

MARLEY SPOON

PROPOSED EQUITY RAISING AND BUSINESS COMBINATION WITH 468 SPAC II SE

Berlin, Sydney, 25 April 2023: Marley Spoon SE (“**Marley Spoon**” or the “**Company**” ASX: MMM), a leading global subscription-based meal kit provider, today announces a series of transactions to inject committed capital into the Company, to reduce and renegotiate certain debt terms and to simplify its operating and regulatory structure. Marley Spoon has attractive growth prospects, but its current capital, operating and regulatory structure has limitations that are viewed as constraining shareholder value. The steps announced today establish a pathway to list in Frankfurt am Main, Germany, in line with the Company’s German domicile.

These actions follow a comprehensive strategic review to consider a range of options to optimise shareholder value, including strategic mergers, take-private transactions, regional divestments or joint ventures and other capital solutions.

New and existing investors of the Company have committed A\$52m in equity to the Company by way of new placement shares, subject to shareholder approval, at a price equivalent to A\$0.17 per CDI (a 17% premium to last close) to support the Company’s near-term growth and working capital needs.

The Company has also entered into a Business Combination Agreement (“**BCA**”) with a Special Purpose Acquisition Company, 468 SPAC II SE (“**468 SPAC**”) which is related to Marley Spoon’s major CDI holder, 468 Capital II GmbH & Co. KG (“**468 Capital**”), and that is listed on the Frankfurt Stock Exchange (FRA: SPV2):

- Approximately 70% of the Company’s existing shareholders have agreed to transfer their holdings to the Frankfurt listed 468 SPAC in consideration for new shares in 468 SPAC at an exchange ratio that is currently equivalent to A\$0.21 per CDI, a 45% premium to the last close;
- The investors participating in the A\$52m capital raise have also agreed to transfer their holdings to 468 SPAC, meaning approximately 83% of the Company’s shareholders (assuming the placements are completed) are supportive of the transaction;
- All other CDI holders will have the same opportunity to exchange their ASX listed CDIs for equity in 468 SPAC, at the same exchange ratio, under a separate direct offer which will be made if the acquisitions referred to above are successfully completed; and
- Runway Growth Finance Corp. (“**Runway**”) (the Company’s primary debt provider) supports the transaction and has agreed to a number of amendments to its debt terms, including extending the maturity date and interest-only period.

Marley Spoon is incorporated and registered in Germany, but not listed there, and is accordingly regulated by the Australian Corporations Act as a foreign company and therefore not subject to Australian or German takeover protections. Having regard to this unusual status, the Supervisory Board has required the Company to negotiate minority protections in the BCA. All CDI holders not part of the initial acquisition will be provided with an equivalent opportunity to participate in the offer from 468 SPAC. The Company intends to provide detailed information to properly assess the offer once launched by 468 SPAC, including the provision of an Independent Expert's Report. In addition, the BCA reflects an intention of 468 SPAC to delist the Company from the ASX, to achieve a simplified operating and regulatory structure, which will attract minority protections under German Law.

Chairman of Marley Spoon's Supervisory Board, Deena Shiff, commented *"The Company has thoroughly considered all available options to restore and enhance shareholder value by deleveraging its balance sheet and having access to additional capital to sustain the Company on its current trajectory to positive free cash flow. The transactions that have been negotiated provide valuable capital to the Company and were sponsored by long term investors with conviction that Marley Spoon can weather the uncertain economic climate in its key markets and continue to flourish. The transactions also establish a pathway to simplifying the regulatory structure for the Company. The desired end result is that Marley Spoon will be domiciled and listed on the Frankfurt exchange and not remain dual listed in both Australia and Germany."*

HIGHLIGHTS:

Placements of New Shares

- The Company has entered into certain investment agreements ("**Investment Agreements**") with new investors and existing security holders ("**Placement Investors**") to raise approximately A\$52m (€32m) ("**Placements**"). One investor has the ability to upsize which would take the total amount to approximately A\$57m (€35m).¹ The Placements shall be settled through the Company issuing 30.77m new no-par value registered shares ("**Placement Shares**") at a price of A\$1.70 per share to the Placement Investors. The Placement Shares would be equivalent to 307.7m CDIs (at A\$0.17 per CDI), representing 78% of the total Marley Spoon CDIs on issue at the date of this announcement. All Placement Shares will be sold by the Placement Investors to 468 SPAC as part of the Initial Acquisitions referred to below, and as such, the Company does not expect the Placement Shares to be transmuted into CDIs tradeable on the ASX. The funds raised under the Placements will support the Company's near-term growth and working capital needs.
- The Placements will be undertaken in two tranches. Under the first tranche, Union Square Ventures will subscribe for up to 2.92m Placement Shares (to raise A\$5.0m (€3.0m)). This tranche will be completed shortly following the date of this announcement. The second tranche of 27.85m Placement Shares (to raise approximately A\$47.3m (€29.0m)) will be subject to shareholder approval. The second tranche may be upsized up to A\$52m (€32m) subject to the relevant investor's election. A notice of meeting seeking shareholder approvals for the second tranche will be dispatched to Marley Spoon securityholders as soon as practicable after the date of this announcement, with Placement Shares to be issued under this second tranche shortly following that meeting, assuming shareholder approvals are obtained.

Initial Acquisitions and Subsequent Direct Tender Offer

- 468 SPAC is a European-based special purpose acquisition company, listed on the Frankfurt Stock Exchange with €210m (~A\$345m) of redeemable cash-in-trust.

¹ The investor may assign such right to any one or more third parties.

- Certain holders of Marley Spoon CDIs and shares (Conifer Capital Management, Union Square Ventures, 468 Capital, entities associated with Fabian Siegel, and other new investors participating in the Placements) (together **"Significant Security Holders"**) have each entered into a conditional sale agreement (together **"Sale Agreements"**) with 468 SPAC to sell their shares/CDIs (representing 70% of Marley Spoon's existing shares/CDIs), along with any new shares subscribed for under the Placements to 468 SPAC (**"Initial Acquisitions"**), representing 83% of the capital on issue post Placements², for stock in 468 SPAC.
- Under the terms of the Sale Agreements, in exchange for these CDIs and shares, 468 SPAC has agreed to issue 0.0128 468 SPAC shares for each Marley Spoon CDI (implies an offer price of A\$0.21, a 45% premium to the closing price of Marley Spoon CDIs on 24 April 2023).³ The Initial Acquisitions are subject to closing conditions as described below, including 468 SPAC shareholder approval.
- 468 SPAC has agreed to make a subsequent unconditional off-market, direct tender offer to other CDI Holders to acquire their Marley Spoon CDIs, pursuant to a Business Combination Agreement (the **"BCA"**) between Marley Spoon and 468 SPAC, for the same consideration as the Initial Acquisitions, being a certain number of 468 SPAC shares, determined by dividing the valuation of the Marley Spoon CDIs at A\$0.21 by the fixed valuation of €10.00, but based on the prevailing EUR/AUD exchange rate shortly prior to the Subsequent Direct Tender Offer and irrespective of the trading value of 468 SPAC shares at that time, subject to completion of the Initial Acquisitions (**"Subsequent Direct Tender Offer"**).⁴
- The offer price of A\$0.21 per Marley Spoon CDI implied by the exchange ratio represents an Equity Value⁵ of A\$148m and Enterprise Value of A\$193m for Marley Spoon assuming each of the Placements completes.⁶
- Subject to completion of the Initial Acquisitions, there is potential for further capital to be provided to the Company by 468 SPAC, which currently maintains an investor escrow trust account with €210m (~A\$345m) in cash-in-trust, although 468 SPAC is not obliged to provide any such capital. The potential for provision of any further capital will be subject to the level of redemptions by shareholders of 468 SPAC of their shares in 468 SPAC in connection with the approval by 468 SPAC shareholders of the Initial Acquisitions.
- Marley Spoon will remain listed on the ASX immediately following completion of the Initial Acquisitions and Subsequent Direct Tender Offer. 468 SPAC intends to seek 100% ownership of the Company as soon as practicable following completion of the Subsequent Direct Tender Offer. The BCA provides that the means by which this will be effected will depend on the ownership of 468 SPAC in Marley Spoon post closing of the Initial Acquisitions, which could include an offer to acquire remaining Marley Spoon CDIs by way of a scheme of arrangement, a further direct offer to Marley Spoon CDI holders, or measures under German law such as the implementation of a domination and/or profit and loss transfer agreement or a squeeze-out.

² Ordinary share capital on issue today (39,335,973), plus additional shares issued from Placements (30,769,228), plus additional shares issued from payment of Runway Deferral Fee (569,320) excluding ESOP or other convertible options.

³ The number of 468 SPAC shares on offer determined by dividing the valuation of the Marley Spoon CDIs at A\$0.21 by the fixed valuation of newly issued shares in 468 SPAC at €10.00, based on the EUR/AUD exchange rate of 1.63.

⁴ This announcement is not a prospectus or offering document under Australian law or under any other law. It is for information purposes only and does not constitute an advertisement for an offer or an offer, invitation, solicitation, advice or recommendation to subscribe for or purchase any securities in 468 SPAC in any jurisdiction nor does it contain any application form for securities. Neither this announcement nor anything contained in it shall form the basis of any contract or commitment and it is not intended to induce or solicit any person to engage in, or refrain from engaging in, any transaction. Any application for 468 SPAC shares will be made under and in accordance with and on the basis of information contained in the Subsequent Direct Tender Offer documentation.

⁵ Equity value based on ordinary share capital on issue today (393,359,730 CDIs), plus additional CDIs issued from Placements (307,692,280), plus additional CDIs issued from Runway Deferral Fee (5,693,200), excluding ESOP or other convertible options.

⁶ Net debt of A\$45.1m based on total debt of A\$128.5m and cash of A\$31.1m as at 31 December 2022 adjusted for A\$52.3m of proceeds from the equity raise (assumes upside not subscribed to). Assumes fully diluted CDIs of 706,745,210.

Alternatively, if the capital position of the Company permits, the Company may seek to implement initiatives such as a buy-back of Marley Spoon CDIs not held by 468 SPAC.

Runway Debt Facility Terms Amended

- Runway has agreed to certain amendments to the Company's existing debt facilities, including the extension of the maturity date and interest-only period of the full debt facility as well as cash interest payable for the six months from April to September 2023 to be capitalised to the outstanding loan balance.

Further detail on each of the above is provided in Appendix A.

REGULATION OF MARLEY SPOON

The Subsequent Direct Tender Offer will not be a takeover bid for the purposes of the Corporations Act 2001 (Cth) ("**Corporations Act**"). Where the Subsequent Direct Tender Offer is received by Marley Spoon CDI holders in Australia, that offer will be made in accordance with Division 5A of Chapter 7 of the Corporations Act.

As previously disclosed by Marley Spoon, including in its IPO Prospectus and last public capital raising documentation in December 2022, Marley Spoon is incorporated and registered in Germany, and German laws relating to the protection of the interests of minority shareholders apply to the Company. The Company is not subject to provisions under the Corporations Act which may protect minority shareholders in circumstances where a person seeks to acquire a substantial interest in, or control of, Marley Spoon. Therefore 468 SPAC is not required by law to make an offer, including a takeover bid under Australian law to acquire the remaining Marley Spoon CDIs following completion of the Initial Acquisitions. However, the Marley Spoon Supervisory Board and the Marley Spoon Management Board have negotiated the BCA with 468 SPAC for 468 SPAC to make the Subsequent Direct Tender Offer on the terms and conditions referred to above.

FURTHER INFORMATION ON 468 SPAC

468 SPAC is a special purpose acquisition company ("**SPAC**") formed in January 2022 (raising €210m (~A\$345m)), trading publicly on the Frankfurt Stock Exchange, which was created to seek a business combination with a business in the technology-enabled space. 468 SPAC is sponsored by Alexander Kudlich, Dr. Ludwig Ensthaler and Florian Leibert, founders of the technology investment firm 468 Capital, and the members of its supervisory board, Katharina Juenger, Mato Perić and Stefan Kalteis. Under the BCA, the members of the Marley Spoon Management Board will replace the current Management Board of 468 SPAC after completion of the Initial Acquisitions.

SPAC transaction approval and redemption processes

As is customary for SPACs, the capital currently held by 468 SPAC (€210m (~A\$345m) cash-in-trust) is subject to redemption by the SPAC shareholders up until the SPAC shareholders vote on the Initial Acquisitions which is scheduled to occur in late June. The level of redemptions by 468 SPAC shareholders will impact the amount of cash-in-trust that is available to 468 SPAC following completion of the Initial Acquisitions. 468 SPAC cash-in-trust may (but it is not obligated to) be made available by 468 SPAC following completion of the Initial Acquisitions to fund Marley Spoon's operations (subject to applicable funding arrangements, corporate and regulatory approvals).

On completion of the Initial Acquisitions, the only interests held by 468 SPAC in operating businesses will be its interest of 83% in Marley Spoon. The remaining amount of cash-in-trust, and proportion of 468 SPAC held by the Significant CDI Holders (and existing 468 SPAC shareholders who have not redeemed) will therefore be known prior to launch of the Subsequent Direct Tender Offer.

468 SPAC and the Company are estimated to incur transactions costs of approximately €5.0m (A\$8.2m)⁷ and €3.9m (A\$6.3m), respectively, if the transactions are completed.

Capital Structure

The key elements of the 468 SPAC capital structure are as follows:

- **Public Shares & Warrants:** 21.0m public shares on issue to 468 SPAC shareholders issued at €10.00 per share, in addition to 7.0m warrants (granted to public shareholders at IPO). The public shares are subject to redemptions, which will impact the ultimate capital structure in the 468 SPAC. The warrants remain on issue with a strike price of €11.50.
- **Sponsor Promote:** 5.25m promote shares issued to 468 SPAC sponsors. The promote shares will convert into public shares of 468 SPAC if the trading price of 468 SPAC exceeds certain thresholds ranging from €10.00 to €20.00 following completion of the Initial Acquisitions, and 5% of these will convert on completion of the Initial Acquisitions, and with the balance depending on the trading price. The sponsors of 468 SPAC have agreed to assign up to 2.625m promote shares (representing up to 50% of the total number of promote shares) to new investors in the Placements and existing shareholders of 468 SPAC who do not redeem their shares.
- **Sponsor Warrants:** There are 5.14m warrants on issue to 468 SPAC sponsors which will not be exercised (subject to approval by 468 SPAC shareholders).

Pursuant to the BCA, the current Management Board of Marley Spoon will remain in place on completion of the Initial Acquisitions. Following completion of the Initial Acquisitions, 468 SPAC Sponsors will be entitled to nominate for appointment at least two members to the Supervisory Board of the Company, as approved in the general meeting by Marley Spoon securityholders.

Strategic Review and Board Assessment

As announced to the market in February 2023, Marley Spoon has been undertaking a comprehensive strategic review to assess options to optimise shareholder value, which included strategic mergers, take-private transactions, regional divestments or joint ventures and other capital solutions.

The Management Board and the Supervisory Board of Marley Spoon have carefully considered the transactions described in this announcement and concluded that they collectively represent:

- an opportunity to recapitalise the Company in a challenging and uncertain capital environment and provide further capital for growth;
- the potential to access capital held by 468 SPAC, and establish a pathway to list on the Frankfurt Stock Exchange in line with its German domicile;
- the first step to simplifying Marley Spoon's operating and regulatory structure; and
- a premium for Marley Spoon CDI holders relative to Marley Spoon's recent market price.

Marley Spoon has engaged an Independent Expert to prepare a report on whether, in the Independent Expert's opinion, the Subsequent Direct Tender Offer is in the best interests of security holders. The Independent Expert's

⁷ Additional incentive fees related to certain non-redemptions of 468 SPAC cash-in-trust may be payable to SPAC advisors.

report will be shared along with further information on the Subsequent Direct Tender Offer from the Company following a launch of the Subsequent Direct Tender Offer.

Additionally, the members of Marley Spoon's Management Board, being Fabian Siegel, Jennifer Bernstein and Rolf Weber, have each agreed to a lockup period on their shares and CDIs in Marley Spoon, and any Consideration SPAC Shares following their issue, for the period of one year following completion of the Initial Acquisitions.

Next Steps

Marley Spoon CDI holders do not need to take any action at the present time. 468 SPAC is required to make the Subsequent Direct Tender Offer as soon as practicable following completion of the Initial Acquisitions, and the parties will work to follow the indicative timetable provided in Appendix A.

Advisors

Marley Spoon was advised by Greenhill & Co as its financial advisor and Clayton Utz and GLNS as its legal advisors in relation to the transactions. The Supervisory Board was advised by DLA Piper.

*** 'New Investor C' has the option to upsize its investment by €3.0m to €5.0m. If it does, then an additional 28,846,160 CDIs would be allotted to 'New Investor C' (equivalent to total 6.5% ownership) and total CDIs on issue would equal 735,591,370.

¹⁰ Shares issued under the Placement will not be transmuted to CDIs (ratio of Marley Spoon CDIs to Marley Spoon Shares, being 10:1).

The Subsequent Direct Tender Offer will be made substantially in accordance with the terms described in Section 4 of the BCA.

The Subsequent Direct Tender Offer will be made to CDI holders and documented in accordance with all applicable laws, including the Corporations Act.¹²

This **BUSINESS COMBINATION AGREEMENT** is made on April 25, 2023

BETWEEN:

- (1) **Marley Spoon SE**, a European company (*société européenne*) incorporated under the laws of Germany and registered in the commercial register (*Handelsregister*) of the local court (*Amtsgericht*) of Charlottenburg under HRB 250627 B with registered office at Paul-Lincke-Ufer 39-40, Berlin, Germany (“**Marley Spoon**” or “**Company**”);
- and
- (2) **468 SPAC II SE**, a European company (*société européenne*) incorporated under the laws of the Grand Duchy of Luxembourg and registered in the Luxembourg Trade and Companies’ Register (*Registre du commerce et des sociétés, Luxembourg*) under B 257664 with registered office at 9, rue de Bitbourg, L-1273 Luxembourg, Grand Duchy of Luxembourg, (“**468 SPAC**”).

Marley Spoon and 468 SPAC are hereinafter individually referred to as a “**Party**” and collectively as the “**Parties**”.

PREAMBLE

- (A) Marley Spoon is a meal kit delivery service that provides customers with pre-portioned ingredients and recipe cards to prepare their own meals at home. Marley Spoon operates in several countries, including several European countries, the United States and Australia (the “**Business**”). In 2018, Marley Spoon made an initial public offering to acquire fully paid CHESS Depositary Interests (“**CDIs**”) over Marley Spoon Shares with ISIN AU0000013070 (“**MS CDIs**”). Under the laws of the Commonwealth of Australia (“**Australian Law**”), CDIs confer the beneficial ownership in foreign securities with the legal title to such shares being held by an Australian depositary nominee. The MS CDIs are admitted for quotation at the Australian Securities Exchange (the “**ASX**”).
- (B) 468 SPAC is a European special purpose acquisition company. Its purpose is the acquisition of one operating business with principal business operations in a member state of the European Economic Area (“**EEA**”) or the United Kingdom or Switzerland that is based in the technology and technology-enabled sector with a focus on the sub-sectors consumer technology and software & artificial intelligence through a merger, capital stock exchange, share purchase, asset acquisition, reorganization or similar transaction.
- (C) The Parties intend to achieve a business combination between Marley Spoon and 468 SPAC (the “**Acquisition**” or the “**Business Combination**”) through a number of private acquisitions of MS Shares (as defined below) from shareholders of Marley Spoon by 468 SPAC (the “**Private Acquisitions**”). In order to effect the Private Acquisitions, 468 SPAC has entered into share purchase agreements (the “**SPAs**”) with 468 Capital II GmbH & Co. KG, TEIXL Investments GmbH, Acacia II Partners, LP, Acacia Partners, L.P., Acacia Institutional Partners, L.P., Acacia Conservation Fund, LP, Acacia Conservation Master Fund (Offshore), LP, Mr. Gregory Alexander, USV Marley Spoon A, LLC, USV Marley Spoon B, LLC, Akowi GmbH, Lakestar I LP, QD Investments Ltd / QD Ventures Ltd, MexAttax GmbH, Mr. Jerome Lhoist, Mr. Sudeep

Ramesh Ramnani and Mr. Jai Ashok Mahtani (together, the “**Rolling Shareholders**”). Together, the Rolling Shareholders represent approximately 70% of the share capital of Marley Spoon.

- (D) Under the SPAs, the Rolling Shareholders have agreed to sell and transfer all MS Shares they hold at Closing of the Business Combination against newly issued shares in 468 SPAC. The agreed valuation of one MS CDI under the SPAs is AUD 0.21. The closing of the SPAs is, *inter alia*, subject to the approval of the Business Combination by the shareholders of 468 SPAC.
- (E) The Rolling Shareholders will become shareholders in the combined entity following the closing of the Business Combination.
- (F) The Business Combination will close (the “**Closing**”) upon the acquisition of MS Shares under the SPAs with the Rolling Shareholders, in each case against the issuance of new shares in 468 SPAC.
- (G) In order to implement the Business Combination, the Parties are consummating (i) this Agreement and (ii) the other agreements and documents referred to in Sections 3 and 5 (the “**Ancillary Documents**” and together with this Agreement, the “**Transaction Documents**”; and the Business Combination together with all other transactions contemplated by the Transaction Documents, for the avoidance of doubt explicitly not including the Subsequent Direct Offer, together, the “**Transactions**”).
- (H) To provide Marley Spoon with additional funds already prior to the Closing of the Business Combination, Marley Spoon has entered into investment agreements with 468 Capital, Mr. Sudeep Ramesh Ramnani, Mr. Jai Ashok Mahtani, Mr. Jerome Lhoist and two investment entities of the venture capital firm Union Square Ventures on the date hereof (together, the “**Investment Agreements**”).
- (I) Pursuant to the Investment Agreements, Marley Spoon intends to increase its share capital by an aggregate amount of up to EUR 35 million against cash contributions through the issuance of up to 33,653,844 newly issued shares with a nominal value of EUR 1.00 each (the “**Newly Issued Shares**”). Up to 9,615,384 of the Newly Issued Shares with an aggregate notional value of up to EUR 9,615,384.00 shall be issued to 468 Capital II GmbH & Co. KG with registered seat in Berlin, Germany, (“**468 Capital**”) against cash contribution at an issue price of EUR 1.04 per Newly Issued Share by way of a capital increase under exclusion of subscription rights in favour of 468 Capital on the basis of a corresponding resolution by the Company’s general shareholders’ meeting to be proposed for approval to the Company’s general shareholders’ meeting (the “**Capital Increase without Subscription Rights**”). The other Newly Issued Shares will be subscribed for by Mr. Sudeep Ramesh Ramnani, Mr. Jai Ashok Mahtani, Mr. Jerome Lhoist (or any of its affiliates) and two investment entities of the venture capital firm Union Square Ventures. Should the Capital Increase without Subscription Rights not be consummated at least two weeks prior to the end of the acceptance period under the Subsequent Direct Offer (as defined below), the Marley Spoon shareholder resolution concerning the Capital Increase without Subscription Rights shall expire and the Capital Increase without Subscription Rights shall no longer be pursued. In such case, 468 Capital will contribute the difference of EUR 10,000,000 and the amount already invested under the Capital Increase without Subscription Rights into 468 SPAC against the issuance of the corresponding number of new shares in

468 SPAC, *provided*, however, that if such investment in 468 SPAC cannot be achieved on the same economic terms as agreed between the Company and 468 Capital, 468 Capital shall have the right to rescind (*zurücktreten*) from its obligations under its Investment Agreement with the Company.

- (J) In the respective SPAs, 468 Capital and the Rolling Shareholders have agreed to sell and transfer their respective Newly Issued Shares to 468 SPAC in connection with the Business Combination.
- (K) With a view to recognize the investment of the investors who have entered into the Investment Agreements and their support of the Business Combination as well as of shareholders of 468 SPAC, who are willing to enter into non-redemption agreements or similar agreements with 468 SPAC concerning the Business Combination, the Sponsors and Co-Sponsors (both as defined below) have agreed to transfer a certain amount of certain classes of Sponsor Shares (as defined below), collectively constituting up to fifty percent (50%) of their entire holding of Sponsor Shares.
- (L) Following the completion of the Business Combination through the Private Acquisitions under the SPAs with the Rolling Shareholders, (i) 468 SPAC will hold a certain number of the MS Shares, and (ii) the Rolling Shareholders, who entered into SPAs with 468 SPAC, will own a certain number of shares in 468 SPAC. Holders of MS CDIs, who have not entered into SPAs with 468 SPAC, will continue to hold their MS CDIs.
- (M) Subsequently to the Closing of the Business Combination, 468 SPAC (i.e., the combined entity) will make a direct unsolicited offer to all holders of MS CDIs (the “**Subsequent Direct Offer**”). In the Subsequent Direct Offer, 468 SPAC will offer all holders of MS CDIs to tender their MS CDIs against a certain number of newly issued shares in 468 SPAC. The economic terms of the Subsequent Direct Offer (i.e., a valuation of one MS CDI of AUD 0.21) will be the same as the terms that have been agreed with the Rolling Shareholders under the SPAs. The Subsequent Direct Offer will enable the shareholders of Marley Spoon (other than the Rolling Shareholders) to make a decision on whether to tender their shares in full knowledge of the effects of the completed Business Combination. The holders of MS CDIs who accept the Subsequent Direct Offer will become shareholders in the combined entity following the closing of the Subsequent Direct Offer.
- (N) Following the Closing of the Business Combination, 468 SPAC intends to seek 100% ownership of the Company as soon as practicable. The means by which this will be effected will depend on the ownership of 468 SPAC in Marley Spoon post-Closing. Assuming sufficient cash reserves, this could include a scrip and cash offer by way of a scheme of arrangement, a direct offer, implementation of a domination and/or profit and loss transfer agreement or a squeeze-out. Alternatively, the Company may seek to implement initiatives such as a buy-back, if the capital position of the Company permits.
- (O) This Agreement sets forth the principal terms and conditions of the Transactions as well as the mutual intentions and understandings of the Parties with regard thereto, as well as the future organisational and corporate governance structure of the combined entity.

NOW THEREFORE, the Parties hereby agree as follows:

1. DEFINED TERMS; SCHEDULES

1.1 Defined Terms

Defined terms in capital letters used in this Agreement but not otherwise defined herein shall have the meaning attributed to them as set forth in **Schedule 1.1**.

1.2 Schedules

A list of all Schedules attached to this Agreement is set forth in **Schedule 1.2**.

2. CORPORATE STRUCTURE

2.1 Marley Spoon

2.1.1 The Company's share capital amounts to EUR 39,335,973 and is divided into 39,335,973 no-par-value shares (*nennwertlose Stückaktien*) (the shares of the Company from time to time, the "**MS Shares**").

2.1.2 The Marley Spoon Shares are represented by 393,359,730 MS CDIs. Additionally, options and restricted stock units for 22,035,291 MS CDIs are currently allotted under the Company's: (i) post-IPO Share Option Programs (the "**MS SOPs**"); and (ii) Restricted Stock Unit Programs (the "**MS RSUPs**"; the MS SOPs and the MS RSUPs collectively the "**MS Pre-Combination ESOPs**").

2.2 468 SPAC

2.2.1 468 SPAC's share capital amounts to EUR 420,000 and is divided into:

- (a) 21,000,000 redeemable class A shares, each without nominal value, listed on the Frankfurt Stock Exchange under ISIN LU2380748603 (all such shares from time to time, the "**Public Shares**"); and
- (b) 5,250,000 class B shares, consisting of (i) 262,500 class B1 shares, (ii) 1,487,500 class B2 shares, (iii) 1,750,000 class B3 shares, and (iv) 1,750,000 class B4 shares, each without nominal value (the "**Sponsor Shares**" and together with the Public Shares, the "**468 SPAC Shares**").

A list of 468 SPAC's shareholders (the "**468 SPAC Shareholders**") as of the date of this Agreement, to 468 SPAC's Knowledge, is attached to this Agreement as **Schedule 2.2.1**.

2.2.2 468 SPAC has issued 7,000,000 class A warrants, listed on the Frankfurt Stock Exchange under ISIN LU2380748785 (the "**Public Warrants**") and 5,140,000 class B warrants (the "**Sponsor Warrants**" and collectively with the Public Warrants, the "**468 SPAC Warrants**"), each entitling the holder of a 468 SPAC Warrant, as applicable, in accordance with the terms and conditions of the Public Warrants or Sponsor Warrants, to exercise one 468 SPAC Warrant for one Public Share.

3. BUSINESS COMBINATION BY WAY OF PRIVATE ACQUISITIONS

- (a) The Parties intend to achieve the Business Combination through the acquisition of MS Shares from the Rolling Shareholders under the Private Acquisitions. The Private Acquisitions are based on the SPAs that 468 SPAC has entered into with the Rolling Shareholders. Together, the Rolling Shareholders represent approximately 70% of the share capital of Marley Spoon.
- (b) In the respective SPAs, 468 Capital and the Rolling Shareholders have also agreed to sell and transfer their respective Newly Issued Shares to 468 SPAC in connection with the Business Combination. Therefore, it is expected that at the Closing of the Business Combination, 468 SPAC will hold approximately 83% of the share capital of Marley Spoon.
- (c) Under the SPAs, the Rolling Shareholders agreed to sell and transfer their MS Shares against newly issued shares in 468 SPAC. The agreed valuation of one MS CDI is AUD 0.21 and the number of Public Shares to be received by each Rolling Shareholder at Closing of the Business Combination is determined by dividing the valuation of the MS CDIs at AUD 0.21 by the valuation of the newly issued shares in 468 SPAC at EUR 10.00 in accordance with the applicable exchange rate (the “**Consideration Shares**”).
- (d) The closing of the Private Acquisitions is, *inter alia*, subject to the 468 SPAC Shareholder Approval.
- (e) The Business Combination will close upon the completion of the acquisition of MS Shares from the Rolling Shareholders under the Private Acquisitions in accordance with the SPAs.

4. SUBSEQUENT DIRECT OFFER

468 SPAC (i.e., the combined entity) will make the Subsequent Direct Offer if, and only if, the Business Combination through the Private Acquisitions has been completed successfully, following the Closing of the Business Combination substantially in accordance with the following terms (the “**Subsequent Direct Offer Terms**”).

4.1 Subsequent Direct Offer Terms

As soon as reasonably practicable following the Closing of the Business Combination, 468 SPAC will make the Subsequent Direct Offer to all holders of MS CDIs (other than the Rolling Shareholders) in accordance with all applicable Laws.

4.2 Consideration

The consideration for the Subsequent Direct Offer will amount to AUD 0.21 per MS CDI (same as under the SPAs with the Rolling Shareholders) and each holder of MS CDIs accepting the Subsequent Direct Offer will receive as consideration for each MS CDI a corresponding number of Public Shares in 468 SPAC (i.e., the combined entity), valued at their original issue price of EUR 10.00, and rounded down to the nearest whole number (i.e., the number of Public Shares as determined by dividing the valuation of the MS CDIs at AUD 0.21 by EUR 10.00 in accordance with the applicable exchange rate), with the excess share fractions to be compensated in cash.

4.3 Offer Period, Closing

The Subsequent Direct Offer will provide for an offer period of no less than four (4) weeks. At the closing of the Subsequent Direct Offer, 468 SPAC will issue to each holder of MS CDIs who has accepted the Subsequent Direct Offer a number of (newly issued) Public Shares in accordance with Section 4.2.

4.4 No Closing Conditions

The Subsequent Direct Offer will have no closing conditions, other than as required in accordance with applicable Law.

4.5 No right to withdrawal

The Subsequent Direct Offer will not provide for a right of withdrawal for holders of MS CDIs who have accepted the Subsequent Direct Offer except to the extent required by Law.

4.6 Response of the Marley Spoon Management Board and Marley Spoon Supervisory Board in relation to the Subsequent Direct Offer

The Marley Spoon Management Board intends to recommend the acceptance of the Subsequent Direct Offer to the holders of MS CDIs, but this is subject to its review of the offer document, the determination in the Independent Expert's Report in accordance with Section 6.1 and its fiduciary duties at the time.

The Marley Spoon Supervisory Board is not required to provide a formal recommendation under Law, however it intends to respond to the Subsequent Direct Offer outlining the benefits to shareholders, the Company and its stakeholders, having regard to the offer document, Independent Expert's Report in accordance with Section 6.1 and its fiduciary duties at the time.

5. ANCILLARY TRANSACTIONS AND ANCILLARY DOCUMENT

5.1 Voting, Non-Redemption and Sponsor Economics Amendment Agreement

Pursuant to its Governing Documents, 468 SPAC is required, in connection with the Business Combination, to provide an opportunity to the 468 SPAC Shareholders to have their outstanding Public Shares redeemed. Concurrently with the execution of this Agreement, the 468 SPAC Sponsors are entering into a voting and non-redemption agreement with Marley Spoon in the form as set out in **Schedule 5.1** (the "**Voting, Non-Redemption and Sponsor Economics Amendment Agreement**"). Pursuant to the Voting, Non-Redemption and Sponsor Economics Amendment Agreement, among other things, the 468 SPAC Sponsors undertake, towards the other 468 SPAC Sponsors and Marley Spoon, (i) to vote in favour of the Business Combination and the other Transactions, (ii) to take necessary actions in order to consummate the Business Combination and the other Transactions, (iii) not to exercise redemption rights in connection with the Business Combination, in each case, on the terms and subject to the conditions set forth in the Voting, Non-Redemption and Sponsor Economics Amendment Agreement, and (iv) not to exercise the Sponsor Warrants and to take any necessary action to amend the terms and conditions of the Sponsor Warrants to increase the exercise price of the Sponsor Warrants to EUR 500.00.

5.2 Amendment of MS Pre-Combination ESOPs

The Parties will work together to ensure that new equity participation plans shall be proposed to, and adopted by, the relevant corporate bodies of 468 SPAC following the Closing with regard to 22,035,291 MS CDIs granted under the MS Pre-Combination ESOP (the “**New ESOP**”). To the extent legally permissible, the New ESOP shall provide for the following key commercial terms: (i) the MS Pre-Combination ESOP shall continue to vest in accordance with their original vesting schedule, with the exception of the number of 4,304,954 2021 grants, for which the respective vesting shall recommence upon implementation of the corresponding New ESOP over the next three years; (ii) the consummation of the Business Combination and/or the implementation of the New ESOP shall not constitute an exit event or cause an accelerated vesting under the MS Pre-Combination ESOP. The further commercial terms & conditions and the concrete size of the New ESOP shall be discussed between the Parties in good faith in due course following the Signing. The Parties intend that the New ESOP provides for terms and conditions designated to properly incentivize its beneficiaries. For the avoidance of doubt, the maximum ESOP allocation post-Transaction will result in the maximum equivalent of 22,035,291 MS CDIs and is therefore capped, considering any newly created or existing ESOP plan.

5.3 Support of existing financing arrangements

5.3.1 Obtaining Waivers

In case the consummation of the Business Combination would constitute a change of control within the meaning of the existing financing arrangements of the Company, the Company will use commercially best efforts to obtain corresponding waivers in due course following the Signing.

5.3.2 Support of 468 SPAC

If obtaining a waiver of a change of control within the meaning of the existing financing arrangements of the Company in respect of the consummation of the Business Combination requires the Company to cause 468 SPAC to any action reasonably requested by the financing sources of the Company, including to accede to such existing financing arrangements of the Company as a guarantor and/or to grant security over its assets for such existing financing arrangements of the Company, 468 SPAC shall use commercially best effort to perform such action as and at the time reasonably required pursuant to the terms of such waiver following the Closing.

6. CORPORATE APPROVALS

6.1 Marley Spoon Corporate Approvals

The Marley Spoon Management Board and the Marley Spoon Supervisory Board, in accordance with any legal requirements, have (i) determined that this Agreement, the Business Combination and the Transactions are in the best interest of Marley Spoon and (ii) adopted resolutions as set out in **Schedule 6.1** approving this Agreement and the Transactions.

Marley Spoon may commission an Independent Expert's Report to conclude whether the Subsequent Direct Offer is fair and reasonable. Subject to the determination in the Independent Expert's Report and its fiduciary duties, the Marley Spoon Management Board and the Marley Spoon Supervisory Board may or may not recommend, or withdraw such recommendation for, the acceptance of the Subsequent Direct Offer to the holders of MS CDIs as described in Section 4.6. For the avoidance of doubt, such conclusion of the Independent Expert's Report will have no other effect on the obligations of the Marley Spoon Management Board and the Marley Spoon Supervisory Board as agreed in the Transaction Documents.

6.2 468 SPAC Corporate Approvals

The 468 SPAC Management Board and the 468 SPAC Supervisory Board, in accordance with any legal requirements, have (i) determined that this Agreement, the Business Combination and the Transactions, are fair to and in the best interest of, 468 SPAC, (ii) adopted resolutions as set out in **Schedule 6.2** recommending the approval of this Agreement and (iii) will call a shareholders' meeting of 468 SPAC in order to procure the 468 SPAC Shareholder Approval.

7. LOCK-UP

7.1 Sponsor Lock-up

The Sponsors and the Co-Sponsors have committed not to transfer, pledge or sell any Sponsor Shares, Sponsor Warrants and Public Shares held by the Sponsors and Co-Sponsors as a result of the exercise of the Sponsor Warrants other than to permitted transferees until the first anniversary of the Business Combination (the "**Sponsor Lock-up**"). The Sponsor Lock-Up shall not apply to the class B1 shares that convert into Public Shares at the Closing of the Business Combination, reflecting 5% of the total Sponsor Shares.

7.2 Management Lock-up

Concurrently with the execution of this Agreement, the MS Shareholders listed in **Schedule 7.2** (the "**Management Shareholders**") are entering into a lock-up agreement (the "**Management Lock-Up Agreements**") pursuant to which each of the Management Shareholders covenant and agree (i) that they will not, and will not agree to transfer, assign, pledge or sell any of their shares held in Marley Spoon or MS CDIs during the period until the Closing and (ii) that they will not, and will not agree to transfer, assign, pledge or sell any Consideration Shares until the first anniversary of the Business Combination.

8. REPRESENTATIONS AND WARRANTIES RELATING TO THE COMPANY

Subject to (i) Sections 16.1 and 16.8 and (ii) the limitations pursuant to Section 8.29, the Company hereby represents and warrants to 468 SPAC, unless otherwise disclosed in the disclosure schedules relating to the Company, attached hereto as **Schedule 8** (the "**Company Disclosure Schedules**") that the representations and warranties pursuant to Section 8.1 to (and including) Section 8.29 (the "**Company Warranties**") shall be true and correct in each case as of the Signing Date, except for (i) the Company Fundamental Representations which shall be true and correct as of the Signing Date and as of the

Closing and (ii) the Company Warranties that are made explicitly as of a specific date which shall be true and correct only as of such date.

8.1 Organisation and Qualification

None of the Group Companies is in violation of any material provisions of its articles of association.

8.2 Capitalisation of the Group Companies
