This financial report has been prepared and issued by Charter Hall Limited (ACN 113 531 150) and Charter Hall Funds Management Limited (ACN 082 991 786, AFSL 262861) (CHFML) as Responsible Entity of the Charter Hall Property Trust (ARSN 113 339 147) (together, the Charter Hall Group or Group). The Charter Hall Group is incorporated and domiciled in Australia. The registered office of the Charter Hall Group is Level 20, No. 1 Martin Place, Sydney NSW 2000. The information contained in this report has been compiled to comply with legal and regulatory requirements and to assist the recipient in assessing the performance of the Group independently and does not relate to, and is not relevant for, any other purpose.

This report is not intended to be and does not constitute an offer or a recommendation to acquire any securities in the Charter Hall Group. The receipt of this report by any person and any information contained herein or subsequently communicated to any person in connection with the Charter Hall Group is not to be taken as constituting the giving of investment, legal, or tax advice by the Charter Hall Group, its related bodies corporate, its Directors or employees to any such person. Each recipient should consult their own counsel, accountant, and other advisers, as to legal, tax, business, financial and other considerations in relation to the Charter Hall Group.

Neither the Charter Hall Group, their related bodies corporate, Directors, employees nor any other person who may be taken to have been involved in the preparation of this report represents or warrants that the information contained in this report, provided either orally or in writing to a recipient in the course of its evaluation of the Charter Hall Group or the matters contained in this report, is accurate or complete.

Historical performance is not a reliable indicator of future performance. Due care and attention has been exercised in the preparation of forecast information; however, forecasts, by their very nature, are subject to uncertainty and contingencies, many of which are outside the control of the Group. Actual results may vary from any forecasts, and any variation may be materially positive or negative.

CHFML does not receive fees in respect of the general financial product advice it may provide; however, entities within the Charter Hall Group receive fees for operating the Charter Hall Property Trust in accordance with its constitution. Entities within the Group may also receive fees for managing the assets of, and providing resources to, the Charter Hall Property Trust. For the half year ended 31 December 2021

The Directors of Charter Hall Limited and the Directors of Charter Hall Funds Management Limited, the Responsible Entity (RE) of Charter Hall Property Trust, present their report together with the consolidated interim financial report of the Charter Hall Group (Group or CHC) and the consolidated interim financial report of the Charter Hall Property Trust Group (CHPT) for the half year ended 31 December 2021, and the independent auditor's report thereon. The interim financial report of the Group comprises Charter Hall Limited (Company or CHL) and its controlled entities, which include Charter Hall Funds Management Limited as the RE of Charter Hall Property Trust (Trust) and CHPT and its controlled entities. The interim financial report of the Charter Hall Property Trust Group comprises the Trust and its controlled entities.

Charter Hall Limited and Charter Hall Funds Management Limited have identical Boards of Directors. The term Board hereafter should be read as a reference to both these Boards.

The units in the Trust are 'stapled' to the shares in the Company. A stapled security comprises one Company share and one Trust unit. The stapled securities cannot be traded or dealt with separately.

Funds Management

The funds management business provides investment management, asset management, property management, development management and leasing and transaction services to the Group's \$79.5 billion funds management portfolio. On 22 December 2021, the Group announced a strategic partnership comprising a 50% investment in Paradice Investment Management, a fund manager with \$18.2 billion in funds under management invested in Australian and global listed equities.

The use of an integrated property services model, which earns fees from providing these services to the managed portfolio, enhances the Group's returns from capital invested. The Group also provides services to segregated mandates looking to capitalise on its property and funds management expertise. During the half year the funds management business contributed \$327.0 million (31 December 2020: \$149.9 million) in segment revenue to the Group.

Significant changes in the state of affairs

The Group has assessed the ongoing impact of the COVID-19 pandemic in preparing its financial statements, considering critical estimates and judgements applied in the measurement of the Group's assets and liabilities, and impacts on its business operations.

The Group's strategic focus on resilient property investments and funds management revenue streams has contributed to the COVID-19 pandemic continuing to have no identifiable material adverse impact on the Group's financial result.

With the potential and uncertain economic impacts of COVID-19, future property valuations, investment and development activity and funds management revenue could be adversely impacted.

Further disclosure is included in the following notes:

Investment in associates Note 2(b);

Revenue Note 4(a);

Fair value measurement Note 13(d).

For the half year ended 31 December 2021

Principal activities

During the period, the principal activities of the Group consisted of:

- (a) Investment in property funds;
- (b) Development investment; and
- (c) Funds management.

Matters subsequent to the end of the period

No matter or circumstance has arisen since 31 December 2021 that has significantly affected, or may significantly affect:

- (a) The Group's operations in future financial periods; or
- (b) The results of those operations in future financial periods; or
- (c) The Group's state of affairs in future financial periods.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out on page 8.

Rounding of amounts

The Company and the Trust is of a kind referred to in ASIC Corporations Instrument (Rounding in Financial/Directors' Reports) 2016/191, relating to the 'rounding off' of amounts in the Directors' Report. Amounts in the Directors' Report have been rounded off in accordance with that instrument to the nearest hundred thousand dollars, or in certain cases, to the nearest dollar.

Directors' authorisation

The Directors' Report is made in accordance with a resolution of the Directors. The Financial Statements were authorised for issue by the Directors on 25 February 2022. The Directors have the power to amend and re-issue the Financial Statements.

The above consolidated cash flow statements should be read in conjunction with the accompanying notes.

For the half year ended 31 December 2021

The interim financial report does not include all notes normally included in an annual financial report. Accordingly, this report should be read in conjunction with the annual report for the year ended 30 June 2021 and any public announcements made by the Charter Hall Group during the half year ended 31 December 2021, in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The accounting policies adopted in the preparation of the interim financial report are consistent with those of the previous financial year unless stated otherwise.

The notes to these interim financial statements include additional information to assist the reader in understanding the operations, performance and financial position of the Charter Hall Group and the Charter Hall Property Trust Group.

Critical accounting estimates and judgements

The preparation of the interim financial statements in conformity with applicable Australian Accounting Standards requires the use of certain critical accounting estimates and judgements in the process of applying accounting policies.

Estimates and judgements are continually evaluated and are based on experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances. The estimates or assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities are described in their respective notes:

- Note 2 Investments in associates
 - Note 3 Investments in joint ventures
 - Note 4 Revenue
 - Note 9 Intangible assets

The Group has assessed the ongoing impact of the COVID-19 pandemic in preparing its financial statements, considering critical estimates and judgements applied in the measurement of the Group's assets and liabilities, and impacts on its business operations.

The Group's strategic focus on resilient property investments and funds management revenue streams has contributed to the COVID-19 pandemic continuing to have no identifiable material adverse impact on the Groups financial result.

With the potential and uncertain economic impacts of COVID-19, future property valuations, investment and development activity and funds management revenue could be adversely impacted.

Further disclosure is included in the following notes:

Investments in associates Note 2(b);

Revenue Note 4(a);

Fair value measurement Note 13(d).

Segment information

(a) Description of segments

Charter Hall Group

The operating segments disclosed are based on the reports reviewed by the Board to make strategic decisions. The Board is responsible for allocating resources and assessing performance of the operating segments.

Operating earnings is a financial measure which represents statutory profit after tax adjusted for the items in Note 1(c). Operating earnings is the primary measure of the Group's underlying and recurring earnings. Operating earnings is used by the Board to make strategic decisions and as a guide to assessing an appropriate distribution to declare.

Net operating expenses excluding costs of sales are primarily related to the Funds Management segment.

The Board has identified the following three reportable segments, the performance of which it monitors separately.

Property investments

This segment comprises investments in property funds.

Development investments

This segment comprises investments in developments.

Funds management

This segment comprises investment management services and property management services.

For the half year ended 31 December 2021

1 Segment information continued

Charter Hall Property Trust Group

The Board allocates resources and assesses the performance of operating segments for the entire Charter Hall Group. Results are not separately identified and reported according to the legal structure of the Charter Hall Group and therefore segment information for CHPT is not prepared and provided to the Board.

(b) Critical judgements

Investments in associates are accounted for at either fair value through profit or loss or by using the equity method. The Group designates investments in associates as fair value through profit or loss or equity accounted on a case by case basis taking the investment strategy into consideration.

Management regularly reviews equity accounted investments for impairment and remeasures investments carried at fair value through profit or loss by reference to changes in circumstances or contractual arrangements, external independent property valuations and market conditions, using generally accepted market practices. When a recoverable amount is estimated through a value in use calculation, critical judgements and estimates are made regarding future cash flows and an appropriate discount rate. When a fair value is estimated through an earnings valuation, critical judgements and estimates are made in relation to the earnings measure and appropriate multiple.

Due to the prolonged increase in the fair value above the carrying amount, the previously recorded impairment for the Charter Hall Social Infrastructure REIT investment was reversed in the period. A period greater than 12 months was judged to be prolonged and fair value was determined by reference to market prices.

As a result, an impairment reversal of \$4.1m was recorded for Charter Hall Social Infrastructure REIT.

With the potential and uncertain economic impacts of COVID-19, future equity accounted investment values are sensitive to future property valuations of the underlying investment properties, and could be adversely impacted.

(c) Commitments and contingent liabilities of associates

Below are commitments and contingent liabilities of associates material to the Group's balance sheet.

Charter Hall Prime Office Fund's (CPOF) capital expenditure contracted for at the reporting date but not recognised as liabilities was \$511.0 million (30 June 2021: \$602.6 million) relating to investment properties. The Group's ownership in this associate is 5.4% (30 June 2021: 5.1%).

- 4 Revenue excludes share of net profits of equity accounted associates and joint ventures.

(a) Critical judgements

Critical judgements and estimates are made by the Group in respect of recognising performance fee revenue. Detailed calculations and an assessment of the risks associated with the recognition of the fee are completed to inform the assessment of the appropriate revenue to recognise. Key risks include the period remaining from balance sheet date to performance fee crystallisation date and the degree of probability that any potential fee may unwind during that period. Key drivers of performance fees are assessed based on historic data and prevailing economic conditions to inform judgements on the extent to which the fee can be reliably estimated.

Critical judgements are also made by the Group in respect of recognising development revenue. Detailed forecasts of total development costs are inputs that are used to estimate the satisfaction of the development performance obligation over time.

(a) Critical judgements

Critical judgements and estimates are made by the Group in assessing the recoverable amount of intangibles acquired, where the funds to which those intangibles relate have an indefinite life. Intangibles are considered to have an indefinite useful life if there is no foreseeable limit to the period over which the asset is expected to generate net cash inflows for the Group.

10 Borrowings continued

(a) Borrowings

Charter Hall Group

The Group's debt platform includes the following:

An unsecured \$200.0 million (30 June 2021: \$200.0 million) bank debt facility plus an additional \$30.0 million (30 June 2021: \$30.0 million) unsecured facility to support the bank guarantees with maturity in May 2026. At 31 December 2021, drawn borrowings of \$nil (30 June 2021: \$nil) and issuance of bank guarantees of \$24.7 million (30 June 2021: \$22.6 million) had been utilised under these facilities, which under the terms of the agreements reduce the available facilities. No liability is recognised for bank guarantees.

US\$175 million (A\$231.5 million at issue date) unsecured notes issued through a US Private Placement which was fully funded in August 2018 and matures in August 2028.

- The Group has entered into A\$/US\$ cross currency interest rate swap agreements that hedge the Group's exposure to foreign currency. The swap agreements entitle the Group to repay the notes at A\$231.5 million in August 2028. At 31 December 2021, the carrying amount of the notes at the prevailing spot rate was A\$262.4 million (30 June 2021: A\$259.3 million) including a fair value adjustment of A\$21.3 million (30 June 2021: A\$25.9 million). The movement in carrying amount since issuance is offset by the fair value of the swap.
- The swap agreements also entitle the Group to receive interest, at semi-annual intervals, at a fixed rate on a notional principal amount of US\$175.0 million and oblige it to pay, at quarterly intervals, at a floating rate on a notional principal amount of A\$231.5 million. The swap agreements mature in August 2028.

A\$250 million fixed rate unsecured medium term notes (MTN) issued in April 2021, maturing in April 2031.

The Group has entered into an interest rate swap agreement to swap the fixed interest rate exposure of the notes to a floating exposure over BBSW. At 31 December 2021, the carrying amount of the notes was A\$245.5 million (30 June 2021: A\$253.5 million), including a fair value adjustment of A\$4.5 million (30 June 2021: A\$3.5 million). The carrying amount is offset by the fair value of the swap.

DLWF Facility

During the half year as at 30 June 2021 the fund had increased its bank debt facility limit to A\$250.0 million (30 June 2021: A\$80.0 million) and NZ\$10.0 million (30 June 2021: NZ\$7.0 million), secured against the fund's investment properties (see Note 8). The facility has a maturity date of October 2026 (30 June 2021: July 2024). At 31 December 2021 drawn borrowings of A\$76.5 million (30 June 2021: A\$33.5 million) and NZ\$8.2 million (30 June 2021: NZ\$7.0 million), had been utilised under the facility respectively.

12 Non-controlling interests

During the period, the Group decreased its holding in the Charter Hall Direct Long WALE Fund (DLWF) from 32.3% to 21.4% (30 June 2021: from 39.6% to 32.3%), increasing the non-controlling interest from 67.7% to 78.6%.

13 Fair value measurement

The fair value of financial assets and financial liabilities must be estimated for recognition and measurement or for disclosure purposes.

A fair value measurement of a non-financial asset takes into account the Group's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The fair value of financial instruments traded in active markets is determined using quoted market prices at the balance date. The quoted market price used for financial assets held by the Group is the current bid price; the appropriate quoted market price for financial liabilities is the current ask price.

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Group uses a variety of methods and makes assumptions that are based on market conditions existing at each balance date. Other techniques, such as estimated discounted cash flows, are used to determine fair value for the remaining financial instruments.

(a) Recognised fair value measurement

The Charter Hall Group and the Charter Hall Property Trust Group measure and recognise the following assets and liabilities at fair value on a recurring basis:

- Investments in associates at fair value through profit and loss (Note 2)
 - Investment properties (Note 8)
 - Derivatives

AASB 13 Fair Value Measurement requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- (i) Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities;
- (ii) Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and
- (iii) Level 3 Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

For the half year ended 31 December 2021

There have been no transfers between Level 1, Level 2 and Level 3 during the period.

(b) Disclosed fair values

The carrying amounts of current trade receivables and payables approximate their fair values due to their short-term nature. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the Charter Hall Group and Charter Hall Property Trust Group for similar financial instruments. The fair value of current borrowings approximates the carrying amount, as the impact of discounting is not significant.

(c) Valuation techniques used to derive Level 2 fair values

Derivatives

Derivatives are classified as Level 2 on the fair value hierarchy as the inputs used to determine fair value are observable market data but not quoted prices.

The fair value of cross currency interest rate swaps is determined using forward foreign exchange market rates and the present value of the estimated future cash flows at the balance date.

The fair value of interest rate swaps is determined using forward interest rates and the present value of the estimated future cash flows at the balance date.

For the half year ended 31 December 2021

13 Fair value measurement continued

Credit value adjustments are calculated based on the counterparty's credit risk using the counterparty's credit default swap curve as a benchmark. Debit value adjustments are calculated based on the Group's credit risk using debt financing available to the Group as a benchmark.

(d) Valuation techniques used to derive Level 3 fair values

Investments in associates

Certain unlisted property securities have been designated on initial recognition to be treated at fair value through profit or loss.

Movements in fair value during the period have been recognised in the consolidated statement of comprehensive income. These assets have been acquired with the intention of being long-term investments. Where the assets in this category are expected to be sold within 12 months, they are classified as current assets; otherwise they are classified as non-current.

The fair value of investments in associates held at fair value through profit and loss, which are investments in unlisted securities, are determined by giving consideration to the unit prices and net assets of the underlying funds. The unit prices and net asset values are largely driven by the fair values of investment properties and derivatives held by the funds. Recent arm's length transactions, if any, are also taken into consideration.

The fair value of investments in associates at fair value through profit or loss is impacted by the price per security of the investment. An increase to the price per security results in an increase to the fair value of the investment.

Investment property

The fair value measurement of investment property takes into account the Group's ability to generate economic benefits by using the asset in its highest and best use.

The use of independent external valuers is on a rotational basis at least once every 12 months, or earlier, where the Responsible Entity deems it appropriate or believes there may be a material change in the carrying value of the property. The Responsible Entity has considered the impact of the COVID-19 pandemic with regards to the timing of obtaining independent external valuations and as a result, 100% of Investment Property was externally revalued as at 31 December 2021 (98% by value on a look-through basis).

Movements in the inputs are likely to have an impact on the fair value of investment properties. An increase in gross market rent will likely lead to an increase in fair value. A decrease in adopted capitalisation rate, adopted terminal yield or adopted discount rate will likely lead to an increase in fair value.

With the potential and uncertain economic impacts of COVID-19, future property valuations could be adversely impacted.

Where an independent valuation is not obtained, the fair value is determined using discounted cash flow and income capitalisation methods.

14 Commitments

(a) Capital commitments

Charter Hall Group

The Group has capital expenditure and a funding guarantee contracted for at the reporting date but not recognised as liabilities of \$17.9 million at 31 December 2021 (30 June 2021: \$34.4 million) relating to a development joint venture.

Charter Hall Property Trust Group

The Trust Group had no contracted capital commitments as at 31 December 2021 (30 June 2021: \$nil).

15 Contingent liabilities

The Group has nil contingent liabilities as at 31 December 2021 (30 June 2021: \$nil) other than the bank guarantees provided for under the bank facility held by Charter Hall Property Trust (refer to 10(a)).

16 Events occurring after the reporting date

No matter or circumstance has arisen since 31 December 2021 that has significantly affected, or may significantly affect:

- (a) The Group's operations in future financial periods; or
- (b) The results of those operations in future financial periods; or
- (c) The Group's state of affairs in future financial periods.

For the half year ended 31 December 2021

17 Summary of significant accounting policies

(a) Basis of preparation

The Charter Hall Group (Group, CHC or Charter Hall) is a 'stapled' entity comprising Charter Hall Limited (Company or CHL) and its controlled entities, and Charter Hall Property Trust (Trust or CHPT) and its controlled entities (Charter Hall Property Trust Group). The shares in the Company are stapled to the units in the Trust. The stapled securities cannot be traded or dealt with separately. The stapled securities of the Group are listed on the Australian Securities Exchange (ASX). CHL has been identified as the parent entity in relation to the stapling.

The two Charter Hall entities comprising the stapled group remain separate legal entities in accordance with the Corporations Act 2001, and are each required to comply with the reporting and disclosure requirements of Accounting Standards and the Corporations Act 2001.

As permitted by ASIC Corporations (Stapled Group Reports) Instrument 2015/838, this financial report is a combined financial report that presents the consolidated financial statements and accompanying notes of both the Charter Hall Group and the Charter Hall Property Trust Group.

The financial report of the Charter Hall Group comprises CHL and its controlled entities, including Charter Hall Funds Management Limited (Responsible Entity) as responsible entity for CHPT and CHPT and its controlled entities. The results and equity, not directly owned by CHL, of CHPT have been treated and disclosed as a non-controlling interest. Whilst the results and equity of CHPT are disclosed as a non-controlling interest, the stapled securityholders of CHL are the same as the stapled securityholders of CHPT. The financial report of the Charter Hall Property Trust Group comprises the Trust and its controlled entities.

This general purpose interim financial report for the half year ended 31 December 2021 has been prepared in accordance with the constitution of CHPT, Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Act 2001.

Where necessary, comparative information has been adjusted to conform with changes in presentation in the current year.

(b) New and amended standards adopted

No new accounting standards or amendments have come into effect for the half year ended 31 December 2021 that affect the Group's operations or reporting requirements.

(c) Other critical accounting estimates and judgements In addition to the critical accounting estimates and judgements disclosed in the notes, the following estimates or assumptions also have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

Deferred tax

Critical judgements and accounting estimates are made in assessing the extent to which the utilisation of tax losses carried forward is considered probable and the corresponding deferred tax asset recognised.

Controlled entities

The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Critical judgements are made in assessing whether an investee entity is controlled or subject to significant influence or joint control. These judgements include an assessment of the nature, extent and financial effects of the Group's interest in investee entities, including the nature and effects of its contractual relationship with the entity or with other investors.

Directors' declaration to securityholders

For the half year ended 31 December 2021

In the opinion of the Directors of Charter Hall Limited (Company), and the Directors of the Responsible Entity of Charter Hall Property Trust (Trust), Charter Hall Funds Management Limited (collectively referred to as the Directors):

- (a) the interim financial statements and notes of Charter Hall Limited and its controlled entities including Charter Hall Property

 Trust and its controlled entities (Charter Hall Group) and Charter Hall Property Trust and its controlled entities (Charter Hall

 Property Trust Group) set out on pages 9 to 29 are in accordance with the *Corporations Act 2001*, including:
 - (i) complying with Accounting Standards, the *Corporations Regulations 2001* and other mandatory professional reporting requirements; and
 - (ii) giving a true and fair view of Charter Hall Group's and Charter Hall Property Trust Group's financial position as at 31 December 2021 and of their performance for the half year ended on that date; and
 - (b) there are reasonable grounds to believe that both Charter Hall Limited and the Charter Hall Property Trust will be able to pay their debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Directors.

- the notes to the consolidated financial statements, which include a summary of significant accounting policies and explanatory notes
- the directors' declaration to securityholders.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying interim financial reports of Charter Hall Group and Charter Hall Property Trust Group do not comply with the *Corporations Act 2001* including:

- giving a true and fair view of the Charter Hall Group's and Charter Hall Property Trust Group's financial positions as at 31 December 2021 and of their performance for the half-year ended on that date
- 2. complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity (ASRE 2410). Our responsibilities are further described in the Auditor's responsibilities for the review of the interim financial reports section of our report.

We are independent of the Charter Hall Group and Charter Hall Property Trust Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibilities of the directors for the interim financial reports

The directors of Charter Hall Limited and Charter Hall Funds Management Limited, the responsible entity of Charter Hall Property Trust (collectively referred to as "the directors") are responsible for the preparation of the interim financial reports that give a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the interim financial reports that gives a true and fair view and are free from material misstatement whether due to fraud or error.

Auditor's responsibilities for the review of the interim financial reports

Our responsibility is to express a conclusion on the interim financial reports based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the interim financial reports are not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Charter Hall Group's and Charter Hall Property Trust Group's financial positions as at 31 December 2021 and of their performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of an interim financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
