Spark Finance extends Westpac Sustainability-Linked Loan

Spark Finance Limited, the wholly owned subsidiary of Spark New Zealand Limited ("Spark") that carries out the borrowing activities for the Spark group, announced today that it has extended the term of its NZ\$200 million committed revolving sustainability-linked loan facility with Westpac New Zealand Limited ("Facility") by three years, to mature on 30 November 2026. The extension utilises the same sustainability performance targets that were established over a five year horizon and externally verified at the inception of the Facility in November 2021.

The Facility will be used for general corporate purposes.
