"I am delighted to confirm that the Board has appointed Ms Sophia Rahmani as Chief Executive Officer and Managing Director ("CEO") of MFG, effective 3 March 2025.

"The last six months has seen MFG continue to foster strong client relationships and innovate its product offering. Our distribution platform remains a competitive strength, and we have bolstered our global capacity with our presence in North America and now the UK, covering EMEA. Following the strategic partnership with Vinva that was announced in August, during the half we launched three new systematic equity funds for the Australian market and progressed work on the adoption of a fourth.

We intend to continue to pursue strategic growth opportunities and partnerships that add value to MFG, its clients and its shareholders.

"We know that our success is dependent on the trust placed in us by our clients, a trust we do not take lightly. As I hand over executive leadership, I am confident that MFG will continue to focus on the delivery of excellence in all aspects of our business and maintain our focus on investment performance and cost management.
