About Compumedics Limited

Compumedics Limited [ASX: CMP] is a medical device company that develops, manufactures, and commercialises diagnostic technology for sleep, brain, and ultrasonic blood flow monitoring applications. The Company owns Neuroscan, based in the US, and DWL Elektronische GmbH, based in Germany. In conjunction with these two subsidiaries, Compumedics has a broad international reach, including the Americas, Australia and Asia Pacific, Europe, and the Middle East.

Executive Chairman Dr. David Burton founded Compumedics in 1987. The same year, the Company successfully designed and installed the first fully computerised Australian sleep clinic at Epworth Hospital in Melbourne. Following this early success, Compumedics focused on developing products for the growing international sleep clinic and home monitoring markets.

Compumedics listed on the Australian Securities Exchange in 2000. Over the years, Compumedics has received numerous awards, including Australia's Exporter of the Year, and has been recognised as a Top 100 Innovator by both German and Australian Governments.
