About the Magellan High Conviction Trust

The Trust's investment objective is to achieve attractive risk-adjusted investment returns over the medium to long-term through investment in a concentrated portfolio of high-quality companies. The Trust seeks to invest in outstanding companies at attractive prices. Magellan perceives outstanding companies to be those that are able to sustainably exploit competitive advantages in order to continually earn returns on capital that are materially in excess of their cost of capital. The Trust will comprise of 10 to 20 investments, with the portfolio weighted towards Magellan's highest-conviction ideas.

¹ The total values of new unit issues and unit redemptions, and the difference between those values, reflects the price (exclusive of transaction costs) at which the units were issued and redeemed during the reporting month.

² Units on issue have been rounded down to the nearest whole number.
