CORPORATE GOVERNANCE

The Board is committed to conducting the business of Dusk Group Limited (**dusk** or **the Company**) in accordance with high standards of corporate governance and with a view to creating and delivering value for dusk's Shareholders. To this end, the Board has adopted a system of internal controls, risk management processes and corporate governance policies and practices which are designed to support and promote the responsible management and conduct of dusk.

This Corporate Governance Statement sets out the key features of dusk's corporate governance framework and reports against the 4th edition of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (**Recommendations**) for the financial period ending 30 June 2024 (**FY24**). The Company's corporate governance arrangements were consistent with the Recommendations during FY24, with the exception of ASX Recommendation 8.1, which provides that the board of a listed entity should have a remuneration committee which is chaired by an independent Director. Trent Peterson, who is not an independent Director, is Chair of the Remuneration Committee. The Board is of the opinion that Trent's skills and experience make him suitable for the role and that he will bring objective and independent judgement to the Committee's deliberations.

In accordance with the Recommendations, dusk's policies and charters referred to in this statement have been posted to the corporate governance section of dusk's website: <https://investors.dusk.com.au/offer/governance/>

This Statement is current as at 27 September 2024 and has been approved by the Board.

The key principles underpinning the Company's Code of Conduct are:

Any material breaches of the Code of Conduct are reported to the Board.

THE ROLE OF THE BOARD

Dusk is governed by a Board of Directors (**the Board**) who are elected by the Shareholders with the exception of the Company's Chief Executive Officer (CEO) who is appointed by the Board.

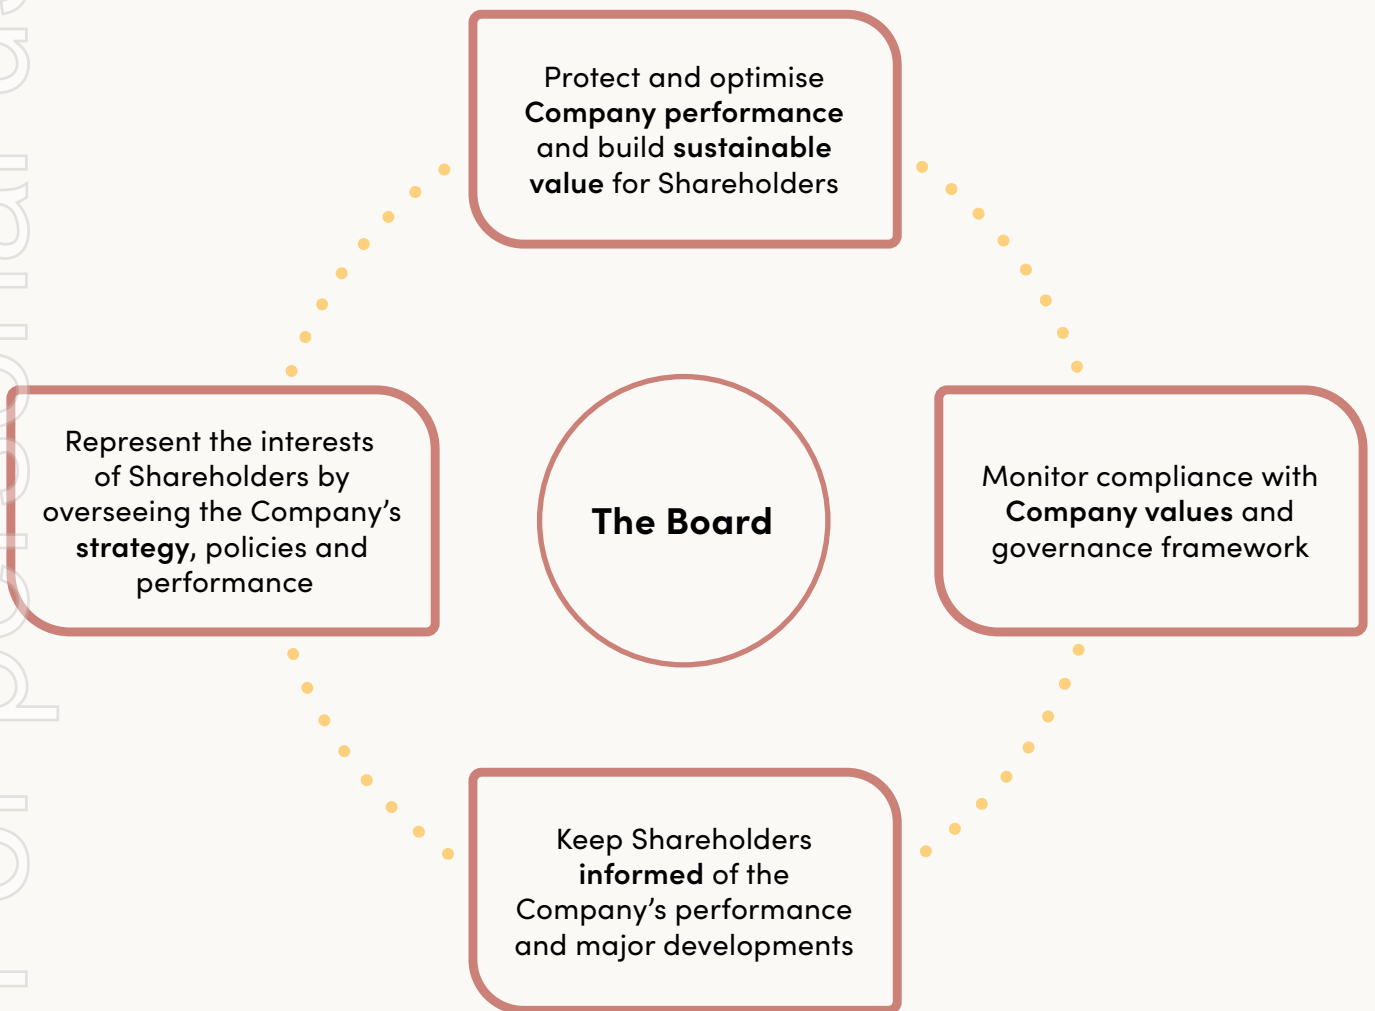

While the Board retains ultimate responsibility for the strategy and performance of the Company, the day-to-day operation of the Company is conducted by, or under the supervision of, the CEO.

The CEO and the management team are responsible for implementing strategic objectives, plans and budgets approved by the Board and is accountable to the Board for matters within their delegated authority.

The Board has adopted a Board Charter which provides an overview of:

- the Board's composition, role and responsibilities, and
- the relationship and interaction between the Board, committees and management.

Key elements of the Board's roles and responsibilities are described in the diagram below.

DIRECTOR NOMINATION AND SUCCESSION

The Board seeks to ensure that it comprises Directors with a broad range of skills, expertise and experience from a diverse range of backgrounds. The Board reviews the skills, experience, expertise and diversity represented by Directors on the Board and determines whether the composition and mix remain appropriate for the Company's strategy and cover the skills needed to address existing and emerging business and governance issues relevant to the Company.

In respect of Board composition and succession more generally, the Board is responsible under its Charter for:

- considering Board succession plans, having regard to the Board Skills Matrix and the objective that the Board comprise Directors with a broad range of skills, expertise and experience from a broad range of backgrounds;
- reviewing the criteria for nomination as a Director and the membership of the Board more generally;
- reviewing succession plans for the CEO and other members of the senior executive team;
- evaluating, at least annually, the performance of the Board, its committees and individual Directors;
- monitoring that processes are in place to support Director induction and ongoing education; and
- approving measurable objectives for achieving diversity in the composition of the Board, senior executives and workforce generally, and assessing the Company's progress in achieving those objectives.

When a vacancy exists or is pending, or when it is considered that the Board would benefit from the services of a new Director with particular skills, the Board will:

- prepare and consider a description of the role and capabilities required for a particular appointment in light of the balance of skills, knowledge, experience, independence and diversity of the Board;
- provide background information in relation to a potential candidate to all Directors;
- be assisted by the use of external search organisations as appropriate; and
- undertake appropriate checks in relation to all potential candidates, assisted by the use of external organisations as appropriate.

An offer of a Board appointment must be made by the Chair only after having consulted all Directors.

Prior to Directors seeking election or re-election at an annual general meeting, dusk provides Shareholders with all material information known to the Board and relevant to a decision on whether or not to elect or re-elect that Director in the notice of annual general meeting. The board also makes a recommendation to Shareholders in relation to voting for or against the re-election of a Director.

All Directors have entered into written agreements with dusk, which set out their duties, responsibilities, and terms of their appointment.

DIRECTOR INDEPENDENCE

The Board has adopted guidelines, set out in the Board Charter, to assist in considering the independence of Directors. The guidelines are based on the definition of independence set out in Box 2.3 of the Recommendations.

Having regard to these criteria, the Board considers that David MacLean, Tracy Mellor and Katherine Ostin are independent. The Board considers that John Joyce is not independent as he is currently employed by dusk in an executive capacity.

The Board considers that Trent Peterson is not independent as he is a Director of, and minority investor in, certain entities and funds of Catalyst, which has been a substantial Shareholder of dusk within the last 12 months.
