Directors' Report

The Directors of Southern Cross Media Group Limited ("the Company") submit the following report for Southern Cross Austereo, being Southern Cross Media Group Limited and its subsidiaries ("the Group"), for the half year ended 31 December 2022. In order to comply with the provisions of the *Corporations Act 2001*, the Directors report as follows:

Directors

The following persons were Directors of the Company during the whole of the financial half year, unless otherwise stated, and up to the date of this report:

- Rob Murray (Chairman)
- Grant Blackley (Managing Director)
- Glen Boreham
- Carole Campbell
- Ido Leffler
- Heith Mackay-Cruise
- Helen Nash
- Melanie Willis (Retired 31 August 2022)

Principal Activities

The principal activities of the Group during the course of the financial half year were the creation of audio content for distribution on broadcast (AM, FM and DAB radio) and digital networks. The Group also broadcasts free-to-air television content in regional markets. These media assets are monetised via revenue generated from the development and sale of advertising solutions for clients.

There were no changes in the nature of the Group during the half year.

Review and Results of Operations

The Group reported revenue of \$258.8 million for the 6 month period ended 31 December 2022, which was broadly consistent with prior year revenue of \$259.7 million. EBITDA for the 6 months was \$43.1 million decreasing 10.6% from \$48.2 million for the same period in the prior year. Excluding government grants received in the prior year of \$1.7 million, EBITDA decreased by 7.3%. Net profit after tax was \$14.6 million for the 6 months ended 31 December 2022, decreasing from a net profit after tax of \$16.8 million for the same period in the prior year.

EBITDA is a measure that, in the opinion of the Directors, is a useful supplement to net profit in understanding the cash flow generated from operations and available for payment of income taxes, debt service and capital expenditure. EBITDA is useful to investors because analysts and other members of the investment community largely view EBITDA as a widely recognised measure of operating performance. EBITDA disclosed within the Directors' Report is equivalent to "Profit before income tax expense for the half year from continuing operations excluding: depreciation and amortisation expense; impairment of intangibles and investments; interest expense and other borrowing costs and interest revenue" included within the Consolidated Statement of Comprehensive Income.

Significant Items

In the 6 months to 31 December 2022 there were no significant items to report.

Dividends

The final dividend for the year ended 30 June 2022 was 4.75 cents per fully paid share, fully franked and was paid on 4 October 2022 by the Company. Since the end of the financial half year ended 31 December 2022 the Directors have declared an interim ordinary dividend of 4.60 cents per fully paid share, fully franked (31 December 2021 interim dividend: 4.5 cents). The interim dividend will be paid on 11 April 2023 by the Company.

Significant Changes in State of Affairs

In the opinion of the Directors, there were no significant changes in the state of affairs of the Group that occurred during the half year under review.

Events Occurring After Balance Date

Events occurring after balance date are outlined in Note 12 "Events Occurring after Balance Date" to the Financial Statements.

Directors' Holdings of Shares

The aggregate number of Company fully paid shares held directly, indirectly or beneficially by directors of the Company at the date of this report is 606,073 (30 June 2022: 621,439).

Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out on page 3.

Impairment of goodwill and intangible assets with indefinite useful lives

The value of licences, trademarks, brands and goodwill is allocated to the Group's cash generating units ("CGUs") identified as Audio, being the regional and metro free-to-air commercial radio broadcasting and related operations and Television, being the regional television broadcasting operations. The indefinite lived intangible assets relating to the Television CGU were fully impaired in the year ended 30 June 2019.

The Group tests at least annually whether goodwill and intangible assets with indefinite useful lives have suffered any impairment and when there is an indication of impairment. The tests incorporate assumptions regarding future events which may or may not occur, resulting in the need for future revisions of estimates.

Hedge accounting

The Group designated interest rate swaps held as cash flow hedges and has applied hedge accounting.

The Group documents the relationship between hedging instruments and hedged items, as well as its risk management objective and strategy for undertaking the hedge transactions. The Group also documents its assessment, both at hedge inception and on an ongoing basis, of whether the derivatives that are used in hedging transactions have been and will continue to be highly effective in offsetting changes in cash flows of hedged items.

The fair values of derivative financial instruments used for hedging purposes are presented within the balance sheet. Movements in the hedging reserve are shown within the Consolidated Statement of Changes in Equity. The full fair value of a hedging derivative is classified as a non-current asset or liability when the remaining maturity of the hedged item is more than 12 months; it is classified as a current asset or liability when the remaining maturity of the hedged item is less than 12 months.

In 2018 the Group entered into \$100 million of interest rate swap contracts under which it is obliged to receive interest at variable rates and pay interest at fixed rates starting in January 2018 at an average fixed rate of 2.25%. On 8 April 2021, the Group terminated \$72 million of these swaps. The remaining \$28 million interest rate swap contracts expired on 10 January 2022. In the 2020 financial year the Group entered into \$100 million of interest rate swap contracts under which it is obliged to receive interest at variable rates and pay interest at fixed rates starting in January 2021 at an average fixed rate of 1.04%. These interest rate swap contracts expired on 9 January 2023.

Cash flow hedge

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated in reserves in equity. The gain or loss relating to the ineffective portion is recognised immediately in the Consolidated Statement of Comprehensive Income.

Amounts accumulated in equity are reclassified to profit or loss in the periods when the hedged item affects profit or loss (for instance when the forecast sale that is hedged takes place). The gain or loss relating to the effective portion of interest rate swaps hedging variable rate borrowings is recognised in profit or loss within “interest expense and other borrowing costs”. When a hedging instrument expires or is sold or terminated, or when a hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss existing in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in profit or loss. When a forecast transaction is no longer expected to occur, the cumulative gain or loss that was reported in equity is immediately reclassified to profit or loss.

Independent auditor's review report to the members of Southern Cross Media Group Limited

Report on the half-year financial report

Conclusion

We have reviewed the half-year financial report of Southern Cross Media Group Limited (the Company) and the entities it controlled during the half-year (together the Group), which comprises the consolidated statement of financial position as at 31 December 2022, the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, significant accounting policies and explanatory notes and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Southern Cross Media Group Limited does not comply with the *Corporations Act 2001* including:

1. giving a true and fair view of the Group's financial position as at 31 December 2022 and of its performance for the half-year ended on that date
2. complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity* (ASRE 2410). Our responsibilities are further described in the *Auditor's responsibilities for the review of the half-year financial report* section of our report.

We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibilities of the directors for the half-year financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

Auditor's responsibilities for the review of the half-year financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2022 and of its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
