Capital Raise Investor Presentation

(ASX: TNY)

Not for release or distribution in the United States

Disclaimer

This presentation ("this Presentation") has been prepared by Tinybeans Group Limited [ABN 46 168 481 614] ("Tinybeans" or the "Company") and is dated 18 November 2021.

Summary information

This Presentation contains summary information about the current activities of Tinybeans and proposed capital raising announced by Tinybeans today. (Transaction). The information in this Presentation is of a general nature and does not purport to be complete. This Presentation does not purport to contain all the information that an investor should consider when making an investment decision nor does it contain all the information which would be required in a disclosure document or prospectus prepared in accordance with the requirements of the Corporations Act.

This Presentation does not include all the information pertaining to the Transaction and shareholders should carefully consider all information lodged with ASX. While steps have been taken to review that information, no representation or warranty, expressed or implied, is made as to its fairness, accuracy, correctness, completeness or adequacy. Certain market and industry data used in connection with this Presentation may have been obtained from research, surveys or studies conducted by third parties, including industry or general publications. Neither Tinybeans nor its representatives have independently verified any such market or industry data provided by third parties or industry or general publications.

Not an offer of securities

This Presentation is for information purposes only and is not an offer document. This Presentation is not an offer to sell, or a solicitation of an offer to buy, any securities in any jurisdiction in which it would be unlawful. The distribution of this Presentation and the offer of new ordinary shares (New Shares) of Tinybeans is restricted in jurisdictions outside Australia. Any failure to comply with such restrictions could constitute a violation of applicable securities laws. In particular, this Presentation may not be released to US wire services or distributed in the United States. The New Shares have not been, and will not be, registered under the US Securities Act of 1933 or any US state securities laws. Accordingly, the New Shares may not be offered or sold in the United States except in transactions exempt from, or not subject to, the registration requirements of the US Securities Act and applicable US state securities laws.

Not financial product advice

This Presentation has been prepared without taking into account the objectives, financial situation or needs of any particular investor. Before making an investment decision, prospective investors should consider the appropriateness of the information having regard to their own objectives, financial situation and needs and seek appropriate advice, including financial, legal and taxation advice appropriate to their jurisdiction.

Future performance

This Presentation may contain forward looking statements, opinions or estimates. Any forward looking statements, opinions or estimates contained in this Presentation are not guarantees or predictions of future performance and involve known and unknown risks and uncertainties and other factors, many of which are beyond the control of Tinybeans, and may involve significant elements of subjective judgement and assumptions and contingencies as to future events which may or may not be correct which are subject to change without notice, as are statement about market and industry trends, which are based on interpretations of current market conditions. Those statements reflect views only as at the date of this Presentation. The actual results may differ materially from anticipated results, performance of achievement expressed, projected or implied by these forward looking statements.

While Tinybeans believe that the statements contained in this Presentation are reasonable, neither Tinybeans nor any other person gives any assurance or guarantee that the occurrence of the events expressed or implied in the Presentation will actually occur and investors are cautioned not to place undue reliance on those statements.

Disclaimer

To the maximum extent permitted by law, no representation or warranty and take no responsibility for, express or implied, is made as to the currency, accuracy, reliability or completeness of information statements, opinions, conclusions or representations contained in this Presentation and Tinybeans and its respective advisers, affiliates, related bodies corporate, directors, officers, partners, employees and agents excludes and disclaims all liability (however caused), including without limitation for negligence or for any expenses, losses, damages or costs incurred by you.

Tinybeans, severally, make no recommendation as to whether any person should acquire securities of Tinybeans. Opinions expressed herein are current opinions only as of the date indicated and are subject to change.

This presentation may not be reproduced or redistributed to any other person. All references to dollars, cents or \$ in this presentation are to USD currency, unless otherwise stated.

In receiving this presentation, each recipient agrees to the foregoing terms and conditions.

US\$2.54M Revenue

Major Growth Drivers

- Growing value proposition for advertisers
- US\$2.5M+ in contracted Ad Revenues in Q2-FY22
- New Subscription Strategy launched - positive early growth trends

Growth Continues through Q1-FY22

Record Revenues

- Revenue hit a record US\$2.54M, up 42% YoY
- Advertising revenue hit a record US\$2.26M, up 49% YoY
- Subscription revenue hit US\$225K, up 13% YoY
- Other revenues include e-commerce (affiliate) & printing
- Over US\$1M invested through Q1 in product growth initiatives, all culminating in new Beanstalk and impending new website/app launches in Q2.
- Platform enhancements around first party data and ad targeting are driving appeal to advertisers, with more brands engaged on the Tinybeans platform than ever before.

NOTE: Q1-FY20 results preclude the acquisition of Red Tricycle, completed in February (Q3) 2020

Growing Revenue Streams

Advertising Revenues

- Advertising revenue hit a record **US\$2.26M**, up **49% YoY**, with 30% from new brands and 70% from existing brands
- Q1-FY22 advertising revenue performance marks a new quarterly record, driven by big partnership wins with Google, LEGO & Microsoft
- Closed 7 >\$100K contracts in Q1-FY22 (13 in entire FY21)
- New \$100K partners include Melissa & Doug and Microsoft
- First ever US\$1M contract closed with Hill's Pet Nutrition for 2022 partnership subsequent to the quarter
- Forward booked direct advertising contracts over US\$2.5M

Ad Product

The Tinybeans Ad Platform

- The Ad Platform incorporates many channels. They are:
 - Website (Content, native ads and other units)
 - Emails (Dedicated, targeted, banners, etc.)
 - App (Content, native ads and other units)
 - Social (FB, Pinterest, etc)
- Audiences vary by channel; however, meaningful revenues are generated across each channel.
- Advertising is woven in across all audiences, free and paid subscribers.
- Regardless of subscription growth, advertising will continue to grow its revenues.

Transitioning Subscription Model

Subscription Revenues

- Subscription revenue in Q1 hit US\$225K, up 13% YoY
- 38k paid subscribers as at November 10, 2021
- Migrated the subscription model from family-based to single user-oriented and integrated into the app stores subscription platforms adding a 30 free trial period
- New tinybeans.com website and app launched
- Increased value proposition around memories and content
- Expecting to see accelerated growth through Q2 and beyond

US\$0.23M Revenue

Transitioning Audience Model

Audience

- Audience provides relevancy and reach for brand partners and is a strong origination channel for new subscribers
- Audience engagement continued through a period of deep transition
- Total active members are expected to decline through Q2-FY22 as the merged platforms are integrated and new the subscription product is fully deployed
- Once stabilized through Q2-FY22, the new website and apps are expected to provide further audience growth from Q3-FY22 and beyond, as new features are released servicing new and existing members
- Partnerships with Apple continue to drive engagement and growth

Profit & Loss Summary

USD (\$Ms)	Q1-22	Q1-21	% Chg
Total Revenue	2.54	1.79	42%
Cost of Goods Sold	(0.13)	(0.13)	-1%
Gross Margin	2.41	1.66	45%
Gross Margin %	95%	93%	
Operating Expenses	(2.57)	(1.93)	-33%
Adjusted EBITDA	(0.16)	(0.26)	39%
Adjusted EBITDA Margin %	-6%	-15%	

Highlights:

- Revenue up +42% vs prior year, driven mainly by ad revenue growth
- Gross Margin continues to be above 90%, with COGS primarily comprising direct costs supporting ad revenues
- Operating Expenses increased to \$2.57M vs \$1.93M in the prior year, driven by increased investments in resources and compensation to support product and operational investments, and other costs that are variable tied to user growth, such as hosting
- The company is beginning to incur increased General and Administrative costs related to growth of the company, in areas such as accounting and audit fees, investor relations, etc.
- The current quarter also includes approximately \$0.29M of capitalized software development costs for our current product launches, which started in Q4-FY21 and will be amortized below EBITDA

Note: Adjusted EBITDA defined as reported EBITDA excluding share based payments expense and other non-operating income and expenses. Also, in Q4-FY21, Tinybeans began to recognize capitalized software development costs in accordance with AASB 138, Intangible Assets. These costs totaled \$94K in Q4-FY21, and \$289K in Q1-FY22, and are excluded from Adjusted EBITDA above.

Growth and Transformation

Strategic Pillars - Q1 Update: Executing growth strategy

1

Enhance Customer Value Proposition to Drive LTV

- Launched the significantly upgraded website and app platforms
- Launched an upgraded ad serving platform to further serve advertisers
- Launched a powerful new feature allowing search by location and children's age
- Launched new subscription product, Beanstalk and began transitioning existing members to the new model

2

Enable the platform to scale the audience

- Integrated the content platforms into one unified web and app experience
- Migrated the subscription model from family to individual
- Consolidated website platforms and infrastructure given the single web instance
- Continued developments with the Apple partnership

3

Elevate the brand to be the Go-To resource for parents and brands

- Relunched all platforms under a single brand, and migrated all Red Tricycle audiences to Tinybeans
- Continued to build out capabilities across all teams - now 70+ full time team members
- Drove upgraded offering to brands, where it is the the only high trust, personalized platform, for prenatal to preteen parents.
