Dear Barbara,

**RE: OZGROWTH LIMITED – REQUEST FOR TRADING HALT**

Ozgrowth Limited (ASX: OZG) (the **Company**) requests that ASX Limited grant an immediate trading halt of its securities.

In accordance with ASX Listing Rule 17.1, the Company provides the following information:

- The Company refers to the Scheme Implementation Agreement (**SIA**) dated 22 December 2021 between the Company and WAM Capital Limited (**WAM Capital**).
- The Company has given notice to WAM Capital under the SIA of a breach of the Condition Precedent under clause 3.1(g) of the SIA (No Material Adverse Effect) (**MAE Condition**). A Material Adverse Effect has occurred under paragraph (c) of the definition of Material Adverse Effect in clause 1.1 of the SIA, because:
  - the WAM Capital share price premium to NTA was greater than 25% on the Calculation Date (31 March 2022); and
  - none of the exceptions under paragraphs (d) to (i) of the definition of Material Adverse Effect apply.
- The Company requests the trading halt pending the outcome of discussions with WAM Capital in an effort to resolve the matter.
- The Company requests that the trading halt remain in place until the commencement of normal trading on Tuesday 5 April 2022 unless before that time the Company requests that the trading halt be lifted.
- The Company will provide an update on the status of the Conditions Precedent which will be the event that the Company expects to end the trading halt.
- The Company is not aware of any reason why the trading halt should not be granted.

Yours sincerely
