## ZIP SUCCESSFULLY COMPLETES A\$148.7 MILLION INSTITUTIONAL PLACEMENT

### Placement

Zip Co Limited (ASX: Z1P) (“**Zip**”) is pleased to announce the successful completion of its fully underwritten A\$148.7 million institutional placement, announced on Monday, 28 February 2022 (the “**Placement**”). Proceeds raised under the Placement will help Zip strengthen its balance sheet and position Zip for sustainable growth by providing more capital runway to execute on the potential synergies from its proposed acquisition of Sezzle Inc. (the “**Proposed Transaction**”), announced on Monday, 28 February 2022<sup>1</sup>.

The Placement received strong support from existing and new investors. The issue price for the new Zip ordinary shares issued under the Placement was A\$1.90 per share (the “**Placement Price**”), representing a discount of 14% to Zip’s last closing price of A\$2.21 on Friday, 25 February 2022.

The Placement will result in the issue of approximately 78.3 million new Zip ordinary shares (the “**Placement Shares**”), representing approximately 13.3% of Zip’s existing shares on issue<sup>2</sup>. The Placement Shares will rank equally with existing Zip ordinary shares and are expected to settle on Thursday, 3 March 2022 and commence trading on Friday, 4 March 2022. The Placement is not conditional on the Proposed Transaction occurring and is occurring without Zip shareholder approval under Zip’s ASX Listing Rule 7.1 placement capacity.

### Share Purchase Plan

As previously announced, following completion of the Placement eligible Zip shareholders<sup>3</sup> will have the opportunity to participate in a non-underwritten Share Purchase Plan to raise up to A\$50 million (the “**SPP**”) <sup>4</sup>. Under the SPP, eligible shareholders will have the opportunity to apply for up to A\$30,000 of new Zip ordinary shares without incurring broker or transaction costs<sup>5</sup>.

The issue price of the new Zip ordinary shares to be issued under the SPP (the “**SPP Shares**”) will be the lower of:

- the Placement Price of A\$1.90; and
- a 2% discount to the 5 day volume weighted average price of Zip ordinary shares up to and including the closing date of the SPP (currently scheduled for Friday, 1 April 2022).

The SPP Shares will rank equally with existing Zip ordinary shares from their issue date. The SPP is not conditional on the Proposed Transaction completing. Full details of the SPP will be set out in the SPP offer booklet, which is
