**About Pro Medicus Limited:**

Pro Medicus Limited [ASX: PME] is a leading healthcare informatics company. Founded in 1983, the company provides a full range of medical imaging software and services to hospitals, imaging centres and health care groups worldwide. In January 2009, the company acquired Visage Imaging transforming it into a global provider of leading-edge medical imaging solutions. The company's Visage 7 suite of products are the foundation of an ultra-fast, clinically rich, and highly scalable platform that can seamlessly be implemented in both public and private cloud environments. The company offers a leading suite of RIS, PACS, Artificial Intelligence (AI) and e-health solutions constituting one of the most comprehensive end-to-end offerings in healthcare imaging. Pro Medicus has offices in Melbourne, Berlin and San Diego. [www.promedicus.com.au](http://www.promedicus.com.au)
