# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the half-year ended 28 January 2023

## 1 Segment Information

Management has determined the operating segments based on the reports reviewed by the Chief Executive Officer that are used to make strategic decisions about the allocation of resources.

The Chief Executive Officer considers the business based on total store and product portfolio, and has identified that the Group operates in Australia in the department store retail segment.

The Group also undertakes activities outside the department store retail business through its subsidiaries: sass & bide and Marcs and David Lawrence. On the basis that these subsidiaries represent less than 10% of the total Group's operations and have similar economic characteristics to the department store retail business, they have not been disclosed as separate reporting segments.

### Seasonality of operations

The financial performance of the Group is subject to seasonal fluctuations in sales volumes, and as such revenue and profit is historically weighted in favour of the first half of the financial period, driven by the Christmas trading period.

## 2 Fair Value Measurement of Financial Instruments

As at 28 January 2023 and 30 July 2022, the Group held the following derivative financial instruments:

	28 January 2023 \$m	30 July 2022 \$m
<b>Current assets</b>		
Forward foreign exchange contracts	2.1	5.3
Total current derivative financial instrument assets	2.1	5.3
<b>Non-current assets</b>		
Forward foreign exchange contracts	0.4	0.3
Total non-current derivative financial instrument assets	0.4	0.3
<b>Current liabilities</b>		
Forward foreign exchange contracts	11.9	0.6
Total current derivative financial instrument liabilities	11.9	0.6
<b>Non-current liabilities</b>		
Forward foreign exchange contracts	1.7	0.1
Total non-current derivative financial instrument liabilities	1.7	0.1

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1: quoted prices (unadjusted) in active markets for identical assets and liabilities;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liabilities either directly (as prices) or indirectly derived from prices; and
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

All of the Group's financial instruments were valued using the Level 2 technique, with no transfers between levels during the period.

The fair value of forward foreign exchange contracts is determined using the present value of future cash flows based on the forward exchange rates at the end of the reporting period.

## ***Independent auditor's review report to the members of Myer Holdings Limited***

### **Report on the half-year financial report**

#### ***Conclusion***

We have reviewed the half-year financial report of Myer Holdings Limited (the Company) and the entities it controlled during the period (together the Group), which comprises the consolidated balance sheet as at 28 January 2023, the consolidated statement of comprehensive income, consolidated statement of changes in equity, consolidated statement of cash flows and consolidated income statement for the period from 31 July 2022 to 28 January 2023, significant accounting policies and explanatory notes and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Myer Holdings Limited does not comply with the *Corporations Act 2001* including:

1. giving a true and fair view of the Group's financial position as at 28 January 2023 and of its performance for the period from 31 July 2022 to 28 January 2023
2. complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

#### ***Basis for conclusion***

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity* (ASRE 2410). Our responsibilities are further described in the *Auditor's responsibilities for the review of the financial report* section of our report.

We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

#### ***Responsibilities of the directors for the financial report***

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

#### ***Auditor's responsibilities for the review of the financial report***

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that

the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 28 January 2023 and of its performance for the period from 31 July 2022 to 28 January 2023, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
