

## Extension of On-market Share Buy-back Program

Sydney, 24 February 2023

Aristocrat Leisure Limited ("Aristocrat") (ASX: ALL) today announced that it will extend its current on-market share buy-back program, as part of its ongoing capital management strategy.

With A\$478 million of shares bought back since June 2022, the Board has approved an increase in the scale of the on-market share buy-back program to allow up to a further A\$500 million in shares to be bought back over an additional 12 month period ending May 2024. The share buy-back program will continue to be conducted on an opportunistic basis and Aristocrat reserves the right to vary, suspend or terminate the on-market share buy-back program at any time.

Aristocrat's Chief Executive Officer Trevor Croker said: "With the A\$500 million on-market share buy-back program previously announced in May 2022 nearing completion, and our consistently strong cash flow generation, we are able to continue to pursue a mix of returns to shareholders via dividends and share buy-backs while also investing in strategic acquisitions and organic growth initiatives."
