In February 2024 Xref entered into a new four-year secured US\$5.5m (approximately A\$8.4m) debt facility with Element SaaS Finance to support Xref's growth strategies. This replaces the A\$5m facility provided by PURE Asset Management Pty Ltd in 2020. Please refer to Note 11 for further details.

Effective 31 January 2024 changes were made to the cost structure of the business resulting in a headcount reduction as envisaged in a conservative forecast referred to in Note 1(g), enabling the group's capacity to focus on market development and sales ramp up effort.

On February 20, 2024, the Board approved the issue of 2,906,977 fully paid ordinary shares (using a VWAP of \$0.344) after successful achievement of the First Earn Out Payment hurdles relating to the acquisition of Voice Project Pty Limited. These shares remain in escrow up until 3 Jan 2025. Full details of the background to this transaction can be found at Note 32 on page 58 of the 2023 Annual Financial Report of Xref Limited.
