- **Visage to replace legacy PACS and workflow throughout the BayCare system**
- **Contract is for Visage 7 Viewer and Visage 7 Workflow**
- **Visage 7 platform to be implemented in the cloud**
- **Continues PME's expansion into North American IDN Market**
- **Transaction-based model with potential upside**

Leading health imaging company Pro Medicus Limited [ASX: PME] today announced its wholly-owned U.S. subsidiary, Visage Imaging, Inc., has signed a A\$53M, 7-year contract with BayCare, the leading health care system in the Tampa Bay and central Florida regions of the U.S.

Based on a transactional licensing model, the contract will see the company's cloud-based Visage 7 Enterprise Imaging Platform ('Visage 7'), including Visage 7 Viewer and Visage 7 Workflow modules, implemented throughout BayCare providing a unified diagnostic imaging platform.

Planning for the rollout is to commence immediately and will be based on Visage's proven cloud-based implementation process, with go-live targeted for late Q3/Q4 of the 2025 calendar year.

BayCare connects individuals and families to a wide range of services at 16 hospitals and hundreds of other convenient locations:

- The system is West Central Florida's largest provider of behavioral health and pediatric services and its provider group, BayCare Medical Group, is one of the largest in the region.
- BayCare's diverse network of ambulatory services includes laboratories, imaging, surgical centers, BayCare Urgent Care locations, wellness centers and one of Florida's largest home care agencies, BayCare HomeCare.

- BayCare's graduate medical education programs are expanding to help ensure West Central Florida and BayCare continue to attract the best physicians. By mid-2025, BayCare will be operating 18 programs with 283 residents and has committed to expand to 650 residents by 2029.
- BayCare has more than 32,000 team members, including more than 800 employed physicians.
- BayCare's mission is to improve the health of all it serves through community-owned, health care services that set the standard for high-quality, compassionate care. For more information visit [BayCare.org](http://BayCare.org).

"BayCare joins our rapidly growing list of integrated delivery network (IDN) clients," said Dr Sam Hupert, Pro Medicus CEO. "They also join the 70% of all Visage 7 North American clients to opt for a cloud-based solution, which, as a result of our CloudPACS strategy, is becoming the standard in the North American healthcare IT market."

Dr Hupert continued, "Our pipeline remains strong and spans all market segments."
