MONADELPHOUS CONTRACTS UPDATE

Engineering company Monadelphous Group Limited (ASX: MND) (“Monadelphous” or “the Company”) today announced it has secured new contracts and contract extensions in the resources sector totalling approximately \$110 million.

The Company has secured a 12-month extension to its existing contract with BHP Iron Ore for the provision of general maintenance services for shutdowns, outages and minor capital works at the Mt Whaleback, Jimblebar, Eastern Ridge, Mining Area C and Yandi mine sites located in the Pilbara region of Western Australia.

Monadelphous has also been awarded a number of new contracts with Rio Tinto in the Pilbara under its sustaining capital projects panel agreement for:

- The construction of new hawser rails and upgrades to the existing dolphins at Cape Lambert A and B wharves. The work, which includes design, fabrication, supply and installation, is expected to be completed by July 2023; and
- The upgrade of conveyor gravity take up systems at East Intercourse Island and Cape Lambert, with work expected to be completed in the third quarter of 2022.

In addition, Monadelphous has also secured a 12-month extension to its existing mechanical and electrical maintenance, shutdown and project services contract across BHP's Nickel West operations in Western Australia.
