Voting Procedures

All resolutions will be by poll

How to vote – before the AGM

Appointment of Proxy

A Shareholder who is entitled to vote at this Meeting is entitled to appoint not more than two proxies to vote in place of the Shareholder.

If the Shareholder appoints two proxies, the Shareholder may specify the proportion or number of votes each proxy is entitled to exercise. If the specified proportion or number of votes exceeds that which the Shareholder is entitled to, each proxy may exercise half of the Shareholder's votes. Any fractions of votes brought about by the apportionment of votes to a proxy will be disregarded.

A proxy need not be a Shareholder of the Company. A body corporate appointed as a Shareholder's proxy may appoint a representative to exercise any of the powers the body may exercise as a proxy at the Meeting. The representative should bring to the Meeting evidence of his or her appointment, including any authority under which the appointment is signed, unless it has previously been given to the Company.

Subject to the specific proxy provisions applying to Items 2 (see the Explanatory Memorandum):

- If a Shareholder has not directed their proxy how to vote, the proxy may vote as the proxy determines; and
- If a Shareholder appoints the Chair of the Meeting as proxy and does not direct the Chair how to vote on an item of business, the Chair will vote in accordance with his voting intention as stated in this Notice of Meeting.

Submitting your Proxy Form

To be valid, a Proxy Form must be received by the Company in the manner set out in this Notice.

The Chair's decision on the validity of a vote cast by a proxy or vote cast in person, is conclusive and the Company reserves the right to declare invalid any Proxy Form not received in this manner.

For your proxy vote prior to the AGM to be effective, your completed, signed and lodged Proxy Form (together with the relevant original power of attorney, or a certified copy if the proxy is signed by an attorney, must be received by the Company's Share Registry, Link Market Services, no later than 10.00am (AEDT) on Saturday 23 November 2024 (**Proxy Deadline**). Proxy Voting by the Chair

For Item 2 (Remuneration Report), where the Chair is appointed as a Shareholder's proxy and that Shareholder has not specified the way in which the Chair is to vote on Items 2, the Shareholder is expressly authorising the Chair to vote in accordance with the Chair's voting intentions for these items of business, even though Item 2 is connected directly or indirectly with the remuneration of Key Management Personnel (**KMP**).

Explanatory Memorandum

This Explanatory Memorandum has been prepared for the information of Shareholders of the Company in relation to the business to be conducted at the Company's AGM to be held at 10.00am AEDT on Monday, 25 November 2024.

The purpose of this Explanatory Memorandum is to provide Shareholders with information that is reasonably required by Shareholders to decide how to vote on the resolutions.

Subject to the abstentions noted below in respect of each resolution, the Board recommends that Shareholders vote in favour of all resolutions. The Chair of the Meeting intends to vote all available undirected proxies in favour of each resolution.

The resolutions in Items 3 are ordinary resolutions, which require a simple majority of votes cast by Shareholders entitled to vote on the resolution. The resolution in Item 2 relating to the Remuneration Report, is advisory and does not bind the Directors or the Company.

Item 1 – Financial statements and reports

As required by section 317 of the Corporations Act the Financial Report, Directors' Report and Auditor's Report of the Company for the most recent financial year will be presented at the Meeting. The Financial Report contains the financial statements of Pro Medicus Limited.

There is no requirement for a formal resolution on this Item.

The Chair of the Meeting will allow a reasonable opportunity at the Meeting for Shareholders to ask questions about or make comments on the management of the Company, and to ask questions about, or make comments on, the Remuneration Report. Shareholders will also be given a reasonable opportunity at the Meeting to ask the Company's auditor, Ernst & Young (EY), questions about the Auditor's Report, the conduct of its audit of the Company's Financial Report for the financial year ended 30 June 2024, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in its preparation of the financial statements and the independence of EY in relation to the conduct of the audit.

Shareholders may submit written questions to the Company in relation to the above matters and the way to do this is outlined earlier in this Notice.

Item 2 – Remuneration Report

The Company has prepared a Remuneration Report for consideration and adoption by Shareholders. The Remuneration Report on pages 29-39 of the Company's Annual Report for the year ended 30 June 2024 sets out the remuneration policies of the Company and reports on the remuneration arrangements and outcomes for KMP, including the directors and executives of the Company. The 2024 Annual Report is available at www.promed.com.au/investors/annual-reports.

As provided by section 250R (3) of the Corporations Act, the resolution on this item of business is advisory only and does not bind the Board or the Company. The Board will consider the outcome of the vote and comments from Shareholders when considering the Company's remuneration policies.

Board recommendation

The Board recommends that Shareholders vote **FOR** the resolution in Item 2.

Voting Exclusion

The Company will disregard any votes cast on Item 2 by, or on behalf of

- (a) any member or a former member of the KMP whose remuneration details are disclosed in the Company Remuneration Report; or
- (b) a Closely Related Party of such a KMP,

unless the vote is cast by a person as proxy for a person entitled to vote in accordance with a direction on the Proxy Form.

This restriction on voting undirected proxies does not apply to the Chair of the Meeting acting as proxy for a person entitled to vote on Item 2 because the Company's proxy appointment expressly authorised the Chair of the Meeting to exercise undirected proxies, even though the Item is connected with the remuneration of a member of the Company's KMP.

What this means for Shareholders: If you intend to appoint a member of the KMP (such as one of the Directors) as your proxy, please ensure that you direct them how to vote on the proposed resolution in Item 2. If you intend to appoint the Chair of the Meeting as your proxy, you can direct him how to vote by marking the boxes for Item 2 (for example, if you wish to vote for, against or abstain from voting), or you can choose not to mark any of the boxes for Item 2 and give the Chair your express authority to vote your undirected proxy (in which case the Chair will vote in favour of this item of business).

Item 3 – Re-election of directors

In accordance with the Company's Constitution and the Listing Rules, an election of Directors must be held at each annual general meeting.

The Constitution states that one-third of all Directors (excluding the Managing Director and Directors appointed during the year by the Board) must retire at every annual general meeting and are eligible to stand for re-election. The Directors to retire pursuant to the Constitution are the Directors (other than the Managing Director) who have held office the longest since being appointed or last being elected. In the case where Directors were elected on the same day, the Directors to retire are determined by agreement between the Directors, or a ballot. Further, ASX Listing Rule 14.4 states that a director must not hold office without re-election past the third annual general meeting following the director's appointment or three years, whichever is longer.

Ms Alice Williams, and Mr Peter Kempen are due for re-election by rotation having last been elected by Shareholders on 23 November 2021.

The election of each of the candidates must be considered and voted on as a separate resolution. Details of the candidates are outlined below.

Item 3.1: Re-election of Ms Alice Williams

Ms Williams was appointed to the board on 01 September 2021. She is currently Chair of the Audit and Risk Committee and a member of the People and Culture Committee.

Alice is also a non-executive director of Vocus Group, the Australian Submarine Corporation (ASC Pty Ltd) and Mercer Investments Australia Ltd. She is Chair of the Audit and Risk Committee at ASC, and Vocus Group, and is a member of the Audit and Risk Committee and Due Diligence Committee of Mercer Investments (Australia) Ltd. Alice also holds a board position with Tobacco Free Portfolios.

Previous board roles include Director and Chair of the Audit Committee of Cooper Energy, Chair of Nomination, Remuneration and Human Resources Committee and Non-Executive Director of Equity Trustees Ltd, and Non-Executive member of the Foreign Investment Review Board.

Alice holds a Commerce degree from Melbourne University, is a Fellow of the Australia Society of Certified Practising Accountants, a Fellow of the Australian Institute of Company Directors, and a graduate from the Institute of Chartered Financial Analysts.

The Company confirms that appropriate checks into Ms Williams's background and experience were carried out prior to her appointment with no information of concern raised during the recruitment process. In addition, Ms Williams has no known interest, position or relationship that will influence or be reasonably perceived to influence her capacity to bring an independent judgement to bear on issues before the board and to act in the best interests of the Company as a whole rather than in the interests of an individual shareholder or other party.

Accordingly, having had regard to the ASX Corporate Governance Principles and Recommendations (fourth edition) (**ASX Principles**), the Board considers Ms Williams to be an independent director.

Board recommendation

The Board (with Ms Williams abstaining) supports the election of Ms Alice Williams and recommends that Shareholders vote **FOR** Ms Williams's re-election as a Director of the Company for the reasons, outlined above.

Item 3.2: Re-election of Mr Peter Kempen

Mr Kempen was appointed to the board on 12 March 2008 and was last re-elected by Shareholders on 23 November 2021. He has been Chair of the Board since August 2010.

Mr Kempen is Chairman of Australasian Leukaemia and Lymphoma Group and a member of the Board of the Olivia Newton John Cancer Research Institute, and St Hilda's College Ltd, University of Melbourne. He is also a Trustee of the Barr Family Foundation.

Mr Kempen has previously been Chairman of Patties Food Limited, Chairman of Danks Holdings Limited, Chairman of Ivanhoe Grammar School and Managing Partner of Ernst & Young Corporate Finance Australia. Peter is a Fellow of the Institute of Chartered Accountants in Australia and a Fellow of the Australian Institute of Company Directors. Peter was appointed a Member in the General Division of the Order of Australia (AM) in the 2018 Queen's Birthday Honours.

Prior to submitting himself for re-election, Mr Kempen confirmed that he would continue to have sufficient time to properly fulfil his Director duties for the Company.

Accordingly, having had regard to the ASX Corporate Governance Principles and Recommendations (fourth edition) (**ASX Principles**), the Board considers Mr Kempen to be an independent director.

Board recommendation

The Board (with Mr Kempen abstaining) supports the election of Mr Peter Kempen and recommends that Shareholders vote **FOR** Mr Kempen's re-election as a Director of the Company for the reasons, outlined above.

Item 4: Approval to issue securities under the Pro Medicus Limited Long Term Incentive Plan

Background and why Shareholder approval is sought

The Company established its Long Term Incentive Plan (**LTIP** or **Plan**) in November 2011 under which employees may be eligible to receive Shares, Performance Rights or Options. The purpose of the LTIP is to align the interests of employees with those of the Company and Shareholders, and to attract, retain, and motivate employees.

Listing Rule 7.1 allows the Company to issue a maximum of 15% of its capital in any 12-month period without requiring Shareholder approval. Listing Rule 7.2 allows certain issues of securities to be excluded from the calculation of the number of securities issued in the 12 month period, including under exception 13(b), where an issue is made under an employee incentive plan, if within three years before the date of issue, the issue of securities under terms of the plan are approved by Shareholders.

Shareholders last approved the issue of securities under the LTIP for the purposes of exception 13(b) of Listing Rule 7.2 at the AGM held on 23 November 2021 (**2021 AGM**).

The original approval was for up to 2,500,000 Performance Rights to KMP which do not include any of the current Directors, pursuant to ASX Listing Rule 7.1 and Exception 13(b) in ASX Listing Rule 7.2. Additional shareholder approval was obtained on 21 November 2014 to increase the number of Performance Rights to 5,000,000 under this arrangement. An additional shareholder approval was obtained on 14 November 2017 to increase the number of Performance Rights to 7,000,000 under this arrangement. A further shareholder approval was obtained on 23 November 2021 to increase the number of Performance Rights to 10,000,000 under this arrangement.

The Board seeks shareholder approval to maintain the number of Performance Rights at 10,000,000 under this arrangement.

Number of securities issued under the LTIP since the date of the last approval at the 2021 AGM

The Plan provides for the issuance of Performance Rights, Options and Restricted Stock Units (**Awards**). The gross number of Awards issued under the Plan, prior to forfeitures and cancellations, since the date of the last approval at the 2021 AGM are as follows:

- 23,026 performance rights were granted on 17 September 2022 with a 3 year performance period, nil exercise price and a 1 year vesting period.
- 74,001 performance rights were granted on 01 September 2023 with a 3 year performance period, nil exercise price and a 1 year vesting period.
- 47,930 performance rights were granted on 24 August 2024 with a 3 year performance period, nil exercise price and a 1 year vesting period.

Maximum number of Incentives proposed to be issued under the LTIP

The maximum number of Awards which may be issued under the LTIP is currently 10,000,000. Under the Resolution in Item 4, the Board is seeking shareholder approval to maintain this maximum number of Awards that may be issued under the Plan at 10,000,000.

Summary of the terms of the LTIP

The key terms of the LTIP are summarised as follows:

- The maximum number of Awards that may be issued pursuant to this arrangement is currently 10,000,000. If Shareholders approve the resolution in Item 4, this will be maintained at 10,000,000 Awards. The Awards will be allocated to selected executives and senior management (including key management personnel), the retention and motivation of whom is considered vital in the Company's progress of its strategic plan.
- Performance criteria set by the Board includes performance hurdles with two components, one related to profitability (Earnings per share growth) measured from the beginning of the performance period (60%) and the other related to Total shareholder returns measured relative to the ASX200 index and assessed by the Board at the end of the performance period (40%).
- The Performance Rights will be granted with a nil exercise price.
- The Performance Rights will vest over a 4-year period from grant date.
- Participants will have no voting rights or dividend rights until the Performance Rights have vested and the participants hold shares in the Company.

A copy of the LTIP Rules can be found at the Company's website at <http://www.promed.com.au/investors/corporategovernance/>

If Shareholder approval is not obtained

If Shareholders do not approve the resolution under Item 4 the Company, any securities issued under the LTIP will be included in the calculation of the number of securities issued in the 12 month period under the available capacity Listing Rule 7.1. Further, the Company will be restricted to the previously approved maximum number of Awards under the Plan of 10,000,000.

Voting exclusion

The Company will disregard any votes cast in favour of Item 4 by any person deemed to be eligible by the Board to participate in the LTIP and any associates of such persons.

However, this does not apply to a vote cast in favour of this resolution by:

- a person as proxy or attorney for a person who is entitled to vote on Item 4, in accordance with the directions given to the proxy or attorney to vote on these resolutions in that way; or
- the Chair of the Meeting as proxy or attorney for a person who is entitled to vote on Item 4, in accordance with a direction given to the Chair to vote on these resolutions as the Chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting on Item 7; and

- the holder votes on Item 4 in accordance with directions given by the beneficiary to the holder to vote in that way.

In addition, no KMP of the Company or a Closely Related Party of such a KMP may vote as a proxy on Item 4 unless the person votes as a proxy appointed by writing that specifies how the person is to vote on Item 4.

This restriction on voting undirected proxies does not apply to the Chair of the Meeting acting as proxy for a person entitled to vote on Item 4 because the Company's proxy appointment expressly authorises the Chair of the Meeting to exercise undirected proxies even though the resolution is connected directly or indirectly with the remuneration of KMP of the Company.

Chair's voting intention

The Chair of the Meeting intends to vote all available undirected proxies **FOR the resolutions in Items 2, 3.1, 3.2 and 4.**
