Securities under the Company's Employee Incentive Securities Plan

Issue, Conversion and Expiry of Performance Rights

In accordance with various Listing Rules, the Company has a requirement to lodge an Appendix 3G or Appendix 3H, as applicable, in regards to the Issue, Conversion or Expiry of Equity Securities under the Company's Employee Incentive Securities Plan within 10 business days of each quarters end.

During the reconciliation of the Company's complex employee incentive securities scheme for the March 2023 quarter and as part of the review undertaken as part of the appointment of the new company secretary, it became apparent that the Company did not previously disclose the issue, conversion and expiry of performance rights that occurred in the December 2022 quarter, and as such these changes to the Company's capital structure have now been included in the March 2023 Appendix 3Gs and Appendix 3H lodged today. The Company notes that where performance rights have converted the Shares are transferred to the employee in question from quoted shares already on issue and held by the Trustee of the Company's ESS Trust.

Salary Sacrifice

Family Zone Cyber Safety Limited's (**FZO** or **Company**) employees are provided the opportunity to convert some of their cash based remuneration into security based remuneration, with the objective of conserving the Company's cash reserves and aligning the interests of employees with shareholders through having an equity interest in the Company.

The Company confirms that as part of the review undertaken, the Company issued shares on 7 February 2023 and 14 March 2023 to the Trustee of the Company's ESS Trust to be transferred/allocated to employees in due course in accordance with the terms of their participation in the salary sacrifice arrangements described above under the Company's Employee Incentive Securities Plan.

An Appendix 2A – Application for Quotation of Securities in respect of the 5,422,555 shares issued to the Trustee of the Company's ESS Trust under the Company's Employee Incentive Securities Plan has been lodged today.
