Group Model

Underpinned by 4 key competitive advantages

1 Scale

- Strong and engaged supplier relationships, importance to suppliers locally and globally
- Large, engaged and diversified customer base across the two brands provides suppliers with the ability to execute promotions and new product launches at scale
- Young customer base drives ongoing brand importance to suppliers to maximise sales of new technology and innovation
- High volume website traffic provides significant marketing opportunities and reach
- Group function enables business to drive efficiencies across large cost base

2 Low Cost Operating Model

- Constant focus on productivity and minimising unnecessary expenditure
- Highly productive floor space with high sales per square metre
- Efficiency of model allows us to
 - respond to market price activity and maintain focus on market share; and
 - compete effectively with traditional competitors and new market entrants

3 Multichannel Capability

- Focus on providing the customer with an integrated and frictionless shopping experience regardless of their chosen sales channel
- Customer choice on how to shop with us
 - **Stores** - High quality store locations that provide convenience and easy access
 - **Online** - High brand awareness and optimised digital experience drives high traffic through websites
 - **Phone** - Convenient and personalised sales experience giving customers ability to negotiate a deal
- Fast fulfilment, via in-store shopping, click and collect or delivery from the store network or big and bulky home delivery centres
- Aftersales support via any channel provides confidence when buying
- National Commercial business supporting corporate, government and education customers

4 People and Culture

- Knowledgeable and passionate teams who put customers first and provide exceptional customer service
- Strong, overarching culture that also reflects the individual brand personalities
- Dynamic and flexible environment allows us to pivot the business quickly and adapt to any changing market conditions
- Highly engaged teams who have a connection with the business and its purpose
- Diverse and inclusive workforce
- Unrelenting focus on health and safety

Generating sustainable long-term growth

The Group today released its FY24 Sustainability Report outlining our commitment to having a positive impact on our people, our community and our environment

Sustainability Policy focus areas

FY24 Progress

Our People

- Diversity & inclusion
- Health, safety and wellbeing

- Continued to improve gender diversity across the Group, with an increase in the number of women in leadership positions at Board, Senior Management and Store Management levels
- Continued to invest in leadership development, that included launching a new women in leadership program in Australia and New Zealand
- Ongoing focus on safety including mental health and wellbeing, psychosocial hazard and aggressive customer training programs

Our Communities

- Community investment
- Ethical sourcing
- Data security and privacy

- FY24 workplace giving donations totalling \$4.2 million and \$39.9 million since inception
- JB HI-FI Helping Hands program won the gold award for the best workplace giving program of the year at the 2023 Annual Workplace Giving Excellence Awards
- The Good Guys Doing Good program welcomed two new charities, Clean Up Australia and Black Dog Institute, to the program
- Engaged an additional 68 suppliers on modern slavery, reviewed social compliance audits of 74 factories on our supplier watchlist and completed an on-site review of 5 factories supplying our JB HI-FI private label products

Our Environment

- Climate action
- Product & waste recycling

- Solar power generation installed in 7 stores in FY24, bringing the total number of stores to 30 and added 'Green Power' to the Group's energy mix, as the Group continues to work towards net-zero direct (scope 1 and 2) carbon emissions by 2030
- Improved JB Hi-Fi's core private label range packaging, with 100% recyclable packaging used across 77% of the range (up from 56% in FY23)
- JB HI-FI Australia transitioned to 100% recyclable paper bags, with all single use plastic bags now phased out nationally
- Completed the implementation of battery, phone and small e-waste recycling kiosks in JB HI-FI Australia and The Good Guys stores, with 16 tonnes of batteries and e-waste received for recycling

Group Balance Sheet and Cash Flow

Capital Management

- The final dividend is 103 cents per share (cps) fully franked, down 12 cps or 10.4%
- The total ordinary dividend for FY24 was 261 cps, down 51 cps or 16.3%, and representing 65% of NPAT

Special Dividend

- As a result of the Group’s continued strong financial performance and cashflow generation, the Group has an elevated net cash position and a significant franking credit balance
- Taking this into account, the Board has today declared a special dividend of 80 cps fully franked. The combined final dividend and special dividend will distribute \$200 million to shareholders, while continuing to provide the Group with balance sheet capacity to invest in organic and inorganic opportunities
- The record date for the final dividend and special dividend is 23 August 2024, with payment to be made on 6 September 2024
- The Board will continue to regularly review the Group’s capital structure with a focus on maximising returns to all shareholders and maintaining balance sheet strength and flexibility

Acquisition of e&s

Acquisition of e&s

The Group has entered into an agreement to acquire e&s, a highly complementary premium home appliance retailer

e&s Overview

- Established in 1962 by the Sinclair family
- Premium offering across the kitchen, laundry and bathroom product segments
- 10 showrooms in Victoria and Online, plus 1 showroom in ACT to open in August 2024, delivering highly personalised customer service, both pre and post purchase
- Strong delivery capability
- Established commercial offering in Victoria servicing builders, developers and architects, with recent opening in ACT
- FY24 revenue of circa \$230m revenue and normalised pre AASB16 EBITDA of circa \$7m

Strategic Rationale

e&s is highly complementary to the Group's existing brands, providing the Group with new and expanded customer segments and product categories, including:

- the premium home appliance customer and category;
- the bathroom category;
- the large commercial construction customer; and
- boutique and volume builders and architects.

The Group expects to be able to continue to grow e&s, both in Victoria and nationally.

Transaction Details

- Initial acquisition of 75% for cash consideration of \$47.8 million on a cash-free / debt-free basis
- Put and call option arrangement in place for the acquisition of the remaining 25% in September 2029
- Rob Sinclair to continue as Managing Director of the business
- The acquisition will be funded through existing cash reserves
- Completion of the acquisition is subject to customary completion conditions and is expected to occur in September 2024
