3

Brett Morgan
Managing Director & CEO

Merger overview

Merger overview	<ul style="list-style-type: none"> • MyState Limited (MyState) has signed a scheme implementation agreement (SIA) to merge with Auswide (the Proposed Merger) • Under the Proposed Merger, Auswide shareholders would receive 1.112 MyState shares per Auswide share. This implies 65.9% pro forma ownership of the combined Group for MyState shareholders¹ • Auswide shares will be acquired by MyState subsidiary, MyState Bank Limited, with the consideration shares to be issued by MyState Limited, which will continue as the parent company of the merged Group (MergeCo) • Targeting implementation in December 2024, subject to conditions in the SIA being satisfied
Compelling strategic rationale	<ul style="list-style-type: none"> • Combination of two quality, complementary, customer centric businesses • Significantly enhanced scale and diversification • Increased capacity to invest in profitable growth opportunities • Significant shareholder value creation
Attractive financial outcomes	<ul style="list-style-type: none"> • Estimated cost synergies of \$20m–\$25m per annum equal to 13% to 16% of the FY24 pro forma combined cost base with full run rate expected to be achieved by FY27 • Potential revenue from new growth and cross-sell opportunities • Expected to be earnings dilutive in FY25 due to front-loaded transaction and integration costs • Expected to be double digit earnings accretive in FY26 on a post synergies run rate basis²
Board and senior management	<ul style="list-style-type: none"> • The MergeCo Board will comprise four non-executive directors from MyState and three non-executive directors from Auswide • Brett Morgan, current Managing Director and Chief Executive Officer of MyState, will be MD & CEO of MergeCo • Sandra Birkenleigh, current Chair of Auswide, to be the Chair of MergeCo and Warren Lee to be the Chair of TPT Wealth
Conditions	<ul style="list-style-type: none"> • Implementation of the Merger is conditional on regulatory approvals, Auswide shareholder approval, court approval, third party consents, independent expert conclusions and other customary conditions • No prescribed events and no material adverse changes • MyState and Auswide have agreed a mutual break fee of \$2m, payable in certain circumstances

Note: 1. Exchange ratio assumes that Auswide raises \$15m in equity through its placement and SPP as announced on 19-Aug-24, lower investor participation may impact final exchange ratio and ownership outcomes. Auswide has concurrently entered a binding agreement to acquire 100% of Specialist Equipment Leasing Finance Company Pty Limited (Selfco), an established non-bank small to medium enterprise asset finance lender. If the Selfco transaction does not close on or before 30 September 2024, Auswide shareholders are expected to receive a consideration that results in 33.6% pro forma ownership in the combined Group which is equivalent to an exchange ratio of 1.112x new MyState shares per Auswide share.

2. Excluding integration and transaction costs.

- Forward looking overlay has increased from \$1.6m at 30 June 2023 to \$1.9m at 30 June 2024, with recent macroeconomic data reinforcing the probability of 'higher for longer' inflation and the deferral of the interest rate cutting cycle to mid-2025
- At 30 June 2024, the key assumptions used to determine the overlay incorporate the latest observed economic data including:
 - ✓ reduction in household savings ratio
 - ✓ growth below trend and increasing unemployment
