Memorandum provide a further explanation of the potential benefits and disadvantages of the Proposal.

Why is your vote required?

Implementation of the Proposal will involve the acquisition by AOF of 100% of the units in DPF in exchange for the issue of AUPF Units. The proposed issue of AUPF Units will exceed the 15% threshold under ASX Listing Rule 7.1 and involves the issue to persons referred to in ASX Listing Rule 10.11. Accordingly, AOF Unitholder approvals under ASX Listing Rules 7.1 and 10.11 will be sought.

Recommendation of the AOF RE Board

The AOF RE Directors unanimously recommend that AOF Unitholders vote in favour of the Merger Resolutions to be considered at the Meeting. Each AOF RE Director intends to vote any AOF Units that he or she holds or controls in favour of each Merger Resolution.

Independent Expert Report

AOF engaged KPMG Corporate Finance (**Independent Expert**) to prepare the Independent Expert's Report to provide an opinion for the benefit of AOF Unitholders.

The Independent Expert has concluded that the Proposal is in the best interests of the AOF Unitholders, in the absence of a Superior Proposal.

A full copy of the Independent Expert's Report is included in Annexure A to this Explanatory Memorandum. You are encouraged to read it in its entirety.

Meeting to consider approving the Merger Resolutions

The Merger Resolutions will be put before the AOF Unitholders for approval at the Meeting to be held virtually on Friday, 10 December 2021 at 1.00pm (AEDT). AOF Unitholders are invited to attend the Meeting online and can participate, observe, ask questions, make comments and vote in real time. Details of how to attend the Meeting virtually are set out in the Notice of Meeting set out at Schedule 1 of this Explanatory Memorandum.

A Proxy Form accompanies this Explanatory Memorandum. This Explanatory Memorandum contains important information in relation to the Proposal and the Merger Resolutions to assist you in deciding how to vote on the Merger Resolutions. We urge you to read the Notice of Meeting and Explanatory Memorandum carefully and in its entirety.

If you are unable to attend the Meeting, you may appoint a proxy to vote for you at the virtual Meeting by completing and returning the Proxy Form. If you intend to appoint a proxy, please return the completed Proxy Form in accordance with the directions on the form by 1.00pm (AEDT) on Wednesday, 8 December 2021.

If you require any further information regarding the Merger Resolutions or the Proposal, please contact the AOF unitholder information line on 1300 158 729 (within Australia), +61 2 9066 4058 (outside Australia) between 9.00am and 5.00pm (AEDT) Monday to Friday. You can also contact auofficefundmerger@investorinfo.net.au via email and we will aim to respond to you within 24 hours. Alternatively, you may also wish to contact your financial, legal, taxation or other professional adviser.

Conclusion

We are pleased to present this opportunity to AOF Unitholders and look forward to your participation at the Meeting.

Your vote is important and we encourage you to **vote in favour** of the Merger Resolutions.
