Independent Auditor's Review Report to the shareholders of Kina Securities Limited

Conclusion

We have reviewed the half-year financial report of Kina Securities Limited (the "Company") and its subsidiaries (the "Group"), which comprises the condensed interim consolidated statement of financial position as at 30 June 2024, the condensed interim consolidated statement of comprehensive income, the condensed consolidated statement of cash flows and the condensed consolidated statement of changes in equity for the half-year ended on that date and notes comprising a summary of material accounting policies and other explanatory information.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group is not:

- Giving a true and fair view of the Group's financial position as at 30 June 2024 and of its performance for the half-year ended on that date; and
- Complying with International Accounting Standard IAS 34 *Interim Financial Reporting* and the *Companies Act 1997 (amended 2022)*.

Basis for Conclusion

We conducted our review in accordance with ISRE 2410 *Review of a Financial Interim Financial Information Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Half-year Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *International Code of Ethics for Professional Accountants (including International Independence Standards)* ("the Code") issued by the International Ethics Standard Board for Accountants (IESBA) that are relevant to our review of the half-year financial report. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Directors' Responsibilities for the Half-year Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with International Accounting Standards IAS 34 *Interim Financial Reporting* and the *Companies Act 1997 (amended 2022)* and for such internal controls as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

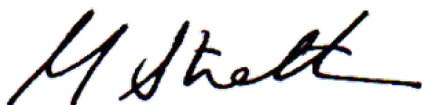

Auditor's Responsibilities for the Review of the Half-year Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ISRE 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not giving a true and fair view of the Group's financial position as at 30 June 2024 and its performance for the half-year ended on that date, and complying with International Accounting Standard IAS 34 *Interim Financial Reporting* and the *Companies Act 1997 (amended 2022)*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

KINA SECURITIES LIMITED AND ITS SUBSIDIARIES

NOTES TO THE CONDENSED INTERIM CONSOLIDATED FINANCIAL STATEMENTS FOR THE HALF YEAR ENDED 30 JUNE 2024

1. Material accounting policies

The Company and its subsidiaries (the “Group”) are incorporated in Papua New Guinea. The Group’s business activities include provision of banking services, personal and commercial loans, money market operations, provision of share brokerage, fund administration, investment management services, asset financing, and corporate advice.

The Company is listed on Papua New Guinea’s National Stock Exchange (**PNGX**) and the Australian Securities Exchange (**ASX**). The address of its operational office is Level 9, Kina Haus, Douglas Street, Port Moresby, National Capital District, 121, Papua New Guinea.

a) Statement of compliance

These condensed interim consolidated financial statements have been prepared in accordance with IAS 34: *Interim Financial Reporting* as well as the requirements of the *Companies Act 1997 (amended 2022)*. The half year report does not include notes of the type normally included in an annual financial report and should be read in conjunction with the most recent annual financial statements.

These condensed interim consolidated financial statements have been reviewed, not audited. They were approved for issue by the Board of Directors on 29 August 2024.

b) Basis of presentation

The condensed interim financial statements are denominated in Papua New Guinea Kina, which is the Group’s functional and reporting currency. All financial information presented in Papua New Guinea Kina has been rounded to the nearest thousand Kina, unless otherwise stated.

These condensed interim consolidated financial statements have been prepared on the basis of historical cost, except for the revaluation of certain financial instruments. Cost is based on the fair values of the consideration given in exchange for assets.

The accounting policies and methods of computations adopted in preparation of the half-year financial report are consistent with those adopted and disclosed in the Group’s 2023 financial report for the financial year ended 31 December 2023. Where the presentation of financial information has changed, comparative information has been changed to ensure consistency.

New and amended standards adopted by the Group

A number of amended standards became applicable for the current reporting period. The Group did not have to change its accounting policies or make retrospective adjustments as a result of adopting these amended standards.

Going Concern

The financial statements are prepared on a going concern basis. The group has net assets of PGK 637m, recorded a decrease in operating activities and total cash flows and has a liquidity risk management policy, as disclosed in Note 3c of the financial statements for year ended 31 December 2023. As a consequence of this, the Directors are of the view that the Group is well placed to manage its business risks successfully despite the current economic climate. Accordingly, they believe the going concern basis is appropriate.

NOTES TO THE CONDENSED INTERIM CONSOLIDATED FINANCIAL STATEMENTS FOR THE HALF YEAR ENDED 30 JUNE 2024

2. Critical accounting estimates and judgments

The preparation of interim consolidated financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing these interim consolidated financial statements, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial statements for the year ended 31 December 2023 except as disclosed otherwise. Key estimates used in preparation of consolidated financial statements for the half year ended 30 June 2024 and this interim financial information are as follows:

- Significant increase in credit risk;
- Recognition of deferred tax asset for carried forward tax losses;
- Estimated allowance for loans and advances to customers;
- Estimated goodwill impairment; and
- Estimated useful life of intangible assets

6.2 Movement in expected credit loss by stage

The Group monitors all financial assets that are subject to impairment requirements to assess whether there has been a significant increase in credit risk since initial recognition. If there has been a significant increase in credit risk, the Group will measure the loss allowance based on lifetime rather than 12-month ECL. On the basis of whether there is a significant increase in credit risk, the Group classifies the exposures into following stages:

- Stage 1** For the exposures where there have been no significant increase in credit risk since initial recognition, the ECL is recognised on 12-months basis.
- Stage 2** For the exposures where the exposure is overdue by 30 days or more, the ECL is recognised on life-time basis.
- Stage 3** These exposures are considered to be non-performing and in default for which the ECL is recognised on life-time basis. Indicators of default include breach of contract, significant financial difficulty, litigation, or if the exposure is overdue by 90 days or more.

On 30 September 2015, the Group, through Kina Ventures Limited, a 100% owned subsidiary of Kina Securities Limited, acquired all of the shares in Maybank (PNG) Limited and Maybank Property (PNG). Maybank (PNG) and Maybank Property (PNG) are the PNG subsidiaries of Malaysia's largest bank. The goodwill arising on this acquisition was recorded at K92.8 million.

For the purpose of impairment test, goodwill is allocated to the Group's banking business as an independent cash generating unit (CGU). The banking CGU including goodwill was tested for impairment as at 31 December 2023 by comparing the CGU's carrying amount with its recoverable amount and no impairment loss was recognised. As at 30 June 2024, the Group did not identify any impairment indicators that require a formal impairment test at the interim date.

c. Share-based payment reserve

In July 2015, after the Company was listed on the Australian Securities Exchange and Port Moresby Stock Exchange, Kina established various incentive arrangements to assist in the attraction, motivation and retention of management and its employees. Share options were granted to the Managing Director & Chief Executive Officer (“CEO”) and other senior executive employees. These included a short term incentive plan (“STI Plan”), long term incentive plan (“LTI Plan”) and retention plan (“RI Plan”), established under the *Kina Performance Rights Equity Incentive Plan*. The share based payment expense recognised for the period ended 30 June 2024 is K 1,009,969 (2023: K 2,009,966).

21. Related party transaction

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions or where there are common directors and shareholders. Kina Securities Limited (incorporated in Papua New Guinea), is the parent entity of the Group, which owns 100% of the ordinary shares of its subsidiaries, unless otherwise stated.

A number of banking transactions are entered in with related parties in the normal course of business. These include loans, deposits and foreign currency transactions and provision of certain services to the Group by companies where there is common directorship. These transactions are carried out on normal commercial terms and at normal market rates.

From time to time during the year, Directors and Senior Management of the Parent and subsidiaries have deposits in Kina Securities Limited accounts on normal terms and conditions.

NOTES TO THE CONDENSED INTERIM CONSOLIDATED FINANCIAL STATEMENTS FOR THE HALF YEAR ENDED 30 JUNE 2024

24. Contingent liabilities

Litigations and claims

Contingent liabilities exist in respect of actual and potential claims and proceedings that have not been determined. An assessment of the Group's likely loss has been made on a case-by-case basis for the purposes of the financial statements and specific provisions are made where appropriate. As at 30 June 2024, the Group is a party to some litigation before the courts, however, management does not believe this will result in any material loss to the Group. There was no litigation matter of a material nature provided for in the consolidated financial statements.

Other contingent liabilities

The Bank guarantees the performance of customers by issuing guarantees to third parties. The risk involved is essentially the same as the credit risk involved in extending loan facilities to customers, therefore these transactions are subject to the same credit origination, portfolio maintenance and collateral requirements applied to customers applying for loans. As the facilities may expire without being drawn upon, the notional amount does not necessarily reflect future cash requirements. The credit risk of these facilities may be less than the notional amount but as it cannot be accurately determined, the credit risk has been taken as the contract notional amount.

26. Fair value estimation

There is no material difference between the fair value and carrying value of the Group's financial assets and liabilities.

The table below analyses financial instruments carried at fair value, by valuation method. The different levels have been defined as follows:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (**Level 1**).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (**Level 2**).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (**Level 3**)

The following table presents the Group's assets and liabilities that are measured at fair value at;

30 June 2024

Assets	Level 1 K'000	Level 2 K'000	Level 3 K'000	Total K'000
Financial assets at fair value through profit or loss				
- Investment in shares – Listed	6,574	-	-	6,574
- Investment in shares – Unlisted	-	-	31,019	31,019
Total assets	6,574	-	31,019	37,593

31 December 2023

	Level 1 K'000	Level 2 K'000	Level 3 K'000	Total K'000
Financial assets at fair value through profit or loss				
- Investment in shares – Listed	4,878	-	-	4,878
- Investment in shares – Unlisted	-	-	30,938	30,938
Total assets	4,878	-	30,938	35,816

Unlisted investments are classified as Level 3. There is no material movement in value of unlisted investments since the last reporting period.

27. Financial risk factors

The Group's activities expose it to variety of financial risks: market risk (including currency risk, fair value interest rate risk, cash flow interest rate risk and price risk), credit risk and liquidity risk. The condensed interim financial statements do not include all the financial risk management information and disclosure required in the annual financial statements. They should read in conjunction with the Group's half year financial statements at 30 June 2024. There have not been any material changes in the risk management department or in any risk management policies since the year-end.
