ASX/Media Release

7 December 2023

Termination of Scheme Implementation Deed

Origin Energy Limited (Origin) refers to its announcement on 4 December 2023 advising the Scheme Meeting results for the proposed acquisition of Origin involving a Brookfield-led consortium of investors (Brookfield) and EIG, by way of a Scheme of Arrangement (Scheme).

As the Scheme was not approved by the requisite majorities of shareholders at the Scheme Meeting, the shareholder approval condition precedent in the Scheme Implementation Deed dated 27 March 2023 will not be satisfied. Origin therefore advises that it has today terminated the Scheme Implementation Deed in accordance with its terms.
