Appendix 2A

Application for quotation of +securities

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

If you are an entity incorporated outside Australia and you are seeking quotation of a new class of +securities other than CDIs, you will need to obtain and provide an International Securities Identification Number (ISIN) for that class. Further information on the requirement for the notification of an ISIN is available from the Create Online Forms page. ASX is unable to create the new ISIN for non-Australian issuers.

**Denotes minimum information required for first lodgement of this form, with exceptions provided in specific notes for certain questions. The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.*

OPTION TERMS

The terms and conditions of the Options are as follows:

(a) Each Option gives the holder the right to subscribe for one Share.

(b) The Options are exercisable at any time from the grant date until 28 May 2023 (**Expiry Date**). Options not exercised on or before the Expiry Date will automatically lapse.

(c) The exercise price of each Option is A$0.024 (subject to adjustment to the price as a result of a reconstruction in accordance with paragraph (j)) (**Exercise Price**).

(d) Subject to the Corporations Act, the Constitution and the Listing Rules, the Options are freely transferable.

(e) Each Option may be exercised by notice in writing to the Company, together with the payment for the number of Shares in respect of which the Options are exercised, at any time before the Expiry Date. Any notice of exercise of an Option received by the Company will be deemed to be a notice of the exercise of that Option as at the date of receipt.

(f) All Shares issued upon exercise of the Options will rank pari passu in all respects with the Company's then issued Shares.

(g) Application will be made to ASX for official quotation by ASX of all Shares allotted pursuant to the exercise of Options not later than 10 business days after the date of allotment.

(h) There are no participating rights or entitlements inherent in the Options and Option holders will not be entitled to participate in new issues of securities offered to Shareholders during the currency of the Options. However, the Company will ensure that for the purposes of determining entitlements to any such issue, the record date will be at least 5 Business Days after the issue is announced so as to give Option holders the opportunity to exercise their Options before the date for determining entitlements to participate in any issue.

(i) There is no right to change the Exercise Price of an Option nor the number of Shares over which the Option can be exercised, if the Company completes a pro rata issue of Shares which is not a bonus issue.

(j) If at any time the issued capital of the Company is reorganised, the rights of an Option holder are to be changed to the extent necessary to comply with the Listing Rules applying to a reorganisation of capital at the time of the reorganisation.
