Powering better, safer workplaces

CEO presentation following 2022 AGM

cvcheck.com

Name change to Kinatico Ltd

The members of CV Check Ltd have this afternoon voted to approve a change of company name from CV Check Ltd to Kinatico Ltd.

The name Kinatico Ltd has been reserved with ASIC and a trademark application has been filed for the new name. Following this meeting, the Company secretary will lodge a Form 205 with ASIC and pay the requisite fee.

The name Kinatico Ltd will take legal effect following ASIC's approval of the change. Thereafter, the ASX will be asked to update the ASX platform and issue a new stock code (the stock code KYP has also been reserved).

The following presentation adopts and presents to shareholders, the branding that will be associated with the new name.

• **Recognition of country**

Kinatico acknowledges the Traditional Owners of the land on which we meet and work throughout Australia and New Zealand. We recognise Aboriginal and Torres Strait Islander peoples' continuing connection to land, place, waters and community. Kinatico recognises the unique role of Māori as Tangata Whenua and embraces Te Tiriti o Waitangi recognising Māori as tino rangitiratanga of Aotearoa/New Zealand while embracing the three guiding principles of the Treaty – Partnership Participation and Protection.

We pay our respects to their cultures, country and elders past present and emerging and will endeavour to implement bicultural policies and practices that incorporate and value cultural concepts and values.

- **Introducing Kinatico**

We are the “know your people” technology company helping employers to manage their workforce and meet their regulatory compliance needs.

Some of the largest employers in Australia and New Zealand rely on Kinatico solutions to ensure they have the best people, in the right jobs, where they need to be.

Global trends towards mobile and remote teams have driven increasing demand for people-based solutions that leverage smart technology. Kinatico (formerly CV Check) has met that need through continuous innovation, serving nearly 1 million individuals and over 30,000 businesses across every sector of the economy.

Kinatico

Certainty, every day

Why Kinatico...

Two key themes which formed the name and design

- Kinetic movement is vital - **Kin**
- A world where data is trusted – **at**
- Powering Insights - **i**
- Global aggregator of Reg Tech - **Co**

The point doubles down on the concept of movement, where the data point (dot) also represents our global connections and the 360/holistic approach behind our technology.

How we make a significant difference to real-time compliance management

Daily entry and management of all information required for organisational compliance

- ✓ Monitored compliance provides a real-time view of compliance status in an organisation
- ✓ It monitors and verifies that people have been identified and have the required credentials including, but not limited to, qualifications, training, inductions, certifications and health status to fulfill their role
- ✓ It allows for the capture and reporting of daily compliance artefact information including, but not limited to, geolocated check-ins, safety inspections and ready-to-start checks
- ✓ Compliance issues are instantly flagged for action
- ✓ Historical data can be instantly recalled with full detail
- ✓ Future or changing requirements can be forecast and planned
- ✓ Expiry of certifications flagged for action before it becomes an issue

Catch compliance deficiencies before they become issues.
