As required by section 317 of the Corporations Act 2001 (Cth) (the "Act"), the Financial Report, the Directors' Report and the Auditor's Report of the Company for the most recent financial year will be laid before the meeting. Shareholders will be provided with a reasonable opportunity to ask questions about or make comments on the management of the Company, however there will be no formal resolution put to the meeting.

Shareholders will also be provided with the opportunity to ask the representative of the Company's auditor questions about the conduct of the audit, the preparation and content of the Auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements, and the independence of the auditor in relation to the conduct of the audit.

Item 2: Remuneration Report

The Directors' Report for the year ended 30 June 2024 contains a Remuneration Report, which sets out the remuneration policy for the Company and reports on the remuneration arrangements in place for Directors and certain senior executives.

The Act requires that the agenda for this Annual General Meeting include a resolution for the adoption of the Remuneration Report. The vote on the resolution is advisory only and is not binding on the Directors or the Company.

Shareholders will be provided with a reasonable opportunity to ask questions about and make comments on the Remuneration Report.

Voting exclusion statement

The Corporations Act prohibits any votes being cast on Item 2 by or on behalf of a person who is a member of the key management personnel (KMP) of the Company (including the Directors and the Chairman) or a closely related party of that KMP as a proxy, or if that KMP is named in the Remuneration Report in any capacity. However, such a person may cast a vote on Item 2 as a proxy for a person who is permitted to vote if:

- a) the appointment of the proxy specifies the way in which the proxy is to vote on the resolution; or
- b) such a person is the Chairman of the meeting and the appointment of the proxy expressly authorises the Chairman of the meeting to exercise the undirected proxies even if the resolution is connected with the remuneration of a member of the KMP.

Item 3: Election of Director

Pursuant to the Company's Constitution, Mr Benjamin Gisz, being a director who was appointed since the last general meeting of the Company, in accordance with the Company's Constitution and being eligible, is up for election as a Director of the Company.

Ben is a Director and member of the investment team at TDM Growth Partners, a Sydney based global investment firm. Ben has extensive financial markets experience, including prior roles in private equity investing and investment banking with Investec Group and Credit Suisse.

Ben is a current Non-Executive Director at Australian pet supplies ecommerce business Pet Circle, and previously served as a Non-Executive Director on the board of ASX listed dental group Pacific Smiles Limited.

Ben holds a Bachelor of Commerce (Finance and Accounting) from the University of Sydney.

If elected, Mr Benjamin Gisz will continue as a Director and be subject to retirement by rotation in accordance with the Company's Constitution.

The Board, with exception of Mr Benjamin Gisz, unanimously recommends that Shareholders vote in favour of the election of Mr Benjamin Gisz.

Item 4: Election of Director

Pursuant to the Company's Constitution, Mr Guy Russo will retire as a Director at the Annual General Meeting and offer himself for re-election.

Guy Russo is an accomplished business leader with a strong commercial and customer-focused background working in Australia and internationally. In addition to being the Chairman of SomnoMed, he is Chairman of Guzman y Gomez (ASX: GYG), Australia's fastest growing restaurant business. He is a non-executive Director of Scentre Group (ASX: SCG), which owns and operates Westfield Living Centres in Australia and New Zealand, and Chairman of OneSky, an international charity for children living in poverty in Asia.

Previously, Guy has served as CEO, Wesfarmers Department Store Division (Kmart & Target); Managing Director, Kmart Australia & NZ; President, McDonald's Greater China; CEO McDonald's Australia Ltd and Chairman of Ronald McDonald House Children's Charities.

Guy is most well known in Australia for his leadership in turning Kmart into the largest and most profitable retail department store in the country. He has been a member of YPO since 2006, served as a member of the Business Council of Australia, and won industry awards for leadership in diversity in employment.

If elected, Mr Guy Russo will continue as a Director and be subject to retirement by rotation in accordance with the Company's Constitution.

The Board, with exception of Mr Guy Russo, unanimously recommends that Shareholders vote in favour of the re-election of Mr Guy Russo.

Items 5, 6 and 7: Issue of Options

Background

A. Proposed issue

The Company proposes, subject to obtaining Shareholder approval, to issue:

- (a) 500,000 Options to Mr Michael Gordon (or his nominee) under the Non-Executive Share Option Plan 2021 and on the terms and conditions set out below;
- (b) 700,000 Options to Mr Guy Russo (or his nominee) under the Non-Executive Share Option Plan 2021 and on the terms and conditions set out below; and
- (c) 300,000 Options to Mr Benjamin Gisz (or his nominee) under the Non-Executive Share Option Plan 2021 and on the terms and conditions set out below.

If approved, the offers of Options will be made under section 708 and Division 1A of Part 7.12 of the *Corporations Act 2001* (Cth) (**Corporations Act**).

B. Related party considerations

According to section 208 of the Corporations Act, the giving of a financial benefit to a related party of a public company must be approved by the public company's members, unless the giving of the benefit falls within a relevant exception.

Under section 211 of the Corporations Act, member approval is not required if the benefit is given to an officer of the Company, and to give the remuneration would be reasonable, given the circumstances of the Company and the officer (including the responsibilities involved in their office).

The Board has considered whether the reasonable remuneration exception under section 211 of the Corporations Act will apply to the giving of a financial benefit to Messrs Gordon, Russo and Gisz under the Non-Executive Share Option Plan 2021 (because of their participation in the plan and the grant of the Options to them) and has determined that shareholder approval under section 208 of the Corporations Act is not required, as the issue of Options forms part of the remuneration packages for Messrs Gordon, Russo and Gisz and is considered reasonable remuneration for each of them for the purposes of section 211 of the Corporations Act.

Resolutions 5, 6 and 7

Shareholder approval by ordinary resolution is sought for the issue of the Options to Messrs Gordon, Russo and Gisz in compliance with the following laws and rules:

C. Exception under ASX Listing Rule 7.1

ASX Listing Rule 7.1 requires shareholder approval by ordinary resolution for an issue of equity securities if, over a 12 month period, the amount of equity securities issued is more than 15% of the number of ordinary shares on issue at the start of that 12 month period.

ASX Listing Rule 7.2 Exception 14 provides that an issue of securities made with the approval of the holders of the entity's ordinary securities under rule 10.14 is an exception to the restriction in rule 7.1.

D. Approval under ASX Listing Rule 10.14

ASX Listing Rule 10.11 provides that unless a relevant exception in rule 10.12 applies, an entity must not issue or agree to issue equity securities to a related party without the approval of the holders of its ordinary shares.

As directors of SomnoMed, Messrs Gordon, Russo and Gisz are related parties of SomnoMed, and therefore, absent any available exception, any issue or agreement to issue them the Options under the Non-Executive Share Option Plan 2021 will require approval of SomnoMed's ordinary shareholders.

ASX Listing Rule 10.12 Exception 8 provides that an issue of equity securities under an employee incentive scheme made, or taken to have been made, with the approval of the holders of the entity's ordinary securities under rule 10.14 is an exception to the requirement in rule 10.11.

Shareholder approval is sought under ASX Listing Rule 10.14. If shareholder approval is not given then Messrs Gordon, Russo and Gisz will not receive the Options and the Company may need to consider alternative ways to incentivise each of them.

E. ASX Listing Rule 10.15 requirements

Item 8: Refresh the Non-Executive Share Option Plan

Overview

The Non-Executive Share Option Plan 2021 was adopted by the Company at the General Meeting on 3 June 2021. The Directors considered that it was desirable to establish the Non-Executive Share Option Plan 2021 under which eligible participants may be offered the opportunity to subscribe for options in order to increase the range of potential incentives available to them and to strengthen links with the Company and its Shareholders. A summary of the Non-Executive Share Option Plan 2021 is attached at Annexure B.

Shareholder approval by ordinary resolution is sought for the refreshing of the Non-Executive Share Option Plan 2021 in compliance with the following laws and regulations.

- (a) Exception for financial assistance: Section 260C(4) of the Corporations Act requires shareholder approval by ordinary resolution in order to access the special Exception from the prohibition on a company financially assisting the acquisition of shares in itself under section 260A of the Corporations Act. In this case, the possible loan(s) to participants under the Non-Executive Share Option Plan 2021 constitutes financial assistance, which is exempt from the prohibition where the assistance is given under an employee share scheme that has been approved at a general meeting of the company.
- (b) Exception for security over own shares: Section 259B(2) of the Corporations Act requires shareholder approval by ordinary resolution in order to access the Exception from the prohibition on a company taking security over shares in itself under section 259B(1) of the Corporations Act. In this case, the possible loan(s) under the Non-Executive Share Option Plan 2021 constitutes such a security, which is exempt from the prohibition where the security is taken under an employee share scheme that has been approved at a general meeting of the company.

(c) Exception under ASX Listing Rule 7.1 and 7.1A: ASX Listing Rule 7.1 requires shareholder approval by ordinary resolution for an issue of equity securities if, over a 12 month period, the amount of equity securities issued is more than 15% of the number of ordinary shares on issue at the start of that 12 month period. ASX Listing Rule 7.1A allows an eligible entity an additional 10% capacity to issue shares if approved by special resolution passed at an annual general meeting. Under Listing Rule 7.2 (Exception 13), for issues under an employee incentive scheme not to count towards the 15% capacity to issue share capital in a 12 month period without Shareholder approval, Shareholder approval of the employee incentive scheme is required:

- every three years; or
- if there is a material change to the terms of an approved employee incentive scheme.

The Non-Executive Share Option Plan 2021 was approved by Shareholders at its General Meeting on 3 June 2021 and Shareholder approval needs to be refreshed. In accordance with the requirements of Listing Rule 7.2 (Exception 13(b)), the following information is provided:

- A summary of the key terms and conditions of the Non-Executive Share Option Plan 2021 is set out in Annexure B. In addition, a copy of the Non-Executive Share Option Plan 2021 is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Non-Executive Share Option Plan 2021 will also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.
- Shareholders should note that the Company has issued 1,295,000 options under the Non-Executive Share Option Plan 2021 since its adoption in June 2021. Of the 1,295,000 Options issued, 185,000 were forfeited and nil were cancelled leaving 1,110,000 on issue as of the date of this notice.
- The maximum number of Options to be issued under the Non-Executive Share Option Plan 2021 in the 3 years following shareholder approval to refresh the Non-Executive Share Option Plan 2021 under Listing Rule 7.2 exception 13(b) is 3,000,000.
- The maximum number of options that are issuable under Non-Executive Share Option Plan 2021 to persons not otherwise exempt under Division 1A of Part 7.12 of the Corporations Act, when combined with the number of options issued or that may be issued as a result of offers made at any time during the previous 3 years pursuant to the Plans, but disregarding any offer made, or Shares issued by way of or as a result of:
 - an offer to a person situated at the time of receipt of the offer outside Australia; or
 - an offer that did not need disclosure to investors because of section 708 of the Corporations Act (which includes offers to directors); or
 - an offer made under a disclosure document during the previous five years pursuant to the Plans or any other employee incentive scheme of the Company; but disregarding any offer made, or share rights acquired or Ordinary Shares issued by way of or as a result of:
 - an offer to a person situated at the time of receipt of the offer outside Australia; or
 - an offer that did not need disclosure to investors because of section 708 of the Corporations Act; or
 - an offer made under a disclosure document, must not exceed 5% of the total number of issued shares in the Company at the time of the offer of options.

As at the date of this Notice, the Company has on issue nil options as a result of offers made during the previous 3 years pursuant to the Non-Executive Share Option Plan 2021 or any other incentive, which were not otherwise exempt under Division 1A of Part 7.12 of the Corporations Act.

This means that the maximum number of Securities that can be issued under both the Employee Share Option Plan 2021 and the Non-Executive Share Option Plan 2021 over three years from the date of this Meeting (assuming shareholder approval is obtained) to persons to which an Exception under Division 1A of Part 7.12 of the Corporations Act does not apply is 11,058,863 options (being approximately 5% of the Company's fully diluted Share capital as at the date of this Notice).

Shareholders should be aware that the maximum number of options proposed to be issued under the Non-Executive Share Option Plan 2021 stated above is not intended to be a prediction of the actual number of options to be issued under the Non-Executive Share Option Plan 2021 but is specified for the purposes of setting a ceiling on the number of securities approved to be issued for the purposes of Listing Rule 7.2 (Exception 13(b)).

It is not envisaged that the maximum number of options for which approval is sought will be issued immediately following approval.

Any future issues of securities under the Non-Executive Share Option Plan 2021 to a related party or a person whose relation with the company or the related party is, in ASX's opinion, such that shareholder approval should be obtained, will require additional Shareholder approval under ASX Listing Rule 10.14 at the relevant time.

If Resolution 8 is passed or not passed

If Resolution 8 is passed, the Company will be able to issue options under the Non-Executive Share Option Plan 2021 to eligible participants over a period of 3 years. The issue of any options to eligible participants under the Non-Executive Share Option Plan 2021 (up to the maximum number of 3,000,000 Options) will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of securities under the Non-Executive Share Option Plan 2021 to a related party or a person whose relationship with the company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 8 is not passed, the Company will be able to proceed with the issue options under the Non-Executive Share Option Plan 2021 to eligible participants, but any issues of securities will reduce, to that extent, the Company's capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the options unless the issue is otherwise excluded for the purposes of ASX Listing Rule 7.1.

Board Recommendation

Noting that Directors may have a personal interest in the outcome of this Resolution 8 by virtue of them being eligible to participate in the Non-Executive Share Option Plan 2021, the Board recommends that Shareholders vote in favour of this resolution.

The Chairman of the meeting intends to vote undirected proxies in FAVOUR of Resolution 8.

Item 9: Refresh the Executive Share Option Plan

Overview

The Executive Share Option Plan 2021 was adopted by the Company at the General Meeting on 3 June 2021. - (a) Exception for financial assistance: Section 260C(4) of the Corporations Act requires shareholder approval by ordinary resolution in order to access the special Exception from the prohibition on a company financially assisting the acquisition of shares in itself under section 260A of the Corporations Act. In this case, the possible loan(s) under the Executive Share Option Plan 2021 constitutes such a security, which is exempt from the prohibition where the security is taken under an employee share scheme that has been approved at a general meeting of the company.
- (c) Exception under ASX Listing Rule 7.1 and 7.1A: ASX Listing Rule 7.1 requires shareholder approval by ordinary resolution for an issue of equity securities if, over a 12 month period, the amount of equity securities issued is more than 15% of the number of ordinary shares on issue at the start of that 12 month period. ASX Listing Rule 7.1A allows an eligible entity an additional 10% capacity to issue shares if approved by special resolution passed at an annual general meeting. - every three years; or

- vii) The maximum number of Options to be issued under the Executive Share Option Plan 2021 in the 3 years following shareholder approval to refresh the Executive Share Option Plan 2021 under Listing Rule 7.2 exception 13(b) is 14,000,000.

- viii) The maximum number of options that are issuable under Executive Share Option Plan 2021 to persons not otherwise exempt under Division 1A of Part 7.12 of the Corporations Act, when combined with the number of options issued or that may be issued as a result of offers made at any time during the previous 3 years pursuant to the Plans, but disregarding any offer made, or Shares issued by way of or as a result of:
- a. an offer to a person situated at the time of receipt of the offer outside Australia; or
 - b. an offer that did not need disclosure to investors because of section 708 of the Corporations Act (which includes offers to directors); or
 - c. an offer made under a disclosure document during the previous five years pursuant to the Plans or any other employee incentive scheme of the Company; but disregarding any offer made, or share rights acquired or Ordinary Shares issued by way of or as a result of:
 - (i) an offer to a person situated at the time of receipt of the offer outside Australia; or
