

ASX RELEASE

1 March 2024

**Media reporting -correction**

In a release to ASX earlier today, Southern Cross Media Group (ASX:SXL) (SCA) referred to an article in today's Australian Financial Review (AFR): *Major Southern Cross shareholders in push to oust board and executives*. Our release incorrectly stated that "three major SCA shareholders intend to requisition an extraordinary general meeting of SCA to remove the company's Chair, Board, and management."

The AFR article stated that, "Late on Thursday night, Spheria Asset Management said it would call for an extraordinary general meeting, with fellow Southern Cross major shareholders Allan Gray and Ubique Asset Management supporting a push to remove the board."

The article went on to provide the following quote from Spheria co-founder Matthew Booker: "We are calling the EGM to replace the [Southern Cross] board of directors."

The article did not refer to Allan Gray or Ubique Asset Management intending to requisition an extraordinary general meeting of SCA's shareholders, and we have no other information to suggest that those parties do intend to requisition such a meeting.

Approved for release by the Chairman of the Board.
