**CLIME CAPITAL LIMITED (ASX:CAM) ANNOUNCES SHARE PURCHASE PLAN**

Clime Capital Limited (**Company**) (ACN 106 282 777) is pleased to announce that it will undertake a Share Purchase Plan (**SPP**) that will be open to existing shareholders with a registered address in Australia and New Zealand at 7.00pm (Sydney time) on the record date of Friday, 13 September 2024.

**About the SPP**

Under the SPP, eligible shareholders will have the opportunity to acquire up to 37,000 ordinary shares, CUM dividend at \$0.81 per share, without incurring brokerage.

The SPP issue price represents a 0.86% discount to the average closing share price over the five trading days ending on 13 September 2024<sup>1</sup>.

**September dividend record date change to ensure SPP share benefit**

New shares issued under the SPP will be entitled to the September quarter fully franked dividend of 1.35 cents per share.

To ensure this outcome, the record date for the September dividend has been changed and will now occur on 15 October 2024, after the SPP is complete (no changes have been made to the payment date). Accordingly, Shareholders will receive the September dividend on 25 October 2024 in respect of all shares they hold (including shares issued under the SPP) on the new dividend record date of 15 October 2024.

**Benefits of the SPP**

The SPP will deliver benefits to all shareholders beyond the opportunity for participants to purchase additional shares:

- at a discount to the current market price; and
- which will carry an entitlement to the September quarter fully franked dividend.

The primary purpose of the capital raising is to grow the Company's assets to gain additional access to market opportunities. The Company's increased size is expected to reduce the fixed expense ratio of the Company, to the benefit of all shareholders.

<sup>1</sup> The closing price on 13, 12 and 11 September 2024 was \$0.815 and the closing price on 9 and 10 September 2024 was \$0.82.
