Appointment of a Director

SomnoMed Limited (ASX “SOM”, or the Company), the leading company in the provision of oral appliance treatment solutions for sleep-related breathing disorders and obstructive sleep apnea (‘OSA’), announces a change in its board composition, with the appointment of Mr Andrew Price as a Director, effective 17 January 2025.

Andrew, a seasoned executive in the medical device industry, has spent the last 25 years at ResMed in various senior roles. Prior to finishing his employment with ResMed, Andrew was Chief Supply Chain Officer, leading all functions of the end-to-end supply chain including supplier management, manufacturing, logistics, distribution, quality assurance and regulatory affairs. Andrew held roles at ResMed across product development, project management and business development globally.

Andrew holds an Industrial Design Degree from University of Technology, Sydney, and has completed the Advanced Management Program (AMP) with INSEAD Singapore.

Commenting on Mr Price’s appointment, SomnoMed Chairman, Mr Guy Russo said, “We are very excited about what Andrew’s extensive medical device experience brings to the SomnoMed board. Andrew’s deep expertise will be invaluable as we continue to scale our global operations. We welcome Andrew as a Director of the Company.”
