## **ASX / MEDIA ANNOUNCEMENT**

### **NHVR Proceedings – Local Court NSW**

Further to the ASX announcement of 13 November 2020 regarding a fatal accident involving a Lindsay employee at Loganlea Qld on 14 November 2018, and subsequent legal proceedings initiated by the National Heavy Vehicle Regulator (NHVR).

The proceedings initiated against Lindsay Transport Pty Ltd and Lindsay Brothers Management Pty Ltd (the 'Lindsay Group') were due to be heard at the Local Court NSW commencing Monday 22 November 2021, however the proceedings have now been discontinued.

Following a consultation process with the NHVR, the NHVR has accepted the terms of an Enforceable Undertaking (EU) proposed by the Lindsay Group.

The entering into an EU is an alternative to the court proceedings.

The activities required under the terms of the EU will deliver safety related educational initiatives, training initiatives and technological initiatives, with benefits extending to the road transport and logistics industry, the community and the Company.

Details of the specific terms of the EU are expected to be published on the NHVR website at:
