Outlook

- H2 FY22 has started strongly with January Gross Sales growth of 32.4% YoY for the first 18 days.

Leading online retail marketplace for home and lifestyle products, MyDeal.com.au Limited (ASX: MYD, 'MyDeal' or the 'Company'), is pleased to provide an update on its activities for the quarter ended 31 December 2021 ("Q2 FY22").

Commenting on the results, MyDeal CEO, Sean Senvirtne said:

"We are very pleased to announce new records across all key metrics and sustained momentum flowing into H2 FY22 with MTD January Gross Sales up 32.4% yoy. Gross Sales of \$83.1 million for the quarter showed strong growth of 18.5% reflecting continued strength in both customer acquisition and retention, with Active Customer numbers reaching a record high of 963,882 and more than 60% of transactions coming from returning customers.

"A key focus for Q2 FY22 was the successful execution of our In-stock strategy which saw extraordinary Gross Sales growth of 240% yoy, following the launch of Third Party Brands in Q1 FY22. In-stock, which also includes Private Label, now accounts for 12% of Gross Sales. With this strong early demand from customers, we are excited about the potential for the In-stock business and we continue to invest and expand the range. Similarly, we continued to work through curation of the Marketplace range, ensuring that product quality and overall experience across the MyDeal platform meets and exceeds the high expectations of our loyal customer base."

¹ All numbers quoted are unaudited

² "Gross Sales" or "Gross Transaction Value" ("GTV") is a non-IFRS metric that represents the total value (unaudited) of transactions processed by MyDeal (including marketplace and in-stock), on a cash basis, before deducting refunds, chargebacks, discounts and coupons, but after deducting GST.

³ "Active Customers" are customers who have bought products through the MyDeal platform during the last 12 months.

“As we execute on our strategic priorities it is important that we continue to invest for growth and scale. Through this investment we have been able to capture a growing share of the Australian ecommerce market, increasing our top line Gross Sales, revenue and active customer numbers, which sets us up for long term, sustainable and profitable growth. We have set a relentless focus on driving scale, and these results are evidence that we are investing wisely while delivering on our growth objectives. Despite the ABS reporting a downturn in total Australian online retail sales of 8.7% in November 21 and 6.1% in October 21⁴, MyDeal has been able to resist this trend and grow at a significant rate.”

Q2 FY22 Performance: continued growth in all key metrics

MyDeal achieved Gross Sales of \$83.1 million for Q2 FY22, delivering 19.5% growth on Q1 FY22 and 18.5% growth over Q2 FY21.

Active customers reached a new record level of 963,882 as at 31 December 2021, up from 813,764 as at 31 December 2020 and 929,461 as at September 2021, reflecting strong customer acquisition and retention.

⁴ Australian Bureau of Statistics – Retail Trade Australia November 2021

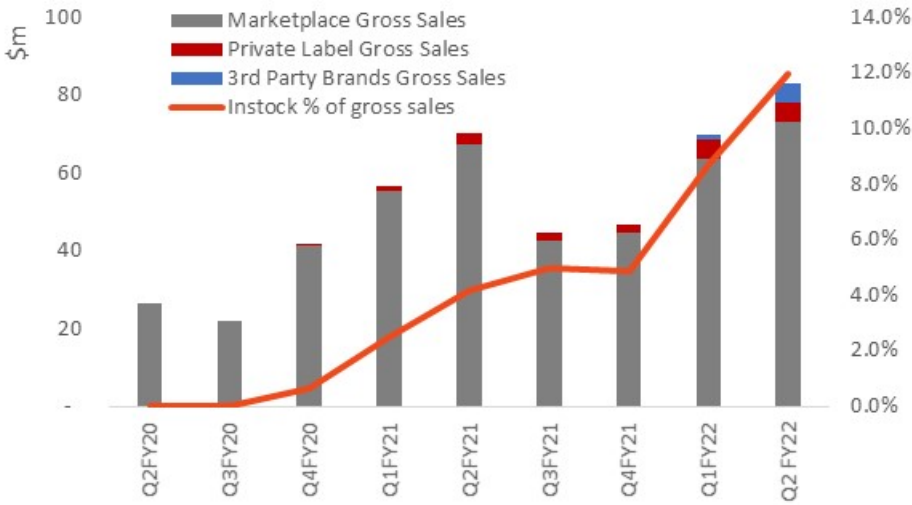

The positive trend in customer loyalty and repeat business continued during the quarter with 60.1% of all transactions coming from returning customers in Q2 FY22, up materially from 52.7% in Q2 FY21.

Return Customer Orders

In-stock momentum continues to build, generating \$4.9 million of Private Label Gross Sales in Q2 FY22 (Q2 FY21: \$2.9 million) and \$5.0 million of Third Party Branded Gross Sales in Q2 FY22. This business represents a major growth opportunity for MYD to grow sales and margins, and the Company will continue to expand its product range opportunistically.

In-stock Gross Sales

Q2 FY22 Cashflow commentary

Customer receipts were \$86.6 million for the quarter up 13.6% on pcp.

Negative operating cash of \$6.0 million for the quarter primarily reflected the deployment of IPO funds in line with the Company’s use of funds disclosure, including investment in personnel and inventory. Excluding investment in inventory, operating cashflow for the half year was \$4.5m.

The Company remains well capitalised, with \$40.1 million cash at bank as at 31 December 2021.

Outlook

Commenting on MyDeal's outlook, Sean Senvirtne said:

"Australians continue to shift online for their home and lifestyle needs, and with ecommerce adoption still low by global standards we see strong growth ahead for the industry over the next 3 to 5 years. With MyDeal's value offering underpinned by an extensive Marketplace range and growing In-stock business, the Company is well placed to maintain its track record of market share gains in a growing market.

"H2 FY22 has started strongly with January Gross Sales growth of 32.4% YoY for the first 18 days. Our focus going into H2 FY22 remains on customer acquisition and retention, expanding our In-stock range and promoting our mobile apps for iOS and Android. This will be complemented by enhanced personalisation and loyalty initiatives, as well as multi channel advertising campaigns which we expect to raise awareness of the MyDeal brand".

Annual timetable

The Company advises that its annual general meeting will be held on 16 November 2022 and the closing date for the receipt of nominations from persons wishing to be considered for election as a director, is 28 September 2022.
