ESG Leadership

Achievements in FY24

Net Zero by 2025

Remained on track to achieve Net Zero by 2025 target, supported by on-site solar generation and off-site renewable electricity supplied through our PPA with Engie.

Clean energy

17.5MW of solar installed to date will contribute to meeting CQR's Net Zero by 2025 target.

9.0MWh of installed battery capacity with feasibility studies in progress for an additional 5 sites.

Looking Forward

4.9 Star NABERS Energy

portfolio rating for Retail assets.

4.1 Star NABERS Water

portfolio rating for Retail assets.

Scope 3 emissions

Increase diversion from landfill in our shopping centres and drive down our Scope 3 emissions through clean technology investment across our assets (batteries and electric vehicle charging infrastructure).

First Nations

Supported local schools celebrating indigenous culture via the Drawing Us Together campaign across our shopping centre portfolio.

Charter Hall Innovate RAP status endorsed by Reconciliation Australia.

Domestic Violence

\$366k in social procurement spend with Two Good Co. to raise awareness and support women seeking refuge from domestic violence via the 'Goodness with Less' campaign.

Local community causes

Partnered with 13 charity groups across nine of our centres on our community gift wrapping campaign, 'Wrap for good', which raised over \$20,000 for diverse local causes.

Social inclusion and impact

Achieve Charter Hall target of 1,200 employment outcomes for vulnerable young Australians by 2030.

Increase social procurement spend within our operations.

Engage with First Nations organisations to create employment opportunities throughout our value chain.

ESG performance

Achieved a ranking of 1st in Australia and New Zealand for listed Retail entities in the 2023 GRESB Report and maintained A level Public Disclosure.

Green Star

Maintained a 3 Star Green Star Performance Rating representing 'Good Practice' with coverage over 100% of its eligible retail shopping centres.

Modern Slavery

Charter Hall maintained independent screening of suppliers, rolled out updated training on modern slavery for all CHC employees, and continued industry collaboration to support knowledge sharing.

Climate related financial disclosure

Mature our approach to the management of climate related risks and opportunities and integrating into risk management and financial reporting.

Outlook and Guidance

- Strategy remains consistent and focused on non-discretionary convenience retail, providing resilient income growth
- Portfolio curation and active asset management will continue to improve portfolio quality
 - Positive leasing spreads, high occupancy levels and MAT growth are expected to deliver like-for-like NPI growth
- Portfolio income expected to benefit from direct and indirect inflation linked rental growth underpinning asset values
- Looking forward CQR's portfolio and capital structure is now positioned for growth

Based upon information currently available and barring unforeseen events, CQR expects FY25 operating earnings to be approximately 25.4 cents per unit.

Distribution per unit is expected to be in line with FY24 distribution of 24.7 cents per unit. This represents a distribution yield of 7.0%.
