

## FY24 Trading Update

**dusk Group Limited ('dusk', ASX: DSK)** today provides guidance and a trading update in relation to its expected FY24 results based on unaudited management accounts and other information for the 52 weeks to 30 June 2024.

### FY24 Overview

- Total sales are expected to finalise at approximately \$126.3m (8.2% below FY23)
- Underlying EBIT<sup>1</sup> is expected to finalise in the range of \$6.2-\$6.4m (FY23: \$16.5m)
- Net cash of \$20.8m at period end (FY23: \$16.0m)
- Inventory of \$15.5m at period end (FY23: \$15.2m)

During 2H FY24, the Group's sales run rate continued to improve on a monthly basis with positive sales growth of +0.4% on pcp<sup>2</sup> achieved for the last five weeks of the financial year. In 2H FY24, total sales were 5.8% lower on pcp, compared to a decline of 9.7% in 1H FY24.

The improved sales performance in 2H FY24 reflects the implementation of various strategic initiatives which focus on product rejuvenation, tactical and disciplined promotional activity, and enhanced execution of our online channel in the later part of 2H FY24 following the website relaunch in June 2024.

dusk's importance as a gifting destination was highlighted during the Mother's Day week with total sales up +10.4% on pcp, as our refreshed product range resonated well with our customers.

During 2H FY24, we have been diligent in maintaining gross margin through focused promotional activity and supply chain management. The gross margin rate for FY24 is expected to be broadly in line with the prior year (FY23: 64.1%) despite headwinds from freight and distribution costs.

dusk had a strong start to FY25, with the launch of a new range in collaboration with Allen's Lollies which has been well received by customers. For the first 2 weeks of FY25, total sales are up +28% on pcp. While we expect sales growth to moderate as the half progresses, the strong start to FY25 provides confidence in our strategy and is a great boost to the energy of our team.

CEO and Managing Director Vlad Yakubson said: "FY24 has been a time of transformation at dusk
